**Hard News:**

**T:** Netanyahu has called up 75,000 reserves; Putin told Israel to stop the violence or suffer the consequences

- Russian Fed is member of Keshe Foundation; they have the USB stick / flash drive - which contains the 3-5 gigs worth of info on the technologies of the space technology from the Keshe Fdn.
- Russia could stop all the military equipment from working with that technology- don't know when or how
- Angelca Merkel in Russia & told Putin today what she thought about the Pussy Riot group;
  - he is better than some of the politicians in US, but he also needs to be held accountable

- A Merkel also a problem - Russia & Germany have to collaborate or be dead
- How dare you put an edict out that no more than 2 people can meet & can speak in the streets or be thrown in jail? Two years in a Siberian gulag and hard labour for the 2 PR girls - not good
- **Al Jazeera:** he said to Angleca: did you know these Pussy Riot people hung a Jew in effigy?
  - **They did not** - they demonstrated & hung themselves in effigy and identified themselves as Jews, gays, gypsies and others - he turned it around: Putin did NOT get the message.
  - The people are not letting them get away with anything - up to people in US to do the same.
- On Thursday, T & R said do not give out **ANY OF YOUR INFORMATION - THIS IS ALL BLACK OPS!**
  - This means the White Knights now have to go out in a posse & nip it in the bud - **causes a delay!**
- As we completely co-operate and use our sensibilities until these ones are gone: they have nothing approaching good intentions: get on with educating people - friends, family, neighbours. In a red state, look for the Democrats and get in there.
- Someone else said whatever you say to a person out of love, whether they want to listen or not, it will not be such a big shock when the events happen - though it will be a shock!
- If you don't have a friend, step out into the world, find one, invite them to the calls - KOS is speaking of being an extension of this knowledge, this program

**Caller:** heard Rama last night; deeply touched by it; has been going through the same kind of thing

- Thanks Rama for all the times he has been there; caller is honoured that he has given so much and it is hard from him and for the rest of us; Rama has given so much strength to the caller; he honours and thanks everyone & Angelsu
- Saacha Faal & associates at ONI are giving names: maybe true, maybe not:
  - Here's Beth posting something from Sananda about the Fed going down: isn't it a possibility that it will go down, as we are in NO Time - so where does the judgment lie? What is right or wrong? What is time?
- everyone is contributing to this wonderful place as it is going down, from where they are, what they have, from their perspective; if it didn't happen today, but it will happen in a couple of weeks: does it matter? It is the intention.
- We are in this Unity Phase now; we are in uncharted territory - let's see what we've got - the old paradigms are going, and we all have something to contribute - even those in Langley
- I have had to tell lies, troll and do lots of things with good intentions - that is the magnificence of the play - Rama: you hang in there! I love you, I am so grateful for all that you have given!

**R:** thank you; I am deeply humbled; I stand beside you as this is a story . . . .

- R remembers coming here, entering the womb space through that point of light and being sucked into it; Ashtar & Athena overlighted his parents - he has no veil - he is not giving up by any means: the best is yet to come
- we are already in Star Fleet Academy - the next step is that as we see our brothers and sisters land, we will be going to our respective crafts according to our signatures: we are already on the duty roster!
- This is about this moment in time: not the past, or future tripping: we are together in this story, not just R and the caller, but the whole universe of Nebadon
  - R is still a youngster, plans to be here for next 10,000 years as that is how long wizards hang out
  - The pathless path shows up as we honor all life, respect all life.
- The caller's words moved him deeply & he heard on the RR show

**Randi Rhodes:** had Nicole Sandler on, plus a Palestinian man who is also Israeli, and Keith Olberman

**Keith:** Mr Netanyahu, you are a war criminal; you will be dealt with accordingly; you'd better stand down while you are still breathing

- The dance we are dancing is the death dance with Kalie, Druga, Pele, Kali, with Mother - walking with death on our shoulders - we are in the Naqual world where we may get touched on the shoulder or the arm and see a friend with purple dots & wings - honour all life is what we are asked to do
  - this has to do with the healing of the story in the cradle of civilization where Mother's children landed; it was an invasion and an occupation, as the folks have invaded and occupied Palestine -
  - story goes back to Lemuria and Atlantis, and even to Pangea when all were of all colours
  - This man says "Push me; I will lead you"; we are and we are moving forward - to removal of Bush tax cuts and to Nesara - we all have a uniqueness
  - 144,000 x 10 100 thousand x 10 100 thousand - physically manifest now! physically manifest now! physically manifest now!
- Yesterday he kind of wanted to leave, but Mother kicked him in the ass - it is about staying in this body
  - the animals are also reflecting what they are feeling; they are feeling the energies

**Caller:** the little hitch that John McCain is coming up with: the problem in Libya

- is it true that John McCain had something to do with it?

**T:** yes, he started it with Romney, Hillary, Netanyahu

- Hillary at the top; McCain went to Bengazi a while ago to scope out the whole site
- the military in charge was Be-tray-us - McCain gave him the layout, Be-tray-us carried it out
  - H is responsible for killing thousands in Libya: she was in charge of the Libya project
- Romney goes there and makes an absolute mess in Europe; makes further arrangements with Netanyahu: **they are not human; they are reptiles and have no love for humanity**; want to reduce humanity to 2% and
  - 2 billion people in the last 100 years have been used for food
  - **This is why we MUST NOT GIVE OUR INFORMATION - USE YOUR DISCERNMENT!**
- There is only a small group of us that will get the blessings needed to help the rest of the planet - it cannot be distributed out randomly - those who have not done their spiritual homework will leak info [they are not supposed to ]

**Caller:** had Romney won the election, what would have happened, knowing all this?

**T:** obviously the people were supposed to play their part and obviously because of the energies from every portal, vortex and portal , people have become aware.

- Melanie Sloan has filed the lawsuit through CREW: it will be found 8 MILLION VOTES that election vote was done on and **he won in spite of this both popular and electoral vote**

**Caller:** keep talking about Libya deal: who gave first info - CIA or FBI?

**T:** CIA is a gov't agency and is not supposed to be doing anything inside the country, only the FBI

- Yet the CIA is everywhere and also internationally; the CIA has an underground facility under Ayers Rock in Australia which has been eviscerated

**Caller:** isn't the CIA another name for the 4<sup>th</sup> Reich over here?

- The CIA is another name for an agency that takes its orders from the other gov't, the secret one, who take their orders from the **archons who are intergalactic war criminals** - this is why this has been a galactic operation all along
- the ACIO, Alien Contact Intelligence Organization, Faction 3, is where the Ascended Masters, the Ashtar Command live & help us; they are members of our military from this level
  - The A C has been members since 1945; they **have football fields of evidence**

**Caller:** thought that Ambassador Stevens, Petraeus were the good guys and closing in on the Bush family?

**T:** propoganda - Petraeus is a war criminal; Stevens was a good guy

**Caller:** following the Keshe Foundation info - US joined yesterday - keeping it hush-hush?  
They said a couple of weeks ago that they wouldn't sign on

**T:** Understand that before the end of his first term, he was incarcerated [controlled] by the Illuminati  
• now he and Bill Clinton have been cut free since the election

**Caller:** the media has to come clean now?

**T:** it is, in the form of Ed Schultz on his radio program in the am & on the TV program  
• Rachel does her part; there are some things she cannot say

**Caller:** Russia and China already have the technology?

**T:** Russia has the USB / flash stick: means he can stop the military at any second

**T:** Egypt has moved tanks in to the border of Israel - they are cornering Israel  
• In spite of the fact that Angelca Merkel has called Putin out on some things, he has her on this one : she is going to have to go to the ICC and speak in front of LM Nada who has been in charge of the US since 1997

**Caller:** the technology puts all countries on a level playing field, and now no one country can start a war with another - saw an article about Obama wanting to go back to the moon - by 2014, taking people to the moon for trips

**T:** Sarah Brightman wants to go to the moon and sing to Mother Earth and record what Mother Earth sings to her

**Caller:** the Keshe Foundation is a game-changer

**T:** **this is the galactic operation being done from the ground so the people can see it**

**Caller:** most people do not know about this and how important it is

**T:** John Nichol - the Bengazi thing will bust them all

**R:** McCain and Lindsay Graham want a watergate-size investigation into Benghazi  
• John McCain had a press conference today; someone called him Panama John and called him a war criminal and said the only reason you are on the street is because you have a life time pardon [from Bush Jr]

**T:** everything that is criminal can be reversed when we get there: McCain's name will be on one of the sealed indictments of Patrick Fitzgerald  
• All changed with the solar eclips on Nov 13; it eclipsed the Black Ops of the day, as well  
• At the end of last month when Carl spoke: when we get past the middle of the month, we could be looking at great violence - and see where we are. [See **Astrology for Everyone: Carl Boudrou**]

**CallerTM:** briefly walk us through the Benghazi thing;  
• there was a terrorist attack by unknowns who killed Stevens, 3 others + Libyans  
• Mc Cain & Graham: gov't cover-up  
• Fox News talked of nothing else  
• What was the purpose of the attack?

**T:** Mr Stevens had the goods on Hillary - as the Ambassador, he was assigned to Tripoli - he went to Benghazi to track records and expose Hillary

**R:** has to do with the execution of Ghaddfie in exchange for taking 800 metric tonnes of gold to pay part of their debt to China [\$7 trillion]; Chinese want the money. These ones are sweating bullets as China can put the US debt on the open market and that would mean free fall for US economy

**T:** **China is not innocent** - they put \$2 Million in 1933 to help create the fraudulent Fed Reserve  
• FDR did it under duress: he was of Illuminati & was eventually killed by them

- in 2003, we owed \$35 Trillion in net gains for operating the corporate structure of US
- Bush Jr had no intention of doing it: cornered in 2006 to sign on to it - Chris Story enumerated the list of people; he signed off, but he did not do it
- Ben Fulford in 2006 - someone got the documents to Fulford who got them to a Japanese parliamentarian about 9/11 being an inside job ; he read the whole document - June/July - in open Parliament
- **China also has the USB / Flash stick** from the Keshe Foundation; Dr Keshe an Iranian scientist - they developed the Iranian space ship program and now it is in full detail.
  - Iran opened up the Keshe Foundation in 2008 to others; in 2012, their first member was Italy, at the same time the Vatican is going down in flames
- The technology is anti-gravity plasma energy - now called nuclear fusion -
  - Tara reads: Nov 15, 2012 has received the USB containing all the technologies
    - Dr Keshe's letter - on Nov 6, he was in receipt of an e-mail from US embassy in Brussels
    - US ready to receive the gift of the USB & the technology
    - Nov 15 : Dr Keshe and the Senior Officer of the US Embassy met in a friendly and cordial manner and the USB stick with the technology was handed over
    - With this technology, we put an end to the seeming antagonism between the 2 nations

**CallerTM:** is the scientist an approved rep of the Iranian gov't?

**T:** approved across the board; Keshe has been teaching in Brussels for years

- Netanyahu murdered some of Keshe's family so he went underground for a while
- Now he is all over the internet; other scientists have joined him

**Caller:** reviews what she has heard - got it right

**T:** not just Hillary and the Bushies but the whole Illuminati

**R:** Chinese want their debt paid back - now

**T:** Ghadaffi is not dead, but in a brig on the ships - Hillary created a clone of him

**CallerTM:** why are McCain and Lindsay Graham posturing and making an assault on Susan Rice?

**T:** because both are war criminals: Graham [South Carolina] has been murdering people in the south who protest - a member of KKK; also passing nuclear secrets via the Turkish embassy

**CallerTM:** why do they want to draw attention to it when they can be implicated?

**T:** has to do with promulgating the idea of impeaching Obama, as brought up this am on the Ed Shultz radio program

- talking about Poofness, McCaffrey, Casper, Drake: all racist and lined up with Ron Paul, Rand Paul who are KKK
- calling all elected officials to secede from the Union by armed insurrection
- this is what McCain, Graham, Romney are behind, they want to get rid of Obama because if they don't, they know they will be going to an execution chamber in Brussels

**CallerTM:** says that T's energy is very condemnatory and vengeful - thinks it undermines the whole project she says she is committed to

**CallerR:** speaks as a defender of the truth: the reason Tara talks about Hillary, Romney: they are the heads of mass killers -

**Caller TM:** only wants her message to be received: understands caller speaking up for Tara

**Caller S:** says that the other caller is doing what she says that Tara is doing - pointing fingers and attacking too

**Caller TM:** wants Tara to listen to some of the recordings & hear the violent imagery and language

**Caller S:** suggests the best thing to do if she finds something that Tara is doing she does not like is to call Tara directly and not shame people in public

**CallerYM:** does not have a phone # to call

**Another Caller:** you can have a platform - get your own radio show and express your own views

**Another Caller:** hangs up in disapproval

**Caller R:** nitpicking on small stuff - but can't call T wrong

**Caller TM:** wants to hear from Tara and that no one is speaking for her or can speak for her

**T:** has nothing in her heart from what Caller TM says

- she has a strong energy and KOS says they have to be strong
- over the last 2 months, on Ed show and other programs, they are telling what is happening:
- her intention is to make clear that these people have nothing good to offer & won't until they die

**Caller TM:** thinks Tara is being misled

**T:** they are being asked to deliver the message exactly as the King is sending it:

- it is no longer time to be nice: **this info is coming from the KING OF SWORDS**

**Caller TM:** talking of Ed who she calls out of control and shouting

**T:** Ed talks directly to KOS, as do Mike Papintonio & John Nichol

- difference between those 3 and T & R is they have a gag order
  - **Rama is the only one without a gag order, so Rama gets to pass on the messages to her**
  - T & R are speaking strongly: **has nothing to do with violence; it is TRUTH**
  - These people are schills and will use anyone, anywhere, to get us dead. With love, I still love them more - people are being taken out for not making their awareness clear, people like you and me and it is not cute! In spite of the feelings that this might be overboard, it IS NOT - what is over board is the vicious ugliness
  - **R's example:** Pat Tillman's funeral: the family approached John McCain at the funeral for help; he turned on his heel & left: He considers himself part of the elite: he has 18 homes, can't keep track of them
    - these ones consider us less than ants: the corner has been turned - we are on the ascendent
    - **we speak so strongly because it is a wake-up call. Sam Seder, Bobby Kennedy Jr, others speak this strongly too**
    - **the ones on the right speak of Obama as "the monkey" - neither Rama or the KOS will stand by and listen to this**
  - the energy at this moment that is sweeping the planet and moving us through the doorway of 2012 . .
- T:** the language that is coming forth now - she does not use 4 letter words
- what is going on here is that when you say it from the meaningfulness of your heart, there is no violence. She is speaking with love and at the same time, if people take this too lightly, it could serve to take their life force which it is happening in this country and in great numbers.
  - The sooner we say NO to this kind of war and be stronger with these firm tones of truth; it is being backed up all over the place in service to our mission, the sooner we will see results
    - Their mission is not the same as what Cheryl does on Sunday and Monday
  - People are laying down their lives in order for this to turn around [for what is going on in the US and around the world]

**Reading:** 2012, Oct 31 **Lawrence Wilkerson Interview~"It's not a Coup. It's Worse!"** [SEE BELOW]

**CallerD:** she has known T & R for 20 years; both T & R have strong energy

- they have had to walk the razor's edge, speak the truth with love
- they are very courageous: she watches all the babies & animals being killed on this planet: enough is

enough

- We are at the same moment as when Hitler was here; then we did not have the same chance to speak
- Just love each other: there are ones who have no access to their heart chakra and cannot feel - they have to leave here; stand with us, don't be afraid now
- Speak your truth: she sees the people of Iran, Israel, Palestine - the leaders are not the real leaders: **it is the people who are the leaders**
- Love is the answer but not lovey-lovey, sweet-sweet : we have to use our power and say NO; and stand together - this is why Dr Keshe and his technologies are here now - no one can get away with anything anymore
- She has watched R almost lose his life 10 times; she has seen them go in garbage cans looking for food; it is not cool!

T: we stand with our heads in the clouds and our feet on the ground

- the hard news must be told and in a tone that may not be easy to take - yet the resonant factor showed up in the first caller of today who knows what they are talking about as he has worked on the dark side

T: She has died 4 x in this life time; raped all during her childhood: under violence and brutality

- Her sister, Hillary Clinton who grew up in an area only 20 minutes from where T lived, was raped from the time she was a baby; had probes stuck into her body to teach her how to compartmentalize her brain so she could take it;
  - there are archons which control these kind of things
- Takes all that TM spoke with her heart : Like Rama, T has no veil so she says it as it comes

Caller: this is the first time she has been as upset listening to a show as she was this time

- wondered why the caller listens to the show: **yet she realized there is a purpose to this**
- **get out there, stand up and be counted because the others have to stand down**
- She appreciates what they do: thank you, thank you, thank you for what you do.

T: as we go thru this , there will be more: even our closest family members: her whole family threw her out as she was unwilling to stand down in front of that energy.

- Swami Purna gave a talk about this: you live in a household where a spouse is absolutely the opposite of you: you must have a space where you can actualize the energy you hold without being chastized or interrupted
  - she is sorry that the caller thinks she is violent as she does not have that in her heart - needs to speak strongly to get the point across - will try and take more example from Obama who is masterful at this: she thinks extremely highly of Obama, and he knows he is not perfect
- Yet it is the path of the Master to take on the limitations of this form and transmute it

Caller: you continue to stand in your power and your truth: the caller welcomes this

T: each one of us can do this and not lessen others

- **There is a difference when there is pure evil that continues to manifest to people**
- People like Hillary are not human; she is a 50' dragon, yet there are archons over her and they have infinitely more power over her body: they are being dismantled left, right and centre, yet the power of that evil continues in people who are still functioning in their own racism, hatred, wish to murder
- The frequencies are going so fast, that 1 year / minute is flying by: the ones functioning on the pure evil timelines are the ones are drooling to kill more, to murder more at one year / minute

- **KOS says do it this way, and do it now: it may push buttons yet your mandate is to push those buttons: don't whimp out on me now!** We can thank TM for saying this; had she not been strong ... T can take it: others get their buttons pushed and this caused all to stand up
- When things come and upset us, it does not make the button-pusher wrong or bad
- Thanks to all of us for sticking with us: this is the hardest time: **NOT THE TIME TO THROW IN THE TOWEL.**
- A past caller asked what would have happened if Romney had won: we had to take the risk:
  - it was Lucifer the Anti Christ and his minions in form, thinking it was money that could overpower love: it was the final test: would the challenge ever have been met if we had not been pushed as we were?
- when all is said and done, the # of people who voted for Obama is over-whelming; yet the # who did not vote for him in ignorance is also over-whelming -
  - Dyanna's family is all mormon; they don't like when she tries to talk to them; a sister is a Buddhist; a second cousin got married and they too want to be Buddhist: something happened here
  - One person in an entire Mormon family stood her ground: when she graduated, she gave a talk that wiped out the President of the college for mis-conduct of a high import: she had the courage to speak to it at graduation in front of all and got her degree in spite of it
- It does not make those who are Mormons & still voting for Romney bad; yet those who follow Romney in ignorance create dangers
- We are ending the "I believe" stage of 2000 years of Pisces and going into the "I Know" stage - knowledge of the truth which is about facts! This [fact-based truth] has been obliterated for the last 250 years of the history of America. The students in this country are #37 in the world- we are the most powerful country in the world and we have ignorance: organized religion is full of lies!
  - If you say to the Catholics that the Bible is the master astrological book in the world, you'll be excommunicated just for saying it: it is considered a mortal sin to do stuff like that. To be a sorcerer, a sorceress, to be a Mary or a Merlin - and there is ego involved because your whole family is put in danger [from the church]
  - **It is Knowledge of the Truth time:** this is the most violent, dangerous time there is: the strong words are not even close to matching the kind of violence that is going on! Netanyahu has just called up 75,000 ground troops with the intention of dropping a nuke if he thinks he has to - because of his mind set and his flesh-rot disease & being a Khazar! This is not violent language: this is truth that is irritating to the point of feeling violent because truth is embedded in ego, and ego has a hard time with this stuff; can't be fancy dancy with this stuff anymore!

**Reading:** finishes the one about Laurence Wilkerson **[GOOD IDEA TO LISTEN TO THIS]**

- the military budget will now be audited **FOR THE FIRST TIME**
- A year ago, the military became Faction 3 - 98%
- Have paid schills like Drake, hates Obama, and leads people down a different path

**R:** on Nov 12<sup>th</sup> Drake kind of turned his hat around: said on a radio show that maybe Obama is a good guy

- Rama grew up in an integrated home, lived in the ghetto, carried a gun in high school; has been on the other side more times than he wants to think of & Mother brought him back
- The biggest story is the obfuscation of the people of Earth about the various galactic races that came here and blended with the people on the planet
- We come to this stargate round table, leave the weapons at the door, and talk of peace.

**T:** McCain's handler is Kissinger who has murdered untold numbers; Kissinger's handler is an archon

**R: Mike P said in the am:** BP made 2 low level guys take the rap for Tony Hayward for murder one!

- To this day, Mike P is fit to be tied over the BP oil spill: to this day in the Gulf, there are shrimp without eyes, crabs without claws - mutations that are not the right kind: this is not progressive evolution!

**T:** It was Aruhabi who said "It is finished" [NRR]; he was not on a cross, but a tree with a spike between his wrists: he was released by Mother Miria [Mary], Magdalene, John the Beloved.

- Jeshu did not die on any cross except the cross of the thoughtforms, the cross of the programming of the church and all organized religion - this will be taken away
- This is the reason the Founding Fathers did not found the country on religion at all
  - They were all Deists which is the Unitarian teaching: We are god, goddesses, all that is - subtrafuges have been put upon us:
- Like someone else they know who said Sanat Kumara who told him to get involved in the St. Germain Trust: the dark ones downloaded millions of all kinds of Ascended Master clones: used the Mt Shasta Vortex to do this; then programmed them with lies and their own programs and then programmed people to channel these things which is why many channellers are not channeling the truth! This is not about loving people, but a time where discernment is of the utmost importance!
- It is finished when we wake up and find out that the people are fed up!
- *Posse Comitatus*: by eliminating it, all people become terrorists [no longer innocent until proven guilty] which is what happened at Katrina - Blackwater operatives literally murdered 500,000 people during Katrina
- The Keshe space ship program from Iran melts borders; Keshe technologies can be used to neutralize weapons - Obama authorized the US to join on Nov15, 2012; the ambassador in Brussels implemented the order
- A bit hairy at the moment with Israel ready to do a number on Palestine
  - They killed the baby of a BBC reporter living in Gaza: excruciating pain on his face - we must witness this so we can understand and over-stand
- The jury is still out on the people of this country: the whole world is watching us now, as the seat of power on the planet is this country: Obama said it is not about me, but about all of us!
- Mother says we are at our best when we are at our worst: the human race is just that way!

**Audio: Bill Maher show** Nov 16, 2012 - last program until January, 2013

**Guests: Michael Moore, David Axelrod**

- may be another war in the Middle East: but don't worry - our best generals are on it!
- got Paula Broadwell to write his biography - one thing lead to another - not bothered that they started f\*\*\*ing but that, as head of CIA, he can't keep a secret !
- If there is one thing a mistress doesn't like, it's cheating!

**Audio: Max Keiser Reports** Nov 15, 2012 [Episode 367](#)

[http://www.youtube.com/watch?v=x22DNcDFQzA&feature=player\\_embedded](http://www.youtube.com/watch?v=x22DNcDFQzA&feature=player_embedded)

Every week Max Keiser looks at all the scandal behind the financial news headlines. In this episode, Max Keiser and Stacy Herbert discuss UK Prime Minister David Cameron going "all in" and topless on financial fraud and market manipulation in the City of London, where "circle rating" is rife and more "Libor-like" manipulation is found...this time in the natural gas market.

In the second half, Max Keiser talks to [Francine McKenna of retheauditors.com](http://retheauditors.com) and American Banker magazine, about Jamie Dimon, the most over-rated banker in America, and how much longer JP Morgan can survive the various scandals, frauds and putbacks.

**Some notes from the audio:**

- \$1.6 Million still missing! Still don't know where the money went!
- Brings up name of Elizabeth Warren - now they will have to deal with her in the Senate!  
If she stays true to her rhetoric, she'll be talking banking no matter where she is!
- Francine [one being interviewed] has good contacts in Congress, Senate: thinks there will be more hearings in new term - Senate investigations got no co-operation: anticipates that Jamie Dimon will lose his job by end of the year

**Reading: The Mayan Factor Jose Arquelles Ch 3 The Galactic Masters and the Numbers of Destiny**

**Closing: Rainbird**
