R: why he showed up at Ranna Mu's office and asked what the F - she said it is about how all of us get the story done, announced NESARA, and hold economic, social, political gatherings and bring in a wisdom based economy -

- still an entire continent which has answers to this: Antarctica / Atlantis with cities 2.5 miles under the ice - they are in suspended animation, with the right codes, they come to live

- Tom the Cat, and Larry and Curly - won't say the ship will show up on Aug 4th, but there is the realm of possibilities

Counter Spin: a friend of Laura Flanders was killed recently in Syria; has to do with story of middle east - it never was Iran or Hezbollah - it is all about the Khazars - energy out of its time space continuum - mother's children playing with the technology equal to the death star which is why the ships are here

- Rama is on standby and we will know it at the right moment; get that tingling feeling from the top to the toe and in every cell, thanks to the love - this cannot be created in a lab on any level; it's the place of "choose love, now"

the 4th chakra, the heart chakra is Glastonbury

Key 210 - the to be found in the children of light, for they are all receptacles, the 204 countries, for the flame of Ja Wah

Caller: about the symbolism all over last night; one enjoyed was the Tree of Life - when roots of tree were raised, people came out from there

- there will be a miracle very very soon - the ships are coming - not to be surprised if they show up in the middle of the Olympics

T: don't be surprised as we work to get caught up with BBS, we may find someone ready to help & share
More and more news coming out - on Fox news, Shepherd Smith is calling people out on the station
Blessings are abundant everywhere, so let's get caught up

From The Masters Symbol of the Solar Cross - no effort for the good of others is ever lost; even if originator does not see the results, they will still arise.

Key 210: key of paradise sun creation - encoded within the people

Caller: On NPR yesterday, someone from Library of Congress, reporting on 88 books which had great influence on establishing America - the Autobiography of Malcolm X caught his ear!

T: on **Rumour Mill News**, said a Pleiadian star ship will land at the Olympics

- R asked Larry, Curly & Mo who said: we told you anything can happen
- Olympic Games were 3000 years ago in Athens;
did them in the nude; women not allowed to be there

R: Camp Loveway: Teran & Bear spoke of it : this was the Annunaki excluding the feminine

T: in Egypt cut out 520 years so they would not have to tell story of goddess being creator of life

- had to do with jealousy more than colour
- had to do with the womb space and in our 5th dimensional abilities, being able to create without sperm at that time, and much of that did occur
- R said something about a star seed, and the child being created by mother only who was from the stars - she came in from the stars and 5th dimension

- women in Hyperborea could create out of themselves out of Haplo groups of Caucasus

T: discusses the Egyptian pharaohs and how they inter-married and weakened the gene code pool

- Hitler was a transcendent soul, he was Jehovah - Rothschilds had lots of still borns, or autistic - super intelligent, but don't know how to deal with emotions, the feminine - once the feminine is brought in balance, every foetus is born female; sex only becomes known between 5th & 6th month

Caller: when was NRA established?

T: not sure: could be just after WW II

R: there are good people in NRS; Bill Moyers & others have said that it is a terrorist group!

- They also spread hate speech
- We have to watch our words and thoughts: that they are only of the Office of the Christ

T: Caller yesterday said that the national guard had their guns in armouries; militia had them at home so they could hunt and protect themselves

[T: Meat is not food: it is poison to the human body - eating meat causes death due to every disease known to man]

Caller: knows that members donate; as per Laurence O'Donnell on Thursday night's show:

- many of them donate as they must but do not believe in what is being promoted.
- The Million dollar CEO of the NRA keeps up the story of what they promote, but makes no donation to the org because he does not believe

T: the org runs according to the Koch Bros; above them are the Archons who cannot stand the Ring Pass Not situation we are in now - they cannot stand the energies

- The 51 of the Senate said they would vote against the bill no matter if there were a bullet with their names on it - very intense time

Caller: Why does Nancy vote for this?

T: She is Hillary's handler and a double agent so she is more subject to the bullet with her name on it

- on Oct 2nd, after the flag officers literally picked George Bush off the floor and hauled him off when he was declaring martial law on Oct 1st. From Oct 2nd to October 10, he was under house arrest

 - a Santa Fe friend is a descendant of Aron Burr who killed Alexander Hamilton in a duel and she has Russian background: she went to the Ural Mtns, adjacent to the 13th chakra where the brightest light that comes from the inner earth that earth has ever seen from the inner earth

shines out there. The light only shines from there when the other chakras are healthy.

- There have been enough of the 144,000 who have been given the direction to go to these chakras to bring them back to health
- The Mayan people were white from the Caucuses; the Olmec people are black - white and black in the west is how the job gets done. Palanque and Glastonbury have same light
