Dear Neighbor,

As you may have heard, there has been discussion recently about the creation of an architectural review board responsible for reviewing development in the Walker's Point area. As is my practice, I will make no decision about something of this significance without hearing from the community.

Attached to this letter, please find a communication from the Walker's Point Association providing information about this proposal. I would ask that you review its contents.

Then, I would ask that you join me at a community meeting to be held on **Monday, July 10th, beginning at 6pm at Workshop Architects, 201 East Pittsburgh Avenue, First Floor.** Anyone interested in this matter is strongly encouraged to attend.

Should you have questions or concerns, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jose G. Perez'.
