The mission statement of Maoz Israel Ministries reads like this:

**Maoz exists to be a witness of the Good News to the people of Israel in outreach, discipleship and raising up godly Israeli leaders until the day when "All Israel Shall be Saved."**

As we close out the year 2010, we wanted to share some of the 'fruit' with you, that God has been producing. Each week we ask you to pray, each week we ask you to donate, and now we want to show you what God has done with those prayers and donations. For the next three weeks we will be sharing video testimonials with you. First-hand stories, from people in their own words, about how their lives have been changed by Maoz Israel Ministries. Either through our congregation called 'Tiferet Yeshua' (the glory of Yeshua), or through our humanitarian aid division known as 'I Stand With Israel dot com'. We hope these testimonials will inspire you, to see that God is answering your prayers and honoring your financial contributions. With your partnership, the Good News of Yeshua is going out to the Jewish people in Israel! Here's just some of the proof:
