A Brief History of our Work for the Jewish People

Just prior to the six day war, Dr. Cerullo was in the back of a bus ministering in South America, when he heard the voice of God say: "Now is the time to turn your attention to Israel."

Dr. Cerullo immediately went to Israel and conducted his first Israel, School of Ministry, where he trained Israeli nationals.

Since that time Dr. Cerullo has conducted a School of Ministry every year where hundreds of Israelis (both Jews and Arabs) have been trained to reach their nations for Christ.
