

### ***Discovery Middle School's Nook Checkout Form***

The Barnes and Noble Nook is a convenient, portable reading device. It is the size of a paperback and capable of holding up to 1,500 books. A student can highlight sections of text or make notes anywhere in the text - it all shows up under 'Highlights and Notes' for easy retrieval later. In addition, unfamiliar words can be instantly defined using the onboard dictionary. The chance to use this device is a privilege that we are able to provide to students in this school provided that the students use extra caution and responsibility. Each **DMS Library Nook/cover combination is valued at \$229.00**. For this reason we require a parental signature before a Nook can be checked out to a student.
