88th Annual San Fernando Valley Judo Club Invitational Kohaku Scrimmage

RULES

Current IJF Contest Rules will be used with the following modifications:

- a. **White Judo Gis ONLY!!!** No blue gis please.
- b. Wazari or ippon are required to win. Penalties will be called, but will only be applicable to determine winner if scores are tied with a minimum of wazari to wazari at end of regulation match time.
- c. No Golden Score. If a winner is not determined after regulation period, hiki wake will be awarded.
- d. Pre-2003 Injury Rules for all divisions.
- e. No CARE systems we be used, therefore, we will have corner judges on all mats.
- f. No Shime-waza (chokes) allowed for ages 12 and under. If a 12 years old or younger contestant is pooled with 13 years old or older contestants, choking techniques will not be allowed in any matches with an 12 years old or younger participant.
- g. No Kansetsu-waza (arm locks) will be allowed for ages 17 and under and for any novice.
- h. No double knee drop techniques allowed for ages 12 and under.
- i. Juniors competing in senior divisions are subject to senior rules.
- j. No white belts will be permitted in the Brown belt, Black belt & Masters divisions.
- k. Pre-2009 rules for judogi control will be used in all divisions.
- l. Contest area will be 6 x 6 meters.
- m. Safety areas will be 2.5 meters, therefore we will use article 9 rulings of the 2003 IJF rules regarding the valid areas of competition.
- n. **ARTICLE 9 - Location (Valid Areas)** The contest shall be fought in the contest area. Any technique applied when one or both contestants are outside the contest area shall not be recognized. For example if one contestant has at least one of his feet, hands or knees outside the contest area while standing or more than half of his body outside the contest area while doing Sutemi-waza, he shall be considered as being outside the contest area. Exceptions: a) When one contestant throws his opponent outside the contest area, but he himself stays within the contest area long enough for the effectiveness of the technique to be clearly apparent the technique shall be recognized. When a throw is started with both contestants inside the contest area, but during the action, the contestant being thrown moves outside the contest area the action may be considered for point scoring purposes if the throwing action continues uninterrupted and the contestant executing the throw stays within the contest area long enough for the effectiveness of the action to be clearly apparent. b) In Newaza the action is valid and may continue so long as either contestant has some part of his body touching the contest area. c) If during the course of an attack such as Ouchi-gari or Kouchi-gari the foot or leg of the thrower leaves the contest area and moves over the tatami in the safety area, the action shall be considered valid for scoring purposes so long as the thrower does not place any weight upon the foot or leg while it is outside the contest area.
APPENDIX Article 9 - Location (Valid Areas) In the case of Osaekomi on the edge if the one part of the contestant still touching the contest area becomes airborne (i.e. it is raised up and loses contact with the Tatami) the Referee must announce Mate. As the red danger zone is part of the contest area, any contestant whose feet are still touching the red danger zone in the standing position shall be considered as being within the contest area. When performing Sutemi-waza, a throw is considered valid if the thrower has one half or more of his body within the contest area. (Therefore, neither foot of the thrower shall leave the contest area before his back or hips touch the Tatami.) Once the contest has started, the contestants may only leave the competition area if given permission to do so by the Referee. Permission will only be given in very exceptional circumstances, such as the necessity to change a Judogi which does not comply with Article 3 or which has become damaged or soiled.
- o. To ensure safety for matches due to the reduced safety area size, "mate" calls may occur much earlier than normal to prevent the athletes from going off the competition area. Referees must not hesitate to interrupt the action to protect the athletes.
