AGEING: stainless steel vat and bottle

ALCOHOL 13,5%

SERVING TEMPERATURE: 16°-18°C

BOTTLE SIZES: 0,75L

TASTING NOTES

While the nose introduces mild aromas of wet stones, cut grass, field flowers, dry lemons, under ripe pear and thistle, the palate for this straw-colored white presents a combination of white apricot, peach, green apple, dandelion, and nut skins nicely balanced together with minerality and sharp acidity.

TASTING NOTES

The wine pours with inky red color in the glass. Aromas of ripe plums and cherries are balanced with dried sage and rosemary. The palate is lean with powdery tannins and savory character of the fruit. The finish is complex and pleasant.
