### Hard News:

**R:** this local universe is participating in this story - going through the rift

**Camp Loveway:** discussed this topic - the stories about what to expect when we go through the rift

- Talked of the 8 minutes when we become the particle accelerators and anything can happen - brought in the story of Joe Rogan who talked of the experience of meeting one of the Sirians, a Pleiadian and an Andromedan on one of his DMT journeys: they told him to spread the story of love
- R goes back to time of Atlantis and the blame game going on then - reminds him of now - we are under the microscope of the rest of the universe as we walk through this journey - be on our best behaviour and speak only love and kindness

**Counterspin:** Guest Jeremy Scahill - issues in Africa and how work proceeds on increasing instability and how the spirit of the continent is rising against these forces - like in Avatar.

- The empire over here has tentacles which are withering, as in Lord of the Rings when Frodo showed up - we are all Frodos saving the day.

R called Jeremy and asked about the Black Widow, one of Mother's paradisiacal daughter who is a 50ft dragon! The Mother of Creation can handle this task!

- This is a tale of epic proportions, as all species are involved: we are 12 rays of living light, living love - no matter what we look like, we all have a story to share.

**Tom the RC Cat** today: quite an intense situation: the shooter in CT - the EU finds the CIA guilty of war crimes - what happened in CT is another straw

**Teran** brought up the subject - Joe Rogan took some DMT, went through a wormhole into a // universe where there was never any war

**Reading:** by now all America has heard about the school shooting - but don't realize it is another False Flag incident - to gain control over people - to kill children to gain - this occurred the same day that a European union court ruled against the CIA

"MKULTRA" redirects here. For other uses, see [MKULTRA \(disambiguation\)](#).

**Project MKUltra** was the code name for a covert research operation experimenting in the [behavioral engineering of humans](#) (mind control) through the [CIA's Scientific Intelligence Division](#). The program began in the early 1950s, was officially sanctioned in 1953, was reduced in scope in 1964, further curtailed in 1967 and "officially halted" in 1973.<sup>[1]</sup> The program engaged in many illegal activities<sup>[2][3][4]</sup>; in particular it used unwitting U.S. and Canadian citizens as its test subjects, which led to controversy regarding its legitimacy.<sup>[5][6][7][8]</sup> MKUltra involved the use of many methodologies to manipulate people's individual mental states and alter brain functions, including the surreptitious administration of drugs (especially [LSD](#)) and other chemicals, [hypnosis](#), [sensory deprivation](#), isolation, [verbal](#) and [sexual abuse](#), as well as various forms of [torture](#).<sup>[9]</sup>

The scope of Project MKUltra was broad, with research undertaken at 80 institutions, including 44 colleges and universities, as well as hospitals, prisons and pharmaceutical companies.<sup>[10]</sup> The CIA operated through these institutions using [front organizations](#), although sometimes top officials at these institutions were aware of the CIA's involvement.<sup>[11]</sup> MKUltra was allocated 6 percent of total CIA funds.<sup>[12]</sup>

Project MKUltra was first brought to public attention in 1975 by the [Church Committee](#) of

the [U.S. Congress](#), and a [Gerald Ford](#) commission to investigate [CIA activities within the United States](#). Investigative efforts were hampered by the fact that CIA Director [Richard Helms](#) ordered all MKUltra files destroyed in 1973; the Church Committee and Rockefeller Commission investigations relied on the sworn testimony of direct participants and on the relatively small number of documents that survived Helms' destruction order.[\[13\]](#)

In 1977, a [Freedom of Information Act](#) request uncovered a cache of 20,000 documents relating to project MKUltra, which led to Senate hearings later that same year.[\[6\]](#) In July of 2001 some surviving information regarding MKUltra was officially [declassified](#).

**T:** the program has never stopped: just got more devious

**Reading:** [Innocent Man Kidnapped, Stripped, Beaten and Drugged in Secret CIA Jail -- Court Rules in His Favor, Against CIA](#) **[SEE BELOW]**

**R:** same day shooting happened, the powers that are taking this to next level were being indicted and they are trying to cover their bloody trail

**T:** question is if this young man actually did it: in Aurora, the man's memory was wiped out - maybe this is more like Columbine. T thinks there was one shooter and it was not him - and they made sure to kill this one; in the Aurora incident, the Black Ops drugged the man at his home and bought the arms and ammunition with his credit card. Who really did kill the mother in Sandy Hook?

**R:** Scahill said there are teams of Black Ops going around creating mischief because the 13 families are on trial. The cabal are re-arranging the deck chairs on the Titanic - this goes with what Z Brezinski said to his friend that the powers of activism are dismantling their dreams of a new World Order.

**T:** sweeping changes in congress, the Supreme Court - Roberts, Alito appointed by Bush were **not lawful appointments** because Bush was not a lawful president

**R:** Al Gore was the lawful president, though he too is a criminal

**T:** Alan Lanzo was the son of a father who was part of DARPA, the cover project for what happened in Japan - DARPA developed the sub hunting video game

**R:** seems the shooter was a serious gamer who played war / killing games all the time

**T:** heard that mother may have killed someone else in the neighbourhood, and then the kid killed her

- Seems that Nancy Champion Lanzo did not work at the school - the weapons owned by her are standard CIA issue; divorced from husband over a year ago and he was CIA, hence her having those weapons. Her brother is a retired policeman

They also ask whether the US has it in for British banks. In the second half, Max Keiser talks to Peter Antonioni, author of **Economics for Dummies**, about the policy of quantitative easing as economic homeopathy - it only works on the grounds that you believe it works - and about the UK monetizing its debt after transferring QE 'surpluses' from the Bank of England to the Treasury.

In 1994, it was issued as a booklet in both English and Burmese.<sup>[7]:88</sup> Since that time, there have been several additional English-language editions and translations into more than 30 additional languages.

Says it's a messy chart!

- A T-square that will not go away for awhile = the trials and troubles we are going through right now are growing pains!
- Mercury in Venus: the left and right sides of the brain; under the T-square is a good trine from Uranus to Mercury and Venus; Mercury in Sag - indicative of downloads we are getting from Divine Will
- Uranus now direct - things should pick up speed and move forward
- Pluto is energizing Uranus, Chiron, Neptune, the moon tonight - looks like an upside down cup, pouring out to the east - Jupiter is opposite Mercury; also a pair of conjuncts which are a YOD [the finger of God] which will maximize around 21<sup>st</sup> / 22<sup>nd</sup> - this kind of energy means we will be assimilated!
- The energies are building in this formation and will be with us all week - pointing to / and with the expansion energies - all good! Venus going to Sag
- Sag is very important it is the energy of the traveller, the explorer, the investigator - the sun is close to the alignment with galactic centre as heard in the 70 minute YouTube - a good presentation.
- Mars is by itself in Capricorn
- think of 21<sup>st</sup> as a five day energy event!!!! Jupiter is working with every planet tonight, except the sun and Mars. The amplitude is up; the amps are up; Uranus gone direct - Jupiter shining on all the subject material means there is no place to hide.
- Got his 2013 astrology calendar: when Jupiter goes direct Jan 30<sup>th</sup>; it's still retrograde - it will act like the opening gunshot of the horse race!!! Will unleash forward progress; we have been under retrograde conditions for a long time: **Jan 30<sup>th</sup> to Feb 16<sup>th</sup> NO PLANETS RETROGRADE**

- Pluto is direct now, goes retrograde on Ap 12<sup>th</sup>; next one is Feb 23<sup>rd</sup> Saturn Feb 18<sup>th</sup>; Pluto Ap 12<sup>th</sup> and 2 others. Once Jupiter goes direct, more and more people will wake up!

**Caller:**

**T:** she was the one who said this is the straw that is breaking the camel's back - everyone is calling it evil from David Cay Johnson to Sibel Edmonds - on RT TV Abby Martins show: Breaking the Set. Sibel did not mince words: this is completely evil; they also lied and pre-meditated 9/11 - what she cannot do is say anything good about Barack - **what she was saying about him was really about Hillary**

**Caller:** asking about medical examiners' report about being killed by rifles

**T:** there were 4 automatic weapons that were found; the glock could shoot 100 rounds. Sacha Faals said it was an MK Ultra program & for once, is on the money. Newtown is a major hedge fund town so the people are super wealthy - shooter's father was a CIA agent. Reminds us of Aurora shooting and that we still have not had the truth of what happened there. The shooter in CT was dressed same as one in Colorado: another Black Ops posing as a person; the CIA was just indicted by the European Court - this was pre-planned to coincide with the ruling of the European Court

**Caller:** would it also have to do with the banking situation?

**T:** yes! Max Keiser & Stacey Herbert are great - funny and on the money, so to speak!

- Only took **one day for the truth about this being a Black Ops to come out**

**Caller:** was the Oregon mall shooting tied in?

**T:** spoke of this being a failure because it was stopped! Yes, it is - all of those people are just being used, just like in Syria. Z Brezinski said that current protest movements are undermining progress of the NWOrder

**Caller:** did you get the ink? Yes! Arrived intact.

**T:** talks of re-cycling and about idea of going back to using hemp as the founding fathers said - speaks of producing fuel out of algae which is not so far-fetched when we know oil comes from algae - has Rama heard about making fuel from carbon dioxide?

**Caller:** plants breathe CO2 and keep the air clean! Rain forests are being destroyed - has unbalanced the eco-system.

**T:** over half the cars in Brazil are built to use bio-fuels, which is made from sugar cane.

**Caller 2:** Re: Mt Magazine in AK and the pyramid at the bottom of it: • Blue Mountain Lake has been drained because of the drought - there is no pyramid!

**T:** it was there! Thousands have seen it: maybe the Ashtar Command translated it out of there. It was at the bottom of the lake; on a sunny day you could see it at the bottom of the lake.

**Caller2:** when she was at the hotel, the Army Corps of Engineers were there - asked the waiter what happened - seems the reservoir lake was drained to do repairs? Seems odd. There is also a pyramid at Lake Titicaca

**T:** the sun disc is not there: it is at the Monastery of the Seven Rays ; the one in AK is not comparable to what is in Lake Titicaca which is the highest lake in the world

- People don't realize that the cause of the drought is result of weather-manipulation

**Caller2:** it is awful to see this - plan is to refill it when the water returns

**T:** the Poconos in Pennsylvania had the same gorgeous Eden-like environment as in AK before the drought

**Caller3:** ref to Amy Goodman and Leonard Pelletier - nothing to lose by transmuting Pelletier's sentence

**T:** only way Barack can do it is to get the criminals out of there!

**Caller:** he is innocent - a good idea for people to intercede with their representatives to move Obama: he did not do the murders:

**T:** could also transmute the sentence of Jahmal: he did not murder a policeman in Philadelphia - KOS said everyone is going to get out of jail or at least most of them - 70% are there for non-violent crimes, and marijuana is the least of it. In some states, stealing a candy bar and getting caught 3x get jail for life, yet the banksters get nothing.

- Thom Hartmann's assessment: Inequality, lack of mental health care, guns - 3 problems wrapped up in one

**Caller:** where he works, he sees assault weapons - and they are glorified as well

**T:** will all change at the same time: KOS confirmed that this shooting in CT is the straw that breaks the camel's back. The only use for an assault weapon is killing people On Friday, they played about how the body and mind is screwed up with anything that is not vegan living - this is the outstanding thing about Jeshu's life - the Nazarene Essenes were radical: he would not chop down a tree: they lived on the side of Mt Carmel in tents

**Caller3:** The Templar Revelation - interesting about Jesus being trained in Egyptian mystery schools

**T:** when Herod was killing kids when J was 2, they travelled on land speeders in underground tunnels and lived in Egypt; eventually they went back. When Jeshu and Magdalene had first child [Lady Di in this life], they went to Mt Carmel - inside the mountain was an access to the Agartha network and they went to Egypt and the Kings Chamber for teachings from the Ashtar Command. T & R have been accessing materials from the internet and of course they live with Mother 24/7 who drops pearls; also they have **The Keys of Enoch** and **the Pistis Sophia**, backed by the Nag Hammadi Dig

- Lady Di and Dodi go from monastery to monastery in the Hindu Kush where there are volumes of material written by Jeshu and Magdalene - some of them are as big as 3 ft thick and 2 ft tall;

- Greg Braden was allowed to make slides and take pictures. When they lived with Mark, T &

R saw the slides!

**Caller:** still struggling with his own life

**T:** keep on your discipline! Important to change diet - your parasites will not let you change because they only want an acid diet.

- To clean out the parasites: juice fasting, fresh, organic juice fasting - there is no lack of nutrients there. On a regular basis, as you receive enough nutrients, will only need a meal a day -
- She eats raw fruit in between and takes mago 7 and sulphur - most damaging thing is to overeat - brings back the parasites;
- She also takes diatomaceous earth [food grade] - heaping tablespoon in the morning - parasites do not live with that stuff! Even radiation will not live with that stuff

**Caller4:** current piece about Hillary and her health - the photo looks like she's 20 years younger - curious - is this a way to keep her from going?

**T:** there are at least 15 look alike clones; back in '97 when David Rockefeller Sr was killed - KOS had a 72 hour private interview with Pope Paul 11 - as a result, went to SA and killed 100,000 orcs / borgs - he was a solid hologram! He could show up in a 100 places and get it all done in the name of the NWO

**Caller:** the energy from 12/12/12 is peaceful; a lovely energy

**T:** a delight to have their anniversary on the same day - they did a ceremony on the next day at a ranch - "Let the River Run" by Carly Simon - on the day before Dec 12, Mother had Susan Leland play that song on Dec 11<sup>th</sup> in honour of Dec 12<sup>th</sup> - theme song of a movie "The Working Girl" - Carly Simon is totally awake!

- The most powerful of the 12/12/12 is the energy of Dec 3<sup>rd</sup> which eclipsed the ability of the Illuminati to draw on their black magic - so the energy building up to the 12/12/12 was totally available for us to draw on. And 12/12/12 is the true ascension day!
- Wherever the pyramid went, it will be safe and still transmitting energy. The crystals are alive: the great crystal was crushed and what we are doing is rebuilding that energy etherically
- We came from the Pleiades and a 12<sup>th</sup> dimensional matrix of ourselves. As we moved through the 7<sup>th</sup> super universe which was a co-creation; we had to re-create everything and Metatron had to rebuild us a couple of times! We had access to all the powers and had to learn how to use them - Rama was channelling Jehovah and was so angry at him -
- We wanted to co-create a universe and Mother said OK but there is a Prime Directive - you will have consequences based on what you do . As you do things that are not in alignment, things will get worse and worse and worse. The opposite is also true:
- T realized that Barack was not crying just for the children and the parents in CT: he knows how many times he almost lost his own family due to Hillary and actions taken out of their time-space continuum
- it is a misuse of power which is what evil is - we are getting our powers back with the knowledge and wisdom with the precise and timely knowledge to use them.
- Talks about Sibel Edmonds on the Abby Martin show and what Sibel Edmonds did and saw as a translator and why she became a whistleblower

2012, Dec 14 **Innocent Man Kidnapped, Stripped, Beaten and Drugged in Secret CIA Jail -- Court Rules in His Favor, Against CIA**

<http://msnoworldorder.co.uk/newsblog/378-innocent-man-kidnapped-stripped-beaten-and-drugged-in-secret-cia-jail-court-rules-in-his-favor-against-cia>

The European Court of Human Rights has ruled in favour of a German citizen, after finding he was an innocent victim of extraordinary rendition by the CIA.

Macedonia was ordered to pay Khaled el-Masri \$78,000 on Thursday for arresting him and handing him over to the US in December 2003. El-Masri spent five months in secret CIA jails for suspected links to armed Islamist groups.

The decision is a victory for El-Masri who has been trying in the US and Europe to get authorities to recognize him as a victim.

El-Masri, a German citizen of Lebanese origin, was arrested, held in isolation, questioned and ill-treated in a hotel in the Macedonian capital Skopje for 23 days, the court's press service said. He was then transferred to CIA agents who brought him to a detention facility in Afghanistan, where he was further badly treated for over four months.

The European court, based in Strasbourg, France, ruled that El-Masri's account was "established beyond reasonable doubt" and that Macedonia "had been responsible for his torture and ill-treatment both in the country itself and after his transfer to the US authorities in the context of an extra-judicial rendition".

Macedonian authorities said they would not comment until they are formally notified of the ruling. The Macedonian government has denied involvement in kidnapping.

**'Milestone'**

El-Masri claimed during the flight to Afghanistan, he was stripped, beaten and drugged. His ordeal ended when he was eventually dumped on a road in Albania after the US realized they had got the wrong man.

Though the case focused on [Macedonia](#), it drew broader attention because of how sensitive the CIA extraordinary renditions were for Europe.

The operations involved abducting and interrogating "terrorist" suspects without court sanction in the years following the September 11, 2001, attacks on the US, under former President George W Bush.

A 2007 Council of Europe investigation accused 14 European governments of permitting the CIA to run detention centres, or carry out rendition flights, between 2002 and 2005.

Amnesty International said the verdict was historic because "for the first time it holds a European state accountable for its involvement in the secret US-led programmes and is a milestone in the fight against impunity".

"Macedonia is not alone," it said, in a joint statement with the International Committee of Jurists.

## 12-21-12 ~ The New Golden Age of Light

<http://pleiadianlight.net/12-21-12-the-new-golden-age-of-light/>

[http://www.youtube.com/watch?feature=player\\_embedded&v=RGlkw9RBKT4](http://www.youtube.com/watch?feature=player_embedded&v=RGlkw9RBKT4)

### 12-21-12 ~ Alignment to the Galactic Center and the Cosmic Heart of all Creation

On December 21<sup>st</sup>, 2012 one of the greatest, unprecedented and most glorious events of Light is to occur as we align to the Galactic Center, experiencing our true radiance as these sacred transfiguring Flames of Divine Love through the Cosmic Heart of All Creation. This unparalleled activity of Light orchestrated from On High, has been prophesized and foretold by the Company of Heaven and its many Disciples over eons and eons. Humanity is about to officially enter into the Golden Age of Light as One Awakened Unified Cosmic Heart through the energy of Divine Love pouring forth from their heart centers and reflected through the Love of all Creation. In this Galactic Alignment of Light, all Life is moving up an octave, and by the Grace of God, One Unity Consciousness is again to be experienced as all planets, suns and cycles align through this Cosmic ascension cycle, occurring once every 25,556 years.

Overlighted by the Company of Heaven, Mother/Father God and our Beloved I Am Presence, we experience this alignment of Light through the Galactic Center to the Inner Earth Sun, the Sun, Central Sun and Great Central Sun, amplified through the Solar Flares, Photonic Rays and super-electron. This electromagnetic pulsing of Divine Light further assists in activating our Light Bodies/Merkabas and the Light Body/Merkaba field of Mother Earth as our Sun becomes the Central Sun and Mother Earth, the Spiritual Sun for this Solar System.

Our Light Body/Merkaba is a living, organic Divine Intelligence, powered by our Beloved I Am Presence working in alignment with Mother/Father God. As we receive the amplified Light frequencies through the Photonic Rays of Light from the surrounded stars, solar systems and the Galactic Center, we convert this Light energy into electrons and spin the sub-atomic particles within our bodies in increased Light frequencies. Photons, which are formed through the collision of an electron and its anti-particle opposite, the positron, produce two quanta of Light. And the super-electron is a Life activating force which impulses the transmutation of the positron on the lower dimensions. The Photon Rays of Light, which we have been shifting into and out of on this Earth plane, have been stimulated through the super-electron, and manifest as Photon Rays of Light using the sub-electron on our Earth plane. For the earthly electron is a sub-electron within the super-electron, the sole electron of our Multi-Universe. These Photon Rays which we have been experiencing further facilitate the clearing of karma, which is one of the reasons why so much clearing has individually and collectively taken place on Mother Earth. And now, in this grand Galactic alignment of Light, we experience this Gateway of Divine Love, into the Cosmic Heart of All Creation in non-duality and One Unity Consciousness, amplified through the energy vibration of the Photon Rays, now experienced through the electron, a much higher vibration of Light than we have currently experienced on this Earth plane.

Additionally, to connect to all dimensions of Light available to us and assist in the Planetary Merkaba activation of Mother Earth and all her Life into this Golden Age of Light, the Legions of Light from On High will activate 33 Cosmic Stargate Portals of Light within and around this earth plane. The number 11 is the Christ Consciousness sacred number for this earth plane and both 12-12-12 and 12-21-12 vibrate to the master number 11. 22 is the master number vibration for the fourth dimension, and 33 the master

number for the fifth dimension, taking us into the new Earth Templates of Divine Love. A particular time space vibration encapsulates each dimensional level, and until the Monadic Consciousness of our Solar System expands to the next level of dimensional consciousness or our own multidimensional Selves expand to the next dimensional level, we are unable to move beyond these ring-passeth-nots. However, by the Grace of God, this Galactic alignment of Light takes us beyond the ring-passeth-nots into the new Earth templates through the Galactic Center, as we access multidimensional realities and our past and future Selves through the Christed Timelines and experience a Now moment of incredible bliss, Divine Love and One Unity Consciousness.

These 33 Stargate Portals of Light are also directly connected to the 12 major vortices and Crystalline Cities of Mother Earth as well as 21 Spiritual Retreats of the Ascended Masters, Archangels and Mighty Elohim. Additionally, the 33 Stargate Portals of Light are connected to the 33 Cosmic Christ Holographic Discs, 13 major and 20 minor. These Silver Cosmic Christ Holographic Discs take us into the Christed Timelines and these fifth dimensional frequencies of zero point energy, the energy of Divine, unconditional Love and the everpresent Now. The Cosmic Christ Holographic Discs are activated through the spinal column, through the 33 vertebrae within the spinal column. This first activation occurred on January 21st 2012, and this last activation occurs on December 21<sup>st</sup>, following the activation of the 33 Stargate Portals of Light. The Cosmic Christ Holographic Discs are essentially high-vibrational templates which carry the mapping, remembrance and restoration of the Cosmic codes for our multi-dimensional bodies. In activated the Cosmic Christ Holographic Discs within the body and within the Unity Grid, we are creating and affecting change within our own bodies through the central nervous system, meridians and chakras, while activating the major chakras and vortices of Mother Earth to assist in the ascension process. Additionally we have been building our bodies of Light and creating the Group I Am Avatar Blueprint of Light.

In this Galactic alignment of Light, we are invited to assist thousands of Planetary Light Workers, starseeded ones and the entire Company of Heaven as one of many groups of 144 000 Christ Conscious Beings of Light and sacred transfiguring Flames of Divine Love. As we experience our Light Bodies/Merkabas and the Golden Flame of One Unity Consciousness within our Heart's Temple and the Cosmic Heart of Mother/Father God, we lift the vibration of Mother Earth into the new Earth Templates through the 144 Unity Grid of Divine Love, so that all Life may potentially experience this Golden Age of Light.

### **Invocation for the 12-21-12 alignment to the Galactic Center**

I call upon the Overlighting of Mother/Father God,  
the Pleiadians, the Sirians, the Andromedans and the Arcturians, all of the Light,  
the Archangels and Angels, the Trinity Lords of Light, Lord Michael, Lord Metatron and Lord Melchizedek,  
the Chohans of the Rays: El Morya, Kuthumi, Serapis Bey, Paul the Venetian, Hilarion, Sananda, St.  
Germain, Lady Nada, Mother Mary, Allah Gobi, Quan Yin and Pallas Athena,  
the Mighty Elohim,  
the Melchizedek Brotherhood of the Light,  
Lord Buddha, Sanat Kumara, Helios and Vesta and Lord Melchior,  
the Mahatma, the Cosmic Avatar of Synthesis,  
and all other Beings of Light I personally acknowledge,

as I now merge with my Beloved I Am Presence, the Highest Light that I Am within the Cosmic Heart of Mother/Father God.

I now find my Self on the Unity Grid of Divine Love,  
connected to the Light Workers, Starseeded One, and all the Beings of Light from On High assisting in  
this grand Cosmic Galactic alignment of Light.

I now experience the actualization and integration of the new Earth Templates and geometries of Light,  
that were activated through the 12-12-12 Initiatory Gateway of One Unity Consciousness,  
receiving the emanating Liquid Light crystalline star codes and vortex templates from the crystalline  
vortices, leylines, sacred sites and portals of Mother Earth,  
as the new crystalline geometries of Light are actualized within the Unity Grid of Divine Love.

I now align into the Inner Earth Sun, the Sun, the Central Sun, the Great Central Sun,  
and now the inner Sun within my heart,

as the 33 Stargate Portals of Light are activated by the many Legions of Light from On High.

I now connect into all the major vortices and Crystalline Cities of Light of Mother Earth that I am  
aware of, or connected to, in this Galactic Alignment of Light.

I now connect to the Spiritual Retreats of the Ascended Masters, Archangels and Mighty Elohim that I  
am aware of, through my connection to these Beings of Light.

I now anchor and activate all 33 Cosmic Christ Holographic Discs,  
13 major and 20 minor,  
through the 33 vertebrae along my spinal column.

I gently move my body from side to side and backwards and forwards, facilitating the process of the  
cerebrospinal fluid and the recalibration of my sensory system, central nervous system, chakras and  
meridians.

I now activate my Light Body/Merkaba to the fifth dimensional Templates of Divine Love.

As I bring a focus to my energy field, I create a radiant Golden Flower of Life 54 feet in diameter  
around my Self.

And now within this, I create a beautiful silver-gold sphere 10.8 feet in diameter around my Self.

I now visualize three super-imposed star tetrahedrons within this silver-gold sphere of Light,  
all the exact same size, superimposed over one another.

I now spin my emotional body star tetrahedron in a clockwise direction within this Golden Flower of Life,  
at the same time spinning the mental body star tetrahedron in a counter clockwise direction,  
as I now recite the following Fibonacci ratios and God speeds of Light:

8/5, 11 times God speed to infinity,  
13/8, 22 times God speed to infinity,  
21/13, 33 times God speed to infinity.

And now, my Light Body/Merkaba field is activated to the speed of the fifth dimension, to the new Earth Templates of Divine Love.

As I experience my Self in Divine Love, in the radiance and magnificence of my Self as this sacred transfiguring Flame of Divine Love,

I now connect to the Group I AM Avatar Consciousness of Light.  
To the Highest Light of all Humanity,  
and to all the Light Workers, starseeded ones and custodians to this sacred earth.

And now, through the Group I Am Avatar Consciousness of Light,  
I find my Self connected to one of these 33 Stargate Portals of Light,  
working in groups of twelve with my Soul and Star families of the Light and the many Legions of Light from On High.

I now assist in bringing in Pillars of Light from the higher dimensions through these Stargate Portals of Light,  
as I clear the lower dimensions frequencies on this earth plane,  
and wrap Mother Earth and all her Life in this beautiful Golden Flame of One Unity Consciousness.

And now, the ray qualities of wisdom, devotion, illuminating intelligence, Love, power, harmony, peace, equilibrium, creativity, forgiveness, compassion, enlightenment and One Unity Consciousness are activated and actualized through the Unity Grid of Divine Love.

As I experience this Galactic alignment of Light, and the Photonic Rays, Solar Flares and the super-electron,  
I now assist in the Planetary Merkaba activation of Mother Earth's Light Body.

As a bring a focus to Mother Earth,

I visualize the star tetrahedral shapes as they are connected to Mother Earth's etheric, emotional and mental bodies.

I see the base of the top tetrahedron connect with Mother Earth at the latitude of 19.5 degrees south, and the base of the bottom tetrahedron connect with Mother Earth at the latitude of 19.5 degrees north. And now I visualize all three star tetrahedral shapes within Mother Earth's physical body of Light.

The Brotherhood of the Light now brings in warps of Light in etheric crystals,  
and implant these within the electromagnetic grid of Mother Earth,  
so she may vibrate at a higher frequency and maintain her electromagnetic balance through this

Planetary Merkaba activation.

The collective Christed Light all Light Beings from all dimensions now bring in the seven healing rays,  
the chakra color frequency ray spectrum of sounds and colors and geometries of Light,  
to assist in lifting of the consciousness of all Life on this Earth plane,  
within the Cosmic Law of Free Will.

As this spectrum of healing colors shines upon Mother Earth's Body of Light,  
I now chant the holy words of *Kodoish, Kodoish, Kodoish, Adonai, 'Tsebayoth,*  
Holy, Holy, Holy, is the Lord God of Hosts.

And now, the White Light of Christ appears around and within Mother Earth,  
creating a deep remembrance of One Unity Consciousness.

And now, Nature Intelligence assists in creating an involutory and evolutionary balance between  
Nature and Humanity on this Earth plane.

And now, as I link to the entire Company of Heaven, the planets, stars, solar system and numerous  
Galaxies of Light assisting in this dimensional shift of Light,

I assist in activating the Light Body/Merkaba field of Mother Earth.

As I breathe with Mother Earth,

I bring a focus to the equator.

And now, a huge disk of Light, 9 times the size of Mother Earth forms at the equator.

And now, I visualize Mother Earth's emotional and mental body star tetrahedrons spinning with this  
disc in a clockwise and counter clockwise direction respectively,

as I now recite the following Fibonacci ratios and God speeds of Light:

8/5, 11 times God speed to infinity,

13/8, 22 times God speed to infinity,

21/13, 33 times God speed to infinity.

And now, as Mother Earth's Merkaba field activates to this fifth dimensional frequency of Divine Love  
through the Galactic Center,

I merge with every single Being of Light that has been assisting in the Planetary Merkaba activation of  
Mother Earth,

including every single band of consciousness on this Earth plane,

that through the Cosmic Law of Free Will,

has chosen to experience Solar Christ Consciousness,

and this Golden Age of Light.

I now find my Self back in my sacred space,  
grounding into the Crystal Heart of Mother Earth,  
and the Cosmic Heart of Mother/Father God.

I now bring a focus to this beautiful Golden Flower of Life, 54 feet in diameter around me,  
and my activated Light Body/Merkaba,  
holding all the new Earth Templates and geometries of Light.

I align once more to the Inner Earth Sun, the Sun, the Central Sun and now Great Central Sun,  
as I come into my Heart's Temple, and the Golden Solar Sun Disc of Light within my heart,  
experiencing and feeling my Self through the Center of Creation,  
in Divine Love and One Unity Consciousness.

I experience this Golden Age of Light.  
as a Christ Conscious Being of Light,  
a sacred transfiguring Flame of Divine Love.

I Am One with all Life

I Am That I Am.

Signing the Declaration of Independence

## The Speech of the Unknown

**From the Editor of Reverse Spins:** The following is taken from *Washington and His Generals: or, Legends of the Revolution* by George Lippard, published in 1847. The signers of the Declaration of Independence sat in Independence Hall at Philadelphia, contemplating losing their heads or being hanged. Their courage wavered. The document sat there unsigned. An extraordinary catalyst was needed to move them to action. An unknown man rose and gave an electrifying speech. He disappeared soon after.

By signing the Declaration, all were guilty of high treason under British law. The penalty for high treason was to be hanged by the neck until unconscious, then cut down and revived, then disemboweled and cut into quarters. The head and quarters were at the disposal of the crown.

No wonder they wavered! No wonder they discussed back and forth for days on end before signing the document that carried so grave a penalty. An old legend dramatizes the story of the one who galvanized the delegates and gave them the courage to sign that document.

But still there is doubt—and that pale-faced man, shrinking in one corner, squeaks out something about axes, scaffolds, and a—gibbet!

"Gibbet!" echoes a fierce, bold voice, that startles men from their seats—and look yonder! A tall slender man rises, dressed—although it is summer time—in a dark robe. Look how his white hand undulates as it is stretched slowly out, how that dark eye burns, while his words ring through the hall. (We do not know his name, let us therefore call his appeal)

### THE SPEECH OF THE UNKNOWN.

"Gibbet? They may stretch our necks on all the gibbets in the land—they may turn every rock into a scaffold—every tree into a gallows, every home into a grave, and yet the words on that Parchment can never die!

"They may pour our blood on a thousand scaffolds, and yet from every drop that dyes the axe, or drips on the sawdust of the block, a new martyr to Freedom will spring into birth!

"The British King may blot out the Stars of God from His sky, but he cannot blot out His words written on the Parchment there! The works of God may perish—His Word, never!

"These words will go forth to the world when our bones are dust. To the slave in the mines they will speak—hope—to the mechanic in his workshop—freedom—to the coward-kings these words will speak, but not in tones of flattery. No, no! They will speak like the flaming syllables on Belshazzar's wall—

THE DAYS OF YOUR PRIDE AND GLORY ARE NUMBERED!

THE DAYS OF JUDGMENT AND REVOLUTION DRAW NEAR!

"Yes, that Parchment will speak to the Kings in a language sad and terrible as the trump of the Archangel. You have trampled on mankind long enough. At last the voice of human woe has pierced the ear of God, and called His Judgment down! You have waded on to thrones over seas of blood—you have trampled on to power over the necks of millions—you have turned the poor man's sweat and blood into robes for your delicate forms, into crowns for your anointed brows. Now Kings—now purpled Hangmen of the world—for you come the days of axes and gibbets and scaffolds—for you the wrath of man—for you the lightnings of God!—

"Look! How the light of your palaces on fire flashes up into the midnight sky!

"Now Purpled Hangmen of the world—turn and beg for mercy!

"Where will you find it?

"Not from God, for you have blasphemed His laws!

"Not from the People, for you stand baptized in their blood!

"Here you turn, and lo! a gibbet!

"There—and a scaffold looks you in the face.

"All around you—death—and nowhere pity!

"Now executioners of the human race, kneel down, yes, kneel down upon the sawdust of the scaffold—lay your perfumed heads upon the block—bless the axe as it falls—the axe that you sharpened for the poor man's neck!

"Such is the message of that Declaration to Man, to the Kings of the world! And shall we falter now? And shall we start back appalled when our feet press the very threshold of Freedom? Do I see quailing faces around me, when our wives have been butchered—when the hearthstones of our land

are red with the blood of little children?

"What are these shrinking hearts and faltering voices here, when the very Dead of our battlefields arise, and call upon us to sign that Parchment, or be accursed forever?

"Sign! if the next moment the gibbet's rope is round your neck! Sign! if the next moment this hall rings with the echo of the falling axe! Sign! By all your hopes in life or death, as husbands—as fathers—as men—sign your names to the Parchment or be accursed forever!

"Sign—and not only for yourselves, but for all ages. For that Parchment will be the Text-book of Freedom—the Bible of the Rights of Man forever!

"Sign—for that declaration will go forth to American hearts forever, and speak to those hearts like the voice of God! And its work will not be done, until throughout this wide Continent not a single inch of ground owns the sway of a British King!

"Nay, do not start and whisper with surprise! It is a truth, your own hearts witness it, God proclaims it.—This Continent is the property of a free people, and their property alone. [17-second applause] God, I say, proclaims it!

"Look at this strange history of a band of exiles and outcasts, suddenly transformed into a people—look at this wonderful Exodus of the oppressed of the Old World into the New, where they came, weak in arms but mighty in Godlike faith—nay, look at this history of your Bunker Hill—your Lexington—where a band of plain farmers mocked and trampled down the panoply of British arms, and then tell me, if you can, that God has not given America to the free?

[12-second applause]

"It is not given to our poor human intellect to climb the skies, to pierce the councils of the Almighty One. But methinks I stand among the awful clouds which veil the brightness of Jehovah's throne. Methinks I see the Recording Angel—pale as an angel is pale, weeping as an angel can weep—come trembling up to that Throne, and speak his dread message—

"Father! the old world is baptized in blood! Father, it is drenched with the blood of millions, butchered in war, in persecution, in slow and grinding oppression! Father—look, with one glance of Thine Eternal eye, look over Europe, Asia, Africa, and behold evermore, that terrible sight, man trodden down beneath the oppressor's feet—nations lost in blood—Murder and Superstition walking hand in hand over the graves of their victims, and not a single voice to whisper, "Hope to Man!"

"He stands there, the Angel, his hands trembling with the black record of human guilt. But hark! The voice of Jehovah speaks out from the awful cloud—`Let there be light again. Let there be a New World. Tell my people—the poor—the trodden down millions, to go out from the Old World. Tell them to go out from wrong, oppression and blood—tell them to go out from this Old World—to build my altar in the New!"

[11-second applause]

"As God lives, my friends, I believe that to be his voice! Yes, were my soul trembling on the wing for Eternity, were this hand freezing in death, were this voice choking with the last struggle, I would still, with the last impulse of that soul, with the last wave of that hand, with the last gasp of

that voice, implore you to remember this truth—God has given America to the free!

[13-second applause]

"Yes, as I sank down into the gloomy shadows of the grave, with my last gasp, I would beg you to sign that Parchment, in the name of the God, who made the Saviour who redeemed you—in the name of the millions whose very breath is now hushed in intense expectation, as they look up to you for the awful words—'You are free!'"

[9-second applause]

O many years have gone since that hour—the Speaker, his brethren, all, have crumbled into dust, but it would require an angel's pen to picture the magic of that Speaker's look, the deep, terrible emphasis of his voice, the prophet-like beckoning of his hand, the magnetic flame which shooting from his eyes, soon fired every heart throughout the hall!

The work was done. A wild murmur thrills through the hall.—Sign? Hah? There is no doubt now. Look! How they rush forward—stout-hearted John Hancock has scarcely time to sign his bold name, before the pen is grasped by another—another and another! Look how the names blaze on the Parchment—Adams and Lee and Jefferson and Carroll, and now, Roger Sherman the Shoemaker.

And here comes good old Stephen Hopkins—yes, trembling with palsy, he totters forward—quivering from head to foot, with his shaking hands he seizes the pen, he scratches his patriot-name.

Then comes Benjamin Franklin the Printer....

The Original Declaration of Independence ([larger view](#))

And now the Parchment is signed; and now let word go forth to the People in the streets—to the homes of America—to the camp of Mister Washington, and the Palace of George the Idiot-King—let word go out to all the earth—

And, old man in the steeple, now bare your arm, and grasp the Iron Tongue, and let the bell speak out the great truth:

FIFTY-SIX TRADERS, LAWYERS, FARMERS AND MECHANICS HAVE THIS DAY SHOOK THE SCHACKLES OF THE WORLD!

[13-second applause]

Hark! Hark to the toll of that Bell!

Is there not a deep poetry in that sound, a poetry more sublime than Shakespeare or Milton?

Is there not a music in the sound, that reminds you of those awful tones which broke from angel-lips, when news of the child Jesus burst on the shepherds of Bethlehem?

For that Bell now speaks out to the world, that—

GOD HAS GIVEN THE AMERICAN CONTINENT TO THE FREE—THE TOILING MILLIONS OF THE HUMAN RACE—AS THE LAST ALTAR OF THE RIGHTS OF MAN ON THE GLOBE—THE HOME OF THE OPPRESSED, FOREVERMORE!

[10-second applause]

Are we not bought with a price?

This reading is taken from the book *Washington and His Generals: or, Legends of the Revolution* by George Lippard, published in 1847.

Manly P. Hall, in his book "The Secret Destiny of America" chapter 17, wrote:

"Some years ago, while visiting the Theosophical colony at Ojai, California, A. T. Warrington, esoteric secretary of the society, discussed with me a number of historical curiosities, which led to examination of his rare old volume of early American political speeches of a day earlier than those preserved in the first volumes of the Congressional Record.

He made particular mention of a speech by an unknown man at the time of the signing of the Declaration of Independence. The particular book was not available at the moment, but Mr. Warrington offered to send me a copy of the speech, and he did; but unfortunately neglected to append the title or the date of the book. He went to India subsequently, and died at the Theosophical headquarters at Adyar, in Madras. ..."

**Editor:** In esoteric circles, many believe that the unknown man was Saint Germain. Only a master of his

attainment could have charged the atmosphere of the room with such fire that all fear melted away. He had assembled many of his most stalwart friends (e.g. Ben Franklin) from over the centuries to embody at that point in time and space to help create a country dedicated to freedom, the most important freedom being that of religion. His greatest ally in that cause was none other than George Washington. The father of our country was not in the room of course. He was not a delegate. ## Constellation Ophiuchus: An Argument For Intelligent Design

I don't know what makes me think I'm qualified to explore the subject of intelligence let alone Intelligent Design but I'm going to give it a whack.

One look at the exclusive neighborhood Ophiuchus lives in gives us our first significant fact helping us determine whether IAU's designation of Ophiuchus as a zodiac constellation isn't, ironically, a product of science's unwitting complicity in a demonstration of the principles of Intelligent Design.

Further, in asserting Constellation Ophiuchus was intentionally designed to be vitally influential in the healing, evolution and soul growth of our planet and our species, we start with the assumption that its placement on the Zodiac Belt is no accident and is, in fact, tied to its function and station in life.

The Milky Way Galaxy resembles our solar system in general design and behavior to the extent that it

is comprised of a central star with lots of other stuff orbiting around it. Because the shape of the galaxy is elliptical, orbiting objects experience galactic equinoxes, solstices and seasonal conditions just like we do here on Earth in relation to our central Solar Star, the Sun. Hence, the geometric angles between galaxy, solar system, and Earth are more or less calculable and certain alignments can be expected to be significant for one reason or another.

Many ancient civilizations including the Mayans and Egyptians knew how the alignments worked and left documentation behind, but wouldn't you know it, 99% of it has not survived to aid scientists in getting a sense of what the ancients knew that we don't and what are the dates that we should be looking for.

There have been some key celestial alignments in the waning decades of the 20th century that have come and gone, but the upcoming date that has everyone on the edge of their seats right now is December 21, 2012<sup>6</sup>, just three days after the Sun crosses the boundary between constellations Ophiuchus and Sagittarius. Sagittarius is the constellation that contains the Milky Way Galactic Center.

Milky Way Galaxy | You Are Here

## The Hood

If we zoom in to take a closer look at the Galactic Center and its surroundings, we see a confluence of three constellation energies: Sagittarius (fire – life/father element), Scorpius (water – consciousness/mother element) and Ophiuchus (considered by Astrologers to represent the Fifth Element, Ether – the substance out of which the other 4 elements were created, and therefore either transgendered or omni-gendered), a constellation taking its overt storyline from that of the divine physician commended to the stars for resurrecting the dead without a passport and a visa.<sup>7</sup>

**The Heart of the Milky Way**

*Approximately in the direction of 3 Sagittarii, the Galactic Center is the rotational center of our own Milky Way galaxy. It is located about 7.6 kiloparsecs away from the Earth in the direction of the constellations **Sagittarius, Ophiuchus, and Scorpius** where the Milky Way appears brightest.*

**Which Way to the Galactic Core?** <http://www.indigotide.com/astromony/thecore.html>

Here's an asterism-style map in which there are no constellation boundaries drawn. It is not difficult to imagine what a tricky job it must have been to decide where to put the boundaries.

### **SN 1604: Death of a Star in Constellation Ophiuchus = Signs of Life**

## SN1604 | "Kepler's Star"

The last supernova to be observed in our galaxy was spotted in early October 1604. Although the famous astronomer Johannes Kepler was not the first to see and report it, it was he who conducted and submitted a systematic study of it. Hence it was dubbed “Kepler’s Star”. Its technical designation is SN 1604.

The lapse of over 400 years since SN 1604 lit up the sky between the easternmost foot of Ophiuchus the Serpent Holder and the Milky Way Galaxy Center is not this supernova’s only distinction. Studies conducted over the last 30 years using x-ray, radio and optical technologies kept scientists very busy trying to resolve the mysteries of its origins which they finally managed to do using data recently collected by the Chandra X-Ray Observatory between 2000-2006.

At its first sighting in 1604 Kepler’s Star was described as already brighter than all the stars in the sky. Within a matter of days the supernova surpassed Mars and then Jupiter in brilliance. It was still as bright as Jupiter as twilight overtook it and observers lost sight of it. Kepler reported that when it reappeared in the night sky in January 1605, it was still brighter than Antares (Alpha Scorpius) and continued to be visible with the naked eye until March of the following year.

These numbers basically speak for themselves and are included for the interest of astrologer-types who like to track such alignments. In that regard, apply the general rules of fixed star astrology which say the orb of an alignment between a planet and a star (considered akin to a conjunction) is 1° Ecliptic Longitude and/or 4' (minutes) of Right Ascension. Matching Declinations within 1-1.5° and in the same hemisphere (+North, -South) are called Parallels; Anti-Parallels in fixed star astrology are probably of less

importance but still tell a story. Allow some wiggle room for brighter stars and certain planets (Sun, Moon, Earth). In cases of a natural alliance I would tend to observe an expanded orb as well.
