Astrology: Annie Rose

Full moon is also energizing; it is how we use the energy that counts

- full moon = 7 degrees Cancer; next month full moon will be in Leo which means that as far as US hits the 1st and 3rd house which means mixed communications; major concerns will be with finances

President's chart: 7° will hit his 6th house - health; dietary needs; even the dog might be in the news!

- Opposite house to moon is 12th house = things of karma: will have to face and pay karmic debt - this may be conversations with others he may not care to have. The item of "going over the cliff" - things hidden in the closet will come in the open. AR thinks they should be thinking People, not Party because all hits for the people of the nation, not just their party.
- We will also hear things in the news between now and next Tuesday that will be shocking; will also be part of the blame game.
- A warning for State of Georgia: major conflict regarding finances; also Alaska and Idaho

Aries: they have to get things done and just a bit of this or that - finish projects not completed; this is work related, responsibilities; will have to watch something to do with condition of skin and bones

Taurus: concentrating on their friends, hopes, dreams; a lot of communication with friends, surprising messages coming

Gemini: affects 12th house - brings in karma; a good thing is they will be surprised by a new understanding of a friend's predicament or position - things will be settled

Cancer: The full moon is in Cancer; the US is Cancerian and will affect the nation: brings out chaotic things and lots of stress for next 15 days or so; Jan 4th - 10th - strong emphasis on settling things; not really until Jan 10th, 11th - full moon will give them more energy; hopes it will only be used for constructive things

Leo: emphasis is on money; could bring up a sudden monetary change - money coming in or going out

Virgo: will have to watch for ostentatiousness; also watch as they don't come across as argumentative

Libra: will cause energy to be put into the home

Scorpio: 5th house, 11th house highlighted: friends, children - feel they have to help their children, aslo other people's children who are like their own; news about theaters

Sagittarius: 6th house: health, food, diet - will be able to shop for clothes; may also get news from females

Capricorn: will affect unions with mates, significant others - will do a lot with their personal life, also think of public image

Aquarius: 8th house is affected - accumulated assets, and other peoples money - will want to change personal budgets, might find money coming to them

Pisces: 9th house; places of rest; also karma - perhaps penalties or maybe rewards for past things that have been done; also thoughts of travel

Hard News:

T: GOOD NEWS: Earth's power grid turned on!!

[SEE BELOW]

Coming with the full moon, this is a BIG DEAL!!!

- Mother told them it happened 13,000 years ago at the time of the sinking of Atlantis, when the dark priesthood took over - a long time to be at only 37% power!!!

- Turning the grid on means EVERYTHING IS AMPLIFIED!
- T & R have been receiving calls almost 24/7 - people feeling awful! Praise the feeling, respect, thank and love - **attitude of gratitude is vital**

R: re big picture; we are going all the way to the place where all the skeletons in the closet will be revealed - more and more about the 13 families and the last 100 years and over 2 billion people they have killed

- 26, 826 years - we are now in a new time line; Sat Yuga will be 4 times longer than a regular yuga and we are in for 105,000 years of peace - which we can keep if we keep eternal vigilance - we can keep it if we keep ourselves in our higher emotional body, Higher physical body; higher mental body, higher spiritual and higher and cosmic light body

Natasha, Heidi of Bank of International Settlements: we are in new territory; Beloved Ascended Master St. Germaine is final say-so; anything else does not come a place of balance!

- **Ed Schultz:** Guest host Michael Eric Dyson: Obama gave the Tea Partiers and Boehner a chance for compromise with the \$400,000 and the medicare, medicaid: they flat out said no and Boehner could not organize anything - Heidi and Natasha said that was his last chance
- BO went back to the \$250,000 which means the Tea Party will vote Boehner out and try and put Cantor in - what T & R are hearing is that it will be NANCY PELOSI who gets the gavel back!!!!
 - The job Pelosi did has been stellar - bills passed, cooperation, and so on

KOS, Natasha, Heidi:

1. **DO NOT GIVE OUT YOUR PRIVATE INFORMATION UNTIL ST GERMAIN GIVES THE FINAL SAY SO, NOT ANYONE ELSE!!!** [with reference to the article called "The Peoples Trust" from the 1776 website]
2. **GOING INTO THE 113TH CONGRESS - the slate is wiped clean** which means the horror stories they wanted to pass are gone and they have to start again

T: Gen N **Schwartzkopf left the planet today** -he was one of the shooters who shot the clone of JFK in the head - wasn't Oswald!

ARose: predicts that we should watch news of George Soros: will change attitudes etc to people - he is not infallible as he thinks he is - will soon be known

T: he was killed and cloned in 1997; he put \$50 million into organizations like MoveOn.org to get it started, and money to start other activist groups going - the PTB slammed him, killed and cloned him; then he was compromised - the ego we see is manipulated behind the scenes; there are layers and layers that need to be revealed

T: Hillary has been MIA for almost 4 weeks now!

- If it were uncovered that Schwartzkopf killed JFK Sr . . . interruptions / noise

T: a so-called trust - Peoples Trust

R: Website Peoples trust 1776; Natasha and Heidi told him not to give out information to people you do not know - **THIS INFO IS NOT COMING FROM ST GERMAIN** - Rama not sure where it is coming from; these folks are calling into question the entire financial global banking system and, yes, the system does have to be called to account!

T: However, the people involved are Cobra, Postmaster General; Bellringer; Drake - **all Faction 2**

- Obama will have to deal with the party thing - they want him out at all costs & want him killed

R: the unseen war is now coming out in the open, but still only seeing 1/16th of it in Congress - now want to make the schools into police states

T: **appears** that the power is misplaced and fear is all around; things can change in a matter of weeks now - based on astrological information - in spite of the fact that things look so upside down: the news that is coming out between now and Tuesday will floor people!

R: as we go into 2013, it is **already 2015** - this part of the story **about the 520 missing years**

T: **Natasha and Heidi** said Obama will be cleaning everyone's clocks

- on the Ed radio show yesterday: Byron Dorgan came on: talking of Bahamas, Caymans where there are private mailboxes where each has thousands of trust indentures [Bush Jr, Cantor, Ryan, Romeny and all the others]
- when Paulson brought in TARP which is only the fake NESARA created by Bush Sr, in 2008 - Hank, Bush Jr are solid holograms
- then **Sybel Edmunds came on and confirmed this**; then Ed came on and said what are you smoking?
 - She called him on this - you haven't been listening to the right news; it's true we've been doing cloning, etc; the true news needs to be said and she told him to go to 2013 Rainbow Rose and get the true story and St Germain is here, and he's in charge and NESARA is coming and debt will be forgiven and goodbye!

Guest: Frank Chille

Please listen to the tape - more than worth your while!!!

About beings from other planets, galaxies, Inner Earth who live here or come to visit & so on

- thanks to all who wrote him after last week's call
- Albert Coe was the person he spoke of last week; picking up from that point
- George Hunt Williamson was given a lot of information by beings and by the brothers of the Monastery of the Seven Rays
- Valiant Thor who came from Venus - a movie is being made of him by Dr Frank Stranges and a woman called Roberta Herzog who had the gift of being able to read the Akashic Records: similar kinds of info will be revealed as by Dr Steven Greer
 - A clip is being made of the movie - he is going to send the info to Marietta Robert for distribution
- We are on the cusp of so many wonderful things - will witness wonderful, wonderful things on the planet
- Frank brought Roberta Herzog and Calli together at a meeting - the vibrations were so intense when they met
 - He has also seen a photograph of Helena Blavatsky with El Morya, Kuthumi and St Germain
SEE PHOTO BELOW
 - Roberta also met Manly P Hall via Frank
- St Germain appeared to Godfre on the meadow on Mt Shasta - told him the marriage would survive

Madam Blavatsky El Morya photo

Helena Blavatsky with El Morya, Kuthumi and St Germain
 Also mentioned Valiant Thor (Venusian) - there will be a film about him coming out very soon

The Year One Reed - available on Amazon - Tara helped write this with Cherula

- Rama and T lived with them for about 4.5 months
- Shield and Cherula live outside Santa Fe: she was born in 1795; came to surface when she was 12
- was Montezuma's twin flame, came on the ships with Cortez - they recognized each other immediately
- Went to high school; all was normal, no one knew the diff; went to Inner Earth when she was 29
- went back and forth into Inner Earth several times

T: We all took on karma besides our own in this lifetime - Shield and Cherula,

- Cherula's parents were the King Rantu and Queen Arau-mayu of the 23 sun system Aurora sun system this is the sun system where we, as created beings by Mother, were 12th dimensional beings - we were equal to Mother! She said she had only created what is equal to herself: can't create anything less than yourself as a creator goddess;
- we volunteered as 12th dimensional beings to go to trouble spots, **not just this earth.**
- We co-created this universe of Nabadon with Mother: that is who we are!!! We said to Mother - we would like to have free will choice and have experiences & literally come in with a bit of a veil - not to diminish ourselves, but to create by using our own free will choice.
- Mother agreed - you get free will choice, but no intervention except for psychic holocaust or nuclear holocaust: all the stories Frank is telling us are about that [the holocaust of various kinds] - the people who call her are talking how come this takes so long: yet we have been around for 450 billion years of things we have experienced, so the last 30 - 33 years is not much time to change what has happened in the billions of years we have just completed!

- At the time of Atlantis and the dark priest hood which was really the light priesthood that had a less than a beautiful thought: like taking out things we didn't like and be creators of the universe!

Frank: the biggest test is overcoming ego!

T: Ego is nothing but false evidence appearing real!

Caller: About Roberta - no more mysteries; nothing held back

Frank: talking about veils of secrecy . . .

Caller: when does this happen?

FC: happening even as we speak! The Beings of Light want us all to walk forward holding hands . . . long explanation

Caller: why do we need a king - ref to the Inner Earth

FC: out of respect - gives the name - to be sent to MR

also info on the Monastery of the Seven Rays by George Hunt Williamson

Mother Sekhmet

INITIAL PART MISSING DUE TO TECHNICAL DIFFICULTIES ON THE ORIGINAL CALL

- We are returning to the place where we began as balls of light, we were equal to Alcyone, All That is, and we never lost that ability, though we stepped down from that level due to curiosity
- There is a dawning already unfolding in the moment - what a challenge we have before us: how to give our children the greatest amount of gratitude and love as they planned our seeming demise: yet it is just FEAR - false evidence appearing real - it is the changing of the guard has occurred the frequencies of Sat Yuga are in place as we move - we are ascending with the planet
- Walking on air, on water is a challenge, yet we are doing it - all kinds of things coming to the surface to be brought into public view which has to do with full disclosure
- At the point where all sorts of things will be disclosed - we ascend with the planet, never any question about it: How many timelines have been erased in the moment of the NOW: NOW is all there is

Cathy: when speaking of all the help coming through, what kind, what kind of example of how the help is coming is for us as individuals as we move out of 2012

Mo: the frequencies coming from Alcyone and the centre of the MWG have shifted the balance and the light has already won, and now we are watching the fall out across all the universes

- the one story coming forward : how we right the ship of state - we have with Sirian Commander at the helm with Twin Flame, Michelle. The original story goes back to 450 billion years ago; it has come full circle and we are all receiving our briefing orders which will come in different ways as we wake up to our mission: will com in dreams and visions - take the time to go slowly
- biggest story in front of us: the least among us - how the story has changed: we the people are already receiving what is about to happen - there is already a new monetary system in place as of Jan 1 -
 - how will the idea of the treasury banking system backed with precious metal assets be explained
- Other things happening: the exposure of what has taken us to the brink of this cliff - we can go no further with the structure of things as they are
- The story is about hope and healing planet earth - it has shifted and is in people's hands
- There are many hands and voices involved, yet the final say-so is what Beloved Ascended Master St Germain has to say on the story - **he is the only one dealing with payout** - has to do with how we are shifting our awareness: the least among us will be compensated for what we have been robbed of for how many eons of time that we cannot begin to count, how many oceans of tears shed?
- All the whistleblowers are coming forth now as the coast is clear about what has occurred
- there could be quite a shift in the balance as Obama maybe rolls back the tax cuts - the Reagan tax cuts

and raise the rates on filthy rich to 74% as it used to be - time they paid their fair share

T: she is seeing the perspective that everything that could be done was done for the existing system to show some compassion and they have not passed their test so system will be closed out

Mo: this is what the 21st and the Dark rift is about - send them only love as they continue on their way

- The exposure continues; all of the issues in the moment have to do with the awakening that is occurring, with our healing - it has all do do with the awakening that is happening in our bodies; we are creators of the destiny in this moment; the indigo - crystal children have brought this forth - not accident that all is brought forth to be healed
- Captain Ashtar told Rama as he was on duty: he does not own a WMD, yet the technology about how things are changing: the things you have set up - the basic foundation of what what the F Fathers set up - 2nd amendment. As Jefferson said: no standing armies in a time of peach - a matter of mischief across the planet as the ancient story completes itself
- During the time of Jefferson, sovereign militia people kept weapons at militia HQ, not at home - the issue at hand is that all we are experiencing and changing with our thoughts: we are going from the ancient war story to one of peace - blessed is the spirit of the poor is what is occurring;
- the people at Rockaway have no shelter from the storm passing over now, and certain parts of New Jersey look like Aleppo and Baghdad yet we are always here
- It is what is unfolding: the biggest story is that as we are changing this in the moment: Valiant Thor was one of the ones who came to this planet & the founding fathers and said the planet will make it; will you? It is about dismantling the WMDs and the weapons of mass deception - the separation of mind and heart - all the weapons will be shut down. Why do we need technology of guns when we have a planet of peace?

T: need to clear out those who have been acting out

Mo: we are a goddess of war; we are also a goddess of medicine and peace - how do we heal this story now? The children are speaking out and saying we no longer want war.

Cathy: what would someone do to get kicked out of Hollow Earth and put topside?

Mo: has to do with creating that schism in the Self where mind and heart are separated, and create the illusion of FEAR: false evidence appearing real: the illusion that I am anything less than perfection

T: when Lemuria sank & created the Agarthan network, there were already schism, a war going on in ancient Mu and it continued in the Agarthan network - stuff going on in 5th dimension, not all flowers then

Mo: has to do with issues going on: the sons and daughters of man mated with the sons and daughters of gods, our wayward children called Nephilim, Annunaki and so on. It was about the sacred ritual of the kundalini which was not used in the correct manner - that was the issue and doing such a thing as this would be the thing: to create such a schism inside your self where you spit mind and heart

Cathy: so those of us topside putting others in jail for doing things - we are the jail?

Mo: yes, metaphorically speaking: Earth is not a prison planet per se but a prison of our minds! A dimensional idea -

T: which came first the chicken or the egg? [documentary including Michael Tsarion & others]

- Answer: **We** are re-designing where we are coming and going from and using the energy of the Mazeroth
 - this is the difference
 - Love and fear cannot exist in the same place

Mo: we are walking the pathless path where Rana Mu said to Rama: look at the back of my head, don't look down. We are re-designing the Adam Kadmon in the moment is with the energies coming forth from the wisdom of Creator Source within you!

- as that becomes more and more aligned & in balance, already we are seeing tremendous shifts -

- The energies coming in from Creator Source are shifting the balance to one of love, not of war
 - our wayward children know this and they cannot stop it; yet they made a conscious choice to be part of this by putting on the dark hats, knowing full well we would put on the white hats.
- The course of events is unfolding in a most magnificent way but not as expected - this is what Jaquar medicine is all about - death is with us all the time, our greatest teacher of what is unfolding
- Now the matrix falls apart and we get to see the real story of what has been going on for untold eons; we see it as tempers flare in the mix as we see the parts of self that have not received love for how many of eons of time
- The greatest sin that we are witnessing that needs to be corrected & that the S C is dealing with has to do with getting US back on track: the least among us is the greatest story and we don't have to go digging in the dumpster for food while Boehner et al do not have to worry about a thing

Cathy: a friend came in and C saw the big O papers for the first time; she had been around when the Michael Kadofsky group, and there were no papers then: will these people still be receiving

T: there were papers for the Michael Kadofsky things for the 1st thing; not for 2nd part

- Every single person has been monitored on the planet, thanks to Ashtar Command technology - can read every thought even before you have it!
- Just because you have the paper does not mean you will get anything - has to do with your spiritual development - this is about love and fear not existing in the same place at the same time

Mo: as we move to consciousness of being 33rd planet of Intergalactic Federation of Worlds and move to story of peace - the legends & stories talk of this; we are moving into this right now;

- we do this in the moment as we listen to the wisdom of the higher place that the Founding Fathers set up
- The 1/16th of 1% - how many of these [Koch Bros & others] have stolen our wealth and that of the planet - it gets reversed now - a reversal of fortune - what goes around, comes around.
- In the moment on Current TV showing Bowling for Columbine for last 2 nights: what is the story here - why is the FBI racially profiling Occupy Wall street & others? This is illegal - **they are scared of our power - we shall overcome in this moment.**

Cathy: Are you feeling the energies: How would T & R describe what is happening to them?

Mo: will speak for the body: goes through moments of bliss then shedding oceans of tears for what he has been watching all his life: the awareness of shifting to higher octave - seeing fairies, hobbits etc all of the magical kingdoms are here, saying Welcome, well met! Question is how we heal the least among us: Dave the Carpenter, Joe the Plumber, Homer Simpson - who think they cannot trust the black man in the white house

T: Rama came down in the morning, sobbing: only 7 white rhinos left on the planet! In northern Kenya have created a place for them; these ones have been raised in a concrete zoo and this is the first time they have been free. Yet the inequity of the society where they are means that a person could make \$12,000 for the horn of the rhino and the rhino died. Drones are to be used to keep an eye on things and tag the rhinos so they can be watched.

- Yet who we are is that we can stop a bullet! KOS demonstrated in UN same thing that Neo did in the movie - the White Knight knew how to create a shield around himself and the bullet fell to floor!

Mo: this is happening in our bodies - as we are aware of being god beings - DNA, RNA all is changing -

- imperative to put only clean things in the body: thoughts, words, vegan lifestyle - all this changes our realities so we can heal the frequency and move into higher octaves and feel that frequency

T: all that Frank Chille has been telling us is what we have been talking about expansion of our gifts -

which had to be held back

- Just like it was said the power grid shut down by 63% for last 13,000 years because of what was happening in ancient Egypt; there were Beings of Light that were dying - they were still there, yet the Dark Priesthood found themselves dying really quickly because they were using their gifts for malintent

Mo: as we moved down in octaves - Bronze Age to Iron Age as opposed to the Golden Age as the shifting of awareness from Sat Yuga to Kali Yuga

T: they listen to much on Internet, and don't know what end is up - things have been shortened immensely

- Michael Tsarion said Sat Yuga won't begin until 2740: Mother said **even Michael Tsarion does not have all the answers!** Yet the young lady from Hawaii said **we are experiencing a year in a minute** - 2740 has probably been here and gone already!
- It is about our consciousness - we are no longer in linear time except by agreement to ignorance, and ignorance is not bliss!
- Natasha, Heidi have said that B Obama will clean these guys clocks!

Mo: this is the first time in this country's history : as Amy says, Democracy is a messy business: it is not a spectator sport - tag we are it!

- This is why we are taking the reins and moving the story from one of war to one of love.
- Why is it that in the Inner Cities that people have to sleep with one eye open because they are black?

Cathy: everyone is hurting all around the world - we are all wounded warriors

- re banking system: all the new systems are in place, set, ready to go - that means that anywhere in the world, all is ready - St G pushes the button and Basel III begins - right?

T: the date is after January 2nd going back on gold standard! [Heidi, Natasha]

Mo: Rama took one of his dinars to exchange for Treasury notes & we know you have them

- the lady said the money is in place, yet we cannot do it until after the announcement.
- When is that? Cannot say when - except after the 1st

T: On **Ed show** Dec 26, Sybel Edmonds said there are those in the Congress who need to take a perp walk to The Hague to await execution for high treason and war crimes against humanity -

Mo: has to do with bank bailout and Hank Paulson and the Shrub; why did Bill Maher get on his knees and ask Elizabeth Warren to get his money back from Lehman Bros.

- Bernie Madoff in a cell; brother Peter is in next cell yet Chris Christie, Marco Rubio not arrested for economic high treason that they committed with Madoff: Paul Ryan, Mitch McConnell, Mr Boehner, Eric Cantor, Mitt Romney and others

Closing: Cathy

2012, Dec 28 ~ Earth's Crystal Power Grid Turned On!

Courtesy of Diane Robbins

www.DianneRobbins.com

Deep inside the Himalayan Valley, are 33 great chambers configured with sacred tunnels and passageways that connect each chamber. These chambers are composed of sacred geometry using lightening rods of electronic and magnetic force.

The walls and ceilings are made of platinum, gold and lapis lazuli and lined with crystalline pods 4 1/2 inches in diameter. There are 144 million crystalline pods in rows and columns.

This is the UNIVERSAL BREAKER ROOM for our planet. These 144 million crystalline pods in 33 chambers are all connected to form a sacred geometry. This is the Universal Power Grid that connects with the Powers of Nature, Forces of the Elements, Great Forest Kingdom, Great Ocean Kingdom, Prairies where food is grown, the Atmosphere of Earth and the Inner Structure of Earth that uses the Universal Flower of Life blueprint in which electronic and electro-magnetic lines of force pass through every crystalline pod.

The Gods of Earth had to turn off 63% of these crystal pods because of wars and destructive technology on the planet.

THIS GREAT UNIVERSAL POWER GRID IN THE 33 CRYSTAL CHAMBERS DEEP WITHIN THE HIMALAYAN MOUNTAINS WILL BE TURNED BACK ON AND FULLY ACTIVATED ON DECEMBER 28, 2012 BY 3 PM GREENWICH TIME.

This has been decreed by the Goddess of Venus. The Lords of the Flames of Venus will stand around the Himalayan Valley so that destructive forces can never gain access.

All lines of force on our planet will be reconnected and all sacred geometries and sacred sites will be activated to release the Divine Plan of the 7th Golden Crystal Age to turn the Light back on to this planet.

The above information is taken from a transmission given by the Goddess Himalaya (who has been protecting these crystal chambers) to the Radiant Rose Academy on November 9th 2012 through Usa, their Accredited Messenger.
