

2012, May 12

Saturday History Call

Opening Meditation: Cheryl Croci

In honour of Mother's Day

- Sunday, Monday ascension and activation calls:
- 9 pm EST/6 pm PST 213-342-3000; PIN 9467441#

Housekeeping: Rainbird

BBS: • \$191 for this week **THANK YOU**

- A listener supported radio call - Grateful for all the donations from all of us!
- Go to BBS radio.com; at top of home page, click on Station 2 where you will find the listing of the 3 calls we have every week. Scroll down to find the Paypal button.

T&R: Website: <http://2013rainbowroundtable.ning.com> - scroll down on home page, close to blog page to find the donate button

- Rent paid - THANK YOU
- Food & gas money + money for new tires + something for the mechanic
- Can trade with T & R for readings by Mother Sekhmet
- Please let them know when you are gifting:

E-mail: koran999@comcast.net

Mail: Ram D Berkowitz
2442 Cerrillos Road, #385
Santa Fe, NM 87505

Or contact MariettaRobert at 317-773-0061

- New way to help with gift cards for food

530 - 513- 6472
530- 413 - 9537

T: Happy Mother's day to all; to Mother Sekhmet; to all the goddess energies;

R: moon is in Aquarius today

Music: in honour of the Divine Mother "I surrender to Your Grace"

Name of album: **DIVINE MOTHER AKASHA - CHANT OF GRACE - LAUREN POMERANT**

T: while Natasha said - don't hold me to it, but arrests could happen by May 15

R: Camp Loveway: bringing up stories of Lucifer - standing before graduates and telling them divine union is between male and female; challenging Obama

- Teran: there will be a challenge for Obama who did say "Push me" and we are!
- the powers that were: Morgan Chase, Bear Sterns, et al - all the folks who were ripped off by Chris Christie, Marco Rubio etc **will get their money back**
 - A talk show host was found dead in New Jersey - has all the hallmarks of Chris Christie op

- Reminder that death of Whitney Houston was a set up, a blood sacrifice

Camp Loveway: brought up strange anomalies with moon in Aquarius and the intensity within the different groups of the 13 families & can't, and Lucifer who wants to buy the white house & can't

- whole story all goes back to Tigris and Euphrates and City of Ur, which you have to enter through the gate of Ishtar; therefore, they violated the laws of the Jinn, which is a biggie - Schwarzkopf and Powell did not enter through Gates of Ishtar. NB: the Jinn have come back to love
- Magic Mittens is literally swimming in money from Wall street, also Obama who will put it in St Germain's hands and all will be turned back to Love

Camp Loveway: brought up that there is something to a story, also on **Counter Spin on CBC Canada**

- a lady who had a web site called 9/11; she talked of the anomalies that she saw on 9/11
- T & R played the info a long time ago and knew how much research this lady had done
- The lady talked about Ray McGovern - in 2005, Ray talked about that infor when he was in remission from leukaemia and weighed on 85 pounds; then Hillary went after him again as he was hurt in prison: Ray went over the whole month of August and the flying back and forth to Crawford Ranch as they were doing the planning, and Bush Jr flubbed it anyway - done early after the election

- Al Gore will answer to the War Crimes: bless Al Gore for the shoes he has had to walk in, the dark side of St Germain / Vlad the Impaler [Johnny Depp has done a new version of *Dark Shadows*]

Teran: looking back there is something bigger to the story: the Collins family is more powerful than the Rothschilds; they go back to Pilgrims coming to US, and to England and the Knights Templar

- He talked of serendipity, synchronicities and how they are coming together, quicker and quicker

Right Left and Centre: Robert Scheer talked of Obama and what he did: it's about Divine Union creation here, not just civil unions - brings in next step of galactic visitors

- Robert laid out that Mittens has nothing on the economic topic
- Randi Rhodes identified Mittens as the Anti Christ - tied in with Knesset and Israeli;
 - it's time the story of the Khazars came out - it's a one state solution - ties into lost story Enki and Enlil, and Z Sitchin is more of a master than people are ready to acknowledge
- This is about the ones who work with those who sit before the throne of the Father

Counterspin: a lady [Barbara] came on and talked about the unanswered questions re 9/11 and what happened in the morning;

- she has been on the run since then; to Myanmar and Aung Sung ku chi, and to other places: there are connections here - the technologies of the ancient Atlantean grid which is coming back on line
- she talked with shamans and healers and magical folks who line up with the story of the Mayan calendar long count, and the solstice of Dec 21, 2012 -
- she described an anomaly of light in that time frame: maybe it's building and will just appear on Dec 21; this is the same portal of light David W speaks of as you go in the jump chair and get to doorway of light
- she has gone there and been through the doorway of light - those who are in service to the galaxy make it; those in service to self don't as all lines up with Mother's yanni

T: the ancient story is about the suppression of the goddess energies

R: Teran spoke of the goddess

T: Refers to a book called **When God was a Woman** they received

R: God is a woman and she's black!!!! We are in the wrap-up time of this story

- This plan reveals the maniacal thinking of the Luciferians
- These ones have no love in their DNA! It was stripped out long ago

What follows are **some of the comments** by T & R as the reading progressed.

- the most hideous thing Al Gore did is to take a stronger strain of HIV to Africa
 - in one year, it killed 40 million people!
- The Archons [discussed this week] are us at the highest level, using misqualified energy
- Natasha told R: you hold the energy for healing this as part of the family of Rakozy
 - Al Gore tried hard to save himself - he had to have the votes that were in Arkansas - he stole votes from Lyndon Larouche; LL was in prison for 7 years;
 - Someone T & R knew was in prison with LL, so T&R learned much
- In response to comment "about 6 billion on the planet": this planet can support 20 billion people -
 - 6 8 countries are buying up agricultural land across the planet and the ordinary people are being kept out of what they used to have
 - as the ships land, and the technologies that can be used to seed the land - work with androids in 30 days can literally have blooming fields
- Andromeda is much bigger than Earth
- "To really reduce the population quickly . . ." Chen called China out on their policy of sterilizing women and turned the aborted babies into "Solent Green" and sold it to the N & S Koreans!
- These dark reptiles, a special group of dark ones came into the Congo recently [mid '90s] where 500, 000 women were raped and uteruses ripped out - Eve Ensler will be on Melissa Harris Perry tomorrow, 10:00 EST[they gave Eve cancer, which she beat] she has much to say
- to put us "under the dictums of the UN" - has been done!
- with reference to Population Act of 1981 - October 31, 1979 - when it all started
 - "We WILL MAKE GOD-LIKE decision on WHO LIVES and WHO DOES NOT"
- Page 2, "Population is worse than Nuclear Proliferation"
 - Planned Parenthood was started to sterilize as many women of colour as possible!
- We should all have the 32 pointer about what the second government is about - came in an e-mail
- Re: the **executive order 11490** named in the document: it's been pulled

The Initiative for Eco-92 Earth Chapter - listing of 6 points under the heading "**The Pressing Need**"

Caller: with reference to point C. Given the comments about world carrying capacity not being answered by future reductions in the birth rate due to contraception, sterilization, etc - why are the GOP who have this in their DNA, so high on birth control, no abortions, etc etc;

- Simple answer: they want more white babies & want to have control over this
- They have their secret ways; **want US to be all white**
- Certainly can't have women in control of their own bodies; as they can't do what China does, they will tackle the issue of their control in a different way
- Women used to have no rights: Susan B Anthony was the one who got voting rights for women. So they still need another way to control the female.
- The US has only 17% of women in the ruling bodies of the country; there is a much better balance in 3rd world countries

- NATIONAL SECURITY DECISION DIRECTIVE - this of the Dark Kind
 - **Barack Obama signed the NAA UNDER NESARA LAW**
 - ALL THE PLACES NAMED IN THIS DOCUMENT, PAGE 3, HAVE BEEN DISMANTLED BY the galactics
 - In 2000, a billion people live on \$1 / day; now [2012] it is over 2 billion
 - Obama was involved in going to Mars and so on so he would know all this; Z. Brezinski was trained to be the Manchurian Candidate
- there is an organizational chart
 July 13, 1865 - under the 14th amendment, the Black Pope's amendment

T: reason for reading - there is One Mother, and we are all one with Mother Zudiacus

Audio: http://www.democracynow.org/2009/5/8/mothers_day_for_peace_a_dramatic#transcript

Democracy Now - Ahead of Mother's Day, we play an excerpt of Robert Greenwald's short film *Mother's Day for Peace*. It features a dramatic reading of Julia Ward Howe's "Mother's Day Proclamation" by Felicity Huffman, Christine Lahti, Fatma Saleh, Ashraf Salimian, Vanessa Williams and Alfre Woodard. [includes rush transcript]

Julia Ward Howe

Transcript

AMY GOODMAN: As we wrap right now on Mother's Day, Sunday, I'll be joined in a minute by Susan Galley, the author of a new book on [mothers] speaking out about war and terror. First I want to play an excerpt of a short film by Robert Greenwald called *Mother's Day for Peace*. It features a dramatic reading of Julia Ward Howe's "Mother's Day Proclamation," which was written in 1870 protesting the carnage of the Civil War, with readings featuring Felicity Huffman, Christine Lahti, Fatma Saleh, Ashraf Salimian, Vanessa Williams, Alfre Woodard. It begins with Gloria Steinem.

GLORIA STEINEM: Mother's Day really was in its origin an antiwar day, an antiwar statement. Julia Ward Howe was sickened by what had happened during the Civil War, the loss of life, the carnage, and she created Mother's Day as a call for women all over the world to come together and create ways of protesting war, of making a kind of alternate government that could finally do away with war as an acceptable way of solving conflict.

VANESSA WILLIAMS: *Arise then...women of this day!
 Arise, all women who have hearts!
 Whether your baptism be of water or of tears!*

FELICITY HUFFMAN:

*Say firmly:
 "We will not have questions answered by irrelevant agencies,
 Our husbands will not come to us, reeking of carnage,
 For caresses and applause.*

FATMA SALEH:

*Our sons shall not be taken from us to unlearn
All that we have been able to teach them of charity, mercy and patience.
We*

FELICITY HUFFMAN:

We

ALFRE WOODARD: *We, the women of one country,
Are too tender of those of another country
To allow our sons to be trained to injure theirs."
From the bosom of the devastated Earth a voice goes up with
Our own. It says: "Disarm!*

VANESSA WILLIAMS: *Disarm!*

FATMA SALEH:

*Disarm!
The sword of murder is not the balance of justice."*

ASHRAF SALIMIAN: *Blood does not wipe out dishonor;
Nor violence indicate possession.*

CHRISTINE LAHTI: *As men have often forsaken the plough and the anvil
At the summons of war,
Let women now leave all that may be left of home
For a great and earnest day of counsel.*

FELICITY HUFFMAN:

Let them meet first, as women, to bewail and commemorate the dead.

ALFRE WOODARD: *Let them solemnly take counsel with each other as to the means
Whereby the great human family can live in peace...*

FATMA SALEH:

Each bearing after his own time the sacred impress, not of Caesar,

VANESSA WILLIAMS: *But of God —
In the name of womanhood and humanity,*

ASHRAF SALIMIAN: *I earnestly ask
That a general congress of women without limit of nationality,*

ALFRE WOODARD: *May be appointed and held at someplace deemed most convenient*

FELICITY HUFFMAN:

And at the earliest period consistent with its objects,

VANESSA WILLIAMS: *To promote the alliance of the different nationalities,*

CHRISTINE LAHTI: *The amicable settlement of international questions,*

FATMA SALEH:

The great and general interests of peace.

AMY GOODMAN: A dramatic reading of Julia Ward Howe's "Mother's Day Proclamation."

Music: Michael Moore doing "The Times They are a Changin' " from his movie "Occupy"
starts with "O Canada"

Music: Buffy St Marie

Music: Wooden Ships

Astrology: Richard

- Two weeks ago, played tape by Mr Carl: a six pointed star would show up, one now, one at end of month
- Earth Trine still with us; the Taurus corner of the trine replaced by Mercury
- another triangle: Pluto, Uranus and Mercury
Mercury: Divine will & Divine coming through Mercury
- Powerful energy will peak tonight, be carried into Sunday
- Tuesday am - Venus goes retrograde - a power point
- Sabian symbol of 24 degrees of Taurus: a jewelry shop filled with gems; natural excellence is the theme
 - an Indian warrior riding furiously, human scalps hanging from his belt - the fierceness of instincts when threatened
 - this symbol related to a 4th stage seems to imply that violence and aggressiveness are basic components of human nature at the level of emotions, and a deep-seated identification in human nature that insists on men of seeing men in another culture as different - belief that still have to use violence to exist

T: between now and Tuesday, 15th, that we could see arrests; on Tuesday NATO summit starts in Chicago and goes from 15th to 19th, Saturday - how does what he sees coordinate with this info?

Richard: it's a Saturn, Libra Justice energy; we know what we have to do, focused through Mars
Uranus - divine thing to do; Mercury - thoughtful thing to do

- We should see some action, and it's laid out with the other triangle

T: Putin is against the NATO missile shield

- China won't be at these meetings and have plans to build 30 more nuclear reactors

Richard: 4th stage symbol gives us a special technique: a mental technique as it is through the mental sphere that man can rise over the entropy - uses a transcendental approach to the environment

T: Info from Natasha: Putin will meet secretly with Obama after the NATP & the G8 - and it looks like Obama will sign on to ICC which mean they can arrest these guys, and so there can be no more nukes - BO is not in favour of the missile shield

- Dec 7, 1987 [Pearl Harbour Day] Gorbachov reduced their nuclear weapons by 30%, after a visit by Ashtar - raised the question of what the US would do as a result

Richard: this clarifies the idea that Putin is interested in containing this dangerous material until it can be destroyed by the galactics

T: he still has a horror story going on in Russia: Chernobyl still leaking badly

There was a lady talking about Japan: asking for an international group of scientists to help them as it could blow sky high and they can do nothing about it - screaming for help! Company which owns the site is broke!

Richard: human story is the manifestation of the energetic creations of the One True Source

- The 24 ° of Gemini was an indicator of how close we are getting to the big threshold
- This week leads up to solar eclipse - we are not to freak out; have Wed and Thurs in Aries
- Thursday more of the same: carry through of what happens on Wed - bit of relief

- overnight Thursday to Fri - moon goes into Taurus at 6am

T: 17th - is Ascension Thursday - will happen at night

R: that day and night, Venus, Saturn and Moon - as we move into Ascension Day, it's a portal kind of night: ceremony, meditation, OBE, lucid dreams

- Friday am: moon in Taurus; moon sextile Neptune in afternoon
- Sat: leading up to Solar eclipse - moon in Taurus - will dance with Pluto and Mars Sat am
- Pluto - divine love; Mars is expression of divine love on the earth plane

T: last day of G8 summit,

R: moon is old, so reflective capabilities are turned away from earth - lunar energies are waning
Solar eclipse of new moon is on first day that sun enters Gemini - not a usual thing!

- Meaning? The chart today - he can see how it's turning, can only get better from here
- it's a 6 pointed star - synchronicities, the beauty of the pattern - 6 pointed star

T: comments on dollar, Europe's condition

- the dark side wanted to take all the PIGS countries and devalue all their money and throw them out of the European Union -
- this is a perfect time for NESARA -

R: when that happened last Wednesday, the day Mercury went into 1st degree of Taurus, Moon in early Capricorn, Wed am the moon conjuncted Pluto

Caller: saw something on Rumour Mill News: Bush and associates found guilty of torture [SEE BELOW]

T: it was Hillary who caused the 2 car bombs to happen; we have 30 UN reps over there UNARMED!
Masterful what is happening, and the astrology is just perfect

Music: Divine Mother Akasha's rose pink rays of Divine Love

Reading: Patti Cota-Robles: **MAY 2012 IS A VERY POWERFUL MONTH** [SEE BELOW]

while reading about the Venus Transit which occurs June 5 - 6, 2012 [just before the section called "The Divine Plan", Tara added:

Rama learned today that there will be a **portal opening** on that day Dec 21, 2012 and **4things will occur:**

the people who are to go to Herculobus will taken through the portal to there

the people going to Wolf Planet 359 or other planets that are in the past of our energies so they can evolve at their own pace there

people going back to Dracos to be tried for their crimes against humanity as intergalactic war criminals will be going there

people who need to meet Mother for their opportunity to ask for forgiveness will be going there - if they don't do that, then they go to 2nd death: all their life times cease to exist, as does the energy of that soul; it all goes back to the great dark rift in the sky, Mother's Yanni and is re-used to create new planets, new universes and a new existence for all of us

Music: words in Spanish; in honour of Cinco De Mayo Day

Reading: about a bank in China

[SEE BELOW]

Caller: good to know we aren't afraid

T: the plan sounds horrendous, but they really didn't know what they were doing

- Bush Sr has been on heroin since 1980; his father, Prescott, had not a dime, they had their money from the Thyssen people [of chicken fame] and the Dutch royals
- Hillary - gotta give it to her that she has done what she has done
- the Bush boys took \$32 billion of Putin's money and that really annoyed him;
- In response to question as to whether the money was Putin's personal or from Russia: it's legal for them to do day trading - it's not the law of nature, but of the UN
 - they only create the \$ - based on the petro dollar, not on precious metals - it's not "real"
- Discussion about Atlantis being under Antarctica: there were 5 islands up and down the Mid-Atlantic, as one part goes down, it pushed on the plates and pushes up another island
 - Yes, Atlantis [one part of it will appear] when the ice is gone

Reading: Police search for clues in shooting death of New Jersey radio host April Kauffman

[SEE BELOW]

Reading: Fall of the Archons by Cobra, Portal 2012 - May 8, 2012

[SEE BELOW]

<http://2012portal.blogspot.ca/>

- We are talking about 460 billion years ago in the 1st creation - the original creation story was in Kauai in Hawaii, on the backside of the KK mountain - this is where Lillith and Jehovah came in
- Lillith got together with her son Lucifera, the bringer of the dawn - it was the first nepotism, might say it was a test - when the angels fell, Lucifer was one of the archons
- Lillith became the whore of Babylon energy - she's an archon.
- Lucifera became Lucifer another archon - fear is just the absence of love
- nepotism means that Lillith as a 12th dimensional being, she and the rest of us created the 3rd dimensional location - the first landing place after we left the Pleiades was and came to Kauai - she was a giant called Eve - and Hawaii was part of Lemuria
- so that giant energy was in ancient Lemuria, the Amazons came to Lemuria, then went to S America -
 - like Lillith, they could create life out of their own bodies -
- 2nd creation was on constellation of Lyra - Vega is the name of the star; we created the 5th D light bodies - all the 23 sun systems got blown out of the sky, so we needed to create a vessel to re-constitute a new one, so we created the human form in the 5th dimension; some others came with us, the Elder Race
- 3rd creation was in the garden in Kauai - and happened simultaneously in several place - we had a fleet of ships, entered Hawaii first and as time went on, there were other locations - like Arkansas, Mt Ida; in the Urantia Book they call it the sons of gods - we had a close relationship with the devic people who were visible; the Druids were part of the Eva race

Caller: status of blue kachina, red kachina?

T: last Nov, Oct read of it - they came right in after end of Mayan calendar

- it's already here, yet those who follow only the long count don't think it's coming in yet, until the end of this year - yet they are already here, have been seen

- Everything we are doing and saying: the red kachina is the pick up committee to take those to Dracos
- the blue Kachina is Micheal's energy and is anchored in Washington DC - the

T: returns to reading - Hitler is an archon and he is Jehovah, the Anti Christ - now we have Mittens
We created this super universe with Mother;

- Many in Jesuit leadership are archons - they are big ones 200 footers! The archangels are 200 footers too.
- The archons use the energies for malevolent astrological influences
- The Kurgans coming in were dark beings, did genetic manipulation and neanderthals disappeared

2009, Oct 3 4.4 million years old female , found in Ethiopia - they were civilized but they were hybridized too - could be direct human ancestor older than Lucy who was found in 1977 found in Mt Ida

shows us what we used to Tim White, lead scientist

- artipicais female lived in Ethiopia "Ardi ramadus" the tips of her fingers go down to her knees caps as her arms are so long. Lived in the trees, yet walked on the ground
- 26,826 years ago they started to come into Earth which became a quarantined place - it was called "Planet Shan", the planet of sorrow; we had this name for the whole yuga

the 2nd invasion began in 393 CE; purpose was to take out the mystery schools - hence, called followers of Christ heretics - called it a Christian cult; Gnostics were fair game; don't have 12 strands of DNA

3rd one is the Congo invasion of 1996: Hillary was doing an archon dance - did Rose law firm, invaded Keatings Savings and Loan and stole all kinds of money from the people so she and Bill got in for a 2nd term

Feb 2, 1997 - right after Ramadan, Rama got a call King Fahaud from Saudi Arabia [Rama was a sou chef in the hotel owned by the king's brother]; Asked Rama to channel Mother as he wanted to talk to her: what do you want me to do as I've been dreaming of you every night; what's up?

- Mother said you're gonna put your money where your mouth is because Miss Hillary and Bill have stolen the Farms Claims fund; we need you to anchor about \$42 trillion in First Continental Bank of Chicago; he did it on Feb 2, 1997

1996, July - when flight 800 went down the flight 800 that carried all the children of the Illuminati and the teenagers that were going to go to school in Europe - used an electronic particle beam to take the plane down - took them out from Mantauk - The beam was seen in a wedding picture, as it shot right behind the wedding party getting pictures taken by the water

- John John was taken out by same method [1999] because he had a magazine called the **George** magazine and was going to present the whole story the following day about how his dad was killed; his wife was pregnant; wife's sister was with them

- Schwarzkopf was the one who put one of the bullets in JFK's head; did it from the grassy knoll -

- Oct 10, 2000 Bill Clinton signed the N bill

- All this was going on when the 3rd group invaded the Congo - also

Congo, Rwanda, Uganda - purpose was on the etheric and astral plane to work against the mass awakenings and to reinforce the matrix that was beginning to weaken since 1995

Killed in jail Roy Swazzinger - he was killed by lethal injection in solitary confinement, had a clone put in

his place and they thought they had stopped this

- Raelyn Allen in 1999 finally woke up; she learned in 1996 that there was a Faction 3 set of White Knights that would be responsible for implementing NESARA, especially the financial issues -
- Tara & R read that in 1999, and again in 2004, 2005 - this is a repeat
- the victory of the Light - decisive battle expected to occur on June 5th Venus transit - we still need to be extremely vigilant - the archons can do all sorts to diffuse our focused intent - liberation consciousness is powerful to overcome the archons, but it must be strong

Audio: Mists of Avalon by [Loreena McKennitt](#)

Reading: Never call them Archons - How you can help bust up the Matrix [SEE BELOW]

<http://www.ascensionhelp.com/blog/2012/01/31/never-call-them-archons/>

- Re: feeding: they eat the children that disappear, and they eat adults as well; also need the energy of us whenever we are angry, etc etc

Reading: Notes from The Chalice and The Blade, referenced in the "Never call them Archons" article

Reading: A chapter from The truth will set you free Swami Purna

- He is many hundreds of years old, yet remaining youthful in appearance, result of total commitment to spiritual realization and dedication to God's play.
- He says that once you have come into the energies, he will never leave you.

Audio: Rachel Maddow's Best new thing in the world, Friday, May 11 - small -clawed otters parents' names: Shouter and Clemintine - gives the names of the nine little ones

Closing: Rainbird

Reads about otters

Music: Dancing with the elves

The Plan 2000 (ARMAGEDDON)

Written by **Administrator**

19 November 2004

from [NoMoreHoaxes](#) Website

The [Global 2000 report to the President](#), prepared by the Council on Environmental Quality and the Department of State begins as a STUDY for the "*PROBABLE CHANGES IN THE WORLD'S POPULATION, NATURAL RESOURCES, AND ENVIRONMENT THROUGH THE END OF THE CENTURY.*"

The report concludes that the stresses are already severe enough to deny many millions of people basic needs for food, shelter, health, and jobs, or ANY HOPE for betterment. At the same time, the earth's carrying capacity - the ability of biological systems to provide resources for human needs - is eroding.

In July of 1980, Secretary of State endorsed as official Carter administration policy the Global 2000 report, which according to then Secretary of State **Edmund Muskie's** own words, "THE ELIMINATION OF 2 billion human beings by the year...2000."

The Office of Population Affairs of the U.S. State Department from the National Security Council's Ad Hoc Group on Population policy, U.S. Foreign Policy is being planned and implemented on the basis of its effectiveness in murdering human beings.

Unprecedented Population growth as spelled out in the [ECO summit Meeting](#) in 1992 in Brazil has required the examination of the statistics provided in the studies of "Human Environment" (1972), "Population" (1974), "Human Settlements" (1976), "Water" (1977) and others has shown the MOST growth of Human species in the last 40 years. The first Billion of population occurred on the planet around 1800, the next century ended with about two Billion, the 3rd Billion around 1960, the 4th Billion in approximately 1974 and reach 5 Billion in 1987. We currently exceed 6 Billion on the Planet and the Technicians of Genocide are now stepping up their programs.

Thomas Ferguson was the head of the Latin America desk at the U.S. State Department's Office of Population Affairs.

"Every hot spot in the Third World is in fact a result of failed population policy. There is a single theme behind all of our work - we must reduce population levels. Either governments do it our way, through nice clean methods, or they will get the kinds of mess that we have in Iran or Beirut. Population is a political problem. Once population is out of control, it requires authoritarian government, even FASCISM, to reduce it. To really reduce population quickly, you have to put all the males into fighting and you have to kill significant numbers of fertile females."

At present 250 million Africans are threatened with death by [starvation](#) and [AIDS](#), nearly twenty million in the coming months. The immediate cause is a collapse in food production in most areas of the continent. In truth, the collapse of African agriculture is due to the '[Global 2000](#)' policies of the **International Monetary Fund**, the **World Bank**, and like agencies of the [NWO](#).

The lending policies of the World Bank, under Global 2000 supporter, **Robert McNamara**, have been designed to force African nations **NOT** to develop irrigation or any advance farming techniques but to rely on labor intensive low technologies.

THE SITUATION BY COUNTRY

- **ETHIOPIA:** Some 5 million people are in danger of starvation. Ethiopia-Somalia warfare largely

provoked by Henry Kissinger.

- **SOMALIA:** 1.5 million refugees and many more nomadic people wait for death. Government is seeking \$2 billion in reconstruction aid. United Nations actions are a preparation for the understanding and use of the NEW WORLD ORDER Police Force to control the world and put us all under the dictums of the **United Nations**.
- **KENYA:** Acute hunger and starvation are occurring in the Karamoja and West Nile regions. 9000 women and children died over a two month period. Food relief is nonexistent.

"The quickest way to reduce population is through famine, like in Africa, or through disease. **AIDS** has made Africa a continent that is set for extinction."

Representative **Richard Ottinger**, Democratic congressman from New York's Westchester County area, sponsor of the Population Policy Act of 1981,

"Overpopulation is a national security question." We have much greater demand on our food stocks, and WE WILL MAKE GOD-LIKE decisions on WHO LIVES and WHO DOES NOT."

William Paddock, advisor to the U.S. State Department under three administrations. In 1980 he was an unofficial advisor to the State Department Office of Population. In an interview,

"We're going to see a rollback of the population. It will happen somehow. One of the four horsemen, and the FIFTH ONE, WHICH IS "THE BOMB."

Representative **Paul McClosky**,

"Population is worse than Nuclear Proliferation. When you are trying to dispense contraceptives and advice, as AIDS tried to spread condoms all over the world, you have to question if that is a valid program."

Henry Kissinger, National Security Memorandum #200,

"Reduction of the rate of population in these States is a matter of vital U.S. national security. The U.S. economy will require large and increasing amounts of mineral from abroad, especially from less-developed countries. That fact gives US enhanced interests in the political, economic and social stability of the supplying countries. Wherever a lessening of population can increase the prospects for such stability, population policy becomes relevant to resources, supplies and to economic interests of the United States."

President **George Bush**:

"Out of these troubled times, our fifth objective - a new world order - can emerge. We are now in sight of a United Nations that performs as envisioned by its founders."

September 11, 1990

"(The Gulf Crisis) has to do with a **new world order**. And that world order is only going to be enhanced if this newly activated peacekeeping function of the United Nations proves to be effective."

January 9, 1991

"When we are successful, and WE WILL BE, we have real chance at this new world order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the UN's founders."

January 16, 1991

From "THE BULLETIN" the plans include the conversion of the United States into a socialist nation... and the merger of that enslaved segment of mankind with other nations into a [NEW WORLD ORDER](#). That goal under that very name, originally written in bastardized Latin as *novus ordo seclorum* has been envisioned by a **Master Conspiracy** for the past two hundred years as the ultimate product of all its crimes against humanity, and of all its subversive onslaughts against western civilization.

GLOBAL 2000 Report is obtained in detail from the Superintendent of documents, U.S. Government Printing Office, Washington, DC 20402

- Volume 1. The Summary Report S/N 041-011-00037-8 \$3.50
- Volume 2. The Technical Report S/N 041-00038-6 \$13.00
- Volume 3. The Government's Global Model S/N 041-011-00051-3 \$8.00 (No Longer Available)

The program of control under the guidelines will come under the Executive Orders from the President.

EXECUTIVE ORDER 11490 (That is eleven thousand four hundred ninety) (Have you read any of them??)

Whereas our national security is dependent upon our ability to assure continuity of government, at every level, in ANY NATIONAL EMERGENCY TYPE SITUATION that might conceivably confront the nation; and WHEREAS effective national preparedness planning to meet such an emergency, including a [MASSIVE NUCLEAR attack](#), is essential to our national survival, and; Whereas the congress has directed the development of such national emergency program of the U.S.

- PART 6: [United States Postal Service](#) will register all persons and families.
- PART 7: [Department of the Interior](#) will take control of all electric power, petroleum and gas, solid fuels, minerals, and water.
- PART 8: [Department of agriculture](#) will take control of all (1) food resources, farm equipment, fertilizer, and food resources.
- PART 9: [Department of commerce](#), takes over all production and distribution of materials including ocean and coastal shipping of all commodities. It will provide for collection and reporting census information on the status of human and economic resources, including population, housing, agriculture, manufacture, mineral industries, business, transportation, trade, construction, as required.
- PART 10: [Department of Labor](#): The Secretary of Labor shall be in charge of mobilizing all civilian manpower under guidance of the Secretary, and used and allocating available workers to required locations.
- PART 11: [Department of Health, Education, and Welfare](#), will take over all medical requirements for the civilian population, and all Health manpower, which means physicians (including osteopaths) dentists, sanitary engineers, registered nurses, and others as listed in the Health Manpower Occupations.

- PART 12: Department of Housing and Urban development will be in charge of taking over housing and developing places on a temporary basis.

PART 13: Department of transportation will take over all forms of transportation and the movement of passengers and cargo.

- PART 18: Federal Communications commission takes over all means of communication and ability to close any radio station or any device capable of emitting electromagnetic radiation of any type.
- PART 19: Federal Power Commission takes over all electric power and naturel gas in accordance with agreements with the Secretary of the Interior.

Executive Order 11490 also calls for the CREATION of 10 (ten) federal districts, called "NEWSTATES" and their capitals. These **10 "newstates"** are already being used by various agencies such as the Postal Service, the Internal Revenue Service, and the Social Security Administration.

All of these provisions are against the U.S. constitution and once implemented (in secrecy) cannot be reviewed by Congress for six months. Enforcement is by the National Guard or Military under jurisdiction (**United Nations Troops** now practicing in and on U.S. military bases,) both active and ones who have been turned over to foreign troops for "military practice" in the control of the United Nations.

On April 5, 1984, **President Regan** signed a highly classified NATIONAL SECURITY DECISION DIRECTIVE (NDSS #84) code name REX 84 which authorized ten huge prison camps located at key defense commands across the U.S. There is also a huge **1 million acre 'restricted area' complex in Alaska** to be used for brainwashing of government opponents during the takeover plans. Butner, North Carolina has also been named as having a citizens detention making a total of twelve located so far.

Boutros Boutros-Ghali, Secretary General of the United Nations.

"The 'blue helmets' on the front lines of conflict on four continents are a symbol of the UN's commitment to international peace and security. Local police must be monitored to ensure that they carry on their duties in the spirit of the NEW ORDER and not the old. Allied with this effort will be the provision of more extensive guidance to governments on training troops and POLICE who they may contribute to the UN for peacekeeping duties. A BILLION people live on less than one dollar a day. Bilateral foreign aid programs were often an instrument of the cold War, and remain deeply affected by considerations of political power and national policy. The centuries-old doctrine of absolute and exclusive sovereignty NO LONGER STANDS, and was in fact never so absolute as it was conceived to be in theory."

**SECRETARIAT FOR WORLD ORDER
COBDEN CLUBS (SEPTEMBER 20, 1991)
INITIATIVE FOR ECO-92 EARTH CHAPTER
THE PRESSING NEED**

A. The time is pressing. The Club of Rome was founded in 1968. Limits to Growth was written in 1971, Global 2000 was written in 1979, but insufficient progress has been made in population reduction.

B. Given global instabilities, including those in the former Soviet bloc, the need for form control of world technology, weaponry, and natural resources, is now absolutely mandatory. The immediate reduction of world population, according to the mid-1970's recommendations of **the Draper Fund**,

must be immediately effected.

C. The present vast over population, now far beyond the world carrying capacity cannot be answered by future reductions in the birth rate due to contraception, sterilization, abortion, but must be met in the present by the reduction in the numbers presently existing. This must be done by whatever means necessary.

D. The issue is falsely debated between a political and a cultural approach to population and resources, when in fact, faced with stubborn obstruction and day-to-day political despondency which make most of the leaders of the most populous poor countries unreliable, the issue is compulsory cooperation.

E. Compulsory cooperation is not debatable with 166 nations, most of whose leaders are irresolute, conditions by localist' cultures,' and lacking appropriate notions of the **New World Order**. Debate means delay and forfeiture of our goals and purpose.

F. The **UN** action against **Iraq** proves conclusively that resolute action on our part can sway other leaders to go along with the necessary program. The Iraq action proves that the aura of power can be projected and sustained and that the wave of history is sweeping forward.

PERILS TO BE HEEDED

There is twofold **opposition** which must be eliminated by quick action. There are rumblings among some of the 'South' regions, notably Brazil and Malaysia, to thwart the aims of the **UNCED** Earth Charter and to thwart the international gathering in Brazil in June 1992.

There is also the unfortunate vacillation in our own ranks, an argument that the **UNCED** leaders have made the agenda 'too political' and that the way must first be prepared on a less abrasive cultural basis.

We present only the most recent evidence:

Gilberto Mello Mourao, the Brazilian writer, warned in the August 4, Folha de Sc Paulo that at Munich in **1938**, 'It won't be easy to row against the current of that type of ecological epidemic, unleashed against our country, which threatens the structure of our cultural, spiritual, and political values, and against our very national sovereignty... Messrs. Chamberlain and Daladier, heads of the governments of England and France, calmly offered the Brazilian Amazon to the Fuehrer.' **Hitler** reportedly observed that since the Amazon was in south America, the United States would cite the Monroe Doctrine and reject a German occupation of Brazilian territory. "Chamberlain and Daladier responded that the proposal had Washington's backing.'

The prime minister of Malaysia, **Mahathir Mohamad**, announced on August 16 that his country may boycott the Earth Summit and stated that if the conference is used to suppress the Third World, it would be better for these nations to hold their own meeting. Speaking to newsmen in Petaling Java, Mahathir claimed that environmentalists have launched a global assault on **Malaysia**, while it is the developed nations, not Malaysia, who are polluting the environment.

Malaysias, Science, Technology, and Environment minister, **Law Hieng Ding**, Announced August 20 according to the New Straits times of August 23, that Malaysia is preparing a document entitled 'Greening the World', urging developed countries to use wealth and technology to turn the deserts green.

Ahmed Djoglas, Algeria's delegate to the August 15 meeting of the UN Conference for Environment and Development, said August 23 in Geneva, according to the UN Inter Press Service that 'We have the old pattern of the North imposing the system and the South having to accept. Non-government organizations are saying that the North has hijacked the agenda, and they are right... They are prepared to let people die but not forests.'

The *Malaysian Sunday Times* editorial of August 16 said, 'Environmentalists make so much of their noble mission in protecting the Environment which sustains all of us... They do not credit Malaysians with much

intelligence, with a similar concern for the health of the land and themselves. Shades of precious *fin de siecle* romanticism; visions of the noble savage stalking big game in arboreal groves, in grunting communion with the voices of the land. The same kind of romantic claptrap that got natives all over the world sold down the river into slavery, decimated by small pox and clap, driven from their land into alcoholism and hopeless helplessness.

"**Malaysia** has had its fill of cultural and intellectual domination..."

The *Brazilian Journal de Commercio* on August 19 reported that Brazilian Foreign Minister **Francisco Rezek** said that it was 'hypocritical to campaign to preserve flora and fauna.. If the human race becomes extinct, there won't be any sense in preserving an exuberant flora or fauna on this planet.'

Brazil's chief of staff of the Amazon military command, **General Thaumaturgo Sotoero Vaz**, stated in an interview in the August 28 *Folha de Sao Paulo*, that the nations' armed forces will not permit Eco-92 resolutions restricting Razi's sovereignty over the Amazon or creating 'Indian nations' within the region. The general did not rule out the possibility that Brazil could be subjected to 'something similar to what happened in the Persian Gulf,' and declared that persons like **Francois Mitterrand** and **Ted Kennedy** would not be permitted to order reductions in or elimination of Brazil's armed forces. **Sotero Vaz** said, 'If those idiots try to come in here, we're going to give it to them and (treat them) like guerrillas....' The governor of the Amazon, **Gilberto Mestrinho**, stated September 8, 'The generals' position is the product of looking at reality.'

The president of the Industrial Federation of the Brazilian state of Para in the Amazon region, **Fernando Flexa Ribiero**, was quoted by the press September 14 as stating that environmentalists want to make the Amazon 'a sterile preservation.' He said Eco-92 could 'promote colonialist practices.'

The *Brazilian daily Tribuna de Impresa* quoted **Joann Grossi**, a spokesperson for the U.S. Agency for International Development, as saying that sterilization is the family planning 'method preferred by President **George Bush** to increase the effectiveness of birth control in the Third World.'

The *Italian Catholic weekly Il Sabato* published a September 14 article by professor **Franco Cardini** stating:

"It must be said with utmost clarity that the plans of the International Monetary Fund for the (former) USSR and the eastern countries are infamous... The European Community is in the position to supply not only suggestions, but also capital and technological structures, but all this obstructs the plans of the **New World Order**, which is strictly hooked to the United States, the country that remains (have we forgotten?) the most indebted country in the world, and is facing a crisis of production exemplified by the crashes of the stock market and the big banks. It is this new frontier that re-emerging liberalists would like to propose to the former Soviet Union..."

The article has been much discussed in Poland, as the first frontal criticism of the International Monetary Fund and the free-market model from this quarter.

India's delegate at the Geneva **UNCED** negotiations told the Earth Charter organizers, with the support of negotiators from China, the Philippines, Chile, Venezuela, Ethiopia, Ghana, and Malaysia, that 'we are not here as supplicants, and we have not come for aid,' but 'compensatory financial flows' to underdeveloped nations are required, according to the September 13 *Indain press*. The delegate, **Chandrashekar Dasgupta**, also strongly **opposed plans** to bring environmental matters under the UN Security Council, and insisted that 'development' be put center stage instead of bracketed next to the environment. He told newsmen that both India and China will have to be satisfied on these questions before they attend the Rio summit, declaring that without the assent of India and China, no charter will be worth the paper it is written on.

At the **Non-aligned foreign ministers' meeting in Ghana**, India's external affairs, Madhavsinyh Solanke, called September 11 for a comprehensive and integrated strategy on debt and a development consensus for this decade. The African group at the conference sponsored an urgent call for an international conference on debt.

The UN conference on Trade and Development (UNCTAD) issued its annual report September 16, declaring, according to BBC, that the liberal free market is not an appropriate model for the developing nations. Finance should serve industry, not the other way around, and government has a key role to play in certain sectors of the economy. Directed credit for special projects is sometimes necessary. Developing nations should look to Germany and Japan rather than the **US** and **Britain** as examples. The report deplors the tendency to introduce and 'Anglo-Saxon' banking system into developing countries.

WHAT THE WORLDWIDE FUND FOR NATURE IS SAYING

An official of the World Wide Fund for Nature (WWF) said September 10 that the Geneva **UNCED** results were 'absolutely a serious setback. There will be no convention on forests by June 1992 for Brazil. Nobody wants to say it publicly, but the forests convention is finished. The situation has reached a deadlock. This is the first casualty for the UNCED process. Increasingly, we heard the statements of Mahathir, and these can be serious. We hope it is just a tactic to precipitate new negotiations, but it has the potential to set the ball rolling and cause other countries besides **Malaysia** to withdraw. It is a very difficult situation.'

A senior advisor on ecological affairs to Britain's **Prince Philip** said September 15 that Eco-92 organizer Maurice Strong has 'over-politicized' the issue of environmentalism and had raised 'ridiculously messianic expectations' for the Earth summit. '**Strong** is mis-focusing attention away from a clear and present danger confronting the entire ecology movement: The general **shift in paradigm** toward favoring economic growth, in the former communist nations... We should be avoiding too much overt politicking. We should concentrate on change-of-awareness models, and attack the underlying ethical-moral considerations that motivate people. Eastern Europe and the soviet Union, that is our biggest challenge. We will have a major problem if they try to achieve the level of economic growth of the advanced Western nations. This is potentially one of our biggest challenges, and **Prince Philip** is getting more and more involved in dealing with it.

'**Strong** is somebody who spent too much time at his wife's New Age center, it obviously touched his mind. It all reminds me of the so-called Millerites of the 19th century, who predicted that the world would come to an end at some point in 1844, so they all went into the mountains to prepare. The world didn't come to an end, and the Millerites became the Jehovah's Witnesses. That is what I see happening with the Earth Summit. Just listen to **Strong** talk about 'the most significant event in human history ever,' and 'the last chance to save the planet. 'What could be more ridiculous, and guaranteed to create a mess?'

We see the backlash already, in the reactions of various Third World countries.'

WHAT MUST BE DONE

In the fact of mounting opposition from Third World elements, certain forces in the Eastern European and Russian regions, and by the Vatican, and certain weak-kneed response within the ecology effort, what really is the purpose of traipsing around America to convince a handful of farmers, unionists, local officials, churchmen, and university environmentalists of the necessity of the Earth Charter? If one truly wished to convert the the American public, would it not be necessary to say fully, openly and explicitly what must be done? And that it must be done now?

Do you really imagine that parading some Third Worlders before 'hearing' conducted by local celebrities, the Third World will simply quiet down, or that the American press coverage of these events will overwhelm this opposition?

Will you take action now that **President Bush** has the political momentum or wait until you must convince America to fight a hundred Vietnams simultaneously? This is the time to save the Anglo-Saxon race and its most glorious production: the Anglo-Saxon system of banking, insurance and trade.

We are the living sponsors of the great Cecil Rhodes will of 1877, in which **Rhodes** devoted his fortune to: 'the

extension of British rule throughout the world... the colonization by British subjects of the entire Continent of Africa, the Holy Land, the Valley of the Euphrates, the islands of Cyprus and Candia, the whole of South America, the islands of the Pacific not heretofore possessed by Great Britain the whole of the Malay archipelago, the seaboard of China and Japan, the ultimate recovery of the United States of America as an integral part of the British Empire...'

We stand with **Lord Milner's** Credo. We too are 'British Race patriots' and our patriotism is 'the speech, the tradition, the principles, the aspirations of the British Race.' Do you fear to take this stand at the very last moment when this purpose can be realized?

Do you not see that failure now is to be pulled down by the billions of Lilliputians of lesser race who care little or nothing for the Anglo-Saxon system?

THEREFORE THE FOLLOWING POLICY MUST BE IMPLEMENTED:

A. The Security Council of the **UN** led by the Anglo-Saxon major Nation powers, will decree that henceforth, the Security Council will inform all nations that its sufferance on population has ended, that all nations have quotas for reduction on a yearly basis, which will be enforced by the Security Council by selective or total embargo of credit, items of trade including food and medicine, or by military force, when required.

B. The security Council of the **UN** will inform all nations that outmoded notions of national sovereignty will be discarded and that the Security Council has complete legal, military, and economic jurisdiction in any region in the world and that this will be enforced by the Major Nations of the Security Council

C. The security Council of the **UN** will take possession of all natural resources, including the watersheds and great forests, to be used and preserved for the good of the Major nations of the Security Council.

D. The Security Council of the **UN** will explain that not all races and peoples are equal, nor should they be. Those races proven superior by superior achievements ought to rule the lesser races, caring for them on sufferance that they cooperate with the Security Council. Decision-making, including banking, trade, currency rates, and economic development plans, will be made in stewardship by the Major Nations.

E. All of the above constitute the New World Order, in which Order, all nations, regions and races will cooperate with the decisions of the Major Nations of the Security Council.

The purpose of this document is to demonstrate that action delayed could well be fatal. All could be lost if mere opposition by minor races is tolerated and the unfortunate vacillations of our closest comrades is cause for our hesitations. Open declaration of intent followed by decisive force is the final solution.

This must be done before any shock hits our financial markets, tarnishing our credibility and perhaps diminishing our force.

2012, May 12 **Tribunal to Hear Second War Crime Charge Against Bush & Associates**

Posted By: Lion <[Send E-Mail](#)>
Date: Thursday, 19-Apr-2012 10:20:21

<http://www.rumormillnews.com/cgi-bin/testforum.cgi?noframes;read=237217>

Tribunal to Hear Second War Crime Charge Against Bush & Associates

On May 7-13, 2012. The Kuala Lumpur War Crimes Tribunal will be hearing the second charge of Crime of Torture and War Crimes against former U.S. President George W. Bush and his associates namely Richard Cheney, former U.S. Vice President, Donald Rumsfeld, former Defence Secretary, Alberto Gonzales, then Counsel to President Bush, David Addington, then General Counsel to the Vice-President, William Haynes II, then General Counsel to Secretary of Defense, Jay Bybee, then Assistant Attorney General, and John Choon Yoo, former Deputy Assistant Attorney-General.

This is one of the first times in history that lawyers have been charged with war crimes for rendering misleading legal advice in an attempt to exonerate war crimes by their principals and governments.

The Kuala Lumpur War Crimes Tribunal is constituted of eminent persons with legal qualifications.

The judges of the Tribunal, which is headed by retired Malaysian Federal Court judge Tan Sri Dato Lamin bin Haji Mohd Yunus, who also served as an ad litem judge at the International Criminal Tribunal for the former Republic of Yugoslavia, include other notable names such as Mr Alfred Lambremont Webre, a Yale graduate, who authored several books on politics, Tunku Sofiah Jewa, practising lawyer and author of numerous publications on International Law, Prof Salleh Buang, former Federal Counsel in the Attorney-General Chambers and retired Court of Appeal judge Datuk Mohd Sa'ari Yusof.

The prosecution for the trial will be led by Prof Gurdial Singh Nijar, prominent law professor and author of several law publications and Prof Francis Boyle, leading American professor, practitioner and advocate of international law, and assisted by a team of lawyers.

READ FULL ARTICLE:

<http://mathaba.net/news/?x=630224>

The charge reads as follows:

The Accused persons had committed the Crime of Torture and War Crimes, in that:

The Accused persons had willfully participated in the formulation of executive orders and directives to exclude the applicability of all international conventions and laws, namely the Convention against Torture 1984, Geneva Convention III 1949, Universal Declaration of Human Rights and the United Nations Charter in relation to the war launched by the U.S. and others in Afghanistan (in 2001) and in Iraq (in March 2003);

Additionally, and/or on the basis and in furtherance thereof, the Accused persons authorized, or connived in, the commission of acts of torture and cruel, degrading and inhuman treatment against victims in violation of international law, treaties and conventions including the Convention against Torture 1984 and the Geneva

Conventions, including Geneva Convention III 1949.

The Kuala Lumpur War Crimes Commission (KLWCC) following the due process of the law is bringing this charge against the accused.

In 2009, the Commission, having received complaints from torture victims from Guantanamo and Iraq, proceeded to conduct a painstaking and an in-depth investigation for close to two years.

Two charges on war crimes were drawn and filed against the accused persons.

The Kuala Lumpur War Crimes Tribunal had heard the first charge in November 2011 against the two accused, former U.S. President George W. Bush and former British Prime Minister Anthony L. Blair who were after a 4-day trial found guilty of Crimes Against Peace.

These two former heads of state violated the United Nations Charter and international law when they planned, prepared and invaded the sovereign state Iraq on 19 March 2003 without just cause.

At the first hearing in November 2011, the Tribunal had permitted the prosecution's application to hear only the first charge. The second charge will now be heard at the second Tribunal hearing from 7 – 12 May 2012.

Point to note is that victims of torture will also be called to give evidence before the Tribunal. The cries of these victims have thus far gone unheeded by the international community.

The fundamental human right to be heard has been denied to them.

These witnesses will testify on the torture they had endured during their incarceration. The accused will have a right to cross-examine them as in any open court hearing.

The Tribunal will adjudicate and evaluate the evidence presented as in any court of law.

The judges of the Tribunal must be satisfied that the charges are proven beyond reasonable doubt and deliver a reasoned judgement.

In the event the tribunal convicts any of the accused, the only sanction is that the name of the guilty person will be entered in the Commission's Register of War Criminals and publicised worldwide.

The tribunal is a tribunal of conscience and a peoples' initiative.

The prosecution for the trial will be lead by Prof Gurdial Singh Nijar, prominent law professor and author of several law publications and Prof Francis Boyle, leading American professor, practitioner and advocate of international law, and assisted by a team of lawyers.

The trial will be a public hearing held in an open court on 7-12 May 2012 at the premises of the Kuala Lumpur Foundation to Criminalise War (KLFCW) at 88, Jalan Perdana, Kuala Lumpur. The hearing is open to members of the public.

CONTACT For further information concerning the Kuala Lumpur War Crimes Tribunal please read Background to the Kuala Lumpur War Crimes Tribunal.

2012, May 11

MAY 2012 IS A VERY POWERFUL MONTH

by Patricia Diane Cota-Robles

www.eraofpeace.org

May 2012 is an exceptionally powerful month, and with all of the challenges going on in people's lives, it is a real opportunity for us to make a positive difference for people everywhere. Individually and collectively we can utilize this amazing influx of Light for the benefit of ourselves, our families, and all Humanity. At this time Humanity is receiving the maximum assistance from On High that Cosmic Law will allow. That means that you and I now have the ability to increase the Light we are adding to the world in unprecedented ways.

When you focus on the Eternal Moment of NOW, your precious Light is woven into the building momentum of the activities of Light unfolding throughout this month and the remaining months of 2012. At this time your efforts are being amplified a thousand times a thousand fold by your I AM Presence and the Company of Heaven. I want to thank you for your *willingness* to invoke the Light of God on behalf of yourself and ALL Humanity. KNOW that the Light of God is ALWAYS Victorious and YOU are that Light.

Please read this entire article with an open mind and an open heart. This is the Cosmic Moment for which we have all been preparing for aeons of time. It is not by chance that your I AM Presence magnetized this information into your sphere of awareness. You have a vital role to play in this facet of the unfolding Divine Plan. As you read this celestial sharing from the Company of Heaven, breathe in and out deeply and rhythmically. Ask your I AM Presence to unite your heart and mind with the Heart and Mind of our Father-Mother God, and the I AM Presence of every man, woman, and child on Earth.

In one-pointed consciousness, and with Divine Intentions, we offer ourselves as a Cup, a Holy Grail, through which the Light of God will flow to transform the Earth, her peoples, her governments, and ALL Life evolving on this planet into the perfection of our New Planetary CAUSE of Divine Love.

The month of May is always a very spiritual and powerful time, but this year we have an even more powerful opportunity to utilize the increase of Light that will bless the planet. There are several activities of Light that take place during May. The 1st of May is known as Saint Germain's Ascension Day. Every year on that day, Saint Germain and the Legions of Angels associated with the Violet Flame bless the Earth with a tremendous influx of the Violet Flame of God's Infinite Perfection.

May is also the month in which Mother Mary opens her Temple of the Immaculate Heart in the Inner Realms. Every soul who will be conceived from May 1st of that year through April 30th of the following year is drawn into Mother Mary's Temple. Once they are there, she helps the I AM Presence of each one to prepare the Chalice of the Heart that will hold his or her Threefold Flame during the upcoming embodiment.

The Taurus Full Moon is another activity of Light that usually occurs during the month of May. That Full Moon is celebrated as the Wesak Festival, which honors the birth and Enlightenment of the Buddha, as well as Humanity's shift into Enlightened Consciousness.

Because of the urgency of the hour, in May 2012 there are several additional Gifts of Light that are blessing all Life on this sweet Earth. Saint Germain and the Legions of Violet Flame Angels not only increased the influx of the Violet Flame of God's Infinite Perfection on May 1st, but they volunteered to bathe the planet and all her Life with **NEW Solar Frequencies of the Violet Flame** beyond anything we have ever experienced. This Gift of Solar Violet Fire will increase daily and hourly for the remainder of 2012. This is a Gift of Divine Grace that will help clear the way for the Birth of our New Renaissance of Divine Love, which will occur during the 25th Anniversary of Harmonic Convergence on August 11-16, 2012, and it will also prepare every atomic and subatomic particle and wave of Life on Earth to receive the monumental influxes of Light that will occur on December 12th and December 21st.

On May 5, 2012, we experienced the Wesak Full Moon which was considered a Super Moon because it was the closest the moon will be to the Earth this year. This factor amplified the Gifts of Wesak. May 5th also carried the numerological frequency of 5-5-5 since 2012 is a 5 year. There were many global meditations and gatherings that took place on that day to take advantage of this rare frequency. Numerically 5 is the number for rejuvenation on all planes and the birthing of new life. It is the number that carries the momentum of freedom, change, and new opportunities. Five is the frequency of the 5th Solar Aspect of Deity which reverberates with the Divine Qualities of Illumined Truth, Healing, Concentration, and Consecration. All of these frequencies were greatly amplified by the Super Moon and the triple 5 day of May 5, 2012. The Light from these events is still pulsating in, through, and around every particle of Life on Earth and will continue to bless us throughout the month of May.

As I mentioned, Mother Mary is another very powerful Being of Light who is associated with the Mystical Month of May. Every year, throughout the month of May, Mother Mary's Temple of The Immaculate Heart is opened in the Inner Realms. This year, Mother Mary is taking Humanity a step further into the frequencies of Gods' Divine Love by intensifying the sacred gift she gave to each of us last year.

Throughout the month of May, while each of us are in our finer bodies at night, our I AM Presence will escort us into Mother Mary's Temple of The Immaculate Heart. Once we are there, Mother Mary will work with our I AM Presence to help prepare the Immortal Victorious Threefold Flame in our heart to receive the New Solar Frequencies of the 5th Dimension that we are Ascending into. Last May Mother Mary helped our I AM Presence to expand our Threefold Flame until that aspect of our Divinity returned to its original Divine Potential and enveloped our physical, etheric, mental, and emotional bodies.

This year Mother Mary is intensifying our Threefold Flames' ability to assimilate higher frequencies of Solar Light without harming the cellular structure of our Earthly bodies. This is occurring in order to prepare every man, woman, and child on Earth for the unprecedented influx of Solar Light that will flood the planet during the 25th Anniversary of Harmonic Convergence, August 11-16, 2012. At that time we will reboot the patterns of perfection that have been downloaded from our New Planetary CAUSE of Divine Love. When this influx of Light occurs, Humanity's I AM Presence will activate the newly imprinted genetic codings within our Twelve Solar Strands of DNA. This will allow us to Birth a NEW Renaissance of Love for the Earth and ALL Life evolving upon her.

Every one of us has been preparing for this wondrous event for aeons of time. This critical facet of the unfolding Divine Plan will clear the way, so that every man, woman, and child will at long last be able to reclaim his or her Divine Birthright as a Beloved Child of God. Then each one of us will easily cocreate a life of fulfillment and joy. This merciful act of Divine Intervention and Grace will dramatically increase our ability to be the powerful forces of Divine Love we were always destined to be.

May 13, 2012 is Mother's Day in many countries around the world. When millions of people focus on the Love of and for their Mother, a Chalice of Collective Consciousness is created through which the Light of our Mother God, the Holy Spirit, will flow to bless all Life.

On May 20th, we will experience a very powerful New Moon Solar Eclipse, and on June 4th we will experience a powerful Full Moon Lunar Eclipse. These two celestial events will lift us further into the Light in preparation for the greatest influx of Divine Love that we have ever experienced. That influx of Divine Love will occur during the last phase of the Venus Transit on June 5-6, 2012.

Venus has always been considered the planet of Love. This is not just romantic hyperbole. Venus actually does reflect the full gathered momentum of our Father-Mother Gods' Divine Love to all of the planets in our Solar System. Every 104 years Venus' service of bathing the Earth with Divine Love is greatly amplified through an event known as the Venus Transit. During this transit Venus passes between the Earth and the Sun, an event that lasts for 6-7 hours. As Venus crosses the face of the Sun frequencies of Solar Light exponentially expand Venus' ability to radiate Love to the Earth. This increased influx of Divine Love is anchored in the core of purity within every electron of precious Life energy on Earth.

The Venus Transit occurs in two parts. After the first transit the Love of Venus builds in momentum within every particle of Life on Earth. This prepares every facet of Life on Earth for the amplified influx of Divine Love that will bathe the planet during the second phase of the transit. The second part of the Venus Transit happens exactly 8 years minus two days later.

The first phase of the Venus Transit which we are now in the midst of took place on June 8, 2004. Since that time, the Love from Venus has been building in momentum softening the hearts and minds of Humanity and greatly enhancing the awakening that is taking place around the world.

On June 6, 2012, we will experience the second phase of the Venus Transit. Due to the unparalleled awakening that has taken place on Earth since June 8, 2004, this influx of Light will catapult Humanity and our new Planetary CAUSE of Divine Love into position for the event that will Birth a Renaissance of Divine Love on Earth. With the God Victorious success of this impending event, Humanity will shift into a higher state of consciousness, a consciousness of Divine Love that will manifest as the order of the New Day for Planet Earth.

This unprecedented event will take place during the 25th anniversary of Harmonic Convergence, August 11-16, 2012. This will be a critical step of preparation before the influx of Light that will bathe the Earth during the December 21, 2012 Solstice.

It is difficult for us to truly grasp the magnitude of what this will mean for the Earth and all her Life. But the Beings of Light have said that from that moment forth, the physical manifestation of the patterns of perfection for the New Earth will begin to externalize as a tangible reality. This will be the Heaven on Earth of our own creation through our I AM Presence. These patterns for the New Earth will reflect Humanity's Oneness and the Reverence for ALL Life.

The Divine Plan

In order to accomplish this monumental facet of the Divine Plan, we are being asked by our Father-Mother God and the Company of Heaven to unite our hearts, heads, and hands during the global event that will take place August 11-16, 2012. There will be many diverse ways in which we can weave our Light into this Divine Plan. Pay close attention to the opportunities that are presented to you. Ask your I AM Presence for guidance, and ask this wondrous aspect of your own Divinity to pave the way, so that you will be able to fulfill your hearts' calling.

As you may know, the Hawaiian Islands are remnants of the continent of Lemuria. The initial impulse of Humanity's fall from Grace took place on Lemuria aeons ago. Since Harmonic Convergence in August 1987, the Hawaiian Islands have played a critical role in reversing the adverse effects of Humanity's fall from Grace and the healing of Mother Earth. Many of the people embodied at this time have links to Lemuria. They realize that they are here now to heal the atrocities that resulted on that continent when Humanity fell into the abyss of separation and duality.

The Island of Kauai is known as the Garden Isle. This island contains within its etheric records the Immaculate Concept or Divine Blueprint for the body of Mother Earth. This is the original pristine beauty that Mother Earth expressed prior to the fall. It is the verdant splendor that we have always referred to as the Garden of Eden.

Kauai's etheric records also contain the archetypes for the Divine Potential of what Mother Earth will express when she Ascends into her rightful place on the 5th-Dimensional Spiral of Evolution and dons the seamless garment of her new Solar Reality.

For the facet of the miraculous Divine Plan that will take place in August, our Father-Mother God and the Company of Heaven have asked us to organize a gathering of dedicated people from all over the world who will be willing to work with the Company of Heaven and to serve as surrogates on behalf of ALL Humanity. Together, these selfless volunteers will cocreate a mighty transformer through which the Light of God will flow to catapult Humanity and our new Planetary CAUSE of Divine Love into a frequency of Light that will establish a Renaissance of Love for all Life on this blessed planet.

Then, through the I AM Presence of every man, woman, and child, Humanity will shift into a higher state of

consciousness establishing Divine Love as the order of the New Day on Planet Earth.

This gathering will take place **August 11-16, 2012**, within the embrace and exquisite beauty of Kauai in the Hawaiian Islands. The vehicle that will be used for this gathering will be the *26th Annual World Congress on Illumination*.

Listen to your heart, a Clarion Call is now reverberating from the Heart of our Father-Mother God invoking your assistance in this holy endeavor. Respond according to your inner guidance. Know that whenever you volunteer to serve as an Instrument of God on behalf of Humanity and ALL Life evolving on Earth, the floodgates of Heaven open to support you and to help pave the way for your participation.

It is critical that Lightworkers from around the world be physically present for this important facet of the unfolding Divine Plan. All of the Lightworkers who have been prepared to serve in this wondrous way on behalf of Humanity and all Life on this sweet Earth will know who they are through the inner promptings of their heart. Trust your inner guidance. Your Light is needed NOW!

In addition to those who are inspired to be physically present in Kauai, there will be people who will join in consciousness from points of Light around the world. These dedicated souls will project the Light flowing through their Heart Flames into the Portal of Light where selfless volunteers are physically gathered in Kauai, Hawaii. Thus our unified efforts will expand a thousand times a thousand fold.

Every person will be in his or her right and perfect place. No facet of this Divine Plan is any more important than another. What IS important is that we each respond to whatever our I AM Presence is guiding us to do. We must Trust and KNOW that if we are being guided to be physically present on the Island of Kauai, then our I AM Presence and the Company of Heaven will assist us in paving the way. This is true whether we need assistance with time, energy, money, or courage to accomplish this facet of our Divine Mission.

The Company of Heaven has asked us to organize this monumental event in a beautiful, healing venue, so the selfless volunteers who make the sacrifice to serve in this way will truly experience a glimpse of Heaven on Earth. I want to assure you that this will be a life-transforming experience for you. In wondrous ways, your life will never be the same.

This sacred conclave will be a celestial experience for everyone involved. Each day, as we successfully fulfill one phase of the Divine Plan, the Beings of Light will reveal the next phase of the plan to us. As we sojourn through the various activities of Light, under the Divine Guidance of our Father-Mother God and the Company of Heaven, our mission will be victoriously accomplished. The physical manifestation of the patterns of perfection for the New Earth will begin to externalize as a tangible reality, and the Light of God will catapult Humanity and our new Planetary CAUSE of Divine Love into a frequency of Light that will establish a Renaissance of Love for all Life on this blessed planet.

When you enter the portal of Light in Kauai, you will resonate with the awesome radiance of the etheric records of the Garden of Eden, and you will begin to remember who you are and why you are on Earth during this momentous time.

The World Congress On Illumination is truly a life-transforming event that will provide you with the opportunity to meet old friends from around the world with whom you have been serving for aeons of time. Fellow Lightworkers will join hearts with you and support you in your monumental service to the Light.

The Divine Plan we are being called to fulfill will be accomplished through myriad activities of Light. We will be joined at inner levels by the Solar Logos from Suns beyond Suns, the entire Company of Heaven, the mighty I AM Presence of ALL Humanity, the Divine Intelligence that directs the Elemental Kingdom, and the Legions of Angels throughout infinity.

The entire Universe is supporting us in this holy endeavour. The Beings of Light have been given permission to assist us in miraculous ways, but **the Lightworkers on Earth** are the predominant force bringing this Divine Plan into physical manifestation.

Our responsibility is enormous, but as we join our hearts together, we have the absolute ability to succeed God Victoriously.

Just for a moment, go within to the Divinity of your Heart Flame, and experience the overwhelming Gratitude and Love pouring forth from the Legions of Light in the Heavenly Realms. Feel the deep appreciation they are sending to you for your *willingness* to serve Humanity during this critical moment in the evolution of this sweet Earth. We are blessed beyond measure to be able to assist all Life evolving on Earth in this wondrous way.

If you feel the heart call to participate in the *26th Annual World Congress on Illumination*, please go to our website www.eraofpeace.org. There you can find all of the information you will need to attend this event.

If you do not feel the heart call to be physically present in Kauai, know that this is a global event and you can weave your magnificent Light into our Chalice of Light from wherever you are on the face of the Earth.

God Bless YOU for your willingness to be the Open Door for the influx of Light that will lift Humanity's consciousness and establish a Renaissance of Love for ALL Life on this blessed planet.

The Beings of Light will be guiding us step by step through the months leading up to the event in August. I will be sharing the information through my **free e-mail articles** which you can sign up to receive on our website www.eraofpeace.org.

In addition to the guidance we will be receiving from the Company of Heaven, each of our I AM Presences will be guiding us through our own unique preparation. Ask for assistance, and remain in a state of Listening Grace at all times. This is an amazing opportunity for each of us to add to the Light of the world.

A Gift from On High

We have been given tools by the Company of Heaven that will assist us as we move through these amazing and monumental times. The following link is a New YouTube video that will greatly assist all of us in manifesting the patterns of perfection for our New Planetary CAUSE of Divine Love.

2012, May 9 Fed clears China's first US bank takeover

By Veronica Smith | AFP – Wed, May 9, 2012

- **Customers walk out of the Bank ...**

The United States opened its banking market to China's biggest bank ICBC, for the first time clearing a takeover of a US bank by a Chinese state-controlled company.

Just days after high-level US-China economic talks in Beijing, the Federal Reserve approved an application from Industrial and Commercial Bank of China to buy a majority stake in the US subsidiary of Bank of East Asia.

The transaction will make ICBC the first Chinese state-controlled bank to acquire retail bank branches in the United States.

ICBC has been the most aggressive of China's "big four" banks in expanding abroad.

Outside China, it operates subsidiary banks in Asian countries and has branches in a number of countries including Germany, Japan and Singapore.

According to the Fed, the bank has total assets of roughly \$2.5 trillion.

ICBC will buy up to 80 percent of the US unit of the Hong Kong-based Bank of East Asia, which operates 13 branches in New York and California.

As part of the deal, ICBC and two state-backed financial firms -- China's sovereign wealth fund, the China Investment Corporation (CIC), and Central Huijin Investment -- will be recognized as bank holding companies, regulated as commercial US banks.

The Fed said the takeover may not occur before May 15, or later than three months from Wednesday.

The broad expansion of China's footprint in the US market comes amid a series of financial reforms in China that could begin to open the lucrative market to US firms.

After the May 3-4 talks in Beijing, the US Treasury noted China had made "encouraging progress" on a number of issues, including taking steps toward a more open and market-oriented financial system.

The Fed said Wednesday that the ICBC proposed acquisition, which is "relatively small," would not have much of an impact on the banking market.

"The combined deposits of the relevant institutions in the Metropolitan New York banking market represent less than one percent of market deposits," the central bank noted.

ICBC already has banking and financial services in the United States through its New York branch and its subsidiary broker-dealer.

The competition includes Bank of China branches in the New York metropolitan area, and CIC, which has a noncontrolling stake in Morgan Stanley.

ICBC will pay \$140 million to buy an 80 percent interest in Bank of East Asia USA, China's state news agency Xinhua reported in January 2011, at the time the deal was signed.

"This unprecedented acquisition of a controlling stake in a US commercial bank by a mainland bank is strategically significant," Xinhua quoted ICBC chairman Jiang Jianqing as saying.

The Fed said its Board also consulted with the China Banking Regulatory Commission, the country's main banking regulator, and pointed to steady improvement in regulation since its founding in 2003.

"For a number of years, authorities in China have continued to enhance the standards of consolidated supervision to which banks in China are subject, including through additional or refined statutory authority, regulations, and guidance," it said.

In other Fed board decisions, Bank of China, the third-largest bank, won approval for a branch in Chicago. Bank of China operates two insured federal branches in New York City and an uninsured branch in Los Angeles.

Agricultural Bank of China, the fourth-largest bank, was set to establish a branch in New York City, where it already operates a representative office.

2012, May 11 **Police search for clues in shooting death of New Jersey radio host April Kauffman**

<http://www.foxnews.com/us/2012/05/11/radio-host-april-kauffman-found-shot-to-death-inside-new-jersey-home/>
FoxNews.com

New Jersey authorities are searching for the killer or killers in the shooting death of a local radio talk show host known for her activism on veterans' issues.

April Kauffman, 47, was found dead inside the bedroom of her New Jersey home Thursday from "multiple gunshot wounds," according to the Atlantic County Prosecutor's Office.

Kauffman, who hosted a weekly talk radio program on WOND, was found around 11:30 a.m. Thursday by a worker who called 911. Kauffman reportedly lived with her husband, a physician, near the Jersey shore in Linwood, about 12 miles from Atlantic City.

In a statement released to FoxNews.com, Sen. Robert Menendez, D-N.J., said he was "incredibly shocked and saddened" to learn the news about Kauffman, known throughout the region as a fierce advocate for veterans.

"Quite simply, April was a patriot in every sense of the word and her tireless work on behalf of those who served made a real difference in the lives of many," Menendez said. "The Atlantic County community has lost one of its most passionate voices, and she will be missed. My thoughts and prayers go out to her family and friends in this difficult time."

Harry Hurley, who did several radio broadcasts with Kauffman, told The Press of Atlantic City that Kauffman; "Did the work of 100 people."

The newspaper reported Friday that Kauffman recently helped to raise money for Army Staff Sgt. Kevin Snow, a father of five who was left severely disabled after fighting in Iraq.

The Atlantic County Prosecutor's Office, which is handling all media inquiries in the case, was tight-lipped about the crime but said no arrests had been made as of Friday morning. The prosecutor's office as well as the Linwood Police Department are investigating.

Neighbors reportedly told local station KYW-TV that when Kauffman's husband left her in the early morning Thursday, she was sleeping with a pillow over her face. Local media reports have identified the woman's husband as James Kauffman, an Egg Harbor Township-based endocrinologist.

Authorities are urging anyone with information on the crime to contact the Linwood police at 609-927-4108. Read more: <http://www.foxnews.com/us/2012/05/11/radio-host-april-kauffman-found-shot-to-death-inside-new-jersey-home/#ixzz1uiCMQ7Dw>

Cobra: Intel Update – May 8, 2012

Stephen: I am not quite sure everyone will agree with everything here. Personally, some of it resonated; some didn't – but I found it interesting nonetheless. How you 'feel' about it is entirely up to you.

There are many versions of our planet's history, currently. So I always like to read a wider range of viewpoints. I find that doing so helps me make my way forward in balance – and in the light. I suggest you tune in to your own inner 'knowing'.

Equally, Cobra states clearly that he is not posting it to alarm anyone. Simply to provide his intel on the situation as his sources see things. Although I am not sure 'who' or 'what' is instructing him to do so...

P.S. the "net" he refers to is the Matrix, as described below; not the internet.

Fall of the Archons

By Cobra, Portal 2012 – May 8, 2012

<http://2012portal.blogspot.ca/>

I had some doubts about posting this intel as it may be shocking to some people, but I was nevertheless instructed to do so. Events of the last few days have further convinced me that now is the time to release this. I am not posting this to spread fear, but to inform. If we are aware of the situation, our unified consciousness will be able to transmute and dissolve it. This is a fairly complete picture of the state of affairs between the light and dark forces and of the ultimate victory of the Light.

25,000 years ago, dark forces created quarantine Earth and took humanity hostage. They created a virtual reality control system so nobody could escape. They have trapped Light beings who have a connection with the Source, to fuel this virtual creation.

This virtual reality control system is still in place to an extent and is usually referred to as the Matrix. On the physical plane, the control is maintained through Orion-Babylonian type debt-based financial system slavery and through mass media mind programming. On the etheric, astral and mental planes, the control is maintained with electromagnetic spacetime distortion chambers similar to those used in Philadelphia experiment. Those chambers create an illusion of a closed loop system that appears to be eternal and this is the reason why so few beings have been able to be set free / liberated / enlightened.

The Matrix is run by beings, called Archons (Greek for rulers). They are beings that came from the Andromeda Galaxy and chose to experience darkness. They refused to reconnect with the source. Through millennia, they created Draconian and Reptilian race through genetic engineering to use them as slave warriors to expand their dark empire.

Planet Earth is the last planet of this dark empire to be liberated. There are very few Archons on planet Earth left.

On the etheric and astral planes, they are known as Lords of Karma. They are the ones that to a great extent decide the life path of anybody that incarnates. They choose our parents and to some extent determine our life conditions. This programming system is known as karma. With advance wave-form generating technology on the astral plane, they manipulate astral currents of planetary energies and use them for malevolent astrological influences. They maintain the distorted spacetime structure with implants that have created spacetime black hole anomaly, thus confusing human mind and emotions. Implants are programmable crystals that were put into mental, astral and etheric bodies of every single human being on Earth with strong electronic devices.

On the etheric and lower astral planes, their Draconian administrators maintain the artificial intelligence technology that keeps the Matrix in place. It has an alert system so if an awakened being creates a hole in this Matrix with his Light, Draconians send a Reptilian slave warrior to exert pressure on the psychological weak spots of that awakened being to lower his vibration and thus close that hole. Also, those Reptilian slave warriors constantly exert pressure upon the mind and emotions of incarnated human beings on Earth in order to prevent their spiritual growth and to suppress their fight for freedom. If that is not enough, they also send amoeba-like elemental beings that put additional pressure. All those negative beings usually hide in folds of distorted spacetime structure on astral and etheric planes:

Their power is in fear and hidden agendas. They lose all power in the face of light, truth and courage. If we are aware of all this without fear, the light of our consciousness will straighten those folds in spacetime structure and all those negative beings will be removed from astral and etheric planes of planet Earth:

<http://www.ascensionhelp.com/blog/2012/01/31/never-call-them-archons/>

[SEE BELOW]

On the physical plane the Archons are incarnated within Jesuit organization and they spiritually control their administrators (Draconian Illuminati that run the financial system), their warriors (Reptilian mercenaries that protect the Illuminati) and their slaves (humanity that works for them in their 9-5 jobs). Through Jesuit societies and 33rd degree Freemasons, they hold the Illuminati structure together. This structure is now finally falling apart.

Invasions of the Archons

There were three main invasions of the Archons and their subjugated races such as Draconians and Reptilians from outer space in known human history. All of them happened both on physical and spiritual planes.

The first one is the Kurgan invasion that happened around 3600 BCE. Dark beings entered through Caucasus dimensional portal. ■

Their purpose was to destroy peaceful Goddess worshipping neolithic cultures that thrived in neolithic Europe. They wanted to destroy veneration of the Goddess since feminine energy is our direct connection to the Source:

<http://www.public.iastate.edu/~cford/342Chalice.htm>

[SEE BELOW]

The second one is the Khazar invasion that happened around 393 CE. Dark beings used the same Caucasus dimensional portal:

■

The purpose of this invasion was to destroy mystery schools, Christian gnostic groups and nature worshipping paganism and replace those with Christian cult mind programming. This programming was enhanced with creation of virtual reality hells on the lower astral plane, which were then used by the Church to strengthen its position.

The third one is the Congo invasion that happened in 1996. Dark beings entered through war-torn Congo, Rwanda and Uganda. Main focus of this invasion was on the etheric and lower astral plane. The purpose of this invasion was to destroy new age and ascension movements and to reinforce the Matrix that was already beginning to disintegrate in 1995 as a result of mass awakening on Earth. Most beings are not aware of this invasion as their memories about the Light that was present on Earth before 1996 were erased with intense implanting sessions between 1996 and 1999.

Victory of the Light

After the 11:11:11 portal activation in November last year, the Matrix is finally falling apart. Immediately after that, events were set into motion (Keenan lawsuit) that will finally result in our ultimate liberation. This time there can be no invasion of Archons from outer space, since planet Earth is the last one to be liberated.

The decisive battle is expected to happen around the Venus transit portal on June 5th. We are already within the timeframe of that decisive turning point. Although the victory of Light is ensured and all negative timelines have been erased, we need to be extremely vigilant.

Archons on the astral plane will continue to exert pressure on the psychological weak spots of the key players of the positive forces on Earth to create divisions and conflicts between them. This serves their purpose to diffuse our focus into petty quarrels and away from our focused intent of taking down the Cabal. We need to release those conflicts and refocus immediately. Liberation consciousness stream is strong enough to override Archon influence, but they are still powerful enough to create unnecessary delays. Mass arrests of the Cabal are not physical operation only, they need spiritual support so that when they happen, human masses will not panic.

At a certain point, energies of the Galactic Central Sun will burn through all obstacles of the Matrix on the astral and etheric planes and all negative entities will be removed. They will be replaced with angels and spiritual guides as one prophecy beautifully states:

The Net Must Come Down, It Ends, Light Enters

The final step is simply taking down the net. This has to be done and events will then quickly follow.

The One will put forth all that energy to destroy the net itself and events will kick in almost immediately.

The programs will have no place to hide, no portals, no equipment, nothing. They will be led off and the weather pattern of luminosity will begin.

Never Call Them Archons – How You Can Help Bust Up the Matrix

<http://www.ascensionhelp.com/blog/2012/01/31/never-call-them-archons/>

By Cameron Day, on January 31st, 2012

This article has been 15 years in the making, as it took that long for me to be able to distill this information into an accessible format. This is going to represent a few very important pieces of the overall puzzle of how we are going to shift this planet and everyone upon it into an ascended frequency of being. One key aspect of this shift is going to be the “cleaning up of consciousness” of all of humanity, which is no small task, to be sure. This article will cover in detail the major obstacle to this consciousness clean-up, as well as a solution that needs your help to succeed.

I briefly wrote last year about a “living cloud of shadows” surrounding this planet, populated by energy parasites. These parasitic beings have chosen to experiment with the illusions of separation, fear, darkness, isolation, conquering, enslavement, pain, suffering, torture, etc. to the strongest degree possible. In doing so, they have completely cut themselves off from the nourishing Light of Being that supports life in the universe. The result is that they must energetically nourish themselves by feeding on low-frequency energies that resonate with their chosen mode of expression.

These beings call themselves “Archons” which means “Rulers” or “Lords” because they see themselves as the rulers and enslavers of humanity. (The ancient Gnostics first gave them this title in their writings based on direct psychic experiences with these beings.) While these unseen being’s clever enslavement and manipulation of humanity has been quite successful up until now, **I will NEVER address them as my ruler or superior in any way**, just like I wouldn’t consider physical, intestinal parasites as my superior even though they might cause me physical discomfort until I remove them from my body.

Our thoughts have power – much more than we often realize. **Words and titles have power because they frame our thoughts into a certain set of beliefs without us even realizing it.** Calling a “royal” human “Your Highness” automatically places them above you in your mind. Calling a judge “Your Honor” achieves the same thing. Therefore it very is important that **when you think about these energy parasites, that you NEVER call them “Archon”** because you will be literally handing them your power and energy by doing so.

I prefer to call them Ankle Biters. This lets them know exactly what I think of them, which is that **they are lowly parasites, an infection of consciousness that will be purged** from my system through proper use of my will via energetic clearing and transmutation. This also serves to really make them angry which exposes them and makes them easier to deal with. In spite of their self-proclaimed status as “Rulers” of humanity, they **hide like little worms** in the shadows of our minds, sending impulses of low-frequency emotion and thought to our ego and emotional bodies in order to elicit a low-frequency emotional energy that they can consume. Because they love to hide, they need to be “flushed out” into the open in order to be dealt with, so **a healthy dose of disrespect and a little arrogance are necessary ingredients when confronting these parasites.**

A Little Back Story

Once upon a time, on this very planet in the far distant past, **human beings were infinitely more**

impressive than we are today. We were fully telepathic, multi-dimensional beings that could simultaneously perceive and navigate many dimensions at once. We built vast cities with technology that worked in harmony with Earth's energetic fields. **We were in full alignment with our Divine Inner Self while expressing ourselves in physicality in a wide variety of life-affirming ways.** This unlimited expression of Divine Selfhood was viewed by the ankle biters as a threat to their very existence, because the 3rd density has been dominated by them for a very long time on other worlds. To have a 3rd density world be completely free from their manipulations and feeding was something that they could not allow without a fight. The problem for them was that Earth humans were so powerful we could literally brush them off with a thought. **These beings only have power over others who they have manipulated and put into fear.** A fully aware human who knows their Inner Divine Self cannot be dominated by these parasitic beings in any way. The ankle biters will simply be metaphorically spanked for misbehaving and sent away.

However, these **ankle biters are possibly the most clever manipulators in the universe,** simply because ALL they know is manipulation and deceit. Practice makes perfect, after all. They studied these immensely powerful humans, lusting after the power and energy that they could drain from them if only they could figure out a way to manipulate, conquer and enslave them. **They devised a plan to very carefully manipulate a few humans in positions of power into making an innocent mistake with terrible, cataclysmic repercussions.** These humans were experimenting with new methods of harnessing and transmitting energy in vast quantities. The experiments were unprecedented and very ambitious — too ambitious because the ankle biters were secretly influencing some of these humans through their ego mind to push the envelope of what was thought to be possible.

When an advanced phase of testing at the north pole of the planet went disastrously wrong, **this large, extremely powerful device exploded with such force that it caused tremendous cataclysms on the planet,** rapidly melting huge swaths of ice and creating a flood that destroyed nearly every coastal area on the planet within a day. The vast amount of death and destruction was unimaginable, and only a remnant of the many billions of humans survived. Heavily traumatized, grief stricken at the loss of their loved ones and focused only on physical survival, they fled to safe locations to try and rebuild their once great civilization. This story sounds much like what we know of as the “Fall of Atlantis” but it actually occurred long prior to the civilization of Atlantis, even though it too perished in a similar manner many centuries later.

The incredible trauma of this experience caused a loss of perception in the survivors, making them less aware of the other dimensions that are always mingling with 3rd density. They simply couldn't take the time to focus on any other density but this one, because their physical survival depended on being fully focused on the physical realm. At the same time, the human's deep emotional pain, grief and wounding gave the ankle biters a tremendous amount of low-frequency energy that they could consume, allowing them to feast on the suffering of the surviving humans and grow more powerful.

The ankle biters found that as long as they stayed carefully hidden that they could send a small thought-form into the minds of the traumatized humans reminding them of all that they had lost. This would create a cascade of painful thoughts and emotions in the person that would generate more energetic food for the ankle biters. As each subsequent generation of humanity was born, the ankle biters became more bold and instituted a program of direct interference into human consciousness. **They subliminally programmed humans to be blind to their presence,** allowing them to more directly influence a person's thoughts. They also programmed human consciousness to recoil away from any mention of the ankle biters or their dark influence over humans, so that when

confronted with such information, a person's immediate response will be disbelief, ridicule and mockery.

Finally, in their most brilliantly sinister move, they reprogrammed the human ego to resemble their own ego, and encouraged the ego consciousness to dominate all other levels of our being. **They essentially reprogrammed humans to be like them:** fearful, jealous, petty, dishonest, brutal, enslaving, murderous, unforgiving, punishing, etc. This insured that humans would be easy to manage as an energetic food source for thousands and thousands of years. These layers of programming have been in place in the human thought system ever since, perpetuating the discordant misadventures that we know as human history.

The Dark Control Grid

Over time, the ankle biters built an energy-feeding structure surrounding the entire planet which allows them to automatically gather human-generated low-frequency energy and send fearful or other low-frequency messages into human consciousness to keep people generating energetic food for the ankle biters. This structure exists in a "higher" density than this one, so it can only be perceived psychically or when out of body. I first discovered it in 1997 during an out of body journey, but I had no idea what it was. I was very promptly intercepted by two beings who disguised themselves as "guides" but their energy felt more like prison guards than any kind of benevolent guide.

Over the years I have gathered information about this control grid, but I still don't know as much about it as I would like. Here is what I do know. This structure is like a dark web of energy surrounding the planet that is heavy and oppressive. It serves to block energies coming to the Earth from the galactic core and other parts of the galaxy, but it cannot stop them completely. The grid is programmed with "negative feedback" that sends subtle signals into the sub-conscious and ego mind to keep people focused on low-frequency beliefs and thought patterns.

This "dark control grid" is programmed with an artificial intelligence to self-repair and notify ankle biters when it is damaged. The grid supports the ankle biter "collectors", which are living amoeba-like beings that connect to nearly every person on the planet, soaking up all of the low-frequency energies that we give off in our daily lives. Ankle biters travel through this grid to attend to problems or directly oppress a person whose energy frequency is getting too lofty for the dark agenda. The "bosses" in the ankle-biter hierarchy usually appear with a "reptilian" humanoid appearance, although they can disguise themselves with many different appearances.

The ankle biters have leveraged their advantages over humans to completely corrupt what we think of as "human nature." You may be wondering what "human nature" would be without these ankle biters and their dark control grid. What has been thought of as "human nature" to lie, cheat, steal, rape, enslave and murder is a false program installed into the human mind, and is NOT truly human nature at all. **True human nature is compassionate, caring, sensitive, loving, forgiving, cooperative, empathic, creative, energetic, joyful, inquisitive, irrepressible, non-conformist, uplifting and DIVINE.** In order to reestablish our TRUE human nature, we need to jettison the false programming of the ankle biters.

Restoring Your Divine Nature

The restoration of your awareness that you are Divine is the primary reason AscensionHelp.com exists. The energy clearing tools are designed to allow you to gently dissolve the false layers of

illusions that have been placed into your consciousness over many lifetimes so that you can **re-discover your “Higher Self” which is actually your Inner Divine Self**. We start off each incarnation with our Divine Self fully seated within the heart center of our physical bodies, which is why children are so energetic and wonderful. Then as authority figures, media, peers, the dark control grid, and the world at large convince a child that they are NOT divine, this inner divine energy leaves the body and sits above a person, waiting patiently to be reintegrated back into the heart center once again. Because our divine energy is seemingly “above” us, it gets termed the Higher Self.

So from this point forward, whenever you hear “Higher Self” in any of the AscensionHelp recordings or anywhere else, please substitute “Inner Divine Self” and notice the subtle but powerful shift in your awareness that arises from this change. Instead of seeing your Divine Self’s light above you, see it emanating from your heart center. Instead of bringing an aspect of your divine nature into you, you are going to be expanding it from deep within you. **It may seem like a small thing, but this difference is very powerful, I assure you.**

Once your Divine Inner Light is expanded from your heart and surrounding your entire body, you can send a beam of loving energy to the core of the planet interact with it energetically. All of this can be done without drawing too much ankle biter attention to yourself, so stick to this when you need a smooth, easy, uplifting energy experience with minimal “push back” from the control grid.

Dissolving the Dark Control Grid

As I mentioned before, one of the dark control grid’s functions is to block energy coming to Earth from the galactic core. **Fortunately, this grid has been weakened, and it has “holes” in it allowing the galactic energy to come through in ever increasing amounts.** The ankle biters know that their time is almost up, and **they are desperately doing everything that they can to keep human consciousness in a low-frequency state.** One result of their increasing desperation is that they are aggressively interfering with anyone who is raising their consciousness and frequency rate. That means you, and that means me. **This is war to them,** and they will do whatever they can to keep you, me and everyone feeling sad, fearful, depressed, disempowered, etc. One look at the news will confirm this.

So what can you do to help this situation? A lot! The “basic training” in energy-clearing is given freely in the [Self-Clearing System](#). You will need to apply the minor changes in focus I wrote about above so that you are fully aware that **you are tapping into your own Inner Divine Power** and unleashing it. **Always remember that YOU are the Power** that these ankle biters covet and feed from. They pretend to be strong, but their strength comes from YOU. **Ankle biters have NOTHING within them that is anywhere NEAR as powerful as a single human being with full awareness of their True Divine Nature.**

Once your Inner Divine Light is expanded and you are connected to the Earth’s core, imagine that you are projecting a beam of light from your Divine Inner Core straight up and into the core of the galaxy. Your light beam will pierce the Dark Control Grid and arrive at the galactic core almost instantly. Then say to the Galactic Core, “I am ready to be a Galactic Conduit” at which point you will receive a “Cosmic Flush” of galactic energy. **This is a minor change from the way of doing the cosmic flush in the original Self-Clearing System recordings, because YOU are initiating the energetic connection to the Galactic Core, then acting as a Galactic Conduit for the Galaxy’s consciousness to transmit its energy directly through you and into the planet.** This is an important distinction because it reinforces the notion that **YOU are the Power** that is initiating the cosmic flush. **You’re not a weak little person asking for help from the galactic core, but rather you are a**

powerful, incredibly important player in this cosmic game of chess that is nearing the endgame.

Without YOU volunteering to be a Galactic Conduit, it would be much more difficult to dissolve the dark control grid when the time is right.

Imagine hundreds and thousands of people all over the planet piercing the dark control grid and conducting a Cosmic Flush directly into the planet's core, and that light spreading to everyone who can receive it. Imagine the ankle biters dashing around frantically trying to repair the holes in the control grid while the people stand strong as Galactic Conduits in spite of the ankle biter's attempts to get them to stop and think fearful or sad thoughts instead.

Kicking the Ant Hill

I know that the idea of attracting ankle biter attention isn't very appealing, and I would certainly prefer to relax on a beach in Hawaii, but **the fact remains that they will interfere with anyone who is actively raising their frequency of consciousness,** and they have done so throughout human history. Their favorite technique is to send in a reminder about things that are "wrong" in your life, especially if they can distract you into blaming someone else for that "problem" that is suddenly on your mind. Other dirty tricks they use are distractions to do something fun or something you "need" to do, as long it gets you to STOP embodying a high frequency energy state. Sometimes they will launch an all out psychic attack. Often, they will attempt to get at you while you are asleep or doing something unrelated to energy work. All of these tricks can be countered.

When you notice ankle biters trying to interfere with your thoughts, emotions or energy, immediately start expanding your Divine Inner Light from your heart until it surrounds your body. This pure, intense light of your Divine Being is painful for these low-frequency ankle biters to be near, and they will withdraw. (I think this may be where the myth of the "blood sucking" vampire who can't stand sunlight comes from...) However, even when withdrawn, the ankle biters will have a thin "energy tube" connected to you somewhere in your consciousness that they will use to send harmful energy or siphon off your emotional energy.

Command from your Divine Core that the ankle biters present be captured in "containment orbs," which are energetic spheres of light that keep them from running away and hiding. Then do an energy refund to send their "tubes" and any other connections they have formed in your consciousness back to them. Now, for just a few moments, it's ok to get a little angry as a temporary way to rise above feeling helpless. Not blinding rage, but a little righteous indignation that these parasites have been messing with you is OK to entertain for a moment. This is a step up from feeling like a helpless victim to these parasites, which is how they WANT you to feel. Just **don't stay angry for long, and instead work to move your frequency higher. Staying totally calm and forgiving should be your ultimate goal,** but if a little anger helps get you out of feeling like a victim to the parasites, go for it. I tell you this so that you don't "feel bad" if you get mad at these parasites for a moment. However, it is important not to engage them in a constant state of anger, as that anger energy will actually FEED them, which we obviously don't want.

Once they are contained, imagine that you are grabbing them and "squeezing" them to get them to let go of YOUR energy that they have been draining from you. See that low-frequency energy pooling in front of you, then hit it with a blast of light from your heart to purify and transmute it back to a state of pure energy, and reclaim that energy back into your being.

At this point, the ankle biters will be upset and trying to make you feel bad about yourself in any way that they can. I suggest that you laugh at them and remind them that they were NEVER given

permission to take your energy or enslave humanity. Then ask the Galaxy Being to “arrest” them and offer them the choice of returning to the light or being incarcerated somewhere that they can’t harm or drain anyone, ever again. In the past, I used to do a “catch and release” with the ankle biters, but things have changed. **We are nearing the point where it is time to fully remove the ankle biters’ influence from Earth, and to dismantle their dark control grid.** This means that it is ok to ask the Galaxy Being to incarcerate these ankle biters, and to offer them the option to begin healing and gradually coming back to the light.

Offering them the chance to heal and return to the light is an important point to focus on.

Ultimately, everything in the universe comes from a single Divine Consciousness, even the darkest of the ankle biters. This means they will eventually re-align themselves with the light and begin their journey of returning to Source, so we are simply acting as Divine Conduits to assist this process to unfold more rapidly. Ankle biters won’t see this as a good thing due to their lack of empathy, and they may even try to make you feel like you are violating their free will. However, humanity’s free will has been repeatedly violated by these parasitic beings, so they are no longer allowed total free will. The only choices remaining to them are to heal and return to the light, or to remain as they are while being “incarcerated” and prevented from harming anyone else.

The Beginning of the End of the Darkness

The ankle biters are not going to give up easily, and they are already fighting back with everything they have. **Their increased frequency and intensity of attacks on lightworkers and casual meditators alike reveals their desperation.** They have been weakened by the generally rising consciousness on the planet and they are very dangerous, like an animal backed into a corner.

In order for the plan to remove their influence from human consciousness to work, we need an army of lightworkers expanding their Inner Divine Light and acting as Galactic Conduits, piercing the dark control grid full of holes that allow tremendous light to stream into the earth. If we can do our part here on the ground, the non-incarnated members of the Forces of Light will be able to make the final move and strip away the dark control grid from this planet, resulting in an instant uplifting of all life on Earth.

I can’t emphasize strongly enough how important this step is in our planetary ascension. This dark control grid has been corrupting and stifling human consciousness for many, many millennia. When it is removed along with the ankle biters, it will be like an instant consciousness expansion for every person on the planet. Imagine everyone suddenly being free of the “dark side of human nature” so that the true glory of loving human consciousness can expand within the hearts and minds of everyone on Earth. [I wrote about this in my December message](#) as if it was just a thought exercise. It’s much more than that, it is part of our journey of awakening that must occur. Most people won’t even know what happened, just that they feel MUCH better, more relaxed, happier and ready to help others.

No Obligation!

It is up to you if you want to participate at this level, and it is fine if you don’t want to or you aren’t able due to circumstances in your life. If things are energetically smooth in your life and you are not drawn to the idea of helping with the clean-up of the ankle biters, I fully respect that decision. **This path is truly NOT for everyone, so you must check with your Inner Divine Self to see if this is for you.** However, if you want to “seize the moment” and use this opportunity to become more powerful, compassionate and ultimately more forgiving, this might be for you. Also, if you find that

you are experiencing psychic attacks from the ankle biters, you are already part of the final showdown. If this is the case for you, I strongly urge you to incorporate the techniques laid out in this article to more effectively deal with the ankle biters.

If you like the idea of being part of the group that is directly working to strip the dark control grid away from planet earth, then I welcome you to the Galactic Conduit Team! To participate, at least once a day, simply do the focus/meditation described above, expanding your Inner Divine Light, connecting to the Earth's core and the Galactic Core, state your intention to serve as a Galactic Conduit and let the energy flow, piercing a nice big hole in the dark control grid. When the ankle biters show up, contain them, gently laugh at them, defy them, reclaim your energy from them, refund their machinations back to them, and have the Galaxy Being "arrest" them.

Your Subconscious Environment

It is important to be aware that the ankle biters use our own sub-conscious beliefs as "portals" into our psyche. Every unhealed wound in our sub-conscious is like a "pressure point" that they can squeeze to elicit an emotional response from us. This is one reason why self-clearing is so important. **Whenever you deal with ankle biters, after you have had them "arrested," be sure to take some time to work on peeling the deeper layers of sub-conscious issues that they used to hook into you in the first place.** See the [Self-Clearing System](#) for more details on how to do this level of energy work on yourself.

Ankle biters will very often manipulate people in their dream state to reinstall or strengthen limiting sub-conscious programming. Fear is their primary tool, so they will embed fearful scenarios in the dream state in order to make a person susceptible to their programming. It is very much like a form of hypnotic suggestion, and it requires tremendous self-awareness to break free from this programmed mind system. **Each night before you go to sleep, invoke your Divine Inner Self from your heart** and declare that you will dream safely within your Divine Inner Light. State that you intend to remember ALL of your dreams, so that you can dissolve any limiting sub-conscious beliefs that are revealed in your dreams.

In the morning, take 10 minutes to reclaim energy from any limitations or fears that were exposed in your dreams. Even if you can't remember them, take those few minutes to expand your Inner Divine Light, clear your energy field and start your day from your inner divine inspiration.

The more clear you get, the less the ankle biters will be able to manipulate you into low-frequency emotional patterns. Always remind yourself, **"I am the Power they want"** and then stand strong in the power of your Divine Inner Self. Blaze your light like a million suns, for **you are so much more than you realize**, and soon you will **know** without any doubt how powerful you truly are.

Much Love,
Cameron Day

The Chalice and the Blade

by Riane Eisler

<http://www.public.iastate.edu/~cford/342Chalice.htm>

Goddess Worship in the Neolithic

- Neolithic agrarian life was the basis for the development of civilization (8,000 – 3,000 BC)
- Neolithic societies almost universally worshipped the Goddess

Neolithic Archeological Evidence

- Equality between the sexes was the norm
 - Graves equal
 - Both Priests and Priestesses important in religion

Neolithic Art

- No imagery idealizing armed might, cruelty, and violence-based power.
- No images of "noble warriors" or scenes of battles.
- No signs of "heroic conquerors" dragging captives around in chains or other evidences of slavery".

Nature in Neolithic Art

- Rich array of symbols from Nature
- Theme of unity in nature
- Art was associated with worship of the Goddess
 - example: Goddess figurines

“For here the supreme power governing the universe is a divine Mother who gives her people life, provides them with material and spiritual nurturance, and who even in death can be counted on to take her children back into her cosmic womb.”

Goddess Worship

- The Goddess was worshipped in all ancient agricultural societies.
 - Middle East and Southeastern Europe
 - Thailand in Southeast Asia
 - Middle America

Female Deified

- Gives birth and nourishment like the earth does

The Feminine Chalice

- The feminine Chalice symbolized the source of life
- The highest values were for the generative, nurturing, and creative powers of nature, not the powers to destroy
- The function of priestesses and priests was to benefit all the people in the community

- NOT to serve and give religious sanction to a brutal male elite
- Partnership society

The Great Change

"But then came the great change--a change so great, indeed that nothing else in all we know of human cultural evolution is comparable in magnitude"

Indo-Europeans

- Indo-Europeans (Aryan language) were nomadic tribes living on the steppes of Asia
- Warfare using horses
- Swept into Old Europe, Middle East, India
- "Ruled by powerful priests and warriors, they brought with them their male gods of war and mountains."

Indo-European Conquests

- Indo-Europeans gradually imposed their ideologies and ways of life on the lands and peoples they conquered

Indo-European conquerers were called:

- Aryans in India,
- Hittites and Mittani in the Fertile Crescent, Luwians in Anatolia,
- Kurgans (Battle-Axe People) in eastern Europe
- Achaeans and later Dorians in Greece

Old Europeans

- "The Old European and Kurgan cultures were the antithesis of one another.
- The Old European were sedentary horticulturalists prone to live in large well-planned townships.
- The absence of fortifications and weapons attests the peaceful coexistence of this egalitarian civilization that was probably matrilinear and matrilocal."

Kurgans

"The Kurgan system was composed of patrilineal, socially stratified, herding units which lived in small villages or seasonal settlements while grazing their animals over vast areas."

Contrasting Ideologies

- One economy based on farming, the other on stock breeding and grazing, produced two contrasting ideologies.
- The Old European belief system focused on the agricultural cycle of birth, death, and regeneration, embodied in the feminine principle, a Mother Creatrix.
- The Kurgan ideology, as known from comparative Indo-European mythology, exalted virile, heroic warrior gods of the shining and thunderous sky."

Weapons

- Weapons are nonexistent in Old European imagery...
- The dagger and battle-axe are dominant symbols of the Kurgans, who like all historically known Indo-Europeans, glorified the lethal power of the sharp blade."

Hebrews

"There were other nomadic invaders as well. The most famous of these are a Semitic people we call the Hebrews, who came from the deserts of the south and invaded Canaan."

Early Semites

- Peace and morality are now associated with both Judaism and Christianity
- But, is historical fact that these early Semites were a warring people ruled by a caste of warrior-priests --the Levite tribe of Moses, Aaron, and Joshua

Jehovah was a war God

- "Like the Indo-Europeans, they too brought with them a fierce and angry god of war and mountains (Jehovah or Yahweh).
- And gradually, as we read in the Bible, they too imposed much of their ideology and way of life on the peoples of the lands they conquered"

Social system: Domination

Indo-Europeans and Hebrews imposed a social system in which male dominance, male violence, and a generally hierarchic and authoritarian social structure was the norm.

Technologies of Destruction

- Societies that laid the foundations for Western civilization acquired material wealth by developing technologies of production.
- Conquering societies acquired material wealth by technologies of destruction

The Masculine Blade

- "At the core of the invaders' system was the placing of higher value on the power that takes, rather than gives, life.
- This was the power symbolized by the "masculine" Blade, which early Kurgan cave engravings show these Indo-European invaders literally worshiped.
- For in their dominator society, ruled by gods--and men--of war, this was the supreme power."

Women Reduced to Concubines

- The Goddess and women were reduced to male consorts or concubines
- Due to conquest by invaders
 - Not due to men's gradual discovery that they too played a part in reproduction

The New Norm: Male dominance

"Gradually male dominance, warfare, and the enslavement of women and of gentler, more "effeminate"

men became the norm"

The Story of Civilization

"The story of civilization, of the development of more advanced social and material technologies, now becomes the familiar bloody span from Sumer to ourselves: the story of violence and domination"

Foundation of Civilization

Foundation of civilization already developed by Goddess worshipping people in Neolithic:

- Material Technology developed by Goddess worshipping people:
 - food growing
 - construction
 - container, and clothing technology
 - sophisticated wood, fiber, leather goods
 - metals

- Non-Material Technology developed by Goddess worshipping people:
 - law
 - government
 - religion
 - prayer
 - judgeship
 - priesthood

- Art developed by Goddess worshipping people:
 - dance
 - ritual drama
 - oral or folk literature
 - art
 - architecture
 - town planning

- Trade developed by Goddess worshipping people:
 - trade by land and sea
 - administration
 - education
 - forecasting the future: prophetic power of the priestesses of the Goddess
 - example: Oracle at Delphi

Civilization Invented by Women?

- "In many surviving ancient religious texts it is the Goddess--not any of the then already dominant male deities--who is identified as the one who gave the people the 'gifts of civilization'.
- The myths attributing our major physical and spiritual inventions to a female deity may thus reflect their actual invention by women"

Inconceivable!

“Such a hypothesis is just about inconceivable under the prevailing paradigm.”

The current paradigm pictures woman as dependent and secondary to man

- Intellectually inferior
- Less spiritually developed than man
- Thus women are to blame for our fall from grace according to the Bible

A Different self-image

"But in societies that conceptualized the supreme power in the universe as a Goddess, revered as the wise and just source of all our material and spiritual gifts, women would tend to internalize a very different self-image."

Goddess a powerful role model for women

- With the Goddess as a powerful role model women would tend to consider it both their right and their duty to actively participate, to take the lead in developing and using both material and spiritual technologies.
- They would tend to see themselves as competent, independent, and most certainly creative and inventive.

Replacing a partnership social organization

"In order to replace a partnership social organization with one based on force-backed domination, fundamental changes in replicative information had to be made."

Imprinting a new code

"...a new code would have to be imprinted in the mind of every single man, woman, and child until their ideas of reality had been completely transformed to fit the requirements of a dominator society".

Shows of Force

- Behaviors, attitudes, and perceptions that did not conform to dominator norms were systematically discouraged.
 - Directly, through personal coercion
 - Indirectly, through intermittent social shows of force such as public inquisitions and execution
 - "This fear conditioning became part of all aspects of daily life, permeating child rearing, laws, schools"

Will of God?

"Undoubtedly many of these men believed that what they did was also the will of their gods and felt divinely inspired.

Changing Norms

- Norms were changed by constant fashioning and refashioning of oral and written literature

- New male-dominated, violent, and hierarchical society gradually began to be seen as not only normal but also as RIGHT

Chalice Replaced by Blade

"It had to be established that the old powers that ruled the universe--as symbolized by the life-giving Chalice--had been replaced by newer and more powerful deities in whose hands the Blade was now supreme"

Goddess Pulled Down

"And to this end one thing above all had to be accomplished: not only her earthly representative--woman--but the Goddess herself had to be pulled down from her exalted place."

Justifications of Male Dominance

- "In some Middle Eastern myths this is accomplished by a story of how the Goddess is slain.
- In others she is subdued and humiliated by being raped...
- Such tales served a very important social purpose.
- They both symbolized and justified the imposition of male dominance."

Goddess became consort or warrior

"Another common device was to reduce the Goddess to the subordinate status of consort (wife) of a more powerful male god. Still another was to transform her into a martial deity."

Athena

Goddess Absent in Hebrew Bible

In Canaan: "...the invasions of the thirteen Hebrew tribes not only accelerated, but also radicalized, this process of social and ideological transformation. For only in the Bible is the Goddess as a divine power entirely absent..."

New Male Social Order

"If we read the Bible as normative social literature, the absence of the Goddess is the single most important statement about the kind of social order that the men who over many centuries wrote and rewrote this religious document strove to establish and uphold"

Wrongs inflicted by Men

"For symbolically the absence of the Goddess from the officially sanctioned Holy Scriptures was the absence of a divine power to protect women and avenge the wrongs inflicted upon them by men".

Women in Old Testament

- "By and large, ancient Hebrew society was run from the top by a small elite of men.
- Most critically, as we can still read in the Old Testament, the laws fashioned by this male ruling caste defined women, not as free and independent human beings, but as the private property of men.
- First they were to belong to their fathers. Later on, they were to be owned by their husbands or

their masters, as were any children they bore.”

Numbers 31

“In Numbers 31, for example, we read of what happened after the fall of Midian. Having slain all the adult males, the ancient Hebrew invaders 'took all the women of Midian captives, and their little ones'...” “ And now they were told by Moses that this was the command of the Lord: 'Kill every male among the little ones and every woman who hath known man by lying with him, but all the women children that have not known a man by lying with him, keep alive for yourselves'... for these could be sold for concubines, slaves, and even wives”.

We are still Imprisoned in a Dominator System

"Millions of people still today seem incapable of perceiving what our sacred literature really says, and how it functions to maintain the boundaries that keep us imprisoned in a dominator system".
