

INTERNSHIP OFFER IN THE AEROSPACE INDUSTRY IN AFRICA.

Location: Cape Town, South Africa

Duration: Minimum 6 months - immediately

Hi-Fly marketing is a consulting company with expertise in the aviation sector in Africa (www.hiflymarketing.com).

We represent leading companies such as ADSoftware www.adsoftware.fr (Fleet Management and logistic system), Vector Aerospace France <http://www.safran-electronics-defense.com> (Engine maintenance), Safran <http://www.safran-electronics-defense.com> (Flight Data Monitoring / repair services), Nordam <http://www.nordam.com> (composite repairs) and Litson & Associates www.litsonandassociates.com (Safety Management System).

We offer concrete practical skills in the field of sales & marketing and a chance to experience all the different aspects of a small enterprise. We are looking for a dynamic, well-spoken and driven individual that is well organized, able to multi-task and likes to confront challenges head-on.

Tasks of student:

Assist sales team with customers prospecting and customer monitoring (ie. sales, logistics, negotiation, market research ...).

Profile:

- Tertiary Education required / Ideally Business School student
- African business culture experience (out of South Africa) is a plus.
- English required - French / Portuguese/Spanish would be a plus.
- Ability to live and work in a multi-cultural environment.
- The candidate must be willing to learn the technicalities of the Aviation industry together with the rules and regulations applicable to this specific industry.
- The candidate must be willing to contact customers on a daily basis and likes to build customer relationships.
- The ideal candidate is a person wishing to work in the aviation / in the field of marketing / business development.
- This position requires patience and attention to detail, adaptability, autonomy, a good knowledge of IT tools, a very good level of written and spoken English.
- It is will be expected of you that you meet deadlines and targets set by management.

Unpaid Internship

To apply or ask questions, send your application (CV + Letter of Motivation) to assistant@hiflymarketing.com

Because of the specificity of the industry, generic cover letters will not be considered. Please make an effort to really explain why you would like to do an internship with us. We encourage the applicants to visit the mentioned websites in order to understand and evaluate what the aviation industry and our activity is about. The applicant must also be aware of what it involves to live in South Africa before applying.
