### **Hard News**

**R:** wild dramas unfolding has to do with the last few nano seconds and all the distractions going on at the highest levels: the 13 families are out of time, out of money but not out of love. Everything is unravelling that is not love – they are in feverish desperation to make a gold deposit for a down payment on Earth to their “over lords”, a transaction which has been cancelled and they are upset.

- They cannot go anywhere else, so they are trying war – a brinkmanship game
- Obama and Putin know the stakes: this is no game!
- In the Ukraine there are pyramids and there are magnetic anomalies – what R knows is that all is on line: the pyramids, the Atlantic grids, the zigzags [giant step pyramids outside of Baghdad – the US military has built a military base bigger than the Vatican against cosmic law – it is not their property to claim]
- Mr Putin will not push any buttons, nor Obama – a cancelled story: what they are wrestling with is how they break it to the public that the nukes have been neutralized and that we have friends visiting from our neighbourhood from 30,000 light years away, the technologies of the last 100 years have been withheld, 2 million people have been taken out

**Ed Schultz:** yesterday Ed said maybe he would go into the woo-woo and say the plane had been taken over by “friends” - Ed was telling various stories he had heard:

- Rama called up & said that with all due respect, something happened to the plane: it is our friends from another dimension & the plane & the people are in a shuttle bay in another dimension.
- Ed said It's too early in the morning, are you in Denver? R said he was straight as a judge, and Ed responded that judges weren't straight any more!
  - Several people called in and told Ed he'd better listen to Rama because it's true! This is good news that people are getting it!
- Ed had on a pilot who was asked how come we don't fly directly over the north pole
  - **Pilot:** because now we have to talk about having friends from another time: Ed kinda lost it and the pilot talked about magnetic vortexes and anomalies in those vortexes where planes disappear – have to go around this place
  - there is 1,000 mile hole that goes directly into Inner Earth:

**T:** there is no way but to say we have neighbours and Earth is a star ship that is travelling into a new dimensional reality, on a daily basis we are travelling back to the Pleiades

- And soon we will be sitting down with the extra plate for Elijah/ET; the people of the Ukraine & what is happening in Russia is no joke: this is about the financial fiascoes going on with the 13 families.

**Ed** asked the pilot if the ETs confiscated the plane: the pilot said it certainly looks that way

- People calling their relatives on the plane said the cell phones continued to ring in space but they still rang – Rama does not know what to do with that!

**T:** as the technology is 100,000 years in advance, this should not be a problem

**Cathy Lauren:** Kathryn May saying the same thing: the people are sitting in Inner Earth – also said that some chose not to go there & are somewhere else.

**T: everybody stayed together,** no one went anywhere else; all are working with the ETs; all are together and **Ashtar is in control**

- Besides the fact that more and more are beginning to believe that there are our space brothers and sisters who are here to assist, more & more are suspecting there is criminal corruption on the US gov't -

**Al Jazeera** did a series on Lockerbie: the lady, a Manhattan lawyer, **said Israel was involved** – which means US CIA was involved, too.

- There was an analysis about a group of terrorists who could make bombs and time them; the German police were involved because the characters spent a lot of time in Germany. There were others from Syria, Iran, Libya plus the Palestinian Liberation Front, plus Hezbollah plus intelligence and scientific information that could indict that group –
- Bush Sr said no, and called Thatcher in England and said let's turn down the decibels on Scotland, so they did that as there was some kind of payoff from the US CIA and the Mossad –
- They thought they could not handle the backlash, so it was decided to pin it on Syria and one man when it was really Israel and CIA stirring the pot

- Just like Blackwater is now in Crimea: having been kicked out of Iraq and Afghanistan, they went to Crimea – so ugly how US is involved; In Kiev they are funded by the US black ops via McCain & Shinzu Abe of Japan
  - The gov't snatched 33 metric tons of gold and said it was willingly given by the temporary gov't

**R:** willing to bet it will end up in St Germain's hands – if not there already!

**T:** that gold – the criminal cabal in the banking system are desperate, so out of time and money and stock exchange is falling – and it is almost \$1.38 to buy a Euro – very weak economy.

- Thom Hartmann's guests: nailing the Republicans about creating this horror story of an economy on purpose, and they are not getting away with this

**Randi Rhodes:** tore Mr Ayn Rand [Paul Ryan] & Eric Cantor and the cult of Ayn Rand and Atlas Shrugged a new one, and how Paul Ryan has been seen in secret meetings across the planet, like in the movie “Eyes Wide Shut” with Tom Cruise – where they use their misqualified energy activities [shape shifting and eating children for dinner];

- talked about his budget which is an austerity budget that would only make things worse.
- Sen. Patty Murray saw him shape shift behind closed doors;

**T:** the unemployment payments were not extended from Dec 28; at a meeting before Christmas,

- Patty Murray was representing the Dems; Bernie Sanders was head of the Budget Committee
- others were present and discussing what to do with the bill : the big story was cutting off people's unemployment - now it is 4 million people with nothing coming in, Today's news is that there is a new bill that will tear them a new one if they think they will get re-elected in November.
- At that meeting, he shape-shifted to his true form at the meeting: Bernie Sanders talked of it on Thom Hartmann's show
  - it totally terrified her, then she was enraged and went after him to strangle him & punch him out in front of everyone – Bernie had to pull her off him!
  - Paul Ryan had no control over what happened, and this is going on more than we know as a whole bunch of folks are losing control over their bodies.
- With a grain of salt, a big threat in **Crimea:** 150,000 troops on the border – have been doing exercises for a week now; Putin has every intention to cross over if we push the river:
  - If they do go in, likely to have intervention: the US is more guilty than Putin – NATO is evil and NESARA cancels it – we are asked to send love, love, love – the characters know they are in desperate straits and are over-compensating.

### **Guest: FRANK CHILLE**

Through Frank, we have heard from Judy Beebe, Major George Filer, Campobosso & others

- To clarify something & help people understand something
  - A new book by Timothy Good - **Earth: an Alien Enterprize**
    - He documents everything from air ministry in UK and from the US military
      - Confirms what people have heard & gives more depth
- talks of Roswell having multiple crashes and multiple survivors
  - An elite team took 2 of the live beings to England – not quite typical greys, but benevolent
  - Also took a crashed vehicle to England
- Since 1952, the US has taken over as coordinator of info
  - Since 1955, have had ability to go off planet; NASA was a ruse to cover up what happened - like going to Mars, for example
  - Gordon Cooper & other astronauts flew one of the crafts; he wanted to take one to the UN! Has documented evidence
- The Ameci Friendship Program started in 1956 in Italy – went on for 40 years where citizens had

interactions with visitors who were 3 different heights

- One being was 10 ft tall. As a result of this program, 15 discs were given to Italian gov't to use  
And coordinated by these 3 groups of beings
- Henry Kissinger since 1946 was an insider re these visitors – has known about this from the start
  - Eisenhower had **4 meetings** with these beings, 2 with the greys, and 2 who look like us
- Off planet activities since '50s: programs called Solar Warden & Tenth Fleet – the navy has a lot to do with it, the Air Force has been used as a dodge to keep the attention off where the control really is
- The Greys have had their own agenda, given the technology to US who used for own purposes
  - The negative agenda of the greys has been thwarted by the beings who look like us & who have the best interests of the planet and of us at heart
- The Case of Barbara Beaver in Christ Desert Park, at the base of a small set of hills in the High Yuca Valley – Shawn Lancey gave info to Timothy about Barbara Beavers and it is in this book
  - Frank tells the story of what happened to Barbara Beaver after she told her story about her contact experience publicly; she is such a pure light and pure soul who got shut down by ignorant fearful people
  - All that Frank has told us is not in Timothy Good's book
- Timothy has met one man and 2 women who are not from here: tells the story of his meeting them in an airport: he put out a telepathic thought that if there is someone who is not from this planet, please give us an indication that you can understand my thought. The woman got her beverage, came to the 3 of them and bowed down in front of them.
  - He did this again when he was by himself: a nicely dressed man came and sat down beside Timothy who thought to himself: if you are not from here, put your finger on the right side of your nose. The man did it, smiled at Timothy, got up and left.
  - **SOMETHING WE CAN ALL TRY:** if we are in a public place & we are serious and genuine about wanting to meet someone, we can put out the thought that if there is anyone who is not from here, please make yourself known to me.
  - In Russia, there are more people from other places that look like us and are intermingled in the society – this was from a military man!
- Another book by William Thompkins – **Selected by Extra Terrestrials** – he worked with the beings who look like us: there will be 6 volumes in all
  - All the material was vetted by the Navy because he used to be part of the navy; he will be speaking at **Orange County on Mar 19 at the MUFON organization**; thinks that the book will be released the day he makes his presentation
- **Good's book is available on line**; has done interview with Kerry Cassidy and Red Ice Creations – anything he puts out has been thoroughly researched.
  - Frank always thought Gordon Cooper was more involved than many; Gordon has had various experiences as have many astronauts
  - Red Ice Creations – 2 parts -
- William Thompkins has met George Filer and told George what he had done and was doing: George could not get an advance copy because no one wanted nasty comments sent his way before publication
- Frank has a deep sea diver friend called "Mark" who has had experiences in Bolivia & other places in SA
  - Mark and his mother go to a jazz club, and got friendly with one of the players. The player spoke to his mother and asked her where Mark was & she said she was worried about her son because

he is very interested in UFOS and she thought it was nonsense.

- The player said it's true; they're here; in 1946 he was working in Alameda naval Base in CA; he saw a big flat bed truck come to a most secure part of the base and saw a craft being off-loaded, also saw a being that looked almost like us. The being had been on the bus & was to stay there until the Navy came to take away the disc and the being to Wright Patterson Air Force Base.
  - The player was threatened not to say what he had seen; he told Mark's mother that was 60 years ago, and I am telling you this for the 1<sup>st</sup> time: your son is not wrong, there are visitors here from other planets; I saw one myself and seeing them creates a whole new consciousness in your mind when you know that.
  - there is nothing negative about this – the people are ready to talk about what has happened
- Frank told Mark the story about George Hunt Williamson who wrote **Secret Places of the Lion**; got the information from a space being who got it from a secret archive: Judy Beebe told Frank the information came from Valiant Thor & tells how Judy was aware of this.
  - The **True History of the Dead Sea Scrolls in 3 parts** – Roberta Herzog had always been interested in the Valiant Thor story & Dr Stranges: she got the 3 parts: Valiant Thor is a Christed being, not just a space being.
    - The golden Vase is shown in the series – Valiant Thor had brought it to Dr Strangers to use – the hieroglyphs were from Venus.
    - Available on line via You Tube
  - [www. extraterrestrials.com](http://www.extraterrestrials.com)– a short piece about a portal opening and the ships pouring through AT THIS TIME!
  - End of 2013, book coming out at end of March or April: will include the co-ordinates of the portals all over the planet -
- CL:** Asks Frank about his recent dreams: has been having meetings with individuals beyond sleep
- Then he sees people down here that he met upstairs and knows he should not speak of the other experience – they are not ready yet.
  - George Filer has been in Florida, will be back this week – continues to put out information; feels the sense of urgency too – will have all this information coming together

**Rama:**

**Closing comments, meditation:** Angelsu
