

JOB VACANCY ANNOUNCEMENT NO. 016/2018

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a German federal enterprise and offers workable, sustainable and effective solutions in political, economic and social change processes. Most of our work is commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ). However, GIZ also operates on behalf of other German ministries and public and private bodies in Germany and abroad.

GIZ operates throughout Germany and in more than 130 countries worldwide. We have about 17,000 staff members around the globe, some 70% of whom are employed locally as national personnel.

GIZ is operating since October 2012 in Myanmar and is supporting sustainable economic development through various projects.

“Sustainable Agricultural Development and Food Quality Initiative (SAFI)” aims to improve the conditions and capacity for Myanmar’s agrifood systems to meet quality food market requirements. In order to improve sustainable agriculture and food quality in Myanmar the project will be fully aligned with MOALI’s new agriculture strategy (ADS) and vision of an “inclusive, competitive, food and nutrition secure and sustainable agriculture system contributing to the socio-economic well-being of farmers and rural people and further development of the national economy” and builds thus on its three vision pillars of governance, productivity and competitiveness. The project directly address governments concern on food quality foods for domestic markets as well as for accessing potential high quality export markets in ASEAN, Asia, Europe and USA.

The project is funded by the German Government, which promotes sustainable agricultural development and improve food quality in Myanmar. GIZ is in charge of leading the implementation of this project.

In order to support the Sustainable Agricultural Development and Food Quality Initiative (SAFI) Project, GIZ is looking for
