

Want a Turn-Key Solution to Marketing and Teaching EFT® in Schools?

Want to know how and where to start? Want a complete plan?
You've come to the right place!

Announcing Tapping in Schools Marketing Kit and Tapping in Schools Curriculum Kit

**These kits include everything you need
to market AND teach EFT in schools:**

Letters

Query letters, Reminder letter, Follow-up letter, Contract letter (suggested content for Letter of Understanding, Letter of Confirmation), Sponsor letter for program participants

Curriculum

9 lesson plans to support a complete curriculum for various audiences. Topics include introduction, basic and advanced tapping instruction, guidance for tapping use, evaluation summary. Each lesson plan contains a sample workshop description, objectives, agenda, script and facilitator notes. Six other plans are also included to increase your presence in the community!

Handouts

Handouts referenced in any lesson plan are provided.

Fact sheet

For marketing purposes, a Fact Sheet about tapping and the benefits of the TappingStar curriculum is provided.

Pricing sheet

The curriculum elements are priced for sale. Schools can purchase these as a whole or as “a la carte” offerings.

**Customize these offerings in minutes
for your own use!**

Tapping in Schools Kits quickly pay for themselves by saving you hours of time and effort, plus they give you the confidence to approach schools with a completed, effective program!

Reviewers and beta-testers share their responses:

“A much-needed tool!”

“I appreciate the level of detail and the ability to customize the materials.”

“I hadn’t approached schools because I didn’t know what to say. **“Tapping in Schools Marketing Kit”** gave me the confidence to talk to school administrators and our parent association. We’re now exploring our next steps. Thank you!”

“The **“Tapping in Schools Curriculum Kit”** is just what I needed to show the school district what, exactly, I was proposing!”

“These kits will pay for themselves after teaching only 2 classes!”
