

GRAPHIC DESIGNER

Love Frankie / M&C Saatchi World Services, Thailand

Love Frankie is currently recruiting a **Graphic Designer** for our regional team in Bangkok, Thailand to support our global social change campaigns work.

Working as part of a passionate team, our Graphic Designer will be responsible for producing a diverse range of visual communication content. We're looking for someone who will thrive in a dynamic environment with a demonstrated ability interpret creative briefs, ideas-driven with strong conceptual skills and a natural ability to create high quality and intelligent work in a fast-paced environment. Strong technical design skills will be essential.

Our ideal candidate will be an excellent multi-tasker working across a variety of projects at any given time, they will extremely organised and able to independently manage own time, workflow and scheduling in order to meet deadlines.

Key Duties:

- Develop and design a range of graphical content for offline and online (social media) platforms including; info-graphics, web banners, posters, cover images; basic video editing and accompanying graphics components including OTS, supers and end tags etc.
- Working directly with partners to produce new ideas and concepts, translating static information into visually engaging, attention-grabbing and easily digestible imagery for diverse audience groups
- Provide creative input into project development; research and contribute innovative and inspiring ideas for campaign outputs
- Proof checking with acute attention to detail to produce accurate, high quality work.
- Extremely organised in managing own schedule and workflows, estimating time required to work on multiple projects
- Ensure clear communication and collaboration with campaign partners & team members throughout the design process.

Functional Skills:

Expert Knowledge of Design Tools – Highly proficient in all applications for the creation of graphic design & basic motion graphic design. These should include but not be limited to: Adobe Photoshop, Illustrator, InDesign, Premiere pro, and After Effects.

Strategic Design Mind – Ability to effectively integrate overarching campaign objectives and brief requirements to think creatively and inform concepts; proactive in coming up with ideas and able to find creative solutions to jobs.

Design Expertise – A passion for design, solid experience with branding, brand identity, infographics, typography, storyboards, video graphics animation and various forms of multimedia digital content.

Process – Effective in multi-tasking and prioritising between projects, managing time to meet deadlines, working in a focused yet flexible manner in a busy, dynamic environment.

Communication – Must be a solid communicator; proficient English written and spoken a must, other language skills desirable.

Qualifications – Minimum 3 years of professional industry experience, Bachelor's degree or equivalent in Communication Art or Design desirable.

If you are a passionate, creative designer or graphics media producer wishing to join a dynamic team of talented specialists working in the social change sector please send us your **cover letter, CV and portfolio** to:
