

Yale's Community Bioethics Forum *Presents*
Jack Hughes, MD

Associate Director, Program for Biomedical Ethics
Professor of Medicine, Yale School of Medicine

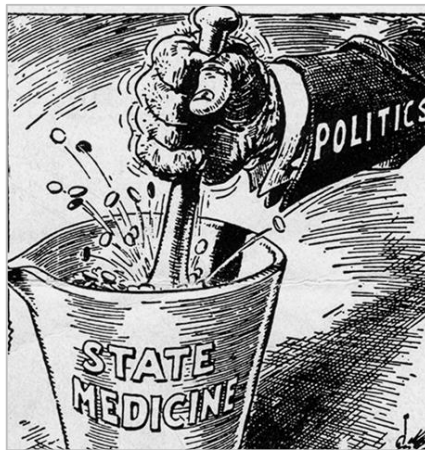

“Ethical Considerations in U.S. Healthcare Policy”

Are we morally obligated to provide healthcare to all Americans?

Are we ethically obligated to limit powers of pharmaceutical
& insurance companies?

Is a “single payer system” our solution?

To enhance the conversation, we will have art & political comics on display.

Wednesday, April 27th, 2016 from 6-8 pm

Open to the Public – All are welcome.
