- Natasha confirmed that the timelines have been changed; also that Obama met with ET scientists at Clooney's place
- Supreme Court is blowing up in face of Scalia, Roberts - not about justice, but about managers of a Luciferian game that has been going on for 26,826 year, maybe more -

 - when he gets to tell his stories of 9/11, peoples hair will stand on end

 - JP Morgan Chase, biggest bank in US, out there claiming they did something stupid - they bet on hedge funds in the trillions: the other piece of this - JP Morgan Chaise and Smith Klein Barney a pharmaceutical co involved in something together - so this is the military-etc etc complex at work

Richard: was listening to David Wilcock MP3 on Coast to Coast - he made a statement that R wants to share: think of the cabal and the fact that secrecy is their life blood, and as they lose their secrecy, they are being starved.

- They run on secrecy like Jamie Diamon and will soon go down! They hate the light.

T: Rebecca Brooks gave testimony today - talked of the political involvement, the cop involvement

- This can still be quite overwhelming across the board - there are smart people on this call and on whistle blower calls - there has been confusion within the light worker groups and people calling themselves what they are not, and people are confused

R: it's almost a Babylon with theatre, fake stories, fake whistle blowers

Caller: wants someone to confirm that she is not going insane!

- Swears they were showing the queen on *Good Morning America* and she said she was stepping down and Wm and Kate taking over; also Hillary is stepping down

- Hillary did the car bombing in! 55 fathers and mothers killed; and ?? seriously wounded
- in the meantime, the Syrians are saying it was not us, it was the Free Syrian Army!
- But it was Hillary with Sarkozy!

T: first law of love: **BE CALM**

 - Hillary has stomach cancer and has had it for 2 years

T: this is T's 38th year for knowing this stuff - since 1974; for 5 years on the team to bring the world symposium to fruition: to get the word out from all the people who knew that a life of luxury would not last - some have said they cannot live in a land where all are wealthy & others starve to death

- some had the awareness of what was going to happen - we all chose to take on as much as we could so others could wake up - this lifetime is not one of luxury for us who are working

T: refers to the lengthy document they received about the archons [a k a "ankle biters"]
