**Monte Judah** is the Teaching Elder of B'nai Shalom Messianic Internet Congregation in Norman, OK and founder of Lion and Lamb Ministries, an international teaching outreach and ministry. Monte has been teaching the Restoration of the Kingdom to Israel, Bible Prophecy and Hebraically inspired Scriptural understanding, through lectures, audio and video teachings to an ever growing audience of truth-seekers, since 1995.

**Eddie Chumney** is a brilliant teacher, author and founder of the Hebraic Heritage Ministries International and The Hebraic Roots of Christianity Global Network, whose membership is found in all 50 states and 55 countries around the world. His ministry is to teach all believers to understand the Bible from a Hebraic perspective and to restore what was originally given to the first century Jewish and non-Jewish believers in Yahshua / Jesus as Messiah. Come and gain the understanding of the scriptures you've always sought.

**Rob Miller** is the rabbi of Agudat Bris (Covenant Fellowship) in Temple, TX. He has taught truth seekers around the world how to live in harmony with Rev. 14:12, to keep the commandments of our Father and the testimony of our Messiah, YahShua. With his unforgettable style and dynamic teaching of the scriptures, you will see the Word come alive as never before. His purpose is to proclaim the saving gospel of YahShua the Messiah as revealed in the scriptures, so man can know the true Elohim and be "grafted in" to the Commonwealth of Israel.

**Jeff A. Benner** is the Director of the Ancient Hebrew Research Center in Magnolia, MS, which he founded in 1999. Jeff has authored six books, numerous articles and has lectured all around the U.S., teaching and assisting people in their understanding of Hebrew (ancient & modern), Hebraic word-pictures in Scripture, the transmission of the text of the Bible and the Hebrew origins and teachings of the New Testament. Jeff inspires people to study with a better understanding, so that their studies are more fruitful and the Scriptures come alive.

**Reuven Prager** is the founder of, and lecturer for **Beqedlvri** the Levitical ministry, established in 1983 for the research and restoration of ancient Israelite customs in preparation for rebuilding the third temple in Jerusalem. Reuven has taught and lectured all over world on the restoration of the half shekel, the garments of the Cohen HaGadol & the priestly order, the "Thread of Blue" (techelet). ketoret (temple incense) and all the vessels of the temple.

**Gershon Ferency HaKohen** is a Levitical priest who has planted the first vineyard in Israel, in over 2,000 years, dedicated to the raising and harvesting of grapes for the "Wine Libations" for the coming Third Temple and altar services in Jerusalem. Come and hear his amazing story of the restoration of this important element of offering commanded in Torah. Because this is the Biblical 7th year Sabbatical of rest for the Land, Gershon is able to make this very rare appearance in the U.S. to share his story.

**Joel Bell** and his wife Pam have been serving the Jewish people in Israel for the past 17 years. They have stood with their brothers and sisters against the expulsion of Jewish families in Gush Katif. They have given their time, energy and finances to the building up of Zion and teaching the covenant that Elohim has with Abraham, Isaac & Jacob and their descendants to all those who are grafted in to the Olive Tree of Israel, by faith in Messiah Yahshua. In addition to helping the refugees from Gush Katif, Joel and Pam are standing on the front lines in Northern Samaria and Judea and literally laying down their lives for their brother Judah.

**Sagiv Assulin** is the "Leader of the Young" to the Likud Party in Israel. He is a former Commander in the Golani Unit of the IDF and is still a reserve officer in that unit. Sagiv has served as Advisor to the Minister of Health and is an advisor to leadership within the Likud.
