Tuning Forks: Solfeggio Frequencies

MR asks us to think in very personal terms of the meaning of each tuning fork as it is played; allow our bodies to feel the vibration:

- Ute - 396 Hz - #9 vibration - helps liberate us from guilt, fear, grief, past hurts
- works on all the astral bodies; to get us beyond the frequencies which hold us back
- Re [ray] - 417 Hz - #3 vibration - facilitates change; letting go of old baggage; helps to clean chakras; reminds us we are worthy, a holy child of god
- Mi [me] - 528 Hz - #6 vibration - Transformation and miracles; DNA repair; clears vibrations which are not in harmony with our being
- Fa [fah] - 639 Hz - #9 vibration - connecting, changing relationships, family, home / group; supporting us as a co-creator; calls in the heart
- Sol [soul] - 741Hz - #3 vibration - awakening intuition; helps us solve problems; balances right & left parts of the brain
- La [lah] - 863 Hz - #6 vibration - helps us return to spiritual order; cleans the chakras - it reverses movement, restores order; clearing, returning to spiritual order
- for 7th chakra, do all 6 together - angel frequency - very high - 4686 Hz
- Earth - 136.1 Hz - finishes with this one to bring us back to the earth we live on

- The frequencies in the tuning forks are not in any instruments we have today.
- The Solfeggio tones were used in the past with the chants; they kept the monks balanced & healthy, using them eliminated fear, guilt, etc and kept them healthy.
- Eventually the church suppressed their use, as control of people was their goal.
- Add any of them together, they come out 3, 6, or 9. Tesla said if you understand the 3, 6, 9 matrix sequence, you understand the structure of the universe

D'yanna: an apartment across the street from her burned and the family lost everything; the people in the complex opened their doors and took them in - community pulling together

- T & R have put their lives on the line regularly for this program and this group.
- We are the family supporting them and each other: the community pulling together

Hard News

- the main thing going on now is that we have reached critical mass and they are playing really hard, hard ball - so lift up your hearts - despair is not an option!

R: Mittens is being exposed for who he is: Mother's grandson Lucifer - playing games with the mind, separating it from the heart

- people are talking about felonies like it's going to be Mitt and Bernie Madoff being cellmates
- rumours that he is facing 200 years for his lies - like the blind trust in his wife's name

T: he has gotten trillions from the Vatican -he is disqualified from running for President

MR: what did he do?

T: he lied to SEC and the people, telling them he had retired from Bain Capital in 1999, yet he extended his time with them until 2002

- he has a way more millions than he declared, as well as the money from the Vatican

MR: why has Vatican given him all this money?

T: the black man representing the people will see that all are going down, including the Vatican

R: all has to do with what is occurring in terms of the galactics landing and how peace is declared so many different ones are bringing this in:

- **Ed Schultz** hit it out of the park today: guest was Brian Epstein, a hedge fund manager who has been on Camp Loveway - Brian talked of blind trusts and how these guys play with the financial futures of everyone on the planet - just a small group of lifeforms
- R spoke with Katherine of **KOS office**: like Cynthia said last night: why are we even here: our sun has a quad polar pole; there are things going on that we should not be here - yet we are here
- R keeps getting hammered by Mother: there is an anomaly occurring at the centre of the MWG
 - draw a horizontal line across a paper: the top is upper part of galaxy; bottom is lower half - there is a bubble growing on each side of the horizon, the horizontal line
 - as we approach Dec 21st, that bubble gets bigger, bigger and bigger
 - by the time we get to Dec, there is a wave coming out from the centre of the MWG called the Nexus - as it goes out, it changes the molecular density as well as matter itself into a different form
 - the wave called the Nexus has all to do with the doorway of light that shows up
 - This anomaly - David Wilcock talks of all the folks who have gone in the jump chair in the past - or now - get to Dec 21, 2012 - could not get past the door way of light - why is that?
 - It has to do with changing the nature of our DNA

T: the austerity protests erupted in **Spain** - police used rubber bullets; hit an 11 year old girl in the head -

- violence resulted; people there have to pay 21% tax on food; cutting programs, education, retirements going down the drain just to try and hang on for a little longer

- dollar to Euro is 1.2166 meaning we only have 6 cents to go and the Euro s gone - they had only 15% gold backing

R: he asked Katherine if it would be done by the 15th - wouldn't say yes or no; said it would be going all the way done - it has to do with the 40 zeros which are being propped up

T: the LIBOR is coming to the USA - at least a dozen banks will be hit with a left hook

R: Wells Fargo has to pay out millions against people of colour who have been discriminated against - huge

T: **LIBOR** stands for London Interbank Offered Rate - it's like a crap game every day - they have been doing this for 20 years and making millions across the entire globe

R: do you want a CEO for a President: is it patriotic to have a Swiss bank account and run for president?

T: there are serious ramifications: there is an Asian conference which Hillary is attending

- first time in 60 years that an US person has gone to Laos - US left a mess there and only offered a pittance in retribution: - the South China sea is up for grabs - **fighting over gas and oil**
- Go back to what BO said in Toledo - he told people there were new technology and soon they will be rolled out and we won't need oil - **THIS IS ALL A CHARADE**, including the stuff about Russia
- **Send your love, not hate! Stand in the light - we represent such a big change.**
- Koffi Annan is of the light - he went to Iran - the essence of the 6 point plan: stopping the violence, releasing detainees, allowing humanitarian access - should be seen as a package which will help create the environment for talks
 - Iran has a role to play and he believes in that role

Merkel: making arrangements to sell Leopard tanks to Indonesia who kill their own people - here the Buddhists are killing the Islamists in Indonesia!

Bosnia: had a special funerary where they honoured the dead from Herzegovina - 10s of thousands

attended

Southern Japan: a massive torrential rain; 22 inches in less than 24 hours; at least 20 dead, more missing - all kinds of people coming to the rescue, not just the appointed ones

Same thing as **Black Sea:** hundreds & thousands of people got together, helped those who affected.

Guest: Joe Crane

The Children of Light Conference, Denver, CO at Red Lion Inn Hotel

Some amazing things took place:

- a monk from the Deepsah community came in and gave a Oneness Blessing
- for the first time since this community began their work, they joined with the C of L community
- Conference was based on was having at least 333 people attend at the end of the conference, there was a Grand Formation
Each person has a space in the room; each has own ??
all sing and chant together to create a harmonic

On the 2nd last day, Joe passed on the Wholeness Blessing to 347 people [more than 333]

- The Wholeness Blessing he gave with the frequency of the people in the formation sealed the blessing in those present so they could go forth and give it to others
- Joe describes how he came to get the Wholeness Blessing from AA Michael and the others
AN AMAZING STORY! BE SURE AND LISTEN TO IT ALL
- He continues with what happened at the conference
 - how he trains people
 - why people cannot charge for giving the Wholeness Blessing
 - how giving it helps everyone involved in the process

Mother:

Greetings in the Light of the Most Radiant One! In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

T: we ask for inspiration, exhilaration, transformation

Greetings, Children of Ra:

The events happening now in the reality - what we are watching - things changing so radically each second

- about our DNA changing so rapidly with the frequencies that are changing the nature of how things are done
- much is transpiring about mass arrests and events and how we have the next moments with us
- Our situation in the moment is about the fact that our sun has changed - has 4 poles and is lining up with her yanni and all the events which are happening in the moment, in the twinkling of an eye has to do with the fact that we have asked to be here in this moment at the most critical of junctures
- the ship has really hit the fan now!

T: Ed on his Tuesday radio show told everyone that Iran has building star ships, not nukes!

- Ed Schultz on MSNBC TV before Rachel Maddow - wegoted.com is the website - noon to 3
 - Guests like Mike Papantonio; Sam Seder; Sen Sherrad Brown of Ohio who they are trying to get rid of

Mo: our wayward children have lost; we have won - remember to love them more as their hair is on fire!

- they want to create high drama: Ed S played part of an interview with Sarah Palin who said I want every Republican's hair to be on fire in terms of the stories that are going on
 - Their angst has to do with the fact that they have been exposed
 - as we love them, their DNA changes; it is easier for them to go through the Dark Rift as it is happening now: they have made their choice
 - As we witness the banks around the planet go down, the story is about how our gov'ts have been sold out for a dime: the banksters are traitors to their own people
 - there is a petition "Jail for Banksters" going around, put out by Tammy Duckworth, a friend of Al Franken - she has been talking of the story since 9/11.
 - She says that, for every day which passes the number of soldiers leaving their bodies increases; they come back here and get an empty hand from the VA - there is no money, as it has gone to Black Magic Mittens & friends who are going to the dark rift
 - At the same moment as we watch this, and people's hair is on fire, the biggest thing we can do to heal this for ourselves and for everyone, including the least of us, is give what we understand about the healing that is occurring in each one of us, as **we are the 144,000: WE are the rescue party!**
 - We take it on: each one of us has a magical gift ; imagine how many more gifts can be given within the story, as each of us within the 144,000 is unique
 - the uniqueness among each one of us, we are the the particles within ALL THAT IS
 - as we begin to share this with each other, we pass on wholeness and calmness and peace and the mind clears, when we slow down and breathe and forget about the 3 jobs we are doing, etc etc
- T: lots of people are losing everything: like 60,000 people in Japan who lost everything - homes, land, all - the whole nature of the land even changed
- Mo:** the man on NHK news said "what do we do now?"
- Centre yourself and go to the next step and ask what would the Man with the Plan do now?
 - He would begin to gather the community; as we come together in one, it begins the healing
- The Tree of Life with the 9 Realms, the story about this brings in the different angelic kingdoms of how we fit together, the uniqueness of of how we fit together -
 - we have a planet with huge amounts of water, this is an awesome gift!
 - As the magic carpet is shook out by Mr Stanley Steemer of the universe and [the earth] is clean, then we can sit down and begin the conversation where a foreigner - it is about the 13 tribes of Is-Ra-El, of Dan, of the Annunaki, the Haplo people of Hyperborea - somewhere along the line they listened to the story of Loki and the mind and heart got separated
- T: you are talking of the Lucifer hologram? Yes!
- Sharrad Brown spoke of losing the party of Lincoln; Steve Colbert said it's time to put our money on the black man in the white house as he is already there and has been doing well
- Mo:** Time passes quickly when every 20 days = 1 year goes by. It is a matter of time, space in this story
- the 13 families never intended to let us see a dime of the blessings; now at the point that the 40 zeros are being discussed & how to distribute it when the Euro collapses
 - Maybe in next few days we will see things fall; they are pulling out their hair in the Eurozone
- Ms Angelca Merkel has to get up on the podium and talk of her father & how can I forgive myself?
 - how do you heal the story about a war criminal, mass ecocide, genocide, earth crimes which are intergalactic in nature -
 - goes back to the time before the gods were here and the squabble between the children about who would be masters of the Universe - **we are seeing it END in our time!**
 - Found another planet circling Pluto - very soon, they will talk of Persephone beyond Pluto, then Lillith
 - most solar systems have 12 - 14 planets; time to tell the whole story

- It is about wholeness: the whole of us have said - all 100% of us - are healing this with love, in this moment, now
 - All the tools have been given to us: **there is no rescue party** - this is it, here we are!
 - we pick it up and we do it now: - our family from the stars are already here; the crafts are landing
- We imbue what we already know how to turn on, at a deep level of the DNA and as we get to the still quiet moment, the healings that are going on in - every particle of living light is what is activating the particles within our DNA where the anxiousness of wanting this over -
 - as we make it manifest with our thoughts, therefore it is and it is occurring
- The raging inferno that has been lit under the Sirian Commander and his wife to lead us through this doorway of 2012: 19.5 degrees is no joke - it is about ascension now
 - there is no going back, we are doing it now and doing it with love - we are watching it and the chills and the spills are part of it - it is a ride and a half!
- How much does it take to run a shadowy corporation? How bad it is with the level of distinction between the man running against the Sirian Commander & the disparity of what we are seeing with the hundreds of millions in this country . . .
 - there are 400 men or women lifeforms that have more money than 400 million people in this country?
 - We are calling on you as the 144,000 x 10,000 thousand

T: the 5 people who lead Walmart have more money than 30% of the people in US

Mo: the disparity of how we are living

- why Jim Hightower says when he sees a corporation executed, I will have a very happy day in Paradise
- The story of Lucifer: you are not less than, or more because you are of the tribe of Dan - it is only illusion, that maya that has been instilled in our bodies for eons of time that we are less than and to cow down . . . taught to be very afraid . . .
- As we sit and do nothing, it ain't going to come to us - tag, we are it!

T: a high commander in the Syrian intel, and a good friend of the Syrian president, defected last week

- a former Syrian ambassador has also defected - reads info from a tv program
- this is a significant crack - it signals the beginning of more cracks! It is seriously important: he is the Syrian ambassador to Iraq, one of Syria's most trusted people
- The loyalty around Al Assad is beginning to disintegrate

- The defections have begun - this is a powerful experience for the world: people like Hillary always want to use violence as an answer to everything, but this is no longer the name of the game

Mo: We are returning to innocence - you have already one; they hold no power - only the illusion of power

T: China having trouble with their economy; they have been connected at the hip to European economy for 20 years, increasing their GDP by 10% per year; now it is crumbling

Mo: this empire will fall; the true teachings, the path of peace, the Shaolin way, the tiger and the dragon - will be taught - so we can fly - this is the nature of our soul matrix - we have a merkaba that is a shining example of who we are

T: we need to teach ourselves again how to levitate

Mo: to give some understanding of the New Jerusalem; it is Ashtar's merkaba vehicle

- it is 5,000 miles in diameter; can have 1.5 million people in it! That is the love that is unfolding!
- There are 12 mother ships of the same size in orbit around our planet!!!

- We have already won - now we can begin to share as we are the 144,000 with our gifts, the uniqueness

of who we are and the magic of the moment: we never have to die, be sick, grow old;

- our bodies can last 1000s and 1000s of year; we can shift in the twinkling of an eye and experience orgasmic joy
- we are moving at such rapid speed beyond light
- the depth of the compassion that is spreading around the planet: what would The Man do with the story now? He would put his arm around Lucifer and love him, no matter how much he is hated!

Cathy: we are in the 11th hours: what is going on behind the scenes that we don't know, but we would like to know? What is their next big attention effort?

Mo: the reality of the fact that our sun is warping at such a magnificent rate is changing the nature of your science and we will all get an upgrade in the real science of the nature of the universe:

- hyperdimensional physics, quarks, black holes, strings, and the nature of how the universe works - how one universe overlaps another universe and how we move through these universes - not about moving with metal ships or the technology of splitting atoms - it is about the silence of one hand clapping, moving at magnetic speed
- That which we call mass arrests are going on at the highest levels, even if we don't see it; we are closing in on them
- tonight Darth Vader Dick and Black Magic Mittens are in Jackson Hole, Wyoming trying to figure out what to do next and that we should be at the bottom of the hole, not at the top!

T: In the reporting on China, the comment was made: the financialization of the economy is not the issue, but the inequality between the people

Mo: as Joe Biden said, they don't get us!

T: Joe gave a speech and a half at the NAACP today

Cathy: thought he [Joe] was dark

T: He had to do what he had to do, yet there still has to be accountability

- KOS told Rama that Thom Hartmann is compromised - and Oprah - and Jennifer Granholm
Anyone praising Hillary is compromised - and these ones are!
- Wait until Keith gets back: he is the one who has been calling Hillary on her stuff: he asked on air once if Hillary wanted to see a bullet through the head of the black man??
- R gets a twitter from Keith every day

Mo: Keith is on top of what is happening and what is the next step for all of us

T: time to stop playing games - as we choose to do it together, who will they pick on?

MR: thanks to Mother for sharing with us; and to people who listen and keep us on the air

Close: Cathy
