## **Disclaimer**

This is not an instructional booklet as there is no one in existence who could possibly fall into the category of *needing* instruction. Hence these utterances offer not a whit of hope to any for none exist who need hope. Such alone constitutes declarations of *That* which Joyously *Is*. Of a surety, there are no beings that can come to know *That* which *Is*. All that *Is*—*Is* Eternally and Immutably *That!* Consequently, never are these utterances advanced as an attempt to change the minds of any or to divert play acting entities upon the earth-stage from the visions that each hold in their own heart. Such can never actually be done anyway even though it may appear to some to the contrary. All writings constitute simple statements depicting the nature of *The Earth Drama Divine* as related to *Reality Absolute*. That which is written obviously is known by *All*, for *The All* is the Sole Eternal Knower.

*In these writings, the ego of dream and the so-called human mind are always synonymous.*

# **The Script The Mystery of Dreams And Two-Stage Cosmic Ascension**

*What is a dream?* Dreams are nothing other than mini-plays being cast by earthlings within their sleep state. In such are provided the closest views possible that unreal earthlings will ever receive of the *Realm of the Real*. Within these dreams, dream figures are not born nor do they age or die. Such are not even seen to go to sleep or to

awaken as do the earth beings who project them. Sometimes dream figures do very magical things—such as flying about and traveling vast distances in a seeming instant. They are observed lifting extremely heavy looking objects as though they had the weight of a feather. They also can appear to manifest most anything within the very moment. Within these dreams there are no scenarios depicting unenlightened beings needing to become so and none as spiritually lost needing to be saved.

Although these dreams are far from an accurate and complete picture of the *Realm of the Real*, such do constitute as much as role players are capable of glimpsing during their acting roles within *the Great Cosmic Play*. And even though there is the appearance that earthlings are thus inspired to an awareness of a *Glorious World Beyond*—never is it possible for such to awaken out of the Drama Divine and attain this so-called *Beyond Reality*. What does all this mean? Simply this: *all that this Reality Is, It always was and shall forever Be. Nothing can diminish from such nor be added thereto.* Earthlings are not other than *unreal human-like figures* cast for Divine entertainment purposes upon a unique Cosmic type Screen. Such is the nature of the *Grand Divine Play*.

In other words—and in spite of the fact that there is much chatter amongst dreamers to the contrary—*earthlings have not been designed to awaken to any Reality Beyond, but instead, they are simply to terminate their roles as unreal-beings in a make-believe world setting. Each of these play actors are merely a sort of animated figure and so constitute only a faint shadowing—in each case—of an actual Divine God Being or Personality of the so-called*

*Reality World Beyond. Obviously, these Cosmic Beings are entirely unaffected by dream scenarios. Such Infinite Beings never actually descend, go to sleep, become ignorant or forgetful, and so never fall into a category of needing to be awakened, liberated, or saved. It is this Reality World that is—as through a glass darkly—projected forth in the earthling sleeping-dream state. Such is the mystery of dreams.*

Additionally, earthlings acting within *The Great Cosmic Dream* are portrayed as beings who each display separate minds all their own—as contrasted to the One All-Powerful and Everywhere Present Divine Mind. Such are further pictured as residing within a temporal or finite body-form and world. Such minds and bodies are as fictitious as is the so-called material domain that is perceived as the created reality or dwelling place by all such. There is never any actual *creation!* *Nothing* in the dream world is real—hence, none actually exist to ever experience that which appears as *good* or *evil* therein!

***The Script—***  
**Two Stage Role Termination**  
**And**  
***AD 2012***

Besides a profoundly exciting and captivating story-line—all major film productions have a basic organizational structure: namely, an attention commanding beginning section, a main body, and an impacting ending. *AD 2012* corresponds to the *Grand Finale of the Great Cosmic Earth Play*. Consequently, all earth is currently undergoing that which is called—its final and complete masse ascension.

In the *Cosmic Play Script* there is what is referred to as *Role Termination*—otherwise termed *Ascension*. Such is comprised of *two stages*. The *first* of these is described as a *consciousness* or *mind* ascension and the *second* a *body* ascension. Such is the joyous and unique nature of the *Play Divine!* At the *first* stage of role termination the so-called *human mind* or *ego* is said to come to its end—that is, to irreversibly disappear—vanish! *Divine Mind* or *Consciousness* is henceforth portrayed as the *Sole Existent Mind* but residing within and emanating forth from the apparently unreal remaining body of dream.

*This makes the Divine Play very interesting indeed!* For now there is a *strange being* walking about and interacting with all other dream beings! Such a *being* is like the *wind*—none can tell from whence It comes nor where It goes. With such an entity—no *multi-minded* dreamer can identify—so unlike them in performance is *he* or *she!*

In other words, at the point of this *first* stage of role termination, such play actor now constitutes a *Divine Realistic Force and Presence* incorporated into the realm of the *unreal*. Additionally, it is the *Design Divine* that wherever *stage one* role termination (or *mind ascension*) has occurred, *stage two* (or *body ascension*) is guaranteed and inevitably soon to follow. In this connection it is said that at the stage one ascension—all so-called body deterioration such as ageing, disease, etc., etc. entirely ceases in preparation for the rapidly approaching stage two ascension event. This means clearly—that for all having achieved the stage one ascension—there obviously is no death and burial to be experienced in the dream world context, as appears to be the case with all so-called non-ascended or yet sleeping beings. It is the distinctive

Nature and Design of the Script that this joyous two-stage role termination be the end destiny for all participating performers in the closing-act of the joyous Grand Finale of the Great Cosmic Play.

It is to be particularly noted that *unreal dream minds* do not become or are not converted or evolved into Divine Mind! Nor is the so-called *human body* to be transformed or made over into the Body Divine! It is for this reason that it can never be said of an unreal play entity, that such is to *awaken* or become an *enlightened* or a *God-realized* being! The human mind, body, existence, and world or seeming dwelling place are unreal! Therefore, there simply is no body or mind to realize or become anything much less a chaotic material world to be transformed into a realm of peace! Assuredly—Unreality never becomes Reality!

Upon role completion—depicting a fully disillusioned state of being—all that remains is *That Reality Absolute* which always *Is*—before, during, and after dream roles and/or Divine Cosmic Plays.

## **The Script Introduction**

So long as an acting entity perceives another as more enlightened than itself—such cannot escape the karmic entanglement with sin, sickness, suffering, and death. Such is the apparent dilemma of so-called ego or human experience on the finite side of the veil called

dream.

There is but One Light or Enlightened One—That is *God!* All that truly *Is*—is Blissfully *That!* Always! Such is the Joyous order of the Day on the Infinite or Divine Mind side of the dream veil!

Consequently, and in actuality, there are none in existence to find Reality or the secret of Such! All that *Is*—Is Reality! Always! However, in so far as the make-believe Cosmic Drama is concerned—in one way alone can a dreamer be done with a sense of the bogus scenarios of false self-identity, disease, suffering, and death: namely, by the total completion of his or her acting role or the achieving of the so-called stage-one ascension event within the Great Divine Play. Such succinctly entails the irreversible disappearance of the dream actor in-so-far as human consciousness is concerned! (Ref. Ascension Note, p66)

None ever become free! There are no actual beings in existence to get free and no freedom to be achieved! There is only Bliss that is Always Bliss! All who truly Are—are not different from *That!*

There are none who ever did or could change their identity to that of Divine Mind! All there ever *Is*—is *Divine Mind!* Always! Such erroneous notion along with the dream mind that perceives such will as well be aborted—on time!

There are none in existence who *begin* or *return* to being in possession of wholeness, harmony, and the Reality of Blissful Blessedness! Only in dream lingo is such called an *awakening* to the Universal Fact that

he/she never did nor ever could experience a time when they were not in possession of these bounties! Assuredly none have ever gone to sleep and therefore there are none to awaken!

There is not nor have there ever been any in existence who did or could make the mistake of believing they can have knowledge of Truth without *Being* Truth! *All that Eternally Is—Is Truth!* There is nothing else for *That* which is *actual to Be!*

So-called dream deliverance is simply a term applied to the termination of one's acting role therein! There are none who dwell in Eternity, nor will there ever be any who are *There* as a result of being delivered from a delusion world! No such one or world exists!

This is not to say that dreamers are delivered by alteration of beliefs! All beliefs—yea, and the holder of such, vanish instantly upon the ending of one's dream role! In no other way is it said that a dreamer experiences what is termed deliverance from the world or illusion of dream! In reality there are none who ever were or could be delivered from illusion to Reality! There is no actual illusion and no actual deluded one! Hence, there is no deliverance! Such is merely more lingo of the realm of the unreal!

There are none such who could possibly exist who are in need of piercing through a veil called dream! There is no such veil! *There is only Immutable Bliss!*

There are none who ever did or could seek for Immortality—much less any who could find and enter Such thereby! There is only Immortality and all that *Is—is*

always *That!*

Divine Mind cannot be found! Such was never nor could ever be lost by any! Hence, none are there to search for such! All that *Is*—is Divine Mind—Time without origin or ending!

The erroneous belief of separateness, and the apparent believer in such, both vanish instantly upon the completion of the dream role! There is no one or thing left to *accept* or *become* God! All that God *Is*—always was, and shall forever remain!

There is no outside of the Realm of the Real! And no such beings who live there!

There are none who are not always timeless Light, Love, and Life Beings!

There is not, nor will there ever be, any being who can be taken into the Realm of the Real! There is no outside the Real! There is only the Kingdom of Spirit Actuality! *All that Exists is always That!*

Duality along with the rest of its related silliness is not really anywhere!

There are none who could possibly exist who are not immutably abounding *in* and *as* the Joyous Bliss of Eternity!

There is no such thing as our heart and our Reality—as if they were two! Nor one that constitutes the door to the other! The hearts of all who *Are—Is* the Sole Existing Reality! Always! The idea of medium-ship is

mute *where All is One!* And there is no place where the One is not and does not Reign *Alone!*

**The *Acceptance Note***  
**(A translation of dream lingo)**

None are there in existence that ever did or could *accept* Reality or the Universal God Self to be their very own Self! This is an utter impossibility! Such would be tantamount to imagining that *Cosmic Truth* can be applied to the Movie of Dream and that unreal or animated screen figures could—by such dynamics—evolve from a lost and blind finite created status to *becoming* God! Obviously, such could never be the case! *All that God Is has forever been and shall immutably and eternally remain the Same!* It is true—an appearance of this highly admonished so-called *acceptance* may frequently express upon the Stage of Dream. However, all who assume such by an act of the so-called finite intellect do but remain deluded dreamers still! What is all this saying? It is very simple!

The false-self of the dream—in each and every case—is designed to eventually terminate its role in the Earth Play. That is, die to and as its ego-self—both in mind and body—and thus vanish without a trace! Indeed, when this is accomplished—absolutely nothing is left to *become* or *accept* something else! This done—all that can possibly remain in its place is the Always Existent Joyous Kingdom of the One Cosmic God Self, and the Immutable Reality of the Only Living Universe!

Of a certainty, all Reality Beings behind every phantom performer upon the Stage of Earth have always been and shall eternally remain only *That Infinite God-Self* and Boundlessly Joyous Universal Reality!

Assuredly, the Realm of the Real never did nor ever shall know of any being that could *begin* to be or *return* to

being identified with or as the One Divine Mind and Self! Hence, the concept of *acceptance*—throughout this theme—is invariably indicative of one’s *first stage role termination* or the *utter disappearance* of the fictitious human mind from the earth-stage of the Great Divine Play. (For extended treatment regarding this point, Ref.—*From Whence Cometh Teachers of Dream?* P66)

There is none but the One Eternal *Seer* and *Knower*! All Things are Immutably what they Are and always seen and known as Such!

There are none who seek or find the Kingdom of the Self! *All that Is—Is Immutably That!*

There is no threshold to the Kingdom of the Real and certainly none who do but touch the fringes of Eternity! There is no outside Such Kingdom and certainly none who are there! There never was or could be an entrance into Reality nor any who enter Therein!

There are no “high states of consciousness” even in the dream! There is only progressive disillusionment all the way to role’s end!

There are none nor could there ever be any who are Perfect Consciousness who came or *began* to be Such! Much less who came to be *That* through the acceptance of anything! (Ref. Acceptance Note, p9)

When *Perfect Self-hood* Is all that there Is—and of a Truth this is so—then who is there that could possibly be outside of *That* to *become That* by *accepting That*?

There is no human or material existence to correct!

There is only the *Absolute*! There are not, nor could there ever be any “opposite” considerations to which *It* can be contrasted!

There is no death and none to experience or escape such! The sole manner in which “leave” can be taken from such dualistic folly—in the context of the dream—is to complete one’s role in the Cosmic Play. Yea—“leave” is, in this way, taken from both—dream world as well as participator therein!

Wholeness and harmony is all that *Is*! Such is the only World in Existence!

There are none in existence outside the Spirit World! There is no “outside” such World!

Letting go of the notion called “duality”, could never deliver any into the Realm of the Real! There are none who ever were or could be delivered from a so-called unreal or make-believe existence into *That* which is Real and True! There is no outside of *Real* and *True*! And none who ever did or could live there!

There are none in existence who attempt to apply *Truth* to something “other” than *Truth*! There is nothing other than *Truth*!

There are none who did ever or could ever turn from a world of finite mind illusion and commence to hear the Voice of God! No such beings ever have or could exist! It is impossible for any to “begin” to hear Spirit when there is Only Immutable Spirit!

It is utterly impossible for any to *begin* to have the

Light of Eternity glow within their heart! Light of Eternity is all there *Is!* All that *Is—Is* Immutably *That!*

There are none who ever did or could find themselves commencing to drink of Living Waters! All who do such have eternally done so! All who truly *Are* not merely drink of Such, but immutably constitute These Everlasting Waters!

The Cosmic Dream is where the *One* does—by proxy—impersonate as the *many*—the *Real* as the *unreal*, etc., etc.

Should one dreamer be persuaded by another to “switch beliefs” and let go the idea of “another” mind and existence outside of God—such is destined to remain only a dreamer still! The only change, which was here made, is in belief! Such belief alteration will now cause the ego of dream to parade around the illusion world professing to be some sort of holy man/woman—where previously, such was characterized as a being in search of deliverance or God! This dream entity—asleep still—but now said to be in greater delusion—will age, continue being subject to disease, grow feeble and eventually die as do the so-called unbelieving drunkard and murderer within the illusion of dream!

The sole “change” that effectually terminates the illusion of separate mind, body, and world, is the irreversible completion of one’s role within the Cosmic Dream! Firstly, with a stage-one or Consciousness Ascension, soon to be followed by the stage-two or Body Ascension Event! Here, or as an apparent result of such, there is no so-called physical death nor burial to be experienced whatsoever within a three-dimensional or

phenomenal world context! The play actor—mind, body, and world, is simply reabsorbed back into and as That Divinity—from which the actual Light Being represented thereby—never really left! Jesus, Babaji, St. Germain, and multitudes of others constitute examples in point! (Ref. Ascension Note p66)

There are none who began to experience “freedom” which, at one time, didn’t know such! There are none who dwell “outside” of Reality! Divine Play Acting Light Beings are simply filling Cosmic Movie roles by proxy! This means plainly, that they are not, in actuality, bopping around in a phenomenal world setting on the Divine Movie Screen! Never could such role activity actually remove these Divine Beings from the Realm of the Real! This is impossible! There is no actual place apart from the Realm of the Real! This Realm Is *All!* Always!

Admonishment—no matter what its source—is only and always delusion! Such is the way of the pretend Cosmic Play! Real Beings never know lack! Such Always *Are* Abundance! They are not merely the Supplier, but as well, *All* that is Supplied! Besides *This* there is nothing!

Is one here attempting to admonish or apply Truth to the unreality of dream? Impossible! Such is alone dream folly! There simply are none to take—much less is there anything to get!

There are none in search of fulfillment of desire! There is no finite existence! The ego of dream that masquerades as a so-called “truth” seeker is but a subtle impostor! Always! Its only destiny is to utterly dissolve so that in its place may appear *That* which *Immutably Is All!*

When the dream ego role ends—so also does the self-centered and manipulative personality portrayed as that ego! All that’s left is Omni-present and Immutable God! There never was, nor could there ever be, any in the Realm of the Real who are *There* as a result of “accepting” and “believing” in *Such*! No such one ever did or could exist!

There are none who ever did or shall “begin” to identify themselves as Reality and thus enter into the Kingdom of the Real! Reality Beings Are Immutably *Such*! Besides *This* there is nothing!

There is not a chance that a so-called “undeluded being” becomes such by virtue of “belief change”! There is no deluded being! And there is no undeluded being!

*Heaven Is Everyone!*

Who—pray tell—could possibly inherit a Kingdom which they Always Immutably *Are*?

When the ego of dream is dead—so to speak—there is only and ever the Voice of God—and the Reality Being behind each acting dream ego Is Immutably *That*!

The final confession of the unreality of one’s self as a being of separateness is typical of approaching dream role termination—and with the ending of the role comes the end of him or her who confessed such!

There is nothing for any to understand! For there are none who are not *Always* the All-Knowing One! Immutably!

All dreamers who appear either to *refuse* to identify themselves as the One Alone—or to *accept* by persuasion the same identification—are both in the same sinking boat! That which proceeds from dream mind is subtle deception only! Dream roles ended—there is Only *The One!* All Are Immutably *That!* Apart from unreal or make-believe dream roles—there is nothing else to Be or Being *All that Is!* There is only Immutable Reality and Truth! All that *Is—Is That!* *Here*—there is no sinking boat! There is no “actual” sinking boat anywhere!

The idea of “revelation” so-called—is but another door to disillusionment! There is no such revelation that delivers so-called unreal dream beings into The Kingdom of Oneness! This is not possible for play-acting dreamers! There is only role termination! Such alone brings a permanent ending to personal thinking as well as to him or her who practiced such! Divine Beings—symbolized by proxy in the Play by Dream egos—did never nor could ever depart from the Realm of the One! All that Actually *Is*—is not other than or different from *That!*

Teacher dreamer admonishes student dreamer: “give your allegiance to God”! Woe to the dreamer who dances to this uncertain drum! All such are destined only to continue trying to believe and become something that they are not! This too shall utterly pass!

Dreamers could live ten million life-times and still never be capable of reaching toward anything Real with a love and devotion that is sacred! Role termination is the sole door to the end of such thoughts—as well as he or her who thinks or has entertained them!

Those whose waters fail not—have never failed!

There are only Eternal Beings in existence! The One is always *Alone*! To Such there never was or could be a second or opposite!

The All-Seeing eyes of Eternal Beings were never—nor could they ever be in a blinded state needing to be opened! There are not nor have there ever been any eyes that “begin” to be open to see Reality and Perfection! Besides the All-Seeing and Omnipresent Eyes of Infinite Being—there is nothing!

However, after the exercise of a “sublime faith” and a so-called “acceptance” of The Divine Perfection to be one’s own—the painful dualistic separateness remains still with such a “belief altering” dreamer—more subtle now than ever! Dreamers do not eliminate the unreality of dream by “belief shifts”! This is accomplished solely by irreversibly completing one’s Cosmic Dream role! In other words, the dreamer eliminates the unreality of dream by the entire elimination of his or her very own self as such in the context of a dream role ended! This done—it is clear that no Divine Being ever eliminated anything that was actual or non-actual! But this is always clearly known whether the dream role is still on or completed! *There is Only and Always Clarity in Eternity!* There are none to ever *become* clear about anything!

There is no secret to Reality and none by whom such a thing is to be found! Reality of Bliss is all there ever Is! All Beings Always Are *That!*

Infinite Being needs no convincing of anything, for never has It nor ever could It shift from one reality to another! Indeed, none are there to perform any such convincing! *Reality is One without a second!*

For obvious reasons—the term “realization” or “self-realization” is mute in the Kingdom of the Real! Because so-called blinded dreamers can never “become” the Light of the Universe—never can it be said that one finds itself to have become enlightened or to “be” Reality—*God!*

There are none now, nor will there ever be any, that should or will see in spiritual illumination—Reality as It Is! There are none who actually desire to be aware of *Such!* Dreamers only think such during their earth role until they vanish at role’s end and so come to think no more!

Never is there a case where any Divine Being—and there are naught but Divine Beings in existence—must or needs to come face to face with Its own Self! For never has It not been Such nor forgotten that It was!

It is impossible for any to ever come or *begin* to see that God is his or her own Perfect Self! No such “any” exists!

Between a dream ego and God—no such road, travel, or distance exists! Yea—and the entirety of one’s dream role can never form a part of the Real and Actual! There is only a false sense of “leaving all” from the perspective of dream! Beyond the make-believe role of dream, no one ever left anything in order to attain or achieve something else! Of a Truth—there is no actual “beyond” any realm!

There is no “we must” or “we should” in the Realm of The Real! There is only—“*We Are!*”

*Love and God are Always One! All that Is—Is Immutably That!*

Who—in all the Realm of the Real—could ever be found admonishing another to “make no personal effort to do or to create anything”? *There*—such consciousness is unknown—yea, non-existent! And for certain, the Consciousness of the Real knows naught of applying the Truth which It Immutably *Is*—to a non-actual domain of illusion or a make-believe play of dream!

There is no finite personality and no illumined one—that is, one who has *become* illumined!

One of the dream can only think to use “Truth” as a mental practice instead of experiencing It by *Being* It! But Truth is never comprehensible by dreamers—much less could such be applied to their so-called “problems” of phantom existence! And truly—none did ever or could ever “commence” to experience Truth as a Living Reality!

Personal thinking is alone eradicated by the eradication of the dreamer upon role termination!

Heart as well as intellect, in the dream, is to be dashed asunder! That is, a dreamer is said to not be finished with all apparent unreality until such is no more, or completes its Cosmic Dream Role!

Dreamers do not *become* God nor *win* Heaven by forsaking the mind and resorting to the heart! Reality Beings beyond and behind the dream roles—*Always Are God!* Beyond the non-actual Divine Movie there is naught in existence but *God! God and Heaven Are One!*

None ever “begin” to know that God is his or her True Self! Dream roles simply cease—that’s all! There is nobody to ever *begin* to know or to “realize” anything!

There is no such thing as “realization”! There is Only All-Knowing God, that is, Originless and Endless Reality!

The only achievement there is—which is a mindless and effortless one—is role termination in the dream! All actors and actresses always do this automatically and on time! Can one (in the dream) even begin to imagine that a certain film star, would—by some strange act of its own will—terminate his or her acting role prematurely within the movie while such was being projected onto the screen? *Never*—is the only answer! Much less a Divine Actor or Actress within the Grand Cosmic Play!

Should a dreamer be persuaded to be “willing” to depart from the sense or belief of “otherness”—the same, continuing in a human existence as a finite mind, would remain steeped in the realm of “otherness” still! One is the way out of “otherness”—namely, to terminate the Cosmic Film role of “otherness”! Teachers and pupils alike are always functioning on cue in the dream! Nothing is out of time or place within the Divine Production! Full and entire disillusionment is the end of the path for all dreamers! All get there on time! This—in Dream lingo—may be referred to as “coming home.” But truly, a coming home to *Where* none have actually ever left!

Fun and nonsense is the underlying nature of the dream! Unreal beings hear no voices from the Realm of the Real—not now or ever!

There are none who ever did or will come to understand that God’s demands are simple! Much less any to obey such! No such demands or beings exist!

Role termination is programmed into every actor

and actress of dream, that is, in the Script Divine on behalf of all such! None are there to hinder or hasten this unique event for either themselves or another! The course of action of all who have terminated their roles in reference to dreamers still immersed in such—is summed up as follows: *“It is expedient for you that I go away”!* The utterance of these words indicated that he who was called the “mortal” Jesus, had entered the cocoon of Consciousness Ascension! (Ref. Ascension Note, p65). Jesus, as an acting dream ego, was never to be any longer present! That is, the first stage of role termination was for him totally accomplished! *Henceforth, all teaching and healing activity by him was no more! For that mind which saw and treated ignorance and imperfection was no more!*

Once again, none can hinder or hasten this role termination for another, nor for their self! Those said to have experienced such termination—that is, the actual God Being behind the dream role—always know that he or she never did nor ever could actually experience any such thing as a temporary existence within an unreal world! *And of course, there are none who lack this knowing!*

All having terminated their roles in the dream know (as the Divine Knower which remains) that such was not *caused* by their so-called “willingly and rejoicingly surrendering”! This event is alone the *result* of pre-scheduled or scripted and designed role termination! There is nothing a dreamer can do or think to cause his or her role to terminate! A positive identifying mark programmed into all dreamers that signals role termination is near at hand—is an inner driving desire to entirely detach or come completely to the full end of “doing” and “thinking”! This includes the thought or

notion of willingly and rejoicingly surrendering or vigorously trying to *let go* of “otherness” mentality!

There are no Divine Beings who apply Truth to illusion! That is, contrary to the notions projected by dreamers—Truth is never applied to the realm of make-believe for the central reason that It knows that there is nothing therein that is real, and therefore of a critical or urgent nature to which It needs to be applied!

There are none who receive knowledge through “illumination”! Role termination comes not in this way! All dreamers are destined to “effortlessly” “leave all” behind them—including their erroneous self—as they approach the time of their automatic role termination in the dream! And certain it is that role termination comes not as a result of leaving all these erroneous notions and practices behind! But rather, all is automatically left as a result of the internal programming within every performing artist of the Play! This is why the words: “leave all and follow me”—mean less than nothing to a dreamer—that is, in so far as putting such into practice is concerned! No dreamer—in a million life-times—could leave all by his or her personal willingness or human mind effort! Such is impossible! By virtue of the innate programming alone and only at the pre-selected moment is this possible!

**A Crystal Clarification—  
Deliverance (Role Termination) Solely  
By Cosmic Script Fact—Not By Finite Mind Act**

Despite the incessant beat of drummers of dream (blind leaders of the blind) to the contrary, so-called *ego-mind termination* comes alone by cosmic cuing at the

precise timing prescribed in the Divine Play Script. This is to say plainly that by no means is such awarded to the strongest in faith, the mightiest in devotion and personal effort, nor to the most fervent in prayer, meditation, fasting, or study of so-called *holy writ*. Neither is it the reward of the most diligent worker in that which is called *the cause of God*. There is no being born on the “right” side of the tracks *here!*

Such beliefs transform dreamers into nothing other than *frenzied “spirit” zombies*, who—due to entertaining feelings of *spiritual superiority* to others—seem consistently bent on passing judgment and condemnation—if not in word then simply by subtle action—upon their fellow men. Such always think they must work, pray, study, affirm, and believe harder and harder—as is induced by unsatisfied and disturbing inner emotions and by constantly comparing themselves one to another. *So distorted and pathetic is such a course!* Even the so-called *weak* totally despair of *hope* in the face of such heartless and odious demonstrations!

Be it known both far and near—that cosmically timed or pre-designed *story-mind termination* constitutes the sole way of cessation from all perceived struggle in the phenomenal world of sin, sickness, belief, ageing, and death! That is, when the mind to which adversity is the sole reality is dissolved, so vanishes the entirety of its imperfect world. Never again is such to rear its ugly head to perpetuate its falsehoods and sufferings upon the stage of dream! Divine Mind alone does henceforth express via the so-called *liberated* body as such awaits the joyous body ascension or disappearance event. During this unique interim period such a body stands entirely exempt from the dream delusions of ageing, disease, and that

which is called death. Consideration may here be given to the casting out of the money-changers from the temple of stone at Jerusalem.

The irreversible renunciation of and detachment from all notions that the man of dream can do or think anything to affect the permanent escape from the menacing thralldom of the unreal—is always—and by Divine Decree—the final penetrating despairing awareness sensed immediately preceding the *mind-termination* of all actors upon the Play Stage of Dream. This is to say plainly, that that which is called *unconditional surrender* is programmed into every dream actor in the Grand Play. Such is otherwise termed—*role termination stage one* and may also be referred to as awaking out of the illusion of dream.

Hence, and moreover, role termination consists of two stages—the first being the dissolve of the so-called *human mind* wherein such is irreversibly swallowed up by the Mind Divine. And stage two which accomplishes the utter disappearance of the so-called *superimposed* or shadowy physical or material body. Such is said to be re-absorbed back into the Divine *Substratum* or Body of Living Light. Wherever the first stage occurs the second stage termination is guaranteed to soon thereafter be achieved.

Prior to the first stage event—it is briefly entertained on the part of the dreamer—that such can and must precipitate this grand achievement by the decisive action of its very own so-called *human finite will*. Such erroneous idea is as well pre-designed or role-scripted into every so-called performing artist of the Play. But in as much as this appears to be so—it is not at all the case.

As touched upon above—the sole reason or cause for the dissolving of the ego-mind or stage one role termination, which is synonymous with *unconditional surrender*, is that the precise Timing for such—in each individual case—has arrived in the Great Cosmic Play Script and Scheme of Events.

All performers in the Movie Divine—bar none—are—during the final closing act—destined to experience this wondrous combined event *on time*. This is the same as saying that upon the vanishing of the two-part unreal shadow of dream—only the Divine Reality Being behind each actor does—in a dream sense—come prominently into view—first in *Mind* and then at a soon subsequent time—in *Body*. Of course, never is there even a single moment when these Divine Light Beings are not always basking in the Bliss of Reality Absolute—which they, each one, Immutably *Are!* However, it is certain, dreamers never have been nor ever shall be capable of bringing about such a glorious cosmic event by any thought, choice, or action of their own. What an incredibly joyous Divine Movie!

But just here, we have an *apparent* paradox going on. For, although such surrender is not possible by a so-called *human will or mind*, neither does *stage-one* termination transpire without a seeming intense resolve on the part of the dreamer to accomplish such surrender. Certain it is that this acute conscious desire to commence putting forth every conceivable effort for *will surrender*—is owing alone to one unique consideration. Such is always the sure *result*—and never the *cause* of the fact that the Universal Timing for such *mind-dropping* is drawing very near. *It's all in the Divine Programming! Such is the Way of the Divine Cosmic Play!* This is in

explicit accord with the following concepts: “*not mine, but Thy will be done.*” And, “*I, of mine own self* (as an ego of dream) *can do nothing.*” And, “*none can come unto me except the Father draw him.*”

The primary reason why dreamers are incapable of making this surrender is due to the fact or nature of the *Play Production*—namely, that all acting entities upon the *Play Stage Divine*—even though from a Story-mind prospective appearing otherwise—have been designed and projected as *unreal beings*—very similar to what are called *animated figures* associated with earth movies. And although it appears that dreamers can rationally reason from cause to effect—this is not really the case either—as will be illustrated shortly.

Also, it may be of interest to note that the ultimate surrender herein discussed is not at all about an unreal human mind yielding itself up to God, and thus becoming transformed into a so-called *holy* mind. But instead, this is merely symbol language indicating its very own irreversible death! This—no ego-mind can authentically become interested in nor is it capable of accomplishing such. This brings more clarity as to why it requires a Divine Cosmic Script *Fact* rather than a finite mind *act* to achieve such an event.

Immediately following the so-called story or stage-mind termination, it is clear, as ever it has been in the Mind Divine, that the human *will* has less than nothing to do with bringing about such Glorious Event.

Dream drummers have apparently misconstrued this factor and so have harped ceaselessly about the necessity of dreamers to strive with every effort of their

being to make the *total surrender*. These drummers teach that when the human *will-effort* is combined with or strengthened by the power of God—such total surrender is then possible. However, in this teaching no mention of or allowance is made for the irreversible disappearance of the human mind nor of such being replaced by the Omnipotent Mind Divine. Therefore, all such teaching or attempts to apply or manipulate “Truth” within the realm of dream, is rendered worthless and consequently reduced to utter folly!

Obviously, the surrender described by these teachers of dream is alone in reference to the human mind yielding itself to God in order that such may be rendered capable of working in harmony with God. *This is an utter impossibility!* Indeed, such teaching is a great distortion! Assuredly—there is absolutely nothing that ever did or could actually exist *outside* of God that constitutes discord with the Eternal World. *All that actually Is—is Immutable Oneness and Boundless Joyous Perfection—Timelessly infused with Glorious Eternal Harmony! Besides This there is nothing!* Hence—to advance the idea that something is *out there*—apart from the Blissful Unification of the Whole which seeks to *become* harmonious with the *Same*—is simply a nonsensical echo from the bogus realm of the unreal!

Moreover, in such a scenario—*Self-realization* does amount to nothing more than a mental or intellectual shift by the dream mind from one belief factor to another. *Such is a prime example of so-called human reasoning within the illusion of dream!* Hence—the apparent perpetuation of death and re-embodiment within the realm of *make-believe!* The end destiny of many a so-called great and apparently *enlightened* sage—viewed as such only via

some greatly inferior distorted and limited standard—has revealed clearly that creeds born of illusion mentality are powerless to deliver one from the tenacious claims of that which is called—*death and the grave!*

However, all devices of this nature simply constitute more *dream tools* designed to accomplish the full and final disillusionment or *un-doing* of all so-called actors within the *Grand Movie Divine*.

Only upon the occurrence of the stage-one event is it clear that such is invariably associated with the *final* sense where stage performers acknowledge the utter futility of—and therefore abandon all *human effort and thinking* to achieve such a surrender. And as well does such *thought abandonment* include the notion of a so-called hell to shun and a heaven to win. In plainest language, no ego of dream evolves into a *God Being*—much less is such transported into a place called *heaven!* The Reality Being behind each and every Play acting shadow being not merely always is *in Heaven*—but does indeed constitute all the Boundless Joyousness that Heaven Immutably *Is!*

In the final analysis—the sure signal to performing *screen-beings* that their specific *Time* has arrived for *the dissolution of the non-mind*, is the fact that such find themselves having entirely dismissed and detached from every last notion that they can do ought to break loose from the apparent iron-clad shell of dream! Of a certainty, total disparagement invariably immediately precedes the irreversible disappearance of the mind of dream. Without a question—it is always the darkest just before the glorious dawn! This is not to say that a glorious dawn awaits the disintegrated ego of Dream! Never could such

be the case! The Reality Beings back of all dream egos are *That Radiant Light* which never sets nor dawns!

---

There is no self-revelation—never has been—never will be!

There are none who *began* to be the Eternal God-Self by turning away from grief and turning to God! There is no “your” to let the Pure Holy Self completely absorb its attention! God alone Immutably *Is*! There are none who did ever or could ever become This Infinite God Self—Period!

Role termination achieved, grief—together with he or she who seemed to experience such—has vanished!

None can ever get permanently free from so-called dream pain by switching beliefs! There are no beings to actually get free from anything! Pain and bondage are nonexistent! (Ref. Acceptance Note, p9)

Unfortunately—but really fortunately—a dreamer who is persuaded to *accept* God as his or her Perfect Self—will not thereby be released from the grief and pain of the dream world!

It is alone in a dreamer’s perspective that such a thing as “false identification” is needing to be changed or terminated! Apart from the illusion role of dream—the ideas of false or true identification have no reality or meaning! There is no such thing as “false” which has an opposite called “true”—much less are there any actual beings struggling to be free from the one to attain the

other!

No one ever did or could withdraw from appearances in the dream at the bidding of someone else—namely, a fellow dreamer! There are none to withdraw and nothing from which to withdraw! “Effort stimulating” within the dream is rampant by one dreamer to another—such tends to one purpose alone—the perfecting of disillusionment for all! Such activity is never apart from or contrary to the pre-design of the Script Divine!

When one in the dream is intensely driven to turn completely and irreversibly away from *all* voices of apparent spiritual instruction (including their own)—such are thereby being signaled—their role termination is very near at hand!

No one ever did or could “enter” into Reality as the Self Itself!

There are none, nor will there ever be any who did or will *begin* to rejoice that the Infinite includes them! All that Is—Is Immutably *That!* Always!

None are there who ever did, can, or will lose consciousness of dream things and gain consciousness of *That* which is *Real* and *Actual!*

*Glory* has no price! And there are none in existence who did, can, or will pay such a thing to obtain It! All that *Is*—Is Eternally *That!*

There are none nor could there ever be any who are “outside” of the *Self* needing to switch identification to

*Such!*

No one ever did or could arrive at Ultimate Reality! And certain it is that none are there to arrive at Such as a result of ceasing to identify as a personal or so-called human consciousness!

The Dream role terminated—it is clear—that is, the clarity remains as ever It Is, that there never were nor ever could be any who actually needed to be delivered, enlightened, switch from false to true beliefs/identity, leave all, search after God and Heaven with all the heart, inquire—“Who am I?”, meditate, pray, go on pilgrimages, practice honesty, truthfulness and peacefulness, read and devotedly study “holy books”, seek Reality, accept Divine Perfection and Consciousness to be theirs, believe in Oneness, shun evil and cling to the good! All such is only the unreality of Cosmic Dream! Each dreamer is programmed to eventually throw all of the above, including its unreal self, to the wind—so fully disillusioned with such does he or she become! Such is the unique nature of role termination in the dream! This termination done—none remain to evolve, awaken, or ascend from one reality to another! All that Ever Is—Is Love and Perfection Absolute! *All that Is—Is Everlastingly and Immutably That!*

Hence:

*“There is in Truth no creation and no destruction, no one is bound, no one is seeking liberation, no one is on the way to deliverance. There are none delivered. This is the Absolute Truth.”*

(The primary essence of the Upanishads—The Collected Works of Ramana Maharshi, by Arthur Osborne, p172)

Entities of the Real—besides which there is nothing—never did or could fall into the category of “creatures and things”—as relating to the make-believe dream notion of “created beings”! *Here*—which is *Everywhere*—All is Joyous Originlessness and Endlessness! Always! There never was nor ever could be any actual so-called “*creation*”!

It is not possible to *enter* Reality! It is only possible to Eternally *Be* Reality! None ever did or could enter or re-enter the Realm of the Real by changing their beliefs! All who are in Eternity have ever been in and have constituted Such! There is not in existence any who are outside Eternity seeking to get in! All actors in the Cosmic Movie—having completed their roles—are only said to “awaken as God”—even the One who never actually slept or played a role of ignorance therein! Simply said—Beings who never went to sleep in a dream world—never need to or can experience awaking therefrom!

There are none in existence to “accept” Reality! There are only those who *Are* Reality! (Ref. Acceptance Note, p9)

There are none to comprehend the Perfect Manifest! There is only the All-comprehensible Perfect Manifest!

There is naught but Absolute Being or Identification!

There is only the Real! And the Real—in part or in Its entirety—never “became” the Real! It is impossible that the Real could *Be* other than the Real!

The Real does nothing to experience *That* which It Immutably *Is!* The Real is Always Automatic and Effortless Joyous Bliss!

The idea that a dreamer should and can “accept” God to be his or her Perfect Self is as much sheer folly as a dreamer “accepting” a person, entity, book, or church, thinking to be thus guided and directed to God, Truth, and Heaven! All that God, Truth, and Heaven *Is—Is* All that God, Truth, and Heaven always were and Eternally shall remain! Nothing can be taken away from Such, and certain it is that nothing can be added Thereto! Besides *This*—there is nothing!

The one Consciousness in existence never needed to be “open” to know and experience Its Glorious *Self!*

There is no unreality to which Truth can be applied! The Realm of Truth stands Alone without a second! No part of the Absolute ever “began” to be Such! Therefore, the term “seeking instruction of the Absolute”—is less than senseless!

There are none to acquire knowledge! And assuredly none to gain certainty about anything thereby! The One is All-Knowing! Always! There is nothing other or besides the All-Knowing One! All that Actually *Is—Is* That! None are there to ever transit from ignorance to being the All-Knowing One!

There is no liberation and none to be liberated!

There are none to “enter” the Perfect State! All who Are That *State* have Immutably been Such! Such will Eternally remain the Same! Besides *This*—nothing is!

Hearts in the foreground or background makes no difference to dreamers! Such do not see or know Truth—much less are they capable of applying It anywhere!

It is clear upon role termination that never was there one who did or could awake to *Life* from an unreal sleep of dream! This is not saying that any needed role termination to be clear on anything! There are no such ones in existence!

There is no one to ever be taken out of darkness into the Light of God! There is no darkness, nor beings of such!

There is not “two”—an unreal dreamer and God—The Absolute! There is only the Absolute and all that Exists is Immutably *That*!

Beyond or aside from the realm of dream—the idea of departing from all that is of human mind in order to switch over—and commence identifying one’s self completely with and as the Real and Divine—is total nonsense—void of meaning! There is no one in existence to make such transition!

Woe to dream drummers and to all who dance to their beat! All dreamers are destined to get to the end of this too! That is, both teacher and pupil alike shall role terminate on time! Obviously, there is no actual “woe” to anyone!

There are no non-ultimate beings in need of seeing anything! Certainly there are no such to thereby “become” Reality Beings!

There are not—never have been, nor ever will be—any who do not Immutably Rejoice in their Self as the One who Is All-Understanding and the All-Loving Being!

It is utterly impossible that boundless illumination would come swiftly and unexpectedly to any! All that Is—Is Always *That!*

Assuredly, Truth cannot be applied to an unreal illusion entity and so cause such to remember that he or she is God! Never can this be! Such is beyond absurd!

Illumination comes to no one! That which is Light and Truth has Forever been Such and will Eternally remain the Same! There are none who are *It* because they became “fitted” to receive and be *It!*

When it is finally seen that there are *no* steps out of illusion into Reality, it is said that the signal is thereby received that role termination is near at hand! There is no out of illusion and into Reality for anyone! There is simply the finishing of a play role—throughout the entirety of which the Reality Being behind each actor has ever remained the One who never actually experienced any of the things of Dream! Indeed, and contrary to appearances—dreamers being unreality their selves—experience nothing!

When one finishes their dream role or dies to the phantom reality—the entity who thought ever so much and exerted such great effort to become awake, enlightened, delivered, etc., from the so-called bondage of ignorance, mortality, and a so-called material existence—has as well died! Vanished! All that remains as ever It Is—Is the One who everlastingly has Been, and Eternally

shall remain—even, the Boundless Life, Light, Peace, and Love of All that is Real, Actual, and True! In plain language, The One behind the make-believe dream entity who is therein portrayed as the one completing its earth role Is *That!* Always has been *That!* And forever shall remain only *That!* For there never has been nor ever could be—in actual existence—anything other than *That* for anyone or thing to *Be!*

There never has been nor ever will be any to “accept” the Radiant Perfect *Self* as their real and true self! The Radiant Perfect Self knows naught of any such acceptance! All that is contained in this Joyous Self has never nor could *It* ever depart from being *That* which Immutably *Is!* Besides the Radiant Perfect Self—there is nothing! In order for the “Real God” to be “found” it would necessitate that there be beings apart from God—who either never knew or temporarily lost God! Such phantom beings are non-existent! *All that Is—is God! Always!*

Dream drummers seem to be forever beating their delusionary drums! This too—in each and every case—will cease on time!

All that Is Perfection has always been *Such* and shall Forever remain the *Same!* The idea of an obstacle in one’s way to this Perfection is non-existent in the only existing Reality! All Beings in Existence Are This Perfection—Everlastingly and Immutably!

There are none who ever did or could “accept” and so become the Absolute Self! All who *Are* the Absolute have always been *Such* and will remain likewise Forever! Naught else exists!

No one ever did or could “begin” to be Blessed out in and as the Heights of Divine Ecstasy! All that Are *That*—and naught else exists—have Eternally been Such!

There are none who have lost sight of anything!  
And there is no “true” teaching!

Loss of the phantom dream ego is role termination!  
Following such—there is nothing left to “find” anything!  
There is only *That* which Eternally *Is*!

There is no one to “find” their true *life*! All who Are *Life*—and there is nothing in existence that is not *Life*—Eternally and Immutable have been *Such*! This *All* shall Eternally remain the Same!

Dreamers identify as their phantom or personal sense of self for no other reason than that the Cosmic Play is thus Designed! Role ending simply signifies the disappearance of the dream and the false-self thereof! This includes the so-called finite mind which is said to make and sustain such identification! All that remains is *That* which Always Truly *Is*! This is why it is said in the dream—that dreamers are as well to seek to detach entirely from all outcome—even the so-called Utopia that is imagined to exist at the final end of their earth path! The meaning of this is clear! There is no such future outcome for dreamers, for there is no future and there are no actual dreamers! All that constitutes Heaven or Eternal Bliss—and there is nothing in actual existence which does not consist of *Such*—never departed from this Divine State! That is—all Light Beings behind each and every Dream actor—Are Eternally *That*! Even the slightest interruption or deviation from This Constant Joyous Life is utterly impossible! Hence, the notion of

someone achieving or returning thereto is but an empty idea of dream!

There is no darkness to be illuminated! There is no “him” or “her” that *begins* to have or to be Divine Might, Majesty, and Glory!

The Lord God is all there *Is!* Such Always Knows precisely who He and She *Is!*

There are none to turn about! There is no deliverance!

There is no failure and there is no success! There is only Joyous Originless and Endless *God!* All that *Is—Is That—obviously!*

To value Life or not to value It is never an issue or consideration in that Realm where All there ever *Is—Is Joyous Life!* There is no other realm!

There never were or could be any who take “refuge” in their Eternal Being! Naught but Immutable and Joyous Eternal Being *Is!*

There are none in existence to make an absolute surrender—much less achieve an Absolute attainment thereby! There is naught to be shunned or gained in the only World that *Is!*

The Self—apart from which there is nothing—never has difficulty abiding in and as Its Self!

None will there ever be to receive or take, the Divine Reality as their own!

Absurd—are the drummers of dream and all who are seemingly distracted thereby! However, such is simply apparent distraction which is certain to pave the road to utter disillusionment and Joyous role ending!

There is no part of a dreamer—including the “heart”—which loves the Real as It Is! When the dreamer is gone—only the Real remains as ever It Is! And truly, the Real remains regardless of whether dreamers are role-playing or not! All Divine Beings projected as role-playing by proxy in the illusion of dream Are *That!* Always!

None who always Are the *Real*—never have an occasion to require being reminded that they are *Such* by a “someone else” who is said to imagine that they forgot! Indeed, there are none who actually exist that imagine that Divine Beings can in some *way* forget their Glorious Immutable and Eternal State!

There is no hidden mystery! Upon first stage role termination—the Play representation, of the Divine Being, who bears the name Jesus—was never again involved in “dream teaching”! There is no divine revelation! Certainly none that come from one source and go to another! There is but One Power! All that Is—Is Always *That!*

Jesus, nor any other, “came” into the knowledge of the Truth! All who Are Truth—and nothing exists that is not *Such*—Eternally were and shall Forever remain the Same!

No dreamer ever “becomes” the Son of God or God! All that is Embodied as God—even the Boundless Eternal

Bliss Kingdom—Always has been Embodied as Such! All that Actually Is—Is Immutably That! There is no beyond Actuality!

Nothing was ever or could ever be “revealed” or *begin* to be known by or to anyone!

No dreamer ever became or returned to being God by “realizing” Truth! Nothing ever did or could *become* or *begin* to remember that it is God!

Dreamers can begin to translate any words differently—all such remain dreamers still! There is no one to ever begin to know who anyone really is—themselves or another! All who *Are* never have forgotten their Glorious State—and therefore, never encounter an issue of needing to remember *Such*! Of a surety—none are there who ever began to be identified as God!

No one ever began to know, see, or be the Father!

There is no son of God! God has no children! All that Is—is the Everywhere Present Embodiment of All that Is God! And God never thinks of being identified as his and her Self! There is no option but that *I AM* Immutably and Eternally *Be—I AM*! All that Truly Is—Is fully and joyously—*God*!

There is no “lamb of God” and assuredly no “world of sin” to be taken away!

Obviously—there are none who ever did or could commence to know themselves as God! Reality God Beings—behind each and every dream role—*Always Are* God! Such have or could never forget that They Are *That*!

Dream roles simply terminate and the entire essence of the dream actor vanishes altogether from the Play Screen—first in *mind*, then in *body*! Such is the unique nature of the Grand Cosmic Play!

Not even the One ever has occasion to say—*I Am* the Perfect *Self*! Such—It simply Always *Is*!

There are none in existence to achieve satisfaction by commencing to identify as the Self! No part of the Self is ever Such because It “became” Such or returned from a far country after remembering It was *That*! There is no forgetfulness, no far country, and none who wander therein! All that *Is*—*Is* the Originless and Endless Glorious Self!

There is no “when” for God Beings—which are the sole Beings in existence—to commence accepting and seeing themselves as *That* which They Immutably *Are*! Never has there been nor ever could there be a time when *Such* were not *That*!

A dreamer is a dreamer whether asleep dreaming or awake! Dream identification remains in tact regardless of the act of a dreamer shifting his or her belief from dreamer identification to God identification! First stage role termination or the total disappearance of dream consciousness constitutes the only ending of dream identification! All that could possibly remain is the *Alone One Identity* as ever It *Is*!

There is no “relative” anything! The Infinite stands Alone without a second or peer! The idea of “immunity” is mute in the Sole Bliss Existence!

The only place where dream drummers appear who set themselves as “teachers” to entities who can never hear or see, is obviously limited to the confines of that which is called—*The Great Cosmic Play!* Dream drummers—not capable themselves of hearing and seeing ought but what is of the unreality of dream—assay to lead others! There is a dream term applicable to all such! Namely, “*blind leaders of the blind!*” This too shall pass on time!

Dreamers eventually come to have the sense that they must all live as one! However, if dream entities lived ten thousand life-times, never could this sense be “realized” by the so-called “dream mind”! This *Oneness sense* is the Natural State of *Being* which Always Is—just the “other side” of that which is called the veil of dream! But This State can never be achieved by any! For there are none who are not Always This very State! There is no actual “veil” between any beings!

Should a dreamer be persuaded to commence identifying itself as Infinite Being—thus merely shifting its human mind belief focus—the same fate remains—namely, a dreamer still! *Dreamers do not become God!* Dreamers disappear via role termination—hence, only God remains as Always! All Are Immutably *That!* There is only *That* for Infinite Mind to *Be!* For the Infinite Is *All* and the *All Is* the Infinite!

Such is the sole option of a dream role! That is, dreamers can only perceive “outside” the Kingdom! This too shall pass—on time!

There is no one to be freed from any condition, state, or place! Furthermore, there is no actual realm of

finite mind, body, and world! Much less are there any in need of letting such alone or denying and ignoring them! There are none who do not Immutably abide as the Real and Absolute! Besides *Such*—there is nothing! A so-called “finished kingdom” suggests a realm which began to be or was incomplete at some point! No such place ever did or could exist!

“God is none other than your Self.” Where only would such an announcement be likely to be made and heard? Obviously, nowhere other than within the illusion of dream! There never was nor ever could be a “your” to which such as this could be directed! Should this announcement be embraced by a dreamer of finite mind—such a one is likely to be found parading around the dream world thinking in his or her mind and/or reciting—“*I Am That I Am*”, imagining his or herself to be God, while all the while remaining naught but a deluded dreamer entangled within a so-called finite reality still! In the final analysis, as long as so-called “human” mind survives—just so long will the answerless inquiry be made—“What is Truth?” But Truth cannot be applied to the dream for the simple reason that there is nothing real therein to make reception thereof! Truth never was or could be “applied” to anything—period! For there is nothing in existence outside of or apart from *That* which *Truth* Immutably *Is* to which *Such* could be applied!

There is no revelation and none to receive such! Certainly, there are none who are “eternal Self revelation”! That is, to whom something becomes known that was not previously so!

The mind as well as the heart of dreamers is immutably blind to considerations pertaining to the

Realm of the Real! Differentiation between such is but dream play that can only generate spurious or erroneous hopes among dreamers! This too shall pass on time!

There is no such thing as a being who spends “occasional moments” in Light and illumination!

There are neither unilluminated or illuminated beings! There is only Immutable Light! All that Is—Is Always *That!*

Freedom, peace, harmony, etc., etc., is realized by no one—past, present, or future! All that Is—Is Immutably *That!*

There are none to be set free! There are none to *accept* a knowledge of the Truth! There is nothing in existence other than *Truth!*

There are none to lose or awake out of a delusion called human existence—nor to be carried away to a place called heaven!

Nothing that is Real can “begin” to take place! All that Is—*Always Is!* Nothing becomes Heaven or is transported thereto! All that Heaven Is—and there is no thing or place that Heaven is not—has Eternally been Such and shall Immutably remain the Same! There is no “outside” of Heaven!

Imagine if you will, how successful it would be for one sitting in the show-house watching a film about a man who is about to fall off a great precipice—and he decides to yell out from his theatre seat to warn this screen man from taking another step! Such silliness would be unlikely

to occur even within the world of dream! Much less would Beings of the Real be addressing as such in regard to the Divine Play of Make-believe! In one way alone is all apparent dream danger forever dissolved—*Role-termination!* All dream games are permanently over and done with! That which has taught, healed, learned, or been healed—instantly disappears and is never more to be found! That is, finite mind has forever vanished! Consciousness Ascension has transpired full and complete! Divine Mind knows of no evil, ignorance, or imperfection to be shunned educated or healed! Nor does Such know ought of any so-called “good” or “perfection” to be desired or gained! All that ever Is—Is *Blissful Perfection Absolute!* All who *Actually Are*—are never different from or other than *That!*

None ever were a finite self and therefore there are none to experience a release from personal sense!

There is no revelation and none ever becoming ready to receive such!

Only as one—in the dream—sits and watches a movie wherein his world is portrayed as coming to a tragic end by a nuclear blast or the like—may he be nervously moved to exclaim: “I’m so glad that this scenario isn’t true of my present world!” Such is the precise sentiment of Beings of the Real regarding the Great Cosmic Earth Drama! But with this glorious exception! *Here*—resides the knowing that the *Realm of the Real* can only Immutably remain that Bliss Kingdom which *It Eternally Is!* Nothing has ever nor could ever exist which could possibly present a threat to the Infinite and Joyous stability of the *Land of the Real!*

There are not—could never be, nor were there ever—any living “outside” the Realm of the Real! There is no “outside” *Such*! *Such* theme is merely portrayed in the fictitious Drama called—The Great Cosmic Play!

Besides *Truth*—there is nothing! All that Really *Is*—is Immutably *That*! There is no such thing as “nothing”! *Truth* or *God*—is *Every Where* and *Every Thing*!

There are none in existence who are not Immutable *Truth*! For certain—none are there to “take” *Such* and make *It* their own!

Never are there any who ever did, can, or will, “accept” *God* to be their True and Real Self! What silly dream stuff! No part of what *God Is* ever did or could forget *That* which *It* Eternally and Immutably *Is*! Therefore, to imagine that there are beings, who, either never were *God*—and can become *Such* by acceptance of this notion—or any to remember they are really *God*—is only dream absurdity! This too—shall utterly pass on time!

There are none who ever did, can, or will, experience Reality due to making a “true” identification therewith! There is no “voluntary” shifting of destinies within movies and no conscious capability therein to do so! Role termination always happens on time according to the pre-designed and pre-set Script Fact for every performing artist! For apparent thousands of years within the dream—dream drummers have been active proclaiming that so-called human destinies can be altered for the so-called “good” or “bad” by a simple action of the dream will! *Such* is but dream folly, which too, shall pass on time!

None ever did or could find or become God by forsaking the “intellect” and resorting to the medium of their “heart”! God never did, could, or will—in any way, shape, or form—turn away from *Being* God! All that Actually Is—is *That! Always!* Therefore, there is no returning to *That* from which none have ever left!

Immediate Truth Knowledge never began to come or return to any being!

There are none who ever become the One Alone by laying down a false belief! There are none who become the Alone One—period!

There is never any “revelation” or something unknown, which, at some point, is to become such! (Ref. A Crystal Clarification—Deliverance, or unconditional surrender, by Cosmic Script Fact—Not by Finite Mind Act—page 21)

Dreamers do not “receive” Truth from other dreamers! Dreamers do not “receive” Truth from the so-called “other side” of the veil of dream! Truth is not *received* and there are none to *receive* Such! Truth Is *That* which Reality Beings *Always* and *Immutably Are!*

As well is the concept of “accepting God as one’s Self” to be added to the list of items to be unconditionally discarded or surrendered! Upon unconditional surrender no dream actor remains, in so far as a so-called human mind is concerned! And therefore, there is no separate mind or being left to “accept” anything—much less some magical dualistic notion to cause itself to be unseparated from one thing in order to be joined together with something else! There is never “something else”! There is

Only and Always the Inseparable and Indivisible One in Glorious and Boundless Expression *in, through* and *As All that Is!* Upon this wondrous stage-one ascension, Divine Mind or Consciousness Alone is in evidence as ever *It* has been! The body simply remains awaiting its unavoidable and rapidly approaching ascension event—or the complete termination of role activity within the context of dream!

All are to role-terminate as did Jesus! Such cannot fail!

There are none to apprehend or experience Reality now or ever! *There are Only Immutable Reality Beings!*

When role termination transpires, there is nothing left to “accept” anything! There is only *God* which immutably remains ever the same! All that *Is*—is Always *That!* Besides *That* there is nothing!

Only in the realm of the unreal is there talk about “Reality” as something *different* or *apart* from the world of dream! Beyond the Play of Dream—Reality just *Is!* No discussion concerning *It* is *There!* The Fact is—there is really no “beyond” anything! *Reality Is All!* That is, Reality Is *Every Thing* and *Every Where!* Besides Reality nothing is!

Dreamers never did or will have any conception of what “Perfect Consciousness” *Is!* And therefore, to be told not to try to work up to *It* is incomprehensible! *Beings must be Real to Know!* There is no actual unreal being! There is no actual unreal anything!

There is nothing in existence that can be “made”

Real! *All that Is—is Immutable Reality Absolute!*

There is no *right*, and for certain, there is no contrasting *wrong!* *There are Only the Pure God-Beings We All Timelessly Are!*

There never was nor will be any who did or could attain *Reality* by their so-called unconditional surrender! All there *Is—is Always That!*

The idea of “newness of Life” is nonexistent where All Immutably *Live!*

There are not two worlds! There is simply a Divine Movie going on—through which is portrayed an alternate and entirely make-believe existence! Such is presented for no reason other than *Joyous Cosmic Entertainment!*

None are there in existence with “closed eyes”! One Eternal Seer Exists—namely, *God!* All that Truly *Is—Is Immutably and Eternally That!*

None ever departed the Kingdom of The *Real!* Therefore, the idea of returning to Such is but silly dream stuff!

There are none who ever did or could give up the false for the True! Play roles ended—the *Real* and *True* is all that is left—*unchanged as ever It Is!*

These—sickness, pain, fear, and grief—do not actually exist or remain anywhere! There are none to or from whom such scenarios actually come and go! There is naught but Timeless Wholeness and Blissful Perfection Everywhere! *All Beings Are Immutably That!*

Nothing is ever different in the Real! Only Boundless variety—all of which Immutable Bliss and Harmony sweetly and eternally pervade!

*Wholeness, Peace, Security, Bliss*—as well as *Originless and Endless Life*—never did or could cease from being the Nature of *All that Is!*

*Awake, Aware, Alive*—from *Eternity to all Eternity*—*is All that Ever Is!*

There is no world and certainly no people that will “begin” to be noted and seen by someone else as entering or being an Eternal Paradise! There are none in existence needing or waiting to see the Realm of the Real as their true Reality World! Besides the *Realm of the Real* and the *Radiant Beings* who constitute *Such*—there is nothing—no existence!

There are no beings in existence save those who Immutably and Joyously reside in the Glorious Kingdom of Bliss which They Eternally Truly *Are!*

There are none who ever did or could actually come from such a place where the likes of scenarios such as sin, sinner, ageing, death, grief, separation, and suffering, etc., were seen! No such place or seer exists! Now or ever!

There is but one in existence to have “thought”—namely, the *One Infinite Mind* by which the Great Cosmic Dream was cast!

There is no such thing as an illumined being who had—at one time—been otherwise!

There is no such thing as an unreal dreamer within the Cosmic Movie performing any action with the body or thought with the mind by which such would “become” conscious that he or she is God! When “thought” disappears in the dream—the unreal thinker simultaneously disappears! Such are not two!

Besides the Universal God-Self—there is no knower and nothing else that is being! Such never did or will begin to be known by any—nor could any exist who did, could, or will forget that They Are *That!*

So-called Realization of Truth is not merely impossible by the “mind” of a dreamer but is as well an impossibility of being accomplished by the so-called “heart” of the same! There is no “realization” and no “realizer”! There is Only *That which Immutably Is Real!*

There is no one who ever was, or could be unawake to the Reality of the Self! There is no revelation and there is no realization! There is Only *That which Unalterably Is! All that Is—is Always and Joyously That!*

There are none who did ever or could ever change from being identified as a so-called human finite self to being identified as the Universal Divine Self! Most assuredly—no part of God ever did or could become unreal that such would necessitate finding its way back to Reality! There is no actual “unreal”! *Reality Alone Is!*

There is no *awakening* and there is no *resurrection*—for there are none *asleep* or *dead!* There is only the termination of dream roles in the Drama of Make-believe! None are there who ever began to open their vision to see and to know their True Divine Identity!

The Fact of Infinite Joyous Being was never lost to any! Such is an utter impossibility!

Dreamers can only come to the termination of their roles which is synonymous with the ending or irreversible disappearance of the Play acting self!

There is no system of thought that leads to the *Sole Immutable Life and Reality!* Assuredly—there are none to experience or receive such! All that *Is*—is Eternally and Unchangeably *That!*

There are none to ever commence to identify themselves as the Reality of the Indivisible Whole and thus awake to find the belief in “otherness” to be gone! To shift belief from one focal point once—or ten million times—is mere dream folly accomplishing nothing more for those who dream than a fleeting erroneous hope that the illusion of dream will lose its hold! All hopes, all beliefs, all grief, all pain, all suffering, all fear of death, permanently vanish only when he or she who perceives such vanishes via the termination of the dream role! All that lies *beyond*—is *That* which All who Truly Exist *Always Are!* *Obviously, there is no actual “beyond” anything!*

Infinite Beings never—not even for a single moment—did or could be anything other than the Immutable Glorious Bliss They Infinitely *Are!*

There are none to ever “change” from being “false” to being “True”—unreal to being Real—a human with a finite mind, body, and existence, to Infinite Mind, Body, and World!

There are none who ever did, can, or will

commence to experience freedom as a result of getting the ego-sense annihilated! The idea of freedom is stripped of all meaning in the light of the *Universal Fact* that there is no opposing factor or condition thereto! All who Are Boundless Universal Bliss—have forever been and shall Eternally remain as *Such*! There are none who ever actually get or become free from anything!

Solar (sun) light never sees darkness anywhere that it may abolish such! Similarly, the *Self* never saw or knew any fear that *It* may end such!

Dreamers will ever experience illusion in spite of ten thousand dream drummers assaying to convince them otherwise! Illusion ends at role termination *alone*!

If dreamers eventually find themselves tending or acquiring a mind to quit teachers, books, and religious institutions (and assuredly every dreamer approaching role termination will come to experience such), this is not indicative of *spirit-awakening*! There is no such thing as *spirit-awakening*! There is merely the *process of disillusionment* with unreality, which is always proceeding on time according to the Divine Play Script! However, such development is most assuredly paving the way for role termination—both in the individual sense—and in masse or collectively at the Movie's End! And of a surety—fully disillusioned dreamers never did or could turn into God! Nothing ever turns into or *becomes* God! That which God *Is*—*and there is nothing God is not*—is Immutably and Eternally *That*! Upon role-termination the dream mind and then the body are irreversibly dissolved—just like the mist at the rising of the sun! Hence, nothing is left to become or turn into anything!

There are none who ever did or could “awaken” from the illusion or unreality of dream! All Divine Reality Beings behind each and every proxy role—never did or could actually go to sleep as such!

There are none who ever—having tasted of illusion—turn around and begin to taste of Reality! Roles ending—Reality remains as ever the Abode and Nature of *All that Actually Is! This All is the Immutable All! Besides Such there never was or could be anything!*

There is no forgiveness and certainly none who do forgive—nor are there any in need of such! *All there Is—Is Infinite Purity, Loving Harmony, and Blissful Perfection Absolute—Now and Forever!*

There are no personal or erring finite beings! Therefore, the concept of forgiveness is mute in the Sole Reality which *Is!*

There are none who began or resumed being the Father after they became so-called “illuminated”! None exist who ever did or could go from being identified as a dream self to being identified as the Universal God-Self! There are none who ever did or will experience illumination! The Immortal Self/Light Exists *Alone!*

*All—no exceptions—teachers, healers, pupils, and patience—do rapidly and automatically progress towards their appointment with role termination on time! What a Glorious Cosmic Movie!*

No dreamer awakes as *God!* Cosmic Movie actors do not awake! Such are not real enough to even be asleep! Illusion roles end on time and the so-called people and

world of make-believe are no more! Only *That* which actually *Is* remains as ever *It* has been! All who Truly *Are*—are *That*! If you—as a dreamer are hoping and wishing to some day have Eternal Life and abide in the Everlasting Kingdom of Bliss—fret not—for the actual Divine Being behind and represented only in symbol by the dream—you—is always in and does Immutably Constitute The Kingdom of Bliss Absolute! *The Only True and Real You is never other than That*! There is no “future” some-day bliss to ever arrive for the unreal *you* of dream!

In the Perfect or Only State of Being—so-called sins of relativity never *cease* to exist because they never *began* to exist in the first place!

There never was an unfinished kingdom! None abide as the Self who got delivered from illusion!

No one ever begins to love and be the Self! The Self Alone Eternally *Is*! Such *Is* Immutable Love! Besides the *Love-Self*—there is nothing!

No one ever did or could exist who could arise out of illusion to comprehend and enter Reality!

All that *Is*—*Is God*! *Always*! Therefore, there could never be in existence one who has “found” God! No part of what God *Is* was or ever could be lost to *Itself*!

None are there, nor have there ever been, nor will there ever be any who “begin” to comprehend the Language of the Real! All that *Actually Is*—is *That*! *Immutably*!

None are there, nor could there ever be any who

are admitted into the *Celestial Bliss World!* All that *Is—is Always There and Is Always That!* There is naught in existence that is not Immutably *That!*

There never was or could be any such thing as “self-illumination”! There is nothing other than the *Self* which *Is Always Immutable Light!*

The Divine never did or could know ought but to *Be Its Originless and Endless Self!*

None are there in existence that have been forgiven! Naught exists to forgive nor any who could offer such!

“Bliss is Natural, Celestial, Sublime”! Such is what the *All Immutably Is!* There are none by whom such a statement of fact is sought after or acquired!

There are no dreamers who are capable of knowing, let alone seeing the Absolute Reality behind the dream veil! And certainly God—or Infinite Mind—knows of no people living an unreal life to which is to be projected their so-called “real identity”!

All such dream scenarios—namely, the extending of so-called “guilt trips” to others or receiving such to one's self—can only permanently end at role termination! All futile efforts and apparent sufferings end only with the irreversible disappearance of those who perceive them!

To endlessly attempt to find the so-called “way of forgiveness” as well the way to so-called “personal and world peace”—is the nature of the dream and all who therein dream—until role termination do they part!

Dreamers have no other option but to perceive themselves, as well as all others, as finite beings until role termination is accomplished! And assuredly, there is no *after-life* or new existence on a so-called “other side” of a dream veil, where such *begin* to perceive differently! Role termination is simply the *end of the line* for the unreal existence scenario portrayed on the Cosmic Screen! Reality uninterrupted—Eternally and Immutably continues to exist as the Glorious *All* without a second!

Dreamers never—even in a million so-called life-times—come to “see” *Spiritually*! This is to say plainly, that dreamers never were designed to “become” or “awaken” as God! That is, unreality was never intended to become Reality! Most certainly it is God or Infinite Being that is poised or situated behind all role-playing in the Drama Divine! *There is nothing but God*! However, all such is merely transpiring in an unreal or proxy sort of way! Obviously, it is the joyous on-going nature of God-Beings to understand clearly that so-called men, women, and animals, or aught else for that matter, are not—in any way shape or form—actually being *harmed, exploited, or killed* within the Cosmic Earth Movie! Such is merely the *unreal appearance* of things upon the Cosmic Stage! *Nothing is real or actual that is portrayed in the illusion of dream*! Clearly, make-believe entities are neither born nor have ending of existence! Assuredly—there is no actual unreality anywhere! *Such is simply the way of the Grand Divine Play*!

There is no actual being in existence who has or could ever do such a thing as cross out their personal or finite sense by abandoning it, and thereby begin to see and enter that Realm wherein no apparent sickness, sin, or death exists! *All that the Realm of the Real Is*—is what

It Immutably has been and shall Eternally remain! All who *Are*—are Everlastingly *That*!

Never was there nor could there ever be an alternate or imperfect universe! Hence, there is no such thing as a so-called “new” heaven and earth!

There never was or could be a being who began to see the World of Reality via crystal illumination! There is no such thing as crystal illumination, nor any who become enlightened thereby! The One Seer in expression as *All that Is*—did, does, or could know of no time when *It* did not Everlastingly *See Truly*! For the *One* to not Immutably See Thus—is an utter impossibility!

There are not two worlds! There is naught but the Realm of the Real! Infinite Being or Mind in expression as *All that Actually Is*—does Immutably See the Real as the Bliss and Timeless Perfection that *Such Eternally Is*!

The Truth about Ourselves is—by *Us*—always seen and known! There is only and always the One Eternal Seer! All that *Is*—Is Unchangeably *That*!

Divine Beings are only “in” the Cosmic Play in a similar manner to which *Julia Roberts* is “on” the movie screen when the actual Julia is simply sitting as a joyous spectator in the theatre seat!

Of whom—in all the Boundless Universe can it be said—that only in certain moments do such experience themselves as *They Really Are*? Assuredly none! Certainly such is never the case even within the illusion or unreality of dream!

And all the while—irrespective of so-called moments of seeming inspiration—the dreamer remains the dreamer still until irreversibly vanishing at role termination!

All things are always comprehensible in the *Land of Spirit* or the *Realm of the Real*! Besides *This*—there is no place, nor comprehender!

So-called “dream miracles” otherwise termed “demonstrations” very frequently cause one dreamer to appear more holy than others—both, in his own eyes, and in the eyes of so-called “others”! This too shall utterly pass—even within the twinkling of an eye—at final disillusionment!

In the dream there is much talk about the so-called reality “beyond”! However, there is no reality beyond! For there is nothing in existence for the Sole Reality to be beyond! Such is alone a perception within the realm of make-believe!

There are no beings that exist to reach any unity! No unreal beings ever did or could move into unity where such begin to see themselves as God!

*Absolute Existence is All there Is!* Such Existence is dependent upon nothing for anything! Apart from the Absolute simply nothing is—much less something upon which It may depend! *Such is unalterably Self-Existent!*

None are there who ever did or could trade their so-called finite individualism for the Infinite All as Unity!

The One is always and Immutably the One! Nothing

exists that can become this One! All that *Is*—is Always *That*!

A dreamer cannot get further away or closer to the Actual and Only One! Dreamers are simply pre-designed and so pre-destined to eventually progress to utter disillusionment and termination of their roles and unreal self on time! Henceforth, only the Light Being who never descended remains—as ever *It Is*—in the stead of he or she who has role terminated and so entirely disappeared!

No part of the One—apart from Which there is nothing—ever did or could turn away from being Its Glorious Eternal Self! And therefore, the idea of something returning to and becoming *It*—is mute!

It is an utter impossibility for any to be released from the unreal by functioning as the All-Pure One! “Spontaneous humility” is brought to and experienced by no one!

There are none who ever did or could—in moments of illumination—know themselves to be the One All—the Unchanging Unity!

There are none who ever did or could go from illusion to realizing Reality through so-called “spiritual illumination”! There is no such thing as spiritual illumination—nor any to receive such! Stage one role-termination in the Grand Cosmic Play is all about mind replacement—not mind shifting or evolution! God Is the Immutable One—always has been and forever will be! All that *Is*—is Eternally *That*!

There are none who are not always in expression as

Spirit Consciousness and therefore can never fail to always see *All* the Things that It *Is—As It Is!*

The concept of Reality and Unity in the actual Universe is never thought about or discussed! It simply and Immutably *Is All that Is!* A so-called contrasting opposite is non-existent!

There are none who ever hoped to experience the Real and then began to experience It! Much less as a result of a mental acceptance of such from the bogus viewpoint of an illusion human mind!

Many are there in the illusion of dream that continue to dance to the beat of blind teachers of the blind! Such say they have simply commenced to be identified as the One—yet remain still as finite phantom entities within the realm of the unreal! Such non-sense will cease only at role termination—not a moment before!

It is a Universal impossibility for any to “step into” the Realm of the *All!* None could ever be outside *This!* There is no outside *This!* Hence, none who are there!

There is no soul who begins suddenly to receive Light from the Supreme! All that *Is, Always Is the Light!* The Light and the so-called Supreme Are One! But words like supreme are really insignificant dream verbiage! There is no supreme anything that is in contrast to something else! *All there Is—is the Blissful Equality of Infinity! All that Is—is Always That!*

When, in the illusion of dream, all is let go—nothing is accomplished! For the *One* who is always *the One Alone*—made no change! *Such* Infinitely remains *the*

*Blissful One! Unalterably!* Besides the *One*—there is no existence! The only mind which perceives “change” has now simply utterly vanished—on time!

God Is Infinite Cosmic Mind or Intelligence and is always in Glorious Expression as the *masculine* and *feminine* substance that comprises *The All of Infinity!* Besides the All of Infinity—there is nothing! And therefore *That* which God *Is* can never be reduced to that, which, in the patriarchal realm of the unreal, is referred to as “*Him*”!

There are none who look “outside” Cosmic Unity! There is no outside of *Such* to which any can look! There are none who Are the *All of Unity* who became or were restored back to *It* by reaching for *It* from an illusion mind and world! There is no actual illusion mind and world and assuredly none who are such or live there! Cosmic Unity is *Immutably All that Is!* There is no one or thing outside of *That!*

None are there who ever did or could “enter” into or become the *All! All that Is—is the All!* Always was the *All!* And shall Eternally remain the *All!*

The search for Unity would only apparently continue infinitely if so long the Cosmic Movie endured without individual role endings! Previous to the presentation of the Movie Divine—as well as throughout Its entire screen run until every last role therein has been completed—Cosmic Unity was lost to none nor found by any! Cosmic Harmony Always *Is!* *All that Are*—are not other than or different from *That!*

There is nothing in existence that ever did or could

depart from or achieve Unity! When “otherness” is put away by the disappearing of the role playing dreamer—nothing is left to become something else! All that *Is—Always and Immutably Is!* Naught can be added thereto or begin to be *That*, nor can any thing diminish therefrom or cease from Being *Such!* A dream role has merely ended—all things *Real* remain as *Always They Are!*

There are none who ever did or could commence to call the Fact of Infinity into mind!

There is nothing in existence that ever did or will come from “darkness” into the Light or something unreal that becomes God! There is no such thing as darkness! There is no such thing as unreal! *There is nothing but God!* There are no beginnings or endings in the Only Reality! There are no beginnings or endings anywhere!

None are there who can ever get ready to look for and find Perfection! It is quite impossible that Perfection be ever lost to any!

*Truth* knows of no one to make free! Much less to convert and make over into Itself! Besides *Truth*—there is nothing! Dream drummers have succeeded in one thing alone—namely, in forming churches, groups, and amassing large followings! All such is heavy illusion of dream! This too is destined to utterly pass on time!

There are none to ever become pure in heart—much less to thereby enter the Divine Immortal Kingdom or become the *One!* There never was a time when the Pure One was not!

It is utterly impossible for any to exist who live

“outside” the Infinite Consciousness! There is no outside Such Consciousness and certainly no existence there! All that *Is*—Is Immutably *That*!

None are there or ever could be who can consider the question: “Do I love my beloved Self sufficiently to be this Self and no other?”! *The Self Is Always the Self!* There is nothing “out there” to ever become something else! There is no “out there”! *Besides the Self there is nothing!*

None could possibly exist who ever did or could go around worried about and trying not to see evil in their world!

There are none who ever changed the imperfection that they saw in the past to seeing themselves in the present as the Infinite Perfect One!

There is no knower who ever did not always know God to be Its Beloved Self! Besides the Eternal Knower there is nothing! The Knower always *Is* the Knower! Impossible is it for any evil to exist—let alone be in Its sight! None are there who live half in the unreality of dream and half in a place called Heaven!

To purpose to one's self or to another that there is no evil to behold nor any ignorant or ill to be taught or healed, is ever an unacceptable proposition amongst dreamers—both in mind and in heart! Such is in accordance with their scripted-role and therefore constitutes their sole reality! Any who are persuaded otherwise—remain dreamers still—but now are snagged by the additional delusion that they are on some higher—more exalted level of spiritual awareness than those who have not yet embraced this idea or made such human

mind shift! Such is the uniqueness of the illusion of dream! This too shall utterly pass—precisely on time! That which is True of Divine Mind can never be mimicked by a so-called illusion finite mind within the realm of the unreal! There is no such world or mimicker!

So-called “Gods” of the Old and New Testaments do not nor have they ever existed! And none are there to inquire after such!

There is no darkness to make into Light!

Impossible it is for Divine Consciousness to ever separate from Itself! When seeming unpleasant dream scenarios all vanish at role termination—there are no eyes from which tears are wiped nor any surviving being who transcends sorrow, crying, pain, suffering, and death! Only the Joyous Bliss which Always *Is—remains as ever It Is!*

None are there who ever did or will enter into Reality! There is no so-called divine illumination to such end! There is no divine illumination to any end! All that is *Real* never did or could cease from Being *Such!*

Role termination clearly indicates that there is nothing ever needing to be saved from anything! However, such clarity in no wise begins for any at role termination! For there is no “any” left to get clear on anything! There is no being in existence which ever did or could begin to be clear on anything! Reality Is Absolute and Boundless Clarity Its Joyous Infinite Self! Besides *This*—there is nothing! All who Truly *Are*—Are Eternally and Changelessly *That!*

Nothing could possibly “enter” the Perfect! There is nothing outside Perfect either to get into Such or even to seek entrance Therein!

Dream drummers are said to be the sole perpetrators of all delusion! There is no bondage and there is no freedom!

There is no partial illumination! There is no illumination—period! Certain it is that there are none to become illumined by either leaving off the dream method of “striving” to attain or terminating their dream role! Divine Mind Is Immutable Light and Knowledge! Besides *This*—nothing is! Upon role termination there is nothing remaining other than *Divine Mind*! Even before role termination there is nothing in existence other than the *Mind of Divinity*!

There is no goal for any to reach called—flawless freedom or all-victorious peace! Certainly there are none to achieve such by altering the manner in which they think, act, and live! There is Only Immutable Bliss!

There is no “perfect way”! There is no way out of delusion and none to escape such! Movies simply play out and come to their designed end! The Real Divine Beings behind all actors or performing artists are always elsewhere. Such constitute the Sole existing Perfection and are entirely unaffected by and entirely removed from their apparent role scenarios within the Cosmic Dream!

None exist who ever did or could become satisfied in and with the Light Eternal!

Nothing exists that becomes the Light! There is

nothing other than *Light* or *God!* *All that Is—Is Immutably That! Always!*

### ***Ascension Note***

**(A note regarding dream role termination—  
otherwise termed Ascension)**

It may be of interest to further consider role-termination within the Great Cosmic Play. As sited above, such termination includes two stages. The first being the dissolution of the so-called *story-mind* and the replacement thereof by the *Mind Divine*. Such is invariably characterized by the absence of all teaching and healing activity. For Divine Mind knows of nothing in existence to be categorized as *ignorance* or *imperfection*.

The second is *the utter disappearance of the earth-stage body* where, in a sense, such is said to be re-absorbed back into the Body Divine similarly as a shadow entirely dissipates at the approach of light.

A so-called *physical* death and burial cannot possibly be associated with *role-termination* upon the Play-Stage Divine. That is, at the stage-one event the dream body *freezes* entirely in regard to ageing and deterioration. Stage *two* termination is a certainty soon to occur wherever the stage-one event has transpired.

### **From Whence Cometh Teachers of Dream?**

Belief in *free will* is designed in the dream to birth so-called *spiritual* teachers all of which have an *agenda*. What is the agenda? In the simplest language, it is to admonish all dreamers to *choose* the so-called *Light*

instead of the *story*—or, instead of a so-called *better dream* in the illusion of material existence. In this way teachers imagine to offer *enlightenment* to their students of whom it is said that such are thus enabled to return to the stage of dream or the Play of Humanity as the non-ignorant and non-suffering *Producer* instead of the victim within the story. Such erroneous scenario is by no means in conflict with the Grand Story-line of the Glorious Divine Play. But contrary to the fantastic imaginings of teachers of dream, the objective of the Script Divine is never to enlighten or evolve the so-called human mind via instructional dogma, but rather to entirely eliminate such via *pre-determined* role termination in the dream.

Obvious it is that the primary earmark of dream teachers—who make such lofty claims for themselves and their students—is that all such acknowledge and treat the so-called *imperfections* and *ignorance* of the material domain as though such were an actual reality. In this endeavor said practitioner cannot avoid projecting the hideous notion that he or she has evolved to a higher level of spiritual awareness than that of their student/patient. Thus all such are automatically disqualified for the very role they assume. This too was Scripted in Eternity!

The ego or human mind of dream in its height of arrogance would storm and overthrow Heaven if such could be possible. Subtle to the very core is this apparent tenacious menace of dream! To the last, it will demonstrate its frenzied determination to find a way to alter the unalterable! What does this mean? Simply this: the ego—particularly in the role of spiritual teacher, prides itself on appearing so wise in the public eye as to stand before the masses as one possessing the so-called *secret key* to cutting all earth roles short from apparent

suffering and pain by revealing the way to enlightenment. Such have been certain to gain the undivided attention of the distraught masses receiving not merely their hearty praises, but more often than not, their many dollars as well. All such has invariably proven to culminate in false hopes that translate into increased pain via excruciating disappointment! Thus are the unassuming masses apparently plundered and exploited by so-called spirit-teachers of dream! Such is the sure path for the disillusionment of all. And such is the unique way of the Glorious Divine Play!

One is the way in which to exit the stage of dream and the debilitating drama thereof—namely, via pre-designed role termination as fixed in the Cosmic Play Script—all ego designs and effort to the contrary! It is for this reason that Spirit travelers are currently intuiting—as never previously—the need to shun, like the plague, all *exterior* instructional influences and resort entirely to the guidance of the still small Voice *within*.

Of a surety, when Divine Mind (*The Producer*) is present and interacts with Its Glorious Play of Dream, *never* does Such recognize or acknowledge any ignorance to *instruct* or imperfection to *heal*. The Perfection and Harmony of All things, is the Sole and Constant Projection/Emanation of all who *consciously ascend* and thus re-enter in a sense, the Play of Dream. Such know that there are none existing to *choose* the Light—for All who Truly exist *Are Eternally and Immutably That very Thing*.

Contrary to appearances within the dream, there is no actual *free will* and therefore none to *choose* the Light instead of the story. Films on the earth plane never

feature such nor does the Movie Divine! All such proceed with a *fixed* script in order to accomplish the unique story being told. Hence, even though multiple *apparent* choices are daily being made, none can make the so-called *right* or the *wrong* choice! Dream teachers can only judge to the contrary thus *apparently* perpetuating and inflaming instead of eliminating the apparent guilt, ignorance, and chaos, which constitutes the suffering of the world called dream! Imagine if you can, one actor on the set informing fellow performers that they have the complete *freedom* to either follow their scripted role or to entirely deviate therefrom. Such is unthinkable in the industry of film! Parallel to nothing is the uniqueness of the incredible Cosmic Play!

Certain it is that every detailed action and *apparent* choice upon the Stage of Dream is in profound conformity with the Pre-design of the Script Divine! *Dream actors never did nor ever will become or evolve into the Producer of the Play.* Unreal stage performers having entirely disappeared firstly in *mind* then in *body*, all that remains is the Glorious Cosmic Light Being behind each and every actor/actress of dream—namely, the One Omnipresent Consciousness or Infinite *Producer* of all Movies Divine in Joyous manifestation as Ever It *Is*. Consequently, teachers of dream cannot avoid roles categorized as *blind leaders of the blind!* Such is the profound Way of the Great Divine Play!

### **The Succinct Essence of Ascended Masters**

The present intensive intuitional focus of many perceiving themselves trapped within the duality of

dream is as follows.

“*Somehow* I must entirely detach from all *exterior* so-called spirit influences, as such seem only to confound the way to fully awaking out of the illusion of dream or attaining the impending joyous mind and body ascension events. Forever, I must cease to make differentiation between—*student* and *teacher*, *sickness* and *health*—and between *God* and the so-called *human race*! It appears essential now more than ever, that *somehow* I come to perceive myself as always having constituted *That Realm* where none are ever ignorant or diseased and where none are ever born, age, suffer, or die. I sense on some powerful level, that all Real Beings live only and always in and as That Glorious Kingdom where Blissful Joyous Perfection and Boundless Wholeness Reign Alone and where All who really Are—are never other than or different from *That*. Something deep inside me seems to know that:

***“The person seeing Perfection  
is the Master.”***

*(Life And Teaching Of The Masters Of The Far East by Baird  
T. Spalding (LTM) Vol. 6, pp62,63)*

On some deep level the knowing is within me that All beings Are and Forever have been Divine Masters.

*“The Masters of the East never say anything less than that America contains 130,000,000 Masters. That means that everyone is a Master. That is, of course, true of the whole world. It is world-wide to them. Every individual is a Master. Even man’s limitation is proof to them of his mastership for only a Master could make himself to*

*appear that which he is not.” (LTM Vol. 4, p119)*

*“We make no comparisons, we see only the Christ or God-quality in all at all times and in that way we are out of your (human) vision. We see Perfection or have (and always are) perfect vision.” (LTM Vol. 1, pp88,89)*

*“This is exactly the manner in which the Masters meet every situation. ‘What appears (to so-called human or finite mind) exists not at all,’ they say. They are not hypnotized by the opinions held by the race (or so-called human existence) nor conditions as they appear to the race, for they know Reality. Their determination is in the Realm of Facts and they traverse time and space just as Columbus sailed across the edges of the earth. There were no edges to the earth and there is no time or space to the Master. They are all illusions just as the flat earth with its edges was an illusion. (Ibid. Vol. 4, pp82,83)*

*“Hypnosis is the result of speaking from the human mind with its imperfect concepts.” (LTM Vol. 4, p66)*

*“No one can change an illusion into a more perfect illusion. (Hence, the quest by the human mind for a better dream is futile). This has been tried, but always there will be another imperfect illusion. In short, no matter how many healings one may see or experience, there is always going to be a need for further healing, so long as the primary illusion persists. The primary illusion is that there is something existing that is not God. The primary Fact is: God Is All; All Is God. It is as simple as that.” (You Are The Splendor, pp102,104, by Marie S. Watts)*

*“The term demonstration also implies duality. One may demonstrate over a certain sickness, but he shall continue*

*subject to other discords, and so be in need for further healing; in fact, it will be a continuous program. Identification with a mind of one's own is the very source of all tribulation! How vain the theory of man—that he can heal the very things he himself has created out of darkness! Man can treat sickness from now until doomsday, and never can he bring sickness to an end.” (Greater Works p22, by Lillian de Waters)*

*“Half truths have brought their measure of help in sickness, sorrow and limitation; but none of them can establish a personal mind free from fear or a body immune to sickness.*

*“Why speculate about the healing of thoughts, the changing of minds, the overcoming of conditions? Why reason about healing or destroying anything? God remains All there Is.” (Ibid. pp176,177 by Lillian de Waters)*

*“His (Jesus’) crucifixion symbolizes the death of the ego (or the temporary human mind of the Play); his resurrection, his identification as The One. After this was accomplished, he did no more (teaching nor) healing work—(for) he saw (as I AM always does apart from the illusion portrayed in the Dream—) no one and nothing to be changed.” (Ibid. p 61 by Lillian de Waters)*

*“Apart from the ego there is neither death nor birth (nor a so-called material human existence to experience such!) This vicious (apparent dream) circle of deaths and rebirths is sustained only by the primary ignorance which is the ego (of the Earth Play Divine). The ego itself is death, because he (or it) is the negation of the Truth, which is Life. He must not only be dethroned, but must be put to death, for there is no safety so long as he survives.” Atomic Light by*

*Lillian de Waters, pp75, 76.*

*“Death on the cross symbolizes the death of a mind and thought which is not the One I AM. When personal mind dies, then we live. Until then, one exists in darkness called human existence. ‘To Live is Christ, and to die is gain.’ (Phil 1:21). To have Spiritual Light within ourselves is to Live as the Real Self in Real Existence now. No wonder (the) man (of dream) has never been able to demonstrate over the death of the body. No mental work can boast of this accomplishment. The (dream) body will continue to (appear to) die until death itself dies. This death is the Way to Life. Not the death of the body, but death of that in oneself which keeps him from saying: ‘I AM the Truth! I AM the Light! I AM the Perfect Self! I Live in Spiritual Existence now!’” (Greatr Works, pp65,66 by Lillian de Waters)*

*“Jesus prophesied that a vision greater than healing the sick, greater even than raising the dead, should sometime descend upon us.*

*“Does not vision delivering cessation of sin and sickness transcend vision of healing? And would not immunity from death transcend raising the dead?” (Science Of Ascension, p1 by Lillian de Waters)*

*“The Absolute or Christ Message reveals the Way to Life, without death; to Heaven, without personal achievement; to Health, without healing; and to Happiness, Harmony and Peace, without practice of mental cause and effect. Spiritual Perception of the Real convinces us that preparation of the heart is the only prerequisite to fearless Freedom and Spiritual Peace. This is the very reason why those trained in metaphysics find the understanding of the Absolute so difficult of comprehension —they know little or nothing of*

*the heart. They have been taught that each has a mind of his own, and that with this personal mind he can know the Truth; he can heal thought, body and conditions, for himself and for others.*

*“The Absolute is not concerned with minds that are not real. The Absolute is the Truth Itself. It stands alone. It is the One Mind, the only Intelligence there is of anyone.” (Message of the Absolute—The Practice of Reality, by Lillian de Waters)*

*“Those who call themselves human beings cannot find a solution to their human problems.” (Atomic Light p135 by Lillian de Waters)*

*“When one adopts the idea that he must bring Truth into expression, he overlooks the fact that the Self is Mind and Manifestation as One.*

*“The very word demonstration is thought of as the practice of Truth over error; the use of Truth to heal disease, sorrow or sin.*

*“One of the old sayings of the East is that ‘Satan is the science of demonstration.’*

*“As a human being, one seeks and prays for the things which are already his as Spiritual Being.” (Ibid. pp138,139 by Lillian de Waters)*

## **The Global Consciousness Shift**

The present day global consciousness shift is preparing all remaining so-called human stage performers—bar none—for mass ascension, or the final

termination of all roles in the Great Drama of Earth. Regardless of role nature, whether such appears atrocious or heavenly, behind each is *God!* That is, behind each and every role in the story-line of the Play, is poised a Cosmic Light Being of Glorious Divinity but dimly shadowed forth thereby.

Due to the non-actual nature of This Cosmic Production, absolutely naught is really happening in accordance with the appearances thereof. In other words, there is no time, no birth, no death! There is no material so-called three dimensional matrix period! Plainly speaking, all scripted scenarios and objects within the Movie of Earth are unreal!

Presently, This Grand Production is in the closing scenes of Its Final Act! Hence, all will role-terminate or ascend on time! Naught remains save *That Alone* which actually and Eternally *Is!* The Reality behind you, dear reader, has always been and will forever and joyously remain *That Very Thing!*

### **Celestial Bulletin—Date-line Cosmic Play:**

Appearance has it that the more disillusioned and thus detached from false living performing artists become, the closer is a seeming simulation to what is assumed to be the purity of God Being on the so-called other side of the veil of Dream. However, this too is but an appearance within the Play of Earth, none of which are the way things Really Are. Indeed, this presents an interesting seeming paradox. For as apparent awakening progresses, so does the ego seem to step-up its cloaking factor more subtly than ever, assimilating a cloned appearance of a so-called godly humility. It is thus that the ego makes its last stand

to survive. This accounts for the seeming ultimate relentless struggle or dark-night of the soul that has been entrapped by the usurping ego. Such is what all are said to encounter at that point where the ego is finally and irreversibly put off or dropped at role-termination stage one.

Assuredly, the nature of this dream-imposter is either to exalt itself above its fellows or tip the scale the other direction and diminishing itself before the same. Both constitute the distinctive earmarks of the grand illusion of separation from the immutable equality of the Eternal Whole. Truly, there is no actual awakening of a so-called false-self of dream, and none who have or ever will experience such.

In the final analysis—the sure signal to performing screen-beings that their specific *time* has arrived for the dissolution of the non-mind, is the fact that such find themselves having entirely dismissed and detached from every last notion that they can do ought to break loose from the apparent iron-clad shell of dream! Of a certainty, total disparagement invariably immediately precedes the irreversible disappearance of the mind of dream. However, this disparagement is by no means taking place within the God Mind or Soul in the body called man, it is transpiring alone in the little human mind or ego that has impersonated the soul and played havoc upon the temple throne. Without a question—it is always the darkest just before the glorious dawn! But this is not to say that a glorious dawn awaits the disintegrated ego of Dream! Never could such be the case! The Reality Being or Divine Mind back of all dream egos is *That Radiant Light* which truly never sets nor dawns!

*I AM* has never gone to sleep in an illusion called dream. There is only the dissipation of the mirage of *another* besides the One Eternal Self. Such is the Joyous

Reality behind all shadow entities that fictitiously role-play upon the stage called earth. And such is the Way of Our Glorious Divine Paly!

*“To Love is to be God. Never will a lover’s chest feel any sorrow. Never will a lover’s robe be touched by mortals. Never will a lover’s body be found buried in the earth. To Love is to be God.”*

*Rumi*

*“Since everything is but an apparition, perfect in being what it is, having nothing to do with good or bad, acceptance or rejection—you might as well burst out laughing!”*

*Longchenpa*

*“There is no ignorance, and no end to ignorance. There is no old age and death, and no end to old age and death. There is no suffering, no cause of suffering, no end to suffering, no path to follow. There is no attainment of wisdom, and no wisdom to attain.” Heart Sutra*

*I Am That I Am*

*There is no thing or where*

*that I AM not!*
