- [www.Mediamatters.org](http://www.Mediamatters.org) - Susan McDougall - Centre for Constitutional Rights and Constitutional Progress all of which are associated with Al Franken: this all has to do with the fact that since 9/11, you are an enemy of the state unless you can prove otherwise; as you cannot prove otherwise, we will take your rights away bit by bit.

- **Mike P** - every single hour the lies from BM Mittens and his talking crow are about Armageddon - there is more than enough money, love, air etc on this planet for everyone -
  - The next step is that Beloved Ascended Master St Germain will step up - as Max Keiser keeps saying, cannot go any further

  - Not about formality; can do it on the fly -

#### **Mother:**

Greetings in the Light of the Most Radiant One! In the office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

Greetings, beloved Children of Ra!

- The final moments of the story are in your midst!
  - Love every second of what is happening in spite of the fact that you
  - It is about the fact that as we walk through Mordor, the flowers are blooming - hire the heavens! Here we are! It is what we asked for
- As you wish to value your freedom, you will get into the right places to vote and do what you need to do & at the same moment - anything, everything is on the table to manifest
  - in the moment, in the twinkling of an eye, things change - you have asked for us to show up, Nibiru is here!

**T:** 25<sup>th</sup> anniversary of harmonic Convergence in this moment too

**Mo:** yes - all has to do with meeting the moment as Divine Masters - love each moment

- we are in the most tremendous of times: we have asked to be part of this grand moment -
- ascension is assured; what is happening is the change over of one timeline to another and they are becoming one, and the needs of the many outweigh the needs of a few
- At the same moment, all of this is just the twinkling of an eye as we achieve our .. Satva vow
  - It is about how much love can be generated as we walk through Mordor

**Mo:** Yes, Treebeard is here, and the elves and fairies; as we have asked all have shown up - hire us; here we are - we all have jobs to do in this moment in this time of radical shift change,

- in the twinkling of an eye we have asked to transform the world and we have the abilities to do it; it has to do with love
- and in the next moment, with divine justice that is being served at the moment - she has no words for the lawlessness that she and we have witnessed: the oceans of tears, the pools of blood:

- this story about us and our wayward children, the original story of what has been in our midst since the morning of 9/11 - about the Fertile Crescent & its beginning with Enki, Enlil, Marduk, Ninhertzog, the people of Nibiru -
- The story about Nibiru has come full circle: the story about being co-creator gods - the people of earth have said let us do this with love
- In the midst of this diversity, we are seeing such heinous acts - there are no words to describe this: except to love each moment: the flower of love is tattooed on our 3<sup>rd</sup> eye!
- We have the abilities, we are gods who have been spoken about - it is not about guys with guns, but how to do this with the greatest of wisdom and the lion and the lamb lie down together

**Cathy:** this is what we want to see in both wild and human kingdoms:

- We are grateful that even non-spiritual people are saying there were no incidents at the Olympics
  - What attempts were there behind the scenes at the Olympics?

**Mo:** the 5 circles and the symbology of the rainbow bridge - a story of how words were twisted about the Tree of Life and Thor and the hammer: the original story about Hyperborea - why is Ireland connected to Egypt?

- Nibiru is in orbit, our children are shaking in their boots, the angel of death is on the shoulder and it is time to talk about the contract you made when you came in
  - We walk through Mordor, but the eye of Sauron holds no power.
  - We also said we knew we were co-creator gods and we wanted to know what it was like: they have been told that there is the doorway to get on the train, so get on

**T:** it is one crime on top of another, interlaced with another  
in Keys of Enoch: refers to the abomination of desolation

**Mo:** here is where we invoke the mighty frequency of the Violet Flame: Shatter and Consume; shatter & consume.

- They use the enchantment of the forked tongue, Cancel Fox News
- The transmissions coming from the cosmos give us the ability to turn this story off: go and walk outside - connect with Father Sky, Mother Earth; and stand up for your rights!
- As we gather at this Stargate Round Table, we create the idea of how talk to each other & heal each other.

**Caller:** Asking for gift of discernment because of all the stories coming out: how to tell the difference between blatant misinformation about Obama, and it is getting worse and worse!

**T:** over Reuters today, that Joe Biden going to resign **NOT TRUE!** Shows their intentions - saying something going wrong with Biden - **THIS IS an intergalactic war criminal gang**

**Caller:** turning people to false things

**Mo:** these ones are tied in at the top with those on the trading floor and the trillions of fake assets; the real assets are with St. Germain: the real money is with him and is in the banks

- they are working on the Jim Crow story of hate, fear and death - turn it off! Get out in nature - that is how you heal the story within all.
- The biggest story going on is the attempt to separate the mind and the heart
- They know we are in orbit; the entire issue is one story: **WE ARE ONE PEOPLE FROM A VILLAGE OF STARS, CONNECTED TO ANOTHER VILLAGE OF STARS**

**Caller:** synchronicity happening more and more: friends now calling about the galactics; father saw a program about how thought creates reality; seeing karma manifest more quickly than in the past

**Mo:** as John Lennon said, instant karma will get you. You are creator gods; time to learn how to respect each other

**Caller:** question is when someone has violated free will to get property, is that wrong?

**Mo:** as the energy out of space/time, called evil, manifests trillions and trillion fold, they cease to exist - it is done! We are gods, here now, begin respecting each other!

- You are asking for our presence here, then begin to learn how to respect others - drop race / colour issue! NOW!

**Caller:** question about China: did they go on gold standard on Saturday? Are we around the corner from arrests & NESARA?

**Mo:** yes, rest of world moving into place of gold-backed currency, no more fiat backed currency

- Federal Reserve, IRS, etc - soon to be ancient memories!
- B M Mittens and his sock puppet Ryan - there is nothing to discuss: it is all about lies, nothing tangible - only speech laced with words like we have seen in Aurora and where the Sikhs are [MI]
- in 9/11, they declared war against the people, those who are different in any way
- They are working on False Evidence Appearing Real - and the fact is that the rest of the planet is moving forward, wants to connect with those beyond the stars in mutual consideration & love.
- In your state, the Gov got in President's face - how is this respectful? 19.5 degrees is where it is - the Fibonacci series
  - We do not lack the wisdom -it is in our DNA: just wake up, people of America, of the planet -
  - Forgive this moment and these ones who wish you death with every breath!
  - Praise, respect, thank and love these ones who would wish you death! They get it instantly, the instant karma
- We are all on people in the sacred circle of light; every unique facet in that circle - we have the ability to heal this planet

**Cathy:** regarding discernment: if she feels any kind of negative charge in any channelling, or You Tube or whatever, any Obama bashing, she just lets it go.

**Mo:** Julian Assange in Equadorian Embassy - to receive asylum in Equador - yet the British Gov't is not allowing him to leave and get on a plane!

**T:** On RT tv, they spoke to idea that England was going to snatch the property of the embassy and snatch the charter of the embassy - in order to get their hands on him.

**Mo:** since 9/11, Britain and US are in bed together, & Assange only revealed the truth of things in what was released

**T:** This is a war where Mother has to step in:

**Caller:** about so-called Andromedan ship in skies near Australia

**Mo:** many craft being seen; many stories about what is going on: there is a great amount of disinformation

- as you observe things with your abilities - both heaven and earth are being laid bare: if you look at something, how does it feel in the heart? Is it created out of divine love, divine grace & not to get something over on someone else.

- 4<sup>th</sup> dimension has collapsed into 3D; as what you think comes into creation, need to think with the heart
- If you look at it, and it is sort of ho-hum, maybe it is not what you think.

**T:** Eric Holder's situation

**Mo:** he is a schill for Wall Street; Sept 10, he got his 30 pieces of silver - we send love

**MR:** think about what you would like: e-mail her, or call - we will continue the conversation for the next couple of weeks, and maybe set up some councils - and remember to Hire the Heavens!

**Closing:** Cathy
