MONO-ATOMIC GOLD:
A SECRET OF SHAPESHIFTING
AND THE REPTILIAN CONTROL?

by David Icke

I just want to pass on some information I have come across which may well explain shapeshifting and much else, too.

I have been chatting today to Brian Desborough, my scientist friend in California, and we have been discussing mono-atomic gold. This comes in the form of a white powder and has a two-dimensional atomic structure (one or two atoms working together) while regular gold has a three-dimensional structure (ten or more atoms working together).

Without going into all the scientific detail, when you consume this mono-atomic gold by mouth or injection, it increases the current carrying capacity of the nervous system by ten thousand times.

This would allow a person to process fantastic amounts of information like a super computer and when enough has been absorbed it would allow them to consciously move through other dimensions and shapeshift because suddenly the brain is activated to open those vast areas that we do not use in today's world. It aligns the brain cells so they all start talking to each other again.

More than that, if you consume enough of this mono-atomic gold your physical body would become luminous, I'm told, so explaining the ancient accounts of the reptilian gods and children of the gods who "shone like the Sun". Mono-atomic gold can be made from regular gold and it can be processed from certain ores, many of which are found in places like Arizona in the United States. This, I suggest, is the true meaning of the references to gold and gold mining in the Sumerian Tablets and not literally mining for normal gold, unless that was done to create the mono-atomic variety.

This substance gave - gives - the reptilians amazing abilities to process information and shapeshift because of the staggering amounts of energy they can hold and process. I am sure the ancient Egyptians, Sumerians, Babylonians, and Phoenicians etc. used this, or more accurately, their ruling elite did, thus giving them a mental potential denied the general population.

The same continues today. This was one of the big secrets held within the Mystery Schools and passed on into the top levels of the modern secret society network. Mono-atomic gold also has unbelievable healing properties in that it aligns the cells to carry phenomenal amounts of light energy, thus dispersing the blockages and imbalances we call disease or illness.
