Report from *Uttarakhand*

by Pastor Hari Har Pothal

Pictured above is Brother Hari Har and his wife, Sabitha, with their children Pinky and Rinky, showing Hugh the area of their ministry.

Dear Prayer Partner,

Greetings from *Uttarakhand*, in the precious name of Jesus Christ. We praise God for what He is doing in *North India* and in *Uttarakhand* in spite of BJP (Hindu) government opposition to Christian conversion. Conversions are taking place among high caste mountain people in the state of *Uttarakhand*, so the government and RSS people have placed a restriction on the Christian people, saying they should not conduct any meetings or programs. The RSS leadership feels that if they do not enforce the "conversion restriction" then the state of *Uttarakhand* may become like the state of *Mizoram* where nearly 100% of the state population is Christian.

We praise God! We conducted a state level meeting in the district of *Dehradun*. This meeting was conducted from 22-25 February 2011. I joined in the meeting as one of the

resource persons to share the importance of *fasting and prayer*. There were 250 leaders from all over the state gathered for the meeting. I distributed the book, *Biblical Fasting and Prayer* during the meeting.

Church planter graduation . . .

There were 12 Church Planters going through the *Church Planting Training*. Most of the church planters are first generation Christian. The training is conducted for one year. During the *Certificate* distribution, we presented the booklet, *Biblical Fasting and Prayer* and 24 other titled books on counseling.

Praise and Prayer points . . .

Praise God for networking of prayer meeting in the state of *Uttarakhand* and in *North India*

Praise God for the 12 church planters who completed training.

Praise God for a Prayer-Life Seminar conducted for 250 Christian leaders

Pray for our family. Our house owner does not allow us to conduct Sunday service and we are looking for a suitable place to meet.

Pray for land and building for P-LS Centre.

With much prayer,
Hari and family

Report from Nepal . . .

by Pastor Mitra Pokhrel

Respected Brother Hugh L. White,

Warm greetings to you in the name of our Lord Jesus Christ.

Brother, the *Asian Evangelical College & Seminary of Nepal* was founded on 2003, with the purpose of providing supervised training for local church leaders with sound biblical doctrine. At the moment, many of the Nepali leaders are untrained workers who are leading the church of God. For this purpose, we established a Theological College to train Christian leaders during the morning hours, because there is no time for them to come and learn at a full-time residential college or seminary. All of the students in our program of learning are "*On-the-job*" trainees. By that we mean, all are serving as pastors and Christian leaders in churches, and spending three or so hours each morning in disciplined, instructional, learning sessions.

Our current priority is to provide these men and women, who are engaged in ministry, with supervised, biblical instruction. It is not our immediate plan or desire to become a "residential" institution, but to continue as an "*On-the-job*" training centre. Perhaps, in the future, the Lord willing, we may look to add a "residential" option – but yet to always provide the "*On-the-job*" focus.

At the moment our critical need is for a building for *classrooms* and *Library Hall*. For that we have been praying that God will provide it. We thank God that we have been able to graduate 80 local church leaders, so far, who are now actively involved in ministry in their churches. We are running this institution by faith. We presently conduct the regular classes in rented rooms of a private Business School, since we do not have our own facility. —continued column 1, page 2

—continued from page 1 . . .

It is our prayer that we will be able to construct the first phase of building for our Theological Institution within this current year.

Below are a few pictures of some of the forty students presently enrolled in our class room activity of the seminary.

It is my further intent and desire to inform you that we have begun the improvement of the properties as the first step of construction. Here are some pictures of the fencing of the property. The purpose of the fence is for security of the property and materials. As soon as the fencing is complete, we will begin the drilling of a “bore-well” for water to be used during construction of the building, and for fresh water supply for the facilities following the completion of the building.

This is the first phase, and it is our prayer that we will be nearing the completion by the end of the current year.

God bless you and thank you for your prayers and support.

Sincerely yours,
Pastor Mitra

Report from Malawi. .

by Pastor Ganizani Mulewa

My dear Brother Hugh L White, the Board Members and supporters.

I write to give you a report for the seminar held on 19th March, 2011 at the **Magomero Grace Bible Church**.

It was a very successful seminar. We had about 50 participants drawn from a number of various churches throughout the area. Participants and Board Members of P-LS Malawi shared different aspects of prayer throughout the day’s events.

The meeting started 8:00 a.m. with a prayer and welcome from **Pastor Mongola**, the Pastor of the Church used as the venue for the Seminar. Then we sang several songs and joined in a time of fellowship and getting acquainted as we shared in a cup of tea and refreshments

At 9:00 a.m. the **Director of P-LS Malawi, Pastor Ganizani Mulewa**, delivered the opening address. He shared some information concerning the founding of the **Prayer-Life Ministry**, and spoke of the objectives and purpose of the ministry.

During this time, Pastor Mulewa invited those attending the seminar to participate openly and freely by asking questions and sharing any personal experiences of answered prayer. He closed his sharing by emphasizing the fact that prayer is the most important, powerful, tool that is available to the believer. That prayer does make a difference..

Others who participated during the course of the day included: **Pastor Bernado January, Pastor Chingota, and Pastor Chilembwe**. We praise the Lord for these men of God who shared together in this day of emphasis of the importance and power of prayer.

At he end of the day, **Pastor Mulewa**, summarized what had been taught, thanking each of the facilitators for their contribution, and those who attended for their presence. In return, many of the participants expressed joy and great happiness from what they had received from the teaching.

Thank you and God bless,
Pastor Ganizani Mulewa

Minorities

We need to show more sympathy for these people. . . .

*They travel miles in the heat.

*They risk their lives crossing a border.

*They don't get paid enough wages.

*They do jobs that others won't do or are afraid to do.

*They live in crowded conditions among a people who speak a different language.

*They rarely see their families, and they face adversity all day ~ every day. . . I'm not talking about illegal Mexicans ~

I'm talking about our troops!

Doesn't it seem strange that so many are willing to lavish all kinds of social benefits on illegals, but don't support our troops?

Presidential quote . . .

George Washington (1732-1799), 1st President of the United States

“Almighty God: We make our earnest prayer that Thou wilt keep the United States in Thy Holy protection; and Thou wilt incline the hearts of the Citizens to cultivate a spirit of subordination and obedience to Government; and to entertain a brotherly affection and love for one another and for their fellow Citizens of the United States at large, and particularly for their brethren who have served in the Field. And finally that Thou wilt most graciously be pleased to dispose us all to do justice, to love mercy, and to demean ourselves with that Charity, humility, and pacific temper of mind which were the Characteristics of the Divine Author of our blessed Religion, and without a humble imitation of whose example in these things we can never hope to be a happy nation.

Grant our supplication we beseech Thee, through Jesus Christ our Lord. Amen.”

– This prayer of George Washington appears in St. Paul’s Chapel in New York City
