IMPORTANT MESSAGE FROM HEAR O ISRAEL

November 30, 2008

This is the most significant newsletter I have sent out to date and I am writing it from a

personal eyewitness perspective in the Land. *Please read this message with an open mind and prayerful heart.*

As most of you know Ben Ehrhardt and I at www.hearoisrael.org have been teaching for the past 8 years on Restoration of the Kingdom. Our understanding of Scripture is that the next prophetic event to be fulfilled will be a remnant of the two houses of Israel (Judah and Ephraim) coming together in the Land of Israel. (Isa. 11:11-15).

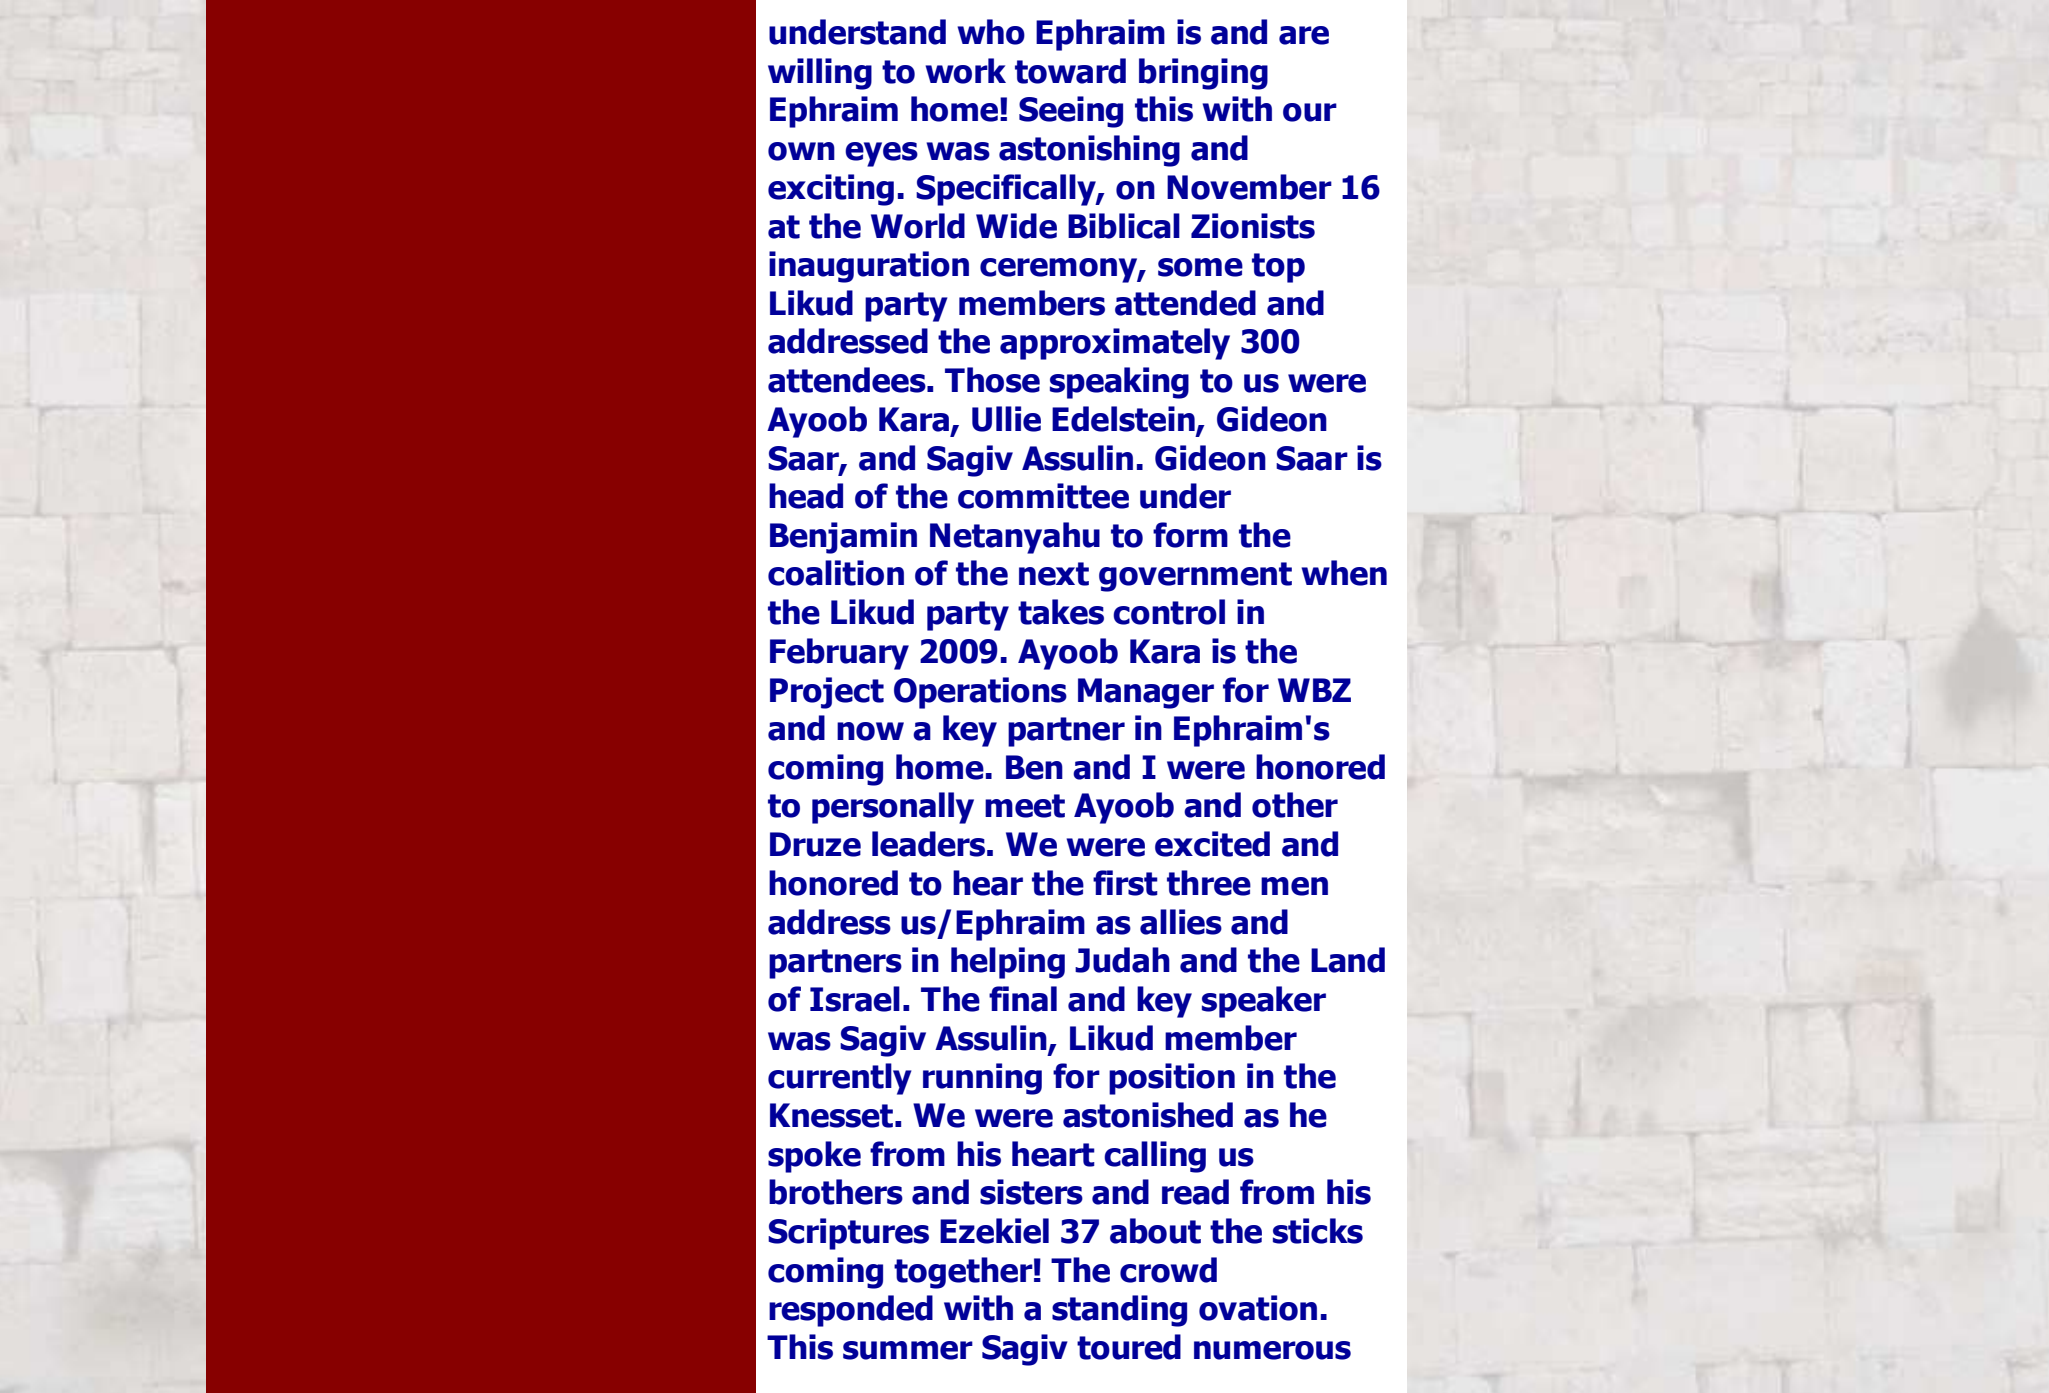

We have just returned from a 12 day tour of Israel sponsored by World Wide Biblical Zionists and an extra week of meeting other key leaders. Ben and I and our spouses along with about 60 other Ephramites, who love brother Judah and the Land, attended this tour and fact finding trip. Ben and I attended this event to witness the hearts of Joel and Pamela Bell founders of WBZ, to see for ourselves if Yahweh is beginning to open the doors for Ephraim to come home, and to demonstrate our love and willingness to stand with our brother Judah.

It is vitally important that I communicate what we experienced

and to invite you to participate in the fulfillment of prophecy of Ephraim returning to the Land:

1. We have confirmed that Joel and Pamela Bell are upright, hard working and sacrificing couple that Yahweh has given incredible vision and favor in the Land to open doors to bring Ephraim home! They have helped Judah establish World Wide Biblical Zionists organization www.biblicalzionists.org as a vehicle to represent and support Zionist minded people who want serve Judah and live in the Land. The mission of WBZ that Joel originally explained to us did not come up short. In fact, the favor of Yahweh was obvious and has grown even beyond what I believe Joel and Pamela envisioned would take place by now. Most of us on the tour at one time or another felt like we were dreaming. Even though Joel and Pamela are special people, they could not have orchestrated the set apart moments and events; it had to be Yahweh. As Joel and Pamela humbly serve Judah, Yahweh is using WBZ to help bring Ephraim home to stand with Judah and to serve her in any capacity possible in this critical time.

2. Yahweh is establishing leaders with integrity in the Likud and other coalition parties that are beginning to

understand who Ephraim is and are willing to work toward bringing Ephraim home! Seeing this with our own eyes was astonishing and exciting. Specifically, on November 16 at the World Wide Biblical Zionists inauguration ceremony, some top Likud party members attended and addressed the approximately 300 attendees. Those speaking to us were Ayoob Kara, Ullie Edelstein, Gideon Saar, and Sagiv Assulin. Gideon Saar is head of the committee under Benjamin Netanyahu to form the coalition of the next government when the Likud party takes control in February 2009. Ayoob Kara is the Project Operations Manager for WBZ and now a key partner in Ephraim's coming home. Ben and I were honored to personally meet Ayoob and other Druze leaders. We were excited and honored to hear the first three men address us/Ephraim as allies and partners in helping Judah and the Land of Israel. The final and key speaker was Sagiv Assulin, Likud member currently running for position in the Knesset. We were astonished as he spoke from his heart calling us brothers and sisters and read from his Scriptures Ezekiel 37 about the sticks coming together! The crowd responded with a standing ovation. This summer Sagiv toured numerous

states in the U.S. where he was introduced to Ephraim. Yahweh spoke to his heart regarding Judah and Ephraim's restoration in the Land. He is Vice President of WBZ and an attorney. As an attorney and Likud leader he is well positioned to represent us, Ephraim.

3. Two immediate calls to action:

a. **Support Sagiv Assulin by donating to his campaign. Donations must be received before December 8th. I believe Sagiv has been chosen for such a time as this to support Ephraim's return to the Land! He is asking Ephraim to support him through prayers and donations. Listen to Sagiv's heart as he addresses both Ephraim and Judah at the WBZ inauguration ceremony (link below) and read his website [www.sagivassulin .com](http://www.sagivassulin.com). Sagiv is a man of vision and commitment. He insists on running an honest campaign. He does not want to owe people favors or paybacks. This is in stark contrast to many of the dishonest current government leaders in Israel. Also, as far as we know, Sagiv is the only member in the history of the Knesset to make a pro-life stand. He is a leader of the young in Israel who love him and are backing him. Sagiv is running a full**

scale campaign and needs your support. We have a small window of opportunity to help change the direction of Israel's leadership. Currently Sagiv is 40% ahead in the polls! As we see in Scripture, Yahweh works through men, kings and governments to accomplish his purposes. Sagiv says, "My heart is to see Judah and Ephraim join here in the land and see the hand of HaShem do great and mighty things." This is our opportunity to support and encourage Sagiv Assulin to open the door through Knesset leadership and legislation for Ephraim to come home. Any amount donated helps. Again, donations must be received by December 8th. [www.sagivassulin .com](http://www.sagivassulin.com).

b. Go to www.biblicalzioni st.org and research the vision, mission, platform, projects and goals of the World Wide Biblical Zionists organization. This is your vehicle to demonstrate to Judah the strength and commitment of Ephraim to come home and stand and serve with Judah in the Land. WBZ's commitment is to develop opportunities and practical tools for living in the Land. Take the first step of involvement by becoming a member of WBZ. Stay connected to WBZ and pray regarding which projects Yahweh wants you involved

in to build Zion, how you can participate in preserving Jewish lives, and when He wants you to aliyah to claim your inheritance!

I enthusiastically encourage you to immediately participate in these beginning stages of Ephraim's journey home. We have cried out to Yahweh for forgiveness, to let us come home, and to let us serve in the Land. Prayerfully consider that Yahweh is beginning to answer our prayers and it is the time for us to respond. What you have read in this newsletter is a quick report to encourage your immediate participation to support Sagiv Assulin and signup for free membership in WBZ. PLEASE SEND THIS NEWSLETTER TO YOUR MAILING LISTS OF THOSE WHO LOVE THE LAND OF ISRAEL.

I have more to report on our trip to Israel and will send out additional information and pictures in future newsletters.
