## HARD NEWS

**T:** things going at the speed of light: what we asked for!

**R:** a wild trip that does not stop – sometimes it feels like an acid trip – with no acid! The energies are pouring in from Galactic Centre right through our crown chakras!

- At the end of the movie *Deadpool* – out between 2016-17 – a former mercenary hitman who happens to end up in the same lab as Wolverine and he gets a dose of W's rejuvenation DNA.
- His cancer gets cured with the presence of the rejuvenation DNA, and he tries to get back at the doctor who gave him the cancer; the dr steals his girlfriend, so the hitman gets 2 of his X-Men friends to help – it shows the inhumanity of what people are doing now – all we can trust is the Force within us!
- He gets his girlfriend back, and kills the dr - at the end of the movie, we see him popping in and out of the doorway in the hotel, saying he'll be back!
- And that is what is happening to us right now: the emperors have no clothes, they see they have no clothes, they are eff-ing scared; the forces of light, love, the Jedi Council, the legions of AAMichael's fleets, Captain Ashtar's troops – all are here!
- Spoke to **Tom, Larry, Curly:**
  - all we are watching in the attempt to destroy Mr 19.5\* is not working
  - copy and paste version put before the US and the world is just another attempt at a tax cut for the filthy rich – 100s of millions of dollars
    - Eddie Munster [Ryan] and Orange Hair -
    - a movie called *Eastern Promises* shows us *what* the Russian mob does to folks!
  - This is not about Putin who is only watching, as are Obama and Pres. XI, how the end game is playing out, about what has been found in Antarctica – Kerry and all the members of the 13 families are shitting bricks, as they are descendents of the beings found in Antarctica who are 12 -15' tall and some of them, who fooled around and fell – they usurped the Laws of the One and the laws re ?????? - lied about their origins, came to earth, interbreeding, having inter-relationships with those on the planet at the time – which is also against cosmic law [falls into the category of interfering in a civilization's development]
- This goes right into what Larry, Curly and Mo told him today!

## Audio: Anonymous - Ancient Ruins And Alien Races Found In Antarctica

<https://www.youtube.com/watch?v=dXbP4SDiG80>

You have to watch this! Something big is going to happen in Antarctica!  
The concerns expressed in the message are really challenging.

Brian's high strangeness experiences flying cargo and rescue in Antarctica were in the 1983 to 1997 time period and included several observations of aerial silver discs darting around over the Transantarctic Mountains. He and his crew also saw ancient ruins and a big hole in the ice only about five to ten miles from the geographic South Pole (pink circle on map) that was supposed to be a No Fly Zone. But during an emergency medevac situation, they entered the No Fly Zone and saw what they were not supposed to see: an alleged entrance to a human and E. T. science research base created under the ice. Then at a camp near Marie Byrd Land, some dozen scientists disappeared for two weeks and when they re-appeared, Brian's flight crew got the assignment to pick them up. Brian says they would not talk and "their faces looked scared."

## CONFERENCE CALL

**Ross:** Randy's story: comments on Salla's story: his friend who passed in 2008 told Randy in 2005 that scientists were taken down there; had to work there and could take no technology down there or bring anything back.

T: the dark ones tried to steal the technology and use it for the wrong things; this is where Hitler went in the 20s to learn how to do the Obsene rite and, from a number of articles, we know they get to use the technologies when they kill people and eat them. They are not human and get energy that way, as both body snatchers and soul snatchers. They themselves are soul-less. The nunking of nag and fuk created a lot of soulless forms -

- those following took on the sins of the parents and the soul-less-ness continued and so did the rites; they have to do more of it as the effects of eating people no longer last as long
- we must not let them suck us in: keep using the power of the positive thought: required to meditate 2x a day – if we get hyped up, stop, clear our minds, take deep breaths and clear the chakras

**Carlton:** sent an e-mail earlier the good war is the title:

**R:** saw that video – the richman's trick / trip – story goes from WW2 to 9/11 – they don't bring up Hitler and the technology, as Salla and Corey goode did, but the movie does show the military/industrial complex at work.

**C:** the video has been yanked, no longer on the air: everything is a rich man's trick – about how Standard Oil, Shell, Dutch royal family, american industry – supplied fuel for the nazis, Henry Ford built fleets for them, Nazis rewarded him – the khazars are linked to those we know as the jews – where do they fit into the holocaust story? Not discussed in the video.

**R:** the Khazars came from the Caucus Mtns that go through Russia, Ukraine - that part of Europe- there was a land called Khazar and they came from there – not necessarily Jewish.

- The True Jewish people were black as coal, came from Palestine known as Kennet
- When he went to Egypt in the 70s, the features of the statues he saw then did not look like white people; this has been twisted by the fake story that Jeshu was white – NO; HE WAS NOT. Bob Marley, Ziggy Marley, the Rasta people – these were the orginal people of Is-ra-el – it was not the white ones from the Caucus Mtns. The UN is one of the influences behind the story too

**C:** so what was Hitler trying to do when he tried to kill their descendents?

**R:** He was trying to perfect the idea he got from the blonde blue eyed sisters that the Thule Society played with, and Alistair Crowley showed up too. Hitler tried to directly

connect with the beings from the Nordic race, and the Asgardians and others from the 9 realms.

- Hitler used the circle of the Thule Society to bring in the Valkeries – angels who show up on winged unicorns – it is about the combination of the celestial ET forces that interacted with the humans on the planet, stories that are mixed in with the legends and the movies about Raiders of the Lost Ark, Indiana Jones and the Crystal Skulls -
  - Hitler was trying to get in touch with them and combine different strands of DNA and create a Master Race
- Mengele was talking to Kahotep. If we saw the most recent version of the X Men called *Apocalypse*: the one called Apocalypse entices Magneto and Eric to help change the planet – Apocalypse is like Kahotep: has lots of power to separate the mind from the heart, and Hitler was trying to do the same

**C:** How does the killing of the jews tie in?

**R:** They had to get rid of their failed experiments; also included were dissidents and other ones they did not like; Mengele also did experiments with twins and removing bits of the strands of DNA, and reversing the codes which reverse the cosmic energies

**C:** Why did he target that particular group of people –

**R:** they are people connected to the 13 families –

**C:** are the Khazarian jews the ones he had in concentration camps?

**R:** NO – the Khazarians had the true Hebrews in the camps and **they were Palestinians**

**C:** so who's in the photographs! Lots of people cast doubt on the holocaust . . .

**R:** The ones who say it didn't happen are the ones who did it. It has to do with their genetics [the genetics of the ones who were killed]. In Germany those who were the true Hebrew people were primarily the middle class, so he wanted to get rid of them

**C:** so the ones Hitler killed were Hebrew descendents?

**T:** Yes. The Khazarian mafia article said that it also had to do with finances: the Nazis wanted their land and their money, too. It was **more than 6 million** of themselves: **they did in 26 million people**: rest were gay, black, herbalists, medicine men, activists,  
• people we know who are European descendents . . . yes, there are Khazarians who became "jews"

**NO: our DNA is what actually tells our true ancestry:** go back in generations and those who have ended up in Israel are not European: **Israel used to be Palestine.**

• It was Britain that carved up the Middle East which was essentially Persia – also killed were Turks, Armenians with the gas supplied by the US

• those who woke up spiritually – as long as they had the wealth and the property, were also killed; it happened before with the Spanish Inquisition, the goal of which was to kill the templars who had all the wealth

**C:** so the victims of the holocaust were not jewish – it was Hebrews and some others

**T:** the 12 tribes were the Hebrews; resided in many places that are not included in the truth – as the book, *When Rocks Cry out*, demonstrates

**C:** has seen no one else lay that info out as Horace Butler has; he more or less channeled that story

**T:** the land mass that existed then has changed radically: there are many things written about this, plus maps – migrations from Atlantis took place all over the planet – there were 7 islands of Atlantis

• We are learning more and more of all that has been covered up – there are kazillions of books that are hidden away: the Genoa Library; the Macchu Pichu library; the Alexandria Library; the Luxor Library

**C:** tells everyone about Horace Butler's book **When Rocks Cry Out**

**T:** the biblical stories we read about took place in the western hemisphere, not the eastern, and the true origins of Egypt are in the US. The original temples of Egypt are in the bottom of the Grand Canyon, and are exact to the millimeter, relative to both the size of the buildings and to the distance between each of the temple sites: people are prevented from going there -

- **Forbidden Knowledge video** – ancient Egyptian artifacts found in the Grand Canyon in 1905
  - it was covered up – there is a video too

C: There are hieroglyphics in Illinois

**Gerry:** a small town along the Ohio River has mounds: the mounds actually coincide with the locations of the pyramids in Egypt; he has no printed information on it, but he came from the small town and knows this from the replica painted on the flood walls – this is common knowledge in his area

**T:** mounds in Ill, and various other states – found Cleopatra's bones in Ill, as well as Aknautun's and those of Moses which are in North Carolina, somewhere in the Pisca Forest

- Moab in the 4 corners of Utah has some things too: 4 corners is not where it is said to be – up in the Moab region where the red mountains are.
- There are lots of things underground that are not being revealed.
- In the entirety of Europe, everyone was black – no white

**Carlton:** what happened?

**R:** this ties in with a combination of events:

- the [ongoing presence of] the ET races, which had begun in the middle period of Lemuria, ended at the time of Babylon when they went to war;
- the end of the 5000 year war [The Orion War] happened on earth and part of this ties in with the building of the ancient City of Babylon. This city was like Sodom and Gomorrah, others that were advanced – people had little shuttle craft, communicated telepathically
- the mound people lived in underground places because of what was going on on the surface; they were only 3-4' tall, deeply melanated – not white.
- Those with white skin come from the 13<sup>th</sup> tribe, Mother's tribe who came to wake up the others

**Ross:** has anyone noticed anything different in the last couple of weeks in their 3<sup>rd</sup> eyes

**R:** things getting psychedelic all the time – he looks at stop lights and signs, especially the yellow and green lights of the signal lights; also seeing a radiance coming out of physical objects, and can see interdimensional beings peaking around the corner – letting us know they are real and are part of earth –

- a reminder of when we were between the ages of 3-5 and could see beings and could communicate in the Solex Mal language, with colour, sound and frequency -
- sometimes when he's driving he sees the cops, those who become state troopers law officers – can see the black in the auras.

**T:** Can look at the Kirlian photographs and what can be seen in auras

**Gerry:** Coast to Coast – George Noory, had on guest claiming he was a Pleiadian – Gerry called in to say he resonated with the caller's words, and that he and some friends having trouble getting DNA results; George Noory laughed and he could not get info about his blood type either: our friends are keeping info from those who might do us harm.

**T:** Be extremely aware when you are driving -

**Sonja:** she was driving; all of a sudden her perception was that she was going down under to middle earth; she was not on the surface: wondered if she was fainting – feeling of

being in a different time line: took a breath snapped out of it – when driving, these experiences can cause harm –

- finding sleep patterns amazing – barely sleeps: lets the body rest and lucid dreaming at the same time – then when she gets up, she's rested – a different style of living.

**T:** has been doing this since 2007 – needs only 2-4 hours of rest; also knows they assist us when we have something to do. Have to stay open and listen with the heart

**S:** headaches feels like wearing a hat – have to shut your eyes and surrender – that type of headache means the pineal or 3<sup>rd</sup> eye is being worked on; a top crown headache is like a helmet over the head – some kind of communication is being made.

**T:** brings up a bit of the article by Preston James about the the incredibly evil Khazarian Mafia They were thieves and murderers who assumed the identities of their victims which enabled them to steal their assets: – these are the not nice Annunaki invaders / Khazarians - they were reptilians as well as other races -

- She reads from article: **The Hidden History of the Incredibly Evil Khazarian Mafia 800 AD** Ultimatum from Russia **[SEE BELOW]**

## **B B S RADIO      M/A Mother / Alcyone**

Greetings in the Light of the Most Radiant one; in the Office of the Christ and only on the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

### **Greetings, Children of Ra!**

Indeed, we are in an age of magic and miracles. It's about what is happening to us, as things are moving so fast! Everybody is waking up – this is a good thing. In the midst of this, may come a shocking realization: I'm not from here; never was. Yet we all volunteered to come here – this grand experiment that began so long ago has come full circle now

**T:** They say that repetition is the mother of wisdom, but we don't have to do this anymore! Right?

**M/A:** as the song says, we won't be passing this way again! This is the moment that Gaia / Vyamus - as we are spiralling closer to Galactic Centre, things are happening to Sol, Sirius A, Sirius B. This whole world sector we call the Sol Sun system: everything is awakening with the solar flares that are affecting earth, all the planets in the solar system.

- It's affecting the living matter as the energies get higher and higher.

- It is a joyous thing because it is about the living love, living light, that plasma is – this is what Dr Keshe keeps constantly talking because he is fed by the everlasting, everliving lights: it is what Jas-moheen lives on – yet we gotta drink some water, chop wood, carry water; it is part of the Sadna.

- As we do this alongside Baba Ji and all the others who are here with us, as things are progressing so fast, we could say as more truth comes out, about the folks down in Antarctica digging up ancient relics of the past, and not all of it is pleasant.

- There are some say nephilim, ancient ones, Annunaki which means not from earth but from the stars -

- let's start from the beginning: Nibiru is not a messenger of destruction; they [M/A, the Paschats] come as an answer to the clarion call of this age where, as they come in the beginning and the end of each age to equalize the energies, as now the black goddess is moving into the forefront.

- Black Madonna – it's about the ancient story of the melanin, the gold dust, how what's in our veins is not just – yes, it's plasma, hemoglobin – it's also plasma like the sun;

- as we meditate and work with raising the frequencies by doing the meditations, the sadna, the meditations, the joys of life as we go about our mission

- As we work more and more with the science of meditation and the breath and what is happening with all the fairies, the realms that are interacting with us here. As we begin to already see around the edge of this matrix; people are popping up out of the woodwork

**T:** we are going to have someone pop out of the woodwork: someone who is a good friend of all of us

**M/A:** it is only about love and the higher frequencies of joy - this is the place where these ones who have shielded themselves with fear have made their choice: let them lie in their ooze from the depths of Mordor - it is what they have chosen - the dead marshes: it is what they've asked for - let sleeping dogs lie and people reading the morning paper and sipping their balm tea.

- It is the reality of the moment that we're in a different reality that is not what we think it is, and that's why all these things are coming to the light of the noon day sun; our bodies are shifting, changing, and more interacting with the wisdom of the ages

- in the same moment, same breath, the light of 10 trillion suns is coming in from all sectors of this Universe of Nebadon; there are places in this Universe of Nebadon even though it may be a matter universe - there are places in this Universe where war is unknown; it is inconceivable! and these people live in ecstasy and joy

- And this little blue green dot as Carl Sagan called it. She likes that phrase cos' as earth is one of the marbles in her bag of marbles

**T:** this particular marble is going through its ascension process and getting ready to take its place as the 33<sup>rd</sup> planet in the Intergalactic Federation of Worlds - and it's a big effin' deal!

**M/A:** it's about the Love, the law of vibrational energy coming in and this is the key: as things get higher and higher - and we are in the crescendo in this magical moment - the dark has nowhere to turn except to itself and their salvation is themselves and they will take themselves out. So let it be. The unravelling of their reality is happening in the moment as we see the vast stories about investigations and leaks

**T:** Rep Nunes - last night on Laurence O'Donnell - all the people coming on were saying we need an investigation - he doesn't know his south end from anywhere! And he said nothing in spite of the words!

**Caller:** in ref to what we were saying earlier in the call and with what M is saying now: all time is happening now: earlier today with minimal effort, he can tune in and see flashes of the announcement of NESARA and the events to follow - us interacting with all sorts: he can navigate the records and time seems to be flowing together

- How are these increased energies coming into the immediate consciousness of everyone else, the common person?

**M/A:** As this is coming in at quantum light speed, the average, the common man: what is happening is there is this wave, tsunami wave of Living Love, Living Light pouring in that is lifting all the cells, all the particles up.

- How the common man feels it is there is a sense of continuity and a whisper of hope, and it's this wave that, no matter what the dark throws at us, that wave of living love, hope, lights pouring in - the dark cannot withstand it because there are more of us than there are of them. As much as they use the fear, we are stronger - it is about taking that middle path Lord Buddha spoke about, and as we learn the way of the Chi Wu, Kung Fu and Tai Chi, Tai Kwando

**T:** but aren't those things a little rare for the ordinary person?

**M/A:** Yes, yet you can see on you tube it is all there because of the universal downloads going on

**T:** what she sees here as she listens to Thom H, Amy G and RT tv - they are doing the Tai Chi and the Tai Kwando in terms of the art of politics, and the general, every day person is getting it: I voted for you and I am getting no help; oh, you didn't win and you owe your buddy, Paul Ryan, the vulture capitalist guy, are wanting to take over the planet

- and the NY times has published an article about Donald Trump projecting bravado, but underneath has rare self-doubts: he has told 4 people close to him that he regrets going along with Paul Ryan's health care plan and pushing forth a tax cut. Where is the money going to come for the tax cuts? They thought they would get the money from cutting the health care plan.
- Now everyday people are calling in to Thom Hartmann and other programs, and saying just hold on here, what does this guy think he is doing?

**M/A:** what is happening is that collectively humanity is showing a unified field and saying we don't want war; we want love, and it is happening in spite of all the sabre rattling.

- Try as they may, what is rising to the occasion is the fact that love always wins.

**T:** also hearing that all kinds of ordinary people are running for office now all over the states, in rural and city areas, who have never done this before and this is happening across the board

**M/A:** it is not so much the politics, as it is the morphogenic field has awakened the force within the field itself that is calling the shots and that is why anomalies are popping up – on with the show!

**Ross:** In conjunction with how people are acting, would you say people will shift to demanding freedom?

**M/A:** We would say yes!

**RO:** NESARA NOW!

**M/A:** NESARA NOW!

**T:** Ask and you shall receive!

**Big Will:** Trump when he gave the inauguration speech; towards the end, he referenced the future and stated we would have a revolution of technology that will be released upon the planet – will Mother please address this?

**M/A:** What they can say about this is he brought up the tip of the iceberg that he is using to his own advantage for the dark side; it is about not so much the common man, yet for the ones who think they hold the Gauntlet of Power.

- This is in answer to this: you cannot use and wield the Gauntlet of Power and the frequencies at this time without the balance of love in the story. Of course, as the advanced technologies are already pouring out – Dr Keshe is one of the ones who cannot be stopped: it's already being built, so many things about how to create plasma energy and say good bye to the power company,
- and in the same breath as freedom's holy flame is activated now, those who would like to use the energies for ill-will, the energies themselves will sabotage them and take them out as you cannot use the sidereal weapons of the universe for darkness, only for light; it is part of the laws that make up how this works. We are in a new dispensation

**T:** they used the weapons from the ET crash in Roswell, same thing in Antarctica – not allowed any more.

**M/A:** not any more; this is the end story

**BW:** concerning the reversal of age: 22- 25 for women; 25 -29 for men: when will this technology be available for the entire population?

**T:** contained in the 60,000 technologies; it's available now for those with eyes to see: has always been available and it works just like the Keshe technology: as you proceed to seek out the knowledge and work with the technologies – they have never left us – as we progress along the way, the technologies can be used by us and we can share with like-minded people and that is how it's always been

- the zero point was reached around last April, and it's increasing from there and there are huge groups of awakened groups from all kinds of backgrounds, colour, etc – acting like the 100<sup>th</sup> monkey principle – can set no dates – the interaction of the old order energy is backfiring - and the people are saying we're not going to do this, or buy this

**BW:** the stage has been set for a miraculous announcement to be made by our past president Obama; and Xi and Putin are co- hosting; the stage is being built in Russia as we speak – does this mean we are headed towards the end of what we’ve been waiting for?

**M/A:** in the realm of infinite possibilities & probabilities, yeah - there is a lot going on about how they get introduced

**T:** called full disclosure – Rama got some communication from someone who said that by Easter we could have full disclosure: preceded by the statement “**we are giving no dates**” - it’s just a strong possibility for this to be announced by Easter

**BW:** there are forces out here – speculation about this: Russia is building a huge platform stage - no idea what it’s for; has been told there is a 12’ being there now in China – is it for the liaison - has been told this.

**T:** Doesn’t know – asks Mother

**M/A:** there are many galactic beings here interacting with

**M/A:** in closing: all the moments we are going through right now are about how fantastic these times are that we live in. It is only about raising the energies as physical immortality is already here, as the physical matter, space/time energy, shifts because what’s happening to this realm as more light, more love gets poured in from every sector . .

**T:** Richard Painter, former republican WH lawyer – on The Last Word last night said that any American who helped influence American elections in the last 30 years or more has committed treason

### **The Hidden History of the Incredibly Evil Khazarian Mafia**

by [Preston James](#) and Mike Harris

#### **100-800 AD – an incredibly Evil Society Emerges in Khazaria:**

Khazarians develop into a nation ruled by an evil king, who had ancient Babylonian black arts, occult oligarchs serving as his court. During this time, Khazarians become known to surrounding countries as thieves, murderers, road bandits, and for assuming the identities of those travelers they murdered as a normal occupational practice and way of life.

#### **800 AD – The Ultimatum is delivered by Russia and other surrounding nations:**

The leaders of the surrounding nations, especially Russia, have had so many years of complaints by their citizens that, as a group, they deliver an ultimatum to the Khazarian king. They send a communique to the Khazarian king that he must choose one of the three Abrahamic religions for his people, and make it his official state religion and require all Khazarian citizens to practice it, and socialize all Khazarian children to practice that faith.

**The Khazarian king was given a choice between Islam, Christianity and Judaism. The Khazarian king chose Judaism, and promised to stay within the requirements laid out by the surrounding confederacy of nations led by the Russian czar. Despite his agreement and promise, the Khazarian king and his inner circle of oligarchs kept practicing ancient Babylonian black-magic, also known as Secret Satanism. This Secret Satanism involved occult ceremonies featuring child sacrifice, after “bleeding them out”, drinking their blood and eating their hearts.**

The deep dark secret of the occult ceremonies was that they were all based on ancient Baal Worship, also known as worship of the Owl. In order to fool the confederacy of nations led by Russia that were watching Khazaria, the Khazarian king melded these Luciferian black-magick practices with Judaism and created a secret Satanic-hybrid religion, known as Babylonian Talmudism. This was made the national religion of Khazaria, and nurtured the same evil that Khazaria was known for before.

Sadly, the Khazarians continued their evil ways, robbing and murdering those from surrounding countries who traveled through Khazaria. Khazarian robbers often attempted to assume their identities after they murdered these visitors, and became masters of disguises and false identities — a practice they have continued even to this very day, along with their child-sacrifice occult ceremonies, which are actually ancient Baal Worship.

### **1,200 AD – Russia and the surrounding nations have had enough and take action:**

About 1,200 AD, the Russians led a group of nations surrounding Khazaria and invaded it, in order to stop the Khazarian crimes against their people, which included kidnapping of their young children and infants for their blood sacrifice ceremonies to Baal. The Khazarian king and his inner court of criminals and murderers came to be known as the Khazarian Mafia (KM) by neighboring countries.

The Khazarian leaders had a well-developed spy network through which they obtained prior warning and escaped from Khazaria to European nations to the west, taking their vast fortune with them in gold and silver. They laid low and regrouped, while assuming new identities. In secret, they continued their Satanic child blood and sacrifice rituals, and trusted Baal to give them the whole world and all its riches, as they claimed he had promised them, as long as they kept bleeding out and sacrificing children and infants for him.

The Khazarian king and his court Mafia plotted eternal revenge against the Russians and the surrounding nations that invaded Khazaria and drove them from power.

### **The Khazarian Mafia invades England after being expelled for hundreds of years:**

To accomplish their invasion, they hired Oliver Cromwell to murder King Charles 1, and make England safe for banking again. This began the English Civil Wars which raged for nearly a decade, resulting in regicide of the royal family and hundreds of the genuine English nobility. This is how the City of London was set up as the banking capital of Europe and launched the beginning of the British Empire.

From David Icke's website [www.davidicke.com](http://www.davidicke.com). David Icke was the first ever to courageously expose the Rothschilds publicly in front of hundreds. This of course makes him an international hero and we need more with his kind of courage to break open the coverup hiding the Khazarian Mafia and bring an end to their worldwide illegitimate power.

**The Khazarian Mafia (KM) decides to infiltrate and hijack all World Banking using Babylonian Black-Magick, also known as Babylonian Money-Magick or the secret art of making money from nothing also using the power of pernicious usury to accumulate interest:**

The KM used their vast fortune to enter into a new system of banking, based on secret Babylonian black-magic money-magic that they claimed to have learned from the evil spirits of Baal, in return for their many child sacrifices to him.

This Babylonian money-magick involved the substitution of paper credit certificates for gold and silver deposits, which allowed travelers to travel with their money in a form that offered easy replacement should they lose the certificates or have them stolen.

Interesting how the very problem that was started by the Khazarians also had a solution provided by them. Eventually the Khazarian king and his small surrounding court infiltrated Germany with a group that chose the name "the Bauers" of Germany to represent them and carry on their Baal-

powered system of evil. The Bauers of the Red Shield, which represented their secret blood-based child sacrifices, changed their name to Rothschild (aka "child of the rock, Satan").

**The Rothschilds as the front Men for the Khazarian Mafia (KM) infiltrate and Hijack British Banking and then hijack the whole nation of England:**

Bauer/Rothschild had five sons who infiltrated and took over European banking and the City of London Central Banking System through various crafty covert operations, including a false report of Napoleon winning against the British, when actually he lost. This allowed the Rothschilds to use fraud and deception to steal the wealth of the English nobility and the landed gentry, who had made business investments with the City of London Banking institutions.

## **2016-07-16 [Turkey's president wants US to extradite exiled Poconos cleric](#)**

By [Joe Marino](#) and [Dean Balsamini](#)

Ankara's Public Enemy No. 1 is a reclusive 75-year-old imam from the Poconos — and Turkey's president is demanding the United States hand him over immediately.

President Recep Tayyip Erdogan is blaming [the nation's bloody coup attempt](#) on Fethullah Gülen, a dissident cleric living in exile in a small community 70 miles from New York City.

Gülen, a former ally who left Turkey in 1999, orchestrated Friday night's uprising from his compound in Saylorsburg, Pa., Erdogan alleged Saturday.

The Turkish leader's demand that Gülen be promptly extradited threatens to create a rift between the United States and Turkey at a key time during the international offensive against ISIS.

Already, Erdogan has closed Turkey's airspace to military operations, hampering US efforts against the terrorist group.

The upheaval began Friday evening, when tanks and other armored vehicles appeared on the bridges, and F-16 fighter jets began streaking through the skies.

Erdogan, who was on vacation in southern Turkey, quashed the coup with the help of his own cellphone and the loyalty of citizens, who heeded his calls to take to the streets in protest.

From his cellphone, he delivered an address urging citizens to defend the democracy.

Turks poured into the streets of Istanbul and the capital of Ankara to confront tanks in fierce battles.

Gruesome videos posted on social media showed tanks crushing protesters who tried to block the machines' path, bloodied bodies strewn on the streets of Ankara, and helicopters firing into civilian crowds.

The revolt left 265 people killed and 1,440 wounded amid clashes between rebel soldiers and security forces loyal to the government and civilians. Officials said more than 100 coup plotters

are dead. [AP](#) Turkish President Tayyip Erdogan delivers a speech in Istanbul on Saturday.

By early afternoon Saturday, the bridges across the Bosphorus strait in Istanbul were reopened after a night of gunfire and explosions.

"The situation is completely under control," Prime Minister Benali Yildirim announced early Saturday afternoon, adding that more than 2,800 members of the military have been arrested. The plotters were described as coming mainly from the air force, military police and armored units.

The uprising came amid a period of political turmoil in Turkey that critics have blamed on Erdogan's authoritarian rule.

Critics accuse Erdogan, president since 2003, of growing more autocratic in office and making Turkey less secular, and more Islamic.

Erdogan [vowed Saturday](#) that those responsible "will pay a heavy price for their treason."

He described the attempted insurrection as a "gift from God" because it will allow him to "cleanse" the army.

Indeed, after the government regained control, Erdogan cracked down, with his government dismissing 2,745 judges for suspected ties to Gülen.

Secretary of State John Kerry said the United States would consider handing Gülen over.

But first, Erdogan would have to offer proof of Gülen's involvement, Kerry said.

"We stand by the government of Turkey," Kerry said Saturday night from Luxembourg.

President Recep Tayyip Erdogan accuses Gulen (pictured) of being behind the attempted military coup in Turkey. G.N. Miller

Gülen, meanwhile, is denying any responsibility, even suggesting Erdogan himself staged the coup attempt to consolidate his power.

At Saylorburg, Gülen, told reporters gathered in a prayer room Saturday that he was a "man of peace."

"I don't believe the accusations made by President Erdogan . . . I don't believe the world takes them seriously," he said.

"There is a possibility it could be a staged coup," he said through an interpreter. "I simply leave the door of the possibility open.

"As someone who suffered under multiple military coups during the past five decades, it is especially insulting to be accused of having any link to such an attempt," he said.

"I categorically deny such accusations," he told reporters.

The cleric paused several times so his physician could take his blood pressure — and news photographers could take pictures.

The charismatic preacher, writer and political figure has lived in self-imposed exile in Pennsylvania's vacation mecca since 1999.

He has been described as a moderate who advocates interfaith dialogue, once having broken bread with Pope John Paul II at the Vatican.

A Gülen return to Turkey "would be suicide," his adviser said.

In the 1960s, Gülen's social-reform efforts made him one of Turkey's most respected public figures.

He had a falling out with Erdogan after the president and his ruling party, AKP, blamed him for orchestrating corruption allegations that targeted senior ministers as well as Erdogan's son Bilal in 2013, London's Telegraph reported.

For much of the past decade, pro-Gülen media outlets backed investigations into alleged coup plots organized by Turkish military commanders.

Dozens of military officers, as well as secular writers, academics and businessmen, waited for years in prison for trials that critics called witch hunts, CNN reported. [in the Poconos](#)

It became increasingly dangerous to criticize the Gülen movement, the network reported. Ahmet Sik, a writer critical of Gülen, was arrested and jailed for more than a year on charges of supporting a terrorist group.

A court banned his book "The Imam's Army," which criticized Gülen followers, before it was published.

Now out of prison, Sik said the longstanding alliance between Erdogan and Gülen had collapsed into a bitter power struggle.

"There was a forced marriage, and the fight that began with who would lead the family is continuing as an ugly divorce," Sik [told CNN](#).
