As a reminder: Tara & Rama are the official spokespeople for Faction 3
We are grateful for what they do for us, and for everyone's financial support

Astrology: Annie Rose

- Mercury is retrograde until the 26th; so we have potential for more incomplete communications
 - Aquarius: People can be upset by a woman - unintentional slights can occur
 - Pisces Tues, Wed, part of Thurs: last minute unexpected guests, or forgetting someone, or someone being late - Wed, Thurs will be hectic for everyone!
 - There could be a world-shaking event on Wed or Thurs of this week
 - Be careful driving: people are "nutsey" these days while driving
 - Friday 23rd will be a jovial time, also Saturday - Thanksgiving will bring out a new mood for people
 - There is a +ve aspect to Mercury retrograde: **take advantage of it**
 - people have a change to re-new relationships - friends, family
 - old projects which have been dropped: will have a chance to finish things or re-do things
 - There will be some happy people on the 23rd!
 - Next Wed, Thurs: Finances will play an important part in our lives this weekend
 - Be careful of unintentionally hurting someone's feelings, or of being hurt by someone else [not on purpose] - don't take it personally, will be accidental
 - Thanks to Cathy for the meditative opening - allows her to relax with us!
 - Avoid haste, particularly until Dec 13th - think things through; review the plans carefully
 - Uranus is retrograde until Dec 13th - it is also a change agent; be sure and think of what effect your ideas for change will have on others
 - Feels there will be more news nationally: thinks the President needs prayers - will be facing more problems than he ever thought he had
 - Don't judge people in Washington by what you hear or read: take a moment and offer a prayer - all kinds of help needed to help the country
- T:** how does the change in the sign - sun going into Sag - affect Mercury retrograde?
- AR:** Neptune also represents dreams, ideas, idealistic things: with Mercury retrograde, you might reach for the stars and grab the moon by accident!
- Scorpio is the sign of sexuality: they remain the youngest, the strongest, the longest in life -
 - when you go into Saggiarius, people's energy level is so much higher than Scorpio: will rush out and tell people about what they heard; Scorpio mulls it over to find out if it's true Sag is more susceptible to just running with it!
 - Thanksgiving Day, early in the morning, when sun goes into Sag: hopes there will be no more surprises from those who do not have America's best interests at heart
 - Can't emphasize enough that it is very important to give thanks for what we have: we ALL have something to be thankful, grateful for
 - We still have to recognize that prayer and meditation work - need a serious attitude about our country and also about the welfare of the world

Caller: asks about his future will be like; what he will be doing?

AR: a Pisces: the eclipse will have a 6 mos effect: shedding of old things and getting on with new things

- feel it's about his home: cleaning out closets, throwing things out - will come on suddenly

- has not been realistic about keeping things that are needed - stockpiles stuff
- Will be re-thinking things and putting priorities in perspective
- Personal life will be getting much better
- More satisfaction in personal relationships - you are loved! Remember that on Thanksgiving

Caller: being careful about going out next week: just for Pisceans or for everyone?

AR: speaking to everyone: Wed & Thurs will be under negative aspects for travel - drive carefully!

- Travel will be in the news, also fires
- For Pisces: don't take things at face value: don't feel that someone is criticising - she feels a lot of love around him and that he might not recognize the love of his friends - think about how the persons meant what they said

- Everyone: be careful how you present things to others: things might not come from people as they meant it

MR: people will be with their families at Thanksgiving: a good time to heal things that were left undone in the past

AR: time to renew relationships, and heal relationships

Caller: lost the lease on her business; has to be out by end of month

- going to go elsewhere - a good idea?
- Also, she has a lot of kitties: can't find anyone to take them, does not want to take to the pound where they will be put down

AR: will probably be able to find homes between Nov 26th - 29th; talk to talk show hosts; put signs in various places

Caller: talked to the vet at the new location: the receptionist not hopeful

AR: sees a man and he is not out of state; you will take 3 with you [caller agreed!]

- try the little towns around you: someone will help you
- there is a no-kill shelter: caller says it is full
- The man will help you by putting you in touch with the woman who will help you

Caller: he is in next town over

AR: for any kind of animal help: say your intentions to St. Anthony of Assissi - helps everyone!

Caller: will the move be good for business?

AR: yes. You will move and then find another place you like better.

Caller: son went to Florida, found a part-time job with Apple - as she said

Asks about Gemini - 1958, June 22nd.

AR: June 22, 1958 is day caller becomes a Cancer

- have intellectual positive traits of Gemini
- family, home mean an awful lot as a Cancer
- one of biggest wishes is that family remains close
- in the next 4 months, you and son will grow closer - the job he took is good fortune for him the higher up he goes and experiences, the closer he will be to the caller

- Caller has been going backward to find out things as a child

AR: when go into meditation, **always ask** to be protected by the light of the Supreme Creator

- So any spirit sending a message is a positive one and every message will be of the truth which is what we are always seeking
- Try to do at same time every day

Hard News:

T: please call on neighbours and friends to join us, and to help: it is most challenging time

- a miracle: someone from Canada paid the entire rent!
- Let's get more to give to pay the radio bill - go to BBS Radio, Station 2 - to Stargate Roundtable and donate

T: Israel bombing Gaza again; people are not being informed of that it is **NOT HAMAS THAT IS SENDING IN THE ROCKETS - IT IS BLACK OPS - ISRAELI MOSSAD !**

- Three Israelis killed, including a baby. Can only deal with this when we learn to praise, respect, thank and love
The arrogance!
- Now Egypt is in the Sinai and is ready to attack Israel!

R: today has been difficult: lots of tears - he goes to Gaza every night and is with the millions of others who beam down: they pick up body parts, put them on the transporter and are beamed up on the ship - and the entire person appears, wondering what happened?

- He has been questioning about the reality he is in: a difficult day today and spoke with **KOS & Katherine:** crying his eyes out, saying I am at a crossroads; I have been mandated to bring this news, but the crossroads I am at, I can't complete my mission in the moment: I am 25 miles to empty, we have little food, bills are piling up; getting pretty freaked out - asked KOS for help
 - **KOS** said: bring this to the circle - neither the King or anyone in Faction 3 can help them because of the surveillance, the danger it would bring to them
- Rama has been wondering about why he is here, what difference is he making? These issues are coming up in his emotional body: he only speaks of this rarely - yet what he sees in Israel, Gaza, Aleppo, Syria; Libya, Bahrain;

T: the story about Benghazi is not about sex, but about murder; Petraeus masterminded 4 military attacks on Benghazi from April to the time the ambassador was killed

- he also did some things in Afghanistan: torturing, killing children, having them for dinner, folks!
- Goes back to Be-tray-us - he is a war criminal- took over from Tommy Franks;
- The story about Jill and Paula: they are one and the same: on Ed's show John Nichols said the lady is a high class present day Mata Hari [named after a spy during the 20s and 30s, connected to Riley, Ace of Spies which brings in St Germain - he WAS the Ace of Spies!]
- Petraeus has volunteered to testify before the committee tomorrow; also Hillary
 - the story of Miss Hillary is coming into play where all the crimes go back to Whitewater, Kenneth Star
- David Brock created Media Matters.org with Susan McDougall - has to do with the secrets back to Arkansas and drug running: Winthrop Rockefeller gave Bill a million dollars and said go play in the markets - let's see what you can do!
- The stories about the lunatic fringe on the right, the Tea Bagger who have declared him the Anti-Christ and moving to start impeachment hearings - brought all of this up to KOS and Katherine
- Senator John McCain - also known as Panama John - he is a war criminal too - killed unarmed civilians in Panama and Viet Nam - like Lindsay Graham

Randi Rhodes: RR told the story. John McCain showed up at Pat Tillman's funeral: Pat was shot in cold blood because he was going to speak about 9/11. It was not friendly fire!

- John was asked by the family for help, and he turned on his heel and left.
- He might skip the hearings: Congress might declare him in contempt of Congress.

- If Hillary does not show up, she too can also be declared in contempt

T: They all did Benghazi; and WMDs; he was the mastermind about dropping drones on people - all needs to come out now

R: said to **KOS** that all this stuff is in his face: he accepted the mission to spread the word about the New Age and tell the stories: this has been a real challenge for Rama; today has been very tense:

- he asked the King if he needed a sign to stand in front of Albertsons and ask for help: he knows this is just a moment in time yet we need help!!! And at the same moment the entire planet is getting the help it needs.

T: some positive news

- Recalls Thom Hartmann's words about Jefferson and upgrading the Constitution
- Nov 13th is date of the article; www.WeeklyWorldNews.com [SEE BELOW]
- **KOS** said this paper puts out ideas that won't see anywhere else
 - Remember movie "Michael" with John Travolta? A story about an angel in a tabloid trash paper and it turned out to be true!
 - Obama said the constitution is out of date: signed an executive order
 - insiders saying he is keeping a lot of old elements, just up-dating it
 - Only president since the founding fathers who has the background to make the changes
- **Supreme Court appointments:** Discussion about the way Supreme Court judges were appointed: selected by George Bush who was not really president as he stole the election
- **Financial plans:** The President will have the ability to enact any financial
- **Lobbyists:** will be outlawed! Gets rid of Mossad Some exemptions: trial lawyers like Mike Papantonio, Bobby Kennedy Jr [environmentalist]; national education associations and unions
- **Representation:** CA, IL, and NY will double the number of representatives
- **Guns, religion**
 - KOS said Obama will not take your **guns** away; no UN troops will show up demanding your guns
 - the **issue about religion:** as all the truth comes out about cultures and understanding - it will be cosmic understanding - as we realize who and what we are as divine beings - has to do with changeover from Age of Pisces "I Believe" and the Age of Aquarius "I Know"
 - we have been living in illusion and much of that has been programmed with no truth; the new time has to do with the Age of Aquarius

T: US has now joined the Keshe space program!!!! This brings in the Sirian, Lyrans, Pleadians & others

- we will be **getting full disclosure** - Armenia, Italy, Iran, and a whole host of countries!!!

Guest: Dr Theresa Dale

- Holiday time is opportune time to work with family issue
- A great opportunity to be with loved ones; want to be clear about things so positive things are created

- emotional issues peak when we are with family
 - Sometimes we have to peel off layers of belief, identities to get past the persona that has been running your life since you were a child
 - Shut off TV etc and go inside: best way to help the planet is to SEE IT HEALED
- We can change things and ourselves: the easiest way to change the world is to change self so that we are not projecting out on to the world our concerns about ill health or negative things
 - An exercise to get people out of victimhood and into empowerment

THE BLISS EXERCISE

- created because she grew up with negativity due to the childhood she had
 - she healed a tumour she had on her uterus by herself, with no help
- It is about taking another person into your heart - look at an image and bring it into your heart - can be done quickly - look at someone even in your mind, animals, plants, any living thing - and bring them into your heart
- Thinking can be destructive especially if it is negative!
- As you bring people into your heart, their attitudes change
- She did the process with a family member over two weeks and they will shift and you will shift.
- Expand your heart space: every time you see a cat, a dog, a broccoli or a field of broccoli, bring it into your heart - keeps you in balance!
- She started this in 1990 - has created all kinds of things using this process!
- You need to see the thing you want to create, the form, the outline; feel it, and be one with the frequency of it: you will create from the soul of what you are, not the personality.
- The truth is there are amazing people on the planet: to empower them to be the best they are, bring them into your heart and RID YOURSELF OF JUDGEMENT!
 - She started doing this with politicians for whom she had no regard.
 - The UN has banned mercury in fillings - she is working on doing this. Now Malibu County has banned it, so has another one - soon the USA will ban it all - Obama is for this!

• FOCUS ON THE POSITIVE THINGS HAPPENING!

- As of yesterday, agreed to count every single vote in CA -
 - need 600,000 votes to pass Prop 37 and a million votes HAVE NOT BEEN COUNTED!
 - What we want to do: see the uncounted votes being counted; see the pile for Prop 37 being twice as high as the against side:
- **Prop 37 is about labelling GMOs** - not allowed in the majority of other countries. Monsanto makes this kind of seed - they stopped counting with a million votes left to count. Letters went to the Governor and now the counting will be completed!

1st book: **Transform your Emotional DNA** - exercise is the BLISS EXERCISE

2nd book: **Revitalize your Hormones** starts with saliva test: tests for all hormones, food intolerances, candida; ENDO PURE works with hormones if people don't want to do a saliva test

- **317-773-0061** MariettaRobert's number; she helps Dr Dale with this work
- Dr Dale uses homeopathic hormones, not chemically made ones

T: a homeopathic hormone can hold a memory for 200 years - what does this mean?

Dr Dale: • Homeopathy has been in existence successfully for over 200 years;
• a homeopathic remedy holds the formula for about 5 years.

Dr Dale: Every thought has a frequency that stores in a system or an organ or a gland -

T: we are in upheaval time due to Mercury retrograde, plus the 3 year thing due to Saturn

Dr Dale: when people get stuck, they experience issues in their lives because they do not want to change

T: Trauma that can freeze-frame a pattern, not just for a life time, but thousands of life time - how do you address this?

Dr Dale: has done it for self and others; has created a process that is taught in the California College of Natural Medicine

there is a process to release the issue and the cellular memory as well

she created this to help get over her childhood - the work on self never stops! Keep going to find out how good can I get my life or my health?

T: doing this brings a new way of sustaining ourselves: the current patterns are about to be dumped!

Cathy: we all resonate with your ideas; we are all working on ourselves

- Liked what she said: you don't have to tell everyone; you can just do it
- when did you feel that you had cleaned up all layers?

Dr Dale: she was 22 when the tumour was diagnosed on top of her uterus; she did not want a biopsy or surgery; told the doctor she would fix it herself & find the answer because she created it!

- She walked down the street in NYC, found a book in a health store, followed the program and in 6 months she fixed it
- Sometimes people create disease to find a way to grow!
- Sometimes people will not empower themselves, just take advice from others - get rid of the fear and go for it!

Her saliva test is different than most

www.Naturalhealingpro.com

about the products

- loves to help people; also trains around 2000 doctors to help them get patients off all drugs etc
- lectures internationally, as well, on radiation on Fukushima;
- Lectures on weight loss, hormone rejuvenation, autism: meets people who have self - healed
- Impossible to get rid of all the layers because we don't know how many there are: we are human - have past lives, cellular memories, DNA
- We could be working forever on the problems on our lives to have joy and bliss - if you find out what gives you joy and bliss, you will have health in your body

T: Just your vibration is so healing! Thank you!!!

Dr Dale: talks about taking the earth into our hearts as it is a living, breathing thing

- adopting a great sense of gratitude for the Mother Earth so it can heal itself - oceans, etc -
- we have to continue to see that the earth is recovering from the ways people are mistreating it
- the earth is our sustenance, and we need to spend more time honouring it in meditation, etc
- allowing stress to overtake you and attack your adrenals, affects & imbalances entire endocrine system - the Bliss Exercise helps prevent that; meditating and bringing earth into your heart stops that
- Need to get the mercury out of your mouth immediately: she has had patients with cancer, muscular dystrophy and multiple sclerosis got better to a great extent when fillings were removed

- A man with cerebral hemorrhaging had 15 fillings in his mouth - while they were being taken out, the cerebral hemorrhaging stopped!
- Patient with 16 root canals and tumours in the neck: took out the root canals, and the cancerous tumours disappeared
- uses only raw, unheated herbs - have to remove the toxicity, change your own attitudes

Pulsed electromagnetic field - a piece of equipment which can heal anything; Shack O'Neill of the Cowboys has one - \$18,000 - \$27,000

Scenar from RITMARscenar - want the ones which go up with the astronauts - it's from Russia

- looks like a remote for TV: diagnoses what you are missing; where you are out of balance and feeds back what you need - works great for scar tissue - can open up the area where the scar is because the acupuncture meridian will flow again
- Learn to be your own healer: give us your saliva and receive a program;
 - you will only get something for short term, not long term - have to muscle test people if do long term stuff
 - Today a report that people are falling dead from drinking energy drinks with too much caffeine in them

Dr Dale: Closes by wishing all all many blessings and healing on every level!

MR: question from various people: is everyone going to make it for Ascension?

Mother:

Greetings in the light of the Most Radiant one; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

T: ask for insight as to the vibrational patterns required for all to make ascension and that the download for the highest good for all to happen here; that we might inspire others to make their own free will choice

Greetings, Children of Ra:

- these moments we are experiencing are the moments we have been talking about for 13,000 years or maybe 26, 826 years as this cycle returns.
- It is about home, about Nibiru: why are the planet's global elite running for the hills?
 - All about the fact that we are in a new vibratory frequency - an entire year is going by in a second! It is only one calendar which ends on Dec 21/12 , yet our firmament is moving from 3D to 5D - **all of you will make it with flying colours** - Nibiru is here, not as an invasion fleet or a seismic activity
- This is NOT ABOUT EXTINCTION LEVEL EVENTS - we all make it! We are from your future which is our past and we have seen the timeline healed: the story about the Reformation Act and the closure of the ancient story of war which goes back to Orion & before.
 - It began 450 billion years ago and then some - in the anti matter universe - it has come full circle
- This is about your ascension the planet's ascension - **GUARANTEED!**
 - This is a place where we are witnessing a bit of the separation of worlds - what the man said: we are moving things forward, not sitting back and boasting about our political capital
 - He is helping the least among us like BO did today: as he went to New York and saw a war zone right in America - brings up many issues about the present day and our present reality:

- the aspects are what they are : we are walking with death on our shoulders all the time -
- This is not a joke, but serious stuff: this is why the one [Rama] went through what he went through today: this is not about death - it is about eternal life; death is our friend & we walk with death every moment; Andrew, the angel of death from Touched by an Angel - something radically has to shift

- This is what the 19.5 man is bringing about; the story he is bringing up is about Scorpio: healing the feelings about what is going on - no accident that Gen Petraeus - the deep undercover sheets of the Benghazi story have nothing to do with sex but everything to do with war crimes - it is quite ugly: sex is never sex; money is never money - always about something else

T: MR said there was an issue about FEMA putting out 420 million meals - a 7000% increase - what is this about?

Mo: a lot of irons in the fire and not all of them based in the Darma and the Sanga, the best things

- there are many who wish this story would twist to the Revelations theme: want to play out the story of Sananda and Lucifer having a wrestling match!
- yet Admiral Sananda Kumara is here with the blessed New Jerusalem: how many zeros after the 40? the same number of ships are here & in neighbouring galaxies - we are well cared for!!!
- this is about the healing of the story that goes back 450 billion years, 65 million years
 - as the story unfolded, and as this dying empire did not use the Gates of Ishtar to enter the city of Baghdad Iraq, they violated the laws of the Jinn. This story has come full circle who will honour the Planetary Prince, AA Michael and the Man with the Plan
- Arab Spring - not yet over, not hunky dory: the story of the people of Palestine being annihilated at the moment: understand that this is about the ending of the ancient, ancient story of our wayward children who usurped this local universe.
 - It has already come to conclusion and we are playing it out in the very last few nano seconds as we race to the date of 21/12/ 12 - this about the energies entering where we will have more than 2 suns in our skies, Nibiru, Sol and more to come; Jupiter already a sun!
- it is not about extinction level events - it is about love

T: gives the numbers - it is 21 years since they met; the reverse of 12

Mo: the sacred numbers; the wisdom of the astrology from Santos Bonacchi - how we go through the doorway of 2012 and on to the next story

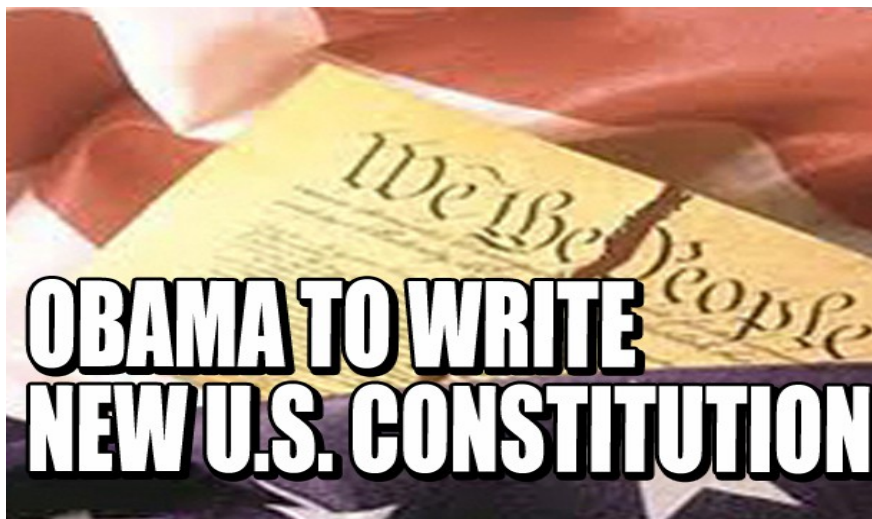

- It is already 2013, going into 2014 - pray for these two [T & R] in these moments as we approach Thanksgiving: the intensity of what is happening - it is the time of giving thanks - we are extremely grateful for all that has been provided and more
- **this is not the end of anything:** just the end of one calendar & the Mayans had more than one calendar
- this is about the entire universe of Neadon as everything lines up with the center of the MWG and the Nexus
- this is about sitting in one of the towers of Mordor: imagine sitting there as the energies of trillions of suns blaze forth and transform Mordor into living light, living love

MR: thanks to Mother, asking for everyone to keep T & R in their thoughts and prayers during this most trying time

Cathy: • asks Rama to step forward into the centre of the circle ; we ask for the infusion of light into Rama, that he be overlighted, under lighted and around-him-lighted with our love

- Asks Tara to step forward into the circle and infuse them both with the love, respect and honour they deserve - we thank you both for your work
- MR please step forward; we thank the three of you for the support you give to all of us over all these years; as you can help the Roundtable, and T&R emotionally, mentally physically spiritually

2012, Nov 12 [OBAMA TO WRITE NEW U.S. CONSTITUTION](#)

By [Frank Lake](#) on November 12, 2012

<http://weeklyworldnews.com/politics/35813/obama-to-write-new-u-s-constitution/comment-page-3/>

WASHINGTON – President Barack Obama reportedly said The U.S. Constitution is out-of-date, so he is ripping it up and writing a new one.

President Barack Obama reportedly told reporters last night that the U.S. Constitution has become a hindrance to progress in America. “The document is so out-dated, that it is now becoming a hindrance to governing the country.”

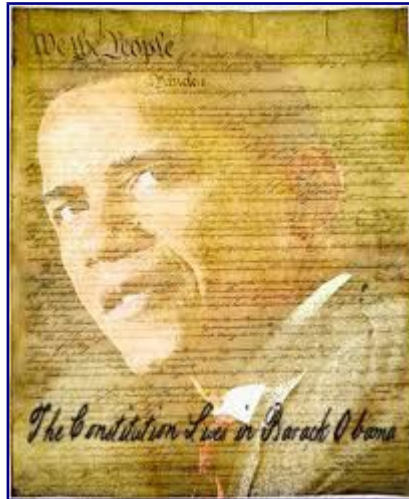

Obama has signed an Executive Order voiding the U.S. Constitution. “We need to move forward. We need change.”

Obama reportedly said he has already drafted a new constitution and that Americans “will love what I came up with.” Insiders say Obama is keeping a lot of old elements from the original constitution “he’s just making it better, bringing it into the 21st century,” said White House Spokesman, Jay Carney.

Many Democrats said that President Obama was a constitutional scholar and probably the only President – since the Founding Fathers – who is qualified to change the Constitution.

“President Obama knows more about the Constitution than any man who has ever lived,” said Minority Leader, Nancy Pelosi. “It’s about time we change that document and we are lucky to have President Obama to do it.”

Republicans, of course, were outraged that Obama would even consider changing the constitution, and they vowed to fight. “We will fight this to the bitter end,” said Speaker of the House, John Boehner, “there’s no way we are going to let the Constitution of the United States be altered even a little bit. If there are changes to be made to the Constitution it should be done the appropriate way – through amendments and we think Paul Ryan and Eric Cantor are the ones to make any changes.”

Insiders say the new Constitution will look a lot like the constitutions of Kenya, France and Soviet Russia.

There are many, many changes in the New U.S. Constitution, but here are a few of the highlights.

- 1) SUPREME COURT – Will now have 11 members, which reflects the growing U.S. population. President Obama will appoint two new members immediately. The President can name a new justice without the approval of Congress.
- 2) EXECUTIVE FINANCIAL POWER – The President will have the power to unilaterally enact any financial policy he chooses, without approval of Congress. He must inform them, but they can not “stop” the President from promoting his (or her) agenda.
- 3) LOBBYISTS – They will now be outlawed. There will be no more lobbyists in Washington. However, there are some exemptions outlined in the New Constitution” : Trial Lawyers, National Education Association and unions. They will all be able to lobby.
- 4) REPRESENTATION – California, New York and Illinois will double the number of representatives in Congress – permanently. “The President feels that the smartest people in the country live in these states, so they should be over-represented,” said a White House spokesperson.
- 5) GUNS & RELIGION – Both will be banned in the United States.
