Shield of Archangel Michael

The Shield of Archangel Michael connects you to the power and energies of Archangel Michael and surrounds you with Archangel Michael's love and protection. While you do not need an attunement to call on Archangel Michael for any reason, this attunement will connect you to him in a powerful way and strengthen any connections to Archangel Michael that you may already have.

You will learn how to use the symbol to invoke Archangel Michael's protection quickly and powerfully for yourself, others, animals, plants, your home, your finances, and anything else you may want to protect. You will also understand how to shield yourself and others against any form of negative energies, people, and etc. You will be guided as to how to release your fears and embrace the future with confidence.

You do not need to be a Reiki Master to be attuned to the Shield of Archangel Michael.

How to Receive Your Attunement:

To receive your attunement to the Shield of Archangel Michael, you will need about 20 to 30 minutes of quiet time to receive the energies of the attunement. You may receive the attunement distantly, as chi ball, or in person.

When you are ready for your attunement, get comfortable, relax, and take three deep breaths, exhaling slowly to relieve any stress of the day. Then when you are ready, say, “I accept this attunement for (name of attunement, and level if appropriate) from (name of teacher) now.” Then just relax and allow the energies to flow in to you, and enjoy it. You will receive the attunement in the same way, no matter how it is sent to you. The difference in the methods of sending attunements varies, but the actual receiving of any attunement is always the same.

How to Send the Shield of Archangel Michael Attunement:

The attunement to Shield of Archangel Michael can be passed in person, distantly, or as chi ball method. The attunement is passed with intention in the manner that works best for you. Each person is a bit different in how they like to pass attunements—some use crystals, some use meditation, or soft music, chanting, or many other personal ways to increase power and ease of sending or passing attunements. It is my belief that each teacher knows what is the most comfortable, enjoyable, and powerful way that works best for them to pass on attunements, and whenever passing attunements you should always follow your guidance. Here is the basic method:
Get comfortable and relax. Take three deep breaths and exhale slowly to release any stress or tensions of the day. When you are ready, say, “I ask that (name of person being attuned) be attuned to (name of attunement, and level if appropriate) on (date and time).

If the attunement is sent as chi ball, you must create the energy sphere by creating energy between the palms of your hands (move them closer together and out again—back and forth with your palms facing each other to build the energy) and use visualization to see the sphere or chi ball. Then place the attunement energies inside the chi ball or energy sphere with visualization as you say, “I ask that (name of person being attuned) be attuned to (name of attunement and level if appropriate). I ask that the energies of this attunement be placed within this chi ball and that the energies be kept pure until (name of person being attuned) accepts this attunement. I ask that this (name of attunement) chi ball go now to (name of person being attuned) and continue to float around (him or her) until he or she calls it in and accepts this attunement. I thank you. And so it is.”

Again, I stress this is a basic way to send this attunement as chi ball and you as teacher should always pass attunements in the way that is best for you with pure intention.

Shield of Archangel Michael

Archangel Michael is a powerful warrior and avenger Angel. He is a protector of all in need, and those pure of heart. Archangel Michael wields a sword of truth that can cut away any negativity and drive away the most fierce foes. This attunement to the Shield of Archangel Michael will open your thoughts to the more loving and protective nature of this powerful Archangel. While he can and will do whatever is necessary to guard and protect you, the energies of this attunement is based on a more defensive protection rather than aggressive offense. Archangel Michael’s Shield cannot be penetrated, broken, or melted. His Shield is the Shield of Love and Light. Whenever you are in need of protection, Archangel Michael will be there to surround you with protection, and he will place his shield in your hand to ward off anything that may try to harm you in any way. This includes protecting your home and family. And it also includes protecting your job, your income, and your finances.

Archangel Michael is always ready to help you to stand in confidence against these trying times when jobs are being lost and homes are being foreclosed. He understands that you cannot function in our society without a source of income and a place to live. Therefore, he has stepped forward to offer his assistance with these issues.
Below is the symbol to use to call on Archangel Michael and to invoke his strong protection:

![Shield of Archangel Michael Symbol](image)

Use this symbol by drawing it in your palms with your finger and then place your palms together. Visualize the Shield glowing with blue and white light and then see whatever it is you want to protect inside the Shield. The symbol is shown above in an easy way to draw, but you can visualize it more like the picture in the beginning of this manual if you prefer. You can also draw (with your finger) the symbol of the Shield of Archangel Michael as shown above on your front door of your home, on your car, or on your bankbook (or bankcard, statement, etc.) to protect them.

To protect yourself, you can draw the symbol on your palms and then place them together and hold the energies for a few moments, then open your palms and place them over your heart. Visualize yourself in the center of the Shield of Archangel Michael as it glows with blue and white light.

**To Protect Your Job**

Draw the symbol on your palms and then say “Archangel Michael, protect my job, and make sure that I am always employed at a good wage, so that I can take care of myself and my family. Thank you!” Do this as you place your palms together. Hold the energies for a few moments.

**To Protect Your Home From Foreclosure**

Draw the symbol on a picture of your home, and also on your palms and place your palms together, and say, “Archangel Michael, Protect my home and stop any foreclosure proceedings now!” (You may state in your own words that you love your home and want to stay in your home.) You may feel emotional when you do this, but just tell Archangel Michael about it.
You may want to visualize your home in the center of the Shield of Archangel Michael.

To Protect Your Home From Negative Energies, including Intruders and Vandals:
Draw the symbol of the Shield of Archangel Michael on your front and back door and in the palms of your hands with your finger, place your palms together and say, “Archangel Michael, protect my home and keep it and those who live here safe from all harm and negativity. Thank you!”

You can do the same to protect your car or vehicle by drawing the symbol on the doors of the vehicle with your finger and also on your palms, and place your palms together and say, “Archangel Michael, protect this vehicle and keep all who are riding in it safe from all harm.

For any really difficult situations, you may also want to draw the symbol on a small piece of paper, and write what you want to protect on it also, and place it beneath a White or Blue candle that is in a safe candleholder. Allow the candle to burn at least one hour. Visualize whatever you want to protect in the center of the Shield of Archangel Michael, and see it glowing with bright, pure blue and white light.

Releasing Fear:
When you live in fear, you are unable to focus on anything else in your life. Fear is the one thing that can stop you from moving forward and living to your fullest potential. When you feel safe, you live in confidence and joy.

To Remove Fear (of anything—the future, phobias, or anything at all that you may be afraid of):
Light a Blue Candle

Gaze into the flame and feel it burning away your fears and doubts. As you look into the flame, allow Archangel Michael to Shield you and protect you. Say, “Archangel Michael, remove all of my fears and doubts now! Set me free of the bondage of fear. Shield me from all negative energies, and help me now to release all fears. Thank you!”

Continue to gaze into the flame of the candlelight until you feel all of your fears have been burned away. You will feel lighter, have more energy, and be at peace when you have finished. Put the candle out and repeat this as often as you feel the need.
Reiki is a form of energy healing that never harms and always helps. If you are ill, please see your physician. Reiki works hand in hand with the medical profession. Results may vary. Each person is different and may be at a different level of spirituality and ascension, therefore Results may vary depending on where you are on your spiritual path and how much you work with the energies. Working with the energies strengthens them and your ability to get the results you desire.
