JOIN US AS A 2017 SCOCO PARTNER & GALA SPONSOR!

Sustainable Contra Costa (SCOCO) is a community of citizens, educators, innovators, and organizations designing and choosing pathways to ecologically sustainable, economically vibrant, and socially just communities for all. **We invite you to support a healthier, more connected local community becoming a SCOCO Partner and sponsoring the 9th Annual Leadership in Sustainability Awards Gala!**

It's because of donors like you that we are able to inspire action through our programs such as the *Sustainable Enterprise Conference*, the *Community Resilience Challenge*, and *Sustainable Living Workshops*. Together we engage thousands of people each year to take action to save water and energy, reduce waste, grow food, and build community. We are committed to One Planet Living principles and drive local action to achieve global Sustainable Development Goals. By leveraging the power of our daily actions, both as individuals and as a community, we transform the way we interact with the world around us, each other, and ourselves.

Your Partnership includes benefits such as tickets and recognition at the annual Leadership in Sustainability Awards Gala, an ad in the Annual Booklet, social media links and web presence. See Partner Level details attached.

Awards Gala guests will enjoy a reception on the beautiful Hilton Concord patio on Wednesday, September 20th, 2017 with food and wine from local sustainable partners including True Food Kitchen, Plate & Vine, Hannah Nicole Winery, Calicraft Brewery, and others. This is also the opportunity to connect with wonderful people and community leaders, and bid in SCOCO's Annual Silent Auction. The Presentation of Awards begins in the ballroom at 7:30pm.

The need to connect and support each other is more important than ever. We look forward to partnering with you on building a healthy, resilient, connected Contra Costa!

In gratitude,

Tina Neuhausel and the SCOCO Team
President, Sustainable Contra Costa

Sustainability Awareness Training™

Now in its third year, the Sustainability Awareness™ program is developing a trained corps of community leaders to make local change in the areas of air quality, water conservation, land use, energy, waste reduction, and sustainable living. This year's program is designed for municipal employees and elected or appointed officials at all levels, and will begin in September.

9,415 actions registered in 2016!

9,415 ACTIONS FOR A BETTER COMMUNITY

Popular Actions:

-  1601 Replace part of my lawn, eliminate pesticide & herbicide use
-  919 Turn on lights only when necessary
-  221 Recycle materials, e waste, clothes, and shoes
-  207 Buy local and keep your money in your community

Active Cities:

The Community Resilience Challenge has inspired thousands of citizens, leaders, and groups to take practical action to save water and energy, reduce waste, grow food, and build community! **32,873** resilience building projects and actions have been registered since SCOCO brought this annual mobilization campaign to the East Bay in 2012!

30+ Action Guides

Your easy how-to Guide on a variety of sustainable practices and incentives. From hanging a clothesline or growing vegetables, to larger actions like installing a greywater system or getting a home energy upgrade—every action counts!

Sustainable Living Workshop Series

Our workshops **help people transform their homes and lives** by teaching them to conserve energy and water, keep bees or chickens, grow their own food, and **much more**. More than 20 classes throughout Contra Costa in 2017!

NEW! Sustainable Communities Gathering

SCOCO is continuing to foster regional collaborations, including a gathering of all the Bay Area sustainability nonprofits in May.

NEW! Green Movie Nights

We are so excited for these fun and informative events to build connections and community. We'll gather for a compelling movie on a sustainability topic followed by a thoughtful discussion at several locations around the county this year.

Annual Leadership in Sustainability Awards

The annual Awards Gala brings together over 250 local business, government, and community leaders to celebrate accomplishments, share stories, and support the local sustainability

movement. The 9th annual awards gala takes place on September 20th at the beautiful, green Hilton Concord.

Sustainable Enterprise Conference

The 2nd Annual Sustainable Enterprise Conference to be held on November 1st is a day-long learning and networking conference dedicated to helping Contra

Costa businesses, academic, government and nonprofit organizations transition to economic, environmental, and social sustainability.
