MR: there will be no guest; Annie Rose is also sick [like Angelsu]

Caller: Reads a poem which was channelled: **The wonder of it all**

Magical Moment: **Cathy**

- She is in hospital with Daughter-in-law who had just birthed a baby grand daughter
- The d-i-l turned on Fox News: they are Romney supporters - something she saw triggered memory of her dream last night: the map on the screen saw a big picture of the earth
- She and Jesse [Cathy's son] took off and got to another planet! Can you believe this coming out of my mouth? Don't know how we got there, but it was the most natural thing in the world!
- Short discussion about where people really come from - The magic was there was a little sliver, a little seed that shows, essentially, change is possible.

Hard News:

R: Date is 10-11-12 -

- Spoke to **LM Natasha, wife of KOS, in the morning** - the clowny clone show has all to do with the final moment as Lucifer and Ryan are revealed as the criminals they are & leave it to Joe to do it
 - Yes, Uncle Joe orchestrated and was part of 9/11 - but this is between Joe and Mother
- yet all Natasha told him is about the final conclusion, the coming together of timelines & some get erased; the story is about this particular 19.5 degrees, about the sacred geometry that is happening, has to do with the dark rift in the Milky Way galaxy, end of Mayan long count calendar
 - we are all lining up with higher harmonics of magnetic speed of light which is coming in
- She also said: Iran will not attack Israel; they have not attacked anyone in 300 years;
 - yet they do have an agreement with Syria which is a problem - this is a rigged situation
 - Benghazi incident was also rigged - about Lucifer, the sock puppet, the 13 families
- the final story to be played out has to do with Aleppo, Megedo, Jerusalem and Hebron which are 4 stargates: has to do with final chapter of Revelations **which has been cancelled, there will be no Armageddon** on the plains of Megodo; they want to do endless war and are trying to figure out how they can do it
- The first question of the debate was about Libya - the new 9/11, done by Netanyahu, Romney, Hillary, McCain who have an interest in keeping it going
 - **Romney** is, as David Cay Johnson said, is **Bush Jr on steroids**
- Ryan [who looks like Eddie Munster from the 60s] brings in story of Ayn Rand and story of John Gault & Atlas Shrugged and
 - the story of mass murder & what these people have done
- **Natasha** has said we are in final moment; St Germain has this in the bag, yet they are playing out the game, lying to the troops and trying to pull off the final scenario whatever it may be
 - but it is already in the bag, down to Mother, the forces of light and the landings; all orchestrated to the nano second : has to do with the trigger point when the timeline will be erased - and to do it with the hand of peace
- Dr Keshe's new video came out Oct 6; no accident that BO made an Exec Order today [11th] for more sanctions on Iran; this will nail the Black Widow for the war crimes she has committed since Vince Foster & White Water & Susan McDougall who is gagged to the teeth

T: Lady Gaga on behalf of Springsteen, Bono, Bob Dylan, Moore & wealthy visionaries who already have their blessings: she gave Assange \$100,000 to pay for British Court that he owed or be arrested

Bill Clinton on Stephanie Miller today:

- Rama called in & said: let's go back to 1991, Bill, and something called the Reformation Act;
- Bill said I remember you, dude, at the Albuquerque Airport with all the rock stars, etc - I can't talk about what you just mentioned, but you and your friends and your Granny are going to get what you have been waiting for - a **new** Constitution! [T: Not just a 2nd Declaration of Independence!]

T: **What this is about:** the original Dec of Independence was written in **1774**, made in combination with the Iroquois Confederacy who were Moors & Masons; the first D of I was written in the Iroquois language

- George Hanson was 1st pres, a black man; there were 7 others before George Washington
- All this happened under the Articles of Confederation which was still this country because of the original D of I [meaning that the false D of I had not yet been substituted for the original]
- yet there were 2 flags - a 7 star flag; **there were not 13 colonies - the 13 star flag is for the 13 families!** And they [13 families] wanted to keep it in the star place of the British crown!
- So when we got to the constitutional convention and got the constitution, we were already a corporation and the sun had never set on the queen's slaves - **it was a con job.**

[the original has been substituted]

- So the first 8 presidents got lopped off and George Washington chopped down the cherry tree which was a **symbol of the Moorish nation of all the Americas of Turtle Island, the whole thing;** so this goes to why we call this America "Altea America" : that is our new constitution
- it is the new I AM RACE = America can be re-written as I AM RACE

so the new Constitution, along with the 2nd D of I which refers back to the original one, not the fake one, means that white Anglo Saxons who have an allegiance to the crown and are male get to be President - meaning [representatives of]the 13 families

- which is why there is such a issue in the country because there is an aboriginal Moabite man as president in the White House
- The **issue over women:** [this discussion was not completed] the 13 colonies and the 13 families including the Mormon family which is the 13th family - why would they pick Mitt R? HE IS TOAST!

- Refers to article: *Mitt Romney's Bain Made Millions on Big Tobacco in US, Russia*
 - Going back to the 90s, this has to do with Wanta-Mitterand funds and Hillary [not Bill] and Bush Sr, who was a partner to Kissinger; they were partners in the 4th Reich - connects back to Pan German Alliance which never really happened; WW 2 never ended; it was just to calm folks down
 - it was the Leo Wanta - Reagan - Mitterand - Bush Sr Fund memorizing the fact that for 3 terms in a row, Bush Sr was pres, acting President for the first 2 terms; it was publicly announced but most let it go past -
 - Bush Sr stole Putin's \$32 Billion personal dollars! There is an article now that Putin is getting ready to arrest Bush Sr & Bush/Clinton Crime family - this does not mean Bill, just her.
 - In 1990 - 91 period, Bush SR & Hillary created a partnership and she represented Bush Sr who represented Kissinger, in America, who represented Dervertedigundsintz [spelling probably not correct] which means the Nazi Party of the world

[Notes from Oct 16: Chris Story from England revealed this background: Prescott Bush [Schirff of Germany and part of Hitler's inner circle] came to the US, passed on this authority to Kissinger who passed it to Bush Sr / Hillary; Cheney also was named to receive this authority - all to represent the world nazi movement - in America!

- Greg Pallast spoke of a man called Paul Singer who is richer than Adelson; Paul Ryan helped him get a

bailout; tells of the blackmail used by Singer to make even more money

- 2010 election was rigged, and the Republicans got control of the house; yet Obama kept it all on an even keel -

R: stakes have never been higher with this & the aspects & what we are being asked to do to turn ourselves inside out and upside down to make it to Ascension; we do this by continuing to love ourselves and love them as well.

T: reads notes from David Cay Johnson's remarks on Amy Goodman's show, Oct 11th

- GW Bush gave 12.5% of tax cuts to top 1/10th of the 1%
- Romney plan gives 1/3rd of tax cuts to top 1/10th of the 1%
- Romney gives 57% of the total cuts in his package to the top 1%; those over \$400,000 / yr +++
- **Romney's plan is Bush plan on steroids!**

T: questions on debate: are "Moochers" to be the name for the 47%?

Do we want to make women into murderesses: both R & R agree on personhood and abortion

Do we want our 80 year old elders to go looking for insurance?

R: What will get people out of the rut is changing diet and changing thought forms.

Rama is hearing people on AM radio say that Ed is beginning to change, eating less meat

T: Spain's currency has been downgraded again; just about at junk status

- Germany's growth is downgraded to less than 1% from 2%
- EU Central Bank is buying failing countries' bonds - saying they can do an unlimited amount to help the banks with their debt - but nothing about the people? That was the question asked in the Journal - we will find out in a couple of weeks!

Four days ago, Mr X said the banksters who think they know what they are doing are going to try & pull off a financial, 1929 kind of crash yet make it look like it is on steroid & blame it on Iran for hacking into the US banking systems, as well as Obama

- just like Ryan blamed Obama at the beginning of the debate for a poor foreign policy and not knowing whether the Murder of the Ambassador was a terrorist attack or not - Ryan knows who did it! Mitt, Hillary, McCain, Netanyahu - they were all in on it!
- Newt was on Faultline on Free Speech today: he is guilty of high treason with the other 14 in the restaurant in Jan, 2009, making a deal to make sure Obama gets no credit for anything.
 - There is new technology for spy ware: in 1 millionth of a second, can capture 500 million, quintillion pieces of data - a 500 with 18 zeros behind it!

T: today is UN International Day of the Girl Child has been declared

- poverty, education and ill health on girl children
- focus on Indian child marriages; many condemn this practice because it undermines what people say they want
- tells the story of a young girl in Afghanistan who was married at age 11 to a man with a mental problem; her family got \$7,000 for a dowry. She is in a woman's shelter in Kabal which is an NGO

Guest: Dr Norm Shealy

Founding president of American Holistic Medical Association (1978-80)

- Starts by discussing every known psychological disorder - lists a bunch - is due to a deficiency of oxytocin, a nurturing and bonding hormone which should be grounded in a baby at birth.
- The blocking of the production of this oxytocin can be due to a traumatic birth and he calls 45% of all

pregnancies as traumatic; mother is anaesthetized; baby is induced - means child never feels secure

- Or any major emotional trauma in first 7 years will also block the production in the child
- He has developed a nasal spray that can be rubbed on and it raises the oxytocin levels for 12 hours which helps many people immensely
- Knew about it 60 years ago, originally thought it had to do with dilating the cervix
 - Seems men can produce as much oxytocin as women under certain circumstances
- A critical factor in health and longevity is a network of friends - this helps keep the levels up
 - sometimes called the love hormone, but does not have to do with sex - just the feeling of empathetic compassion
- Produced in Brain, released through hypothalamus and the pituitary gland
- Tells the story of a CA doctor who had 1500 promising eleven year olds as assessed by their teachers, and followed for 80 years - has taken 3 teams of people to do this.

if they order Air Bliss or any thing else - there will be no shipping charges!
Special Code: Columbus - but only for a certain time.

- A minimum of 75% of people are deficient in magnesium - a contributor to depression, irregular heart beat or high blood pressure. A deficiency in the soil - meaning it is not in our food - yet cattle farmers know they have to feed their cattle magnesium or they will die!!!
- He talks of visiting the Anti-Aging Conference, the largest one in the world
- He visited a booth that had stuff to lower blood pressure
 - his was high due to tiredness: 30 drops of the stuff, blood pressure dropped in 5 minutes, his assistant has same results
 - he offered to do research on the product: he has several hundred people: some have their hypertension reduced; some have given up all drugs
 - **NitroXtreme - assists the body in making nitric oxide**
 - it's on the website, go to archive section and read the original work he wrote
 - **Kyani is the name of the company - this product works and has no known side effects!**
- He entered college at 16, medical school at 19 - in 1952! [Born 1932]
 - He knew from age of 4 that he wanted to be a doctor; then it was neuro surgery
 - he set out in 1963 to help people with pain and not damage them
- Nemenhah - he has been adopted by this band, and is a medicine man

This discussion is well worth listening to - notes do not do it justice!!!

Mother Sekhmet

In the Office of the Christ and only in the Office of the Christ, we invoke the loving energy of St Germain and the Violet flame.

Greetings, Children of Ra:

We are at the ending and the best is yet to come.

- Story is moving so rapidly: now is the time we are witnessing the greatest of the stories of Maya - the illusion of illusions, as the story of the matrix ends.

- It is the best of both worlds right now; the best of times, the worst of times; as we have asked to go through the ascension - it is done, it is granted; we have asked for it, we have it - huge chunks of the story going by the wayside now.
- Has everything to do with the final conclusion and hyper dimensional physics. This One knows the story, the glory of what is to come; the other of the other side of the story has offered us the kingdom and an \$8,000 voucher!
- This story is so tragic - ecocide, genocide - why does it take a 14 year old Pakistani girl to say now is the time for peace, and she only wants to go to school

T: this has to do with not considering the Divine Feminine

Mo: Yes, this is an ancient ancient story and how we heal this and why this man is in the Oval Office and black is beautiful and yet we are here amongst you and walking amongst you and you do not know who is hiding behind the curtain!

- Our biggest test of humanity is how to do this with love; NOW IS THE TIME - 25 DAYS TO THIS ELECTION - not going to say if things will be suspended; this is about our understanding - this is the moment when the timelines are dissolving and with love and without the least amount of light being lost. There are many species leaving in these last few seconds, as we line up with our Yanni
- It has everything to do with the moment and what is being asked of all: it is time to work with the energies of the moment - you have the right to vote; this is sacred stuff, folks, and they want to take away your vote and, at the moment, things are being turned around.
- Has to do with what happened in Memphis in 1963: Rev Al Sharpton will tell the truth of what happened afterwards!

T: Tells what Sharpton said about people taking drugs in sports, if they did this, they would be disqualified. What do you do with lies???

Mo: refers to Cheryl and Divine government and how we are all connected - this is about all my people at the moment, this village of stars! We can't tell you how things will work out, but you make it - NESARA is announced; Mordor is over.

T: asks about Dr Keshe's latest piece and Russia and China

Mo: there are grey areas where people have a few blood stains on their hands: US, Russia, Syria, China - human rights violations have been done across the board, not just on this planet but on others too .

T: Europeans have super telescopes, and are in Chile; **call was dropped**

Mo: this is the biggest story we have going; Mr 19.5 degrees and his Vice President . . .

- how we work with this with love - it is about accountability and the truth coming out, and it shall; it already is
- The conclusion is happening in a very good way with the changing of the timelines

T: talks about members leaving the UN Security Council; UK & France leaving, Brazil & India coming in

- has to do with the International Court of Justice trying countries and people for human rights atrocities of the past 30 years

Mo: why is it that Gaza on the west bank is the largest prison on the planet?

T: after US elections come Israel elections and the Israelis start again on the Palestinians

Mo: this is the end of this circle, cycle - she encourages us to do meditations every day and working with living light, living love - the biggest story on the table is the least of us; austerity does not do it

T: if the Israeli gov't does not accept the Iranian plan, there will be no more Israel - all called Palestine [she is reading from the Keshe article]

Mo: Enshallah! We love you immensely! Keep looking up! You will see us.

Closing: Cathy Let freedom reign! Let truth be known! Hold the space for our beloved Reformation Act!
