I need this item, (CD player) because we don't have one. I have difficulties in my teaching, and the students have lack of understanding, and ~~now~~ could practise listening better.

Will others in the school or community benefit from this purchase? How so?

Yes, ~~my teacher~~ other English teachers can use it.

Will the purchases be useful long-term? For how long will you or others be able to use them? How?

Of ~~course~~ course, we will use it for long time, I will take care of it.

How will this purchase improve/enhance student learning?

The listening will be improved, we know that some students are auditive, this, together with the other things we have in our school will ~~en~~ ^{increase} the learning acquisition in English language.
