- Camp Loveway:** speaking of DMT; played interview with Ram Dass, Joseph Campbell, Robert Bly & others
- Campbell & Bly followed the reindeer and tried the mushrooms; before that, they drank reindeer pee & were on a craft - introduced to the 24 elders of this universe; in the 60s and 70s, they did not talk about this kind of thing! Hearing the interview today is interesting!
 - Spoke of the 24 elders speaking to them & saying: you are spiritual leaders & teachers of the wisdom to share with the people, take this download, give it to the people.
 - At the time, the DMT allowed them to short-circuit & get the divine wisdom - not talked about.
 - Also went to S America and those living along the Amazon
- The big story is the least among us being the most important; Greg Palast brings this up in his latest book - interview played last week: how billionaires are stealing votes, etc
