

Demo Team Application

2017-2018 Demo Team

Demo Team is an excellent opportunity to be a part of a small group of dedicated, like minded, motivated students. Demo team builds high levels of confidence because students are taught how to perform in public.

Try outs can feel very intimidating—what we look for are students who have enthusiasm, focus, and a strong work ethic. We will teach the advanced techniques, you just bring your desire and enthusiasm to push yourselves to a new level, and to learn how to perform, develop, public presentation skills and confidence. The demo team acts as ambassadors of martial arts, and of Mercer Island Martial Arts in specific. Besides showing amazing techniques and skills, participants will also teach others about many things, focus, self confidence, goal setting, bully prevention, self-defense, etc. Plus it's fun to learn how to fly!

The team will be coached by Master Wells, as well as, a handful of selected back belts and assistant instructors.

This is a truly valuable experience for your family. Please take a second to fill out the below application.
