Second Hour: Background of Tara and Rama – an educational night!

Lots of new people are listening who want to know about T & R

HARD NEWS

R: Talked to Tom the Cat

Intro: Tom is a 12' tall black Paschat; has orange rings on his tail – sometimes he shows up as a panther

- Has known Tom since before he met Tara in 1991; met Tom in 1977-8, even before King of Swords, at Swami A's ashram; Rama was going up on the Ships from CT
- Rama met Tom on Mother's ship; Tom joined the team on earth when the King of Swords [KOS] moved from being a Helicopter pilot to be being a Secret Service Agent
- Rama has known KOS since 1980

Tom: Congress in recess for a week; pay no attention to the absolute insanity of the fake horse race: Bernie is the only one making any sense; the others are distractions with baggage that goes back to the Orion War – this is the huge, huge story about people waking up

- Bernie is the only Sane one talking about the real issues; Miss Hilly is dancing around things & saying we can trust her with the red button at 3 am!
 - Ashtar has said no nukes, no dates- yet this is a dangerous brinkmanship game – playing virtual chicken to the edge of the cliff and who's going to fall: the nukes won't work and soon whistleblowers will say "I can't stand it any more, I have to talk"
- John Kariakou has come forward in the last week; he worked with CIA as an analyst
 - and this is related to KOS and Tom as all the dirty secrets are coming forward for all to see all the way back to Waco and the murder of JFK Jr and his son JJ.
 - Rama is being told the missing bits: all being told to us is to distract us and to add more fuel to the fire of hatred against Obama & family; Trump has been stoking the fires of hate and complaining about Obama's birth certificate
 - Obama was born in Hawaii at 19.5* and is the son of Malcolm X & ye did go to Mars!
 - Obama went to Mars at 18 via the program called Project Pegasus, a program started by the secret government which took people like Obama, Andrew Asiago and others to Mars – Laura Eisenhower was invited to go, but she declined. Obama did go and was handed some kind of energy weapon, was told to go out and survive, and he did: he met Kortonn and Ashtar and has had many meetings with them since then about the fate of the solar system and how, in practical terms, they can help the planet –
 - We are on the dime where things could happen at the moment & changes all the media, etc
 - Obama has been in the Project since he was 18 – in 1979; that Project is at the 38th level above the President – the ACIO [Alien Contact Intelligence Office], along with the Ashtar Command, the Wingmakers from 175 million years in the future Obama is the first and only president to be at that level & know all about it. That is important to know this as it tells us he is a double agent as there has been no other president who has been a double agent.
 - HRC [Hillary Rodham Clinton] knows the Rockefellers and agreed with them that the ET s are not to be talked about
 - Obama would be killed if he said anything about this – which is why he's a double agent. She has been representing the 13 families and telling him and everyone else what To do – which is why she touts him all the time!
 - Mike Papantonio [his program is Ring of Fire] said she has not met a war she hasn't loved: voting for Hillary is voting for war.
 - She never gave any policy in her foreign policy speech – only critiqued Trump today
 - Bringing the discussion back to the brinkmanship game on the planet and going to WW 3 –
 - Rama has been told there will be NO EXTINCTION LEVEL EVENTS OR POLE REVERSALS or anything like that.
 - It is about how 13 families have played with ancient sidereal technologies that have induced panic and vibrations that are not conducive to ascension - yet that has been

- changed and things have been getting better and better.
- Things are getting worse when you listen to the news in the 3D venue
 - today Germany voted and passed a law that says the murder of Aramayans and Armenians and smaller christian sects in Turkey 100 years ago as a massive genocide!
 - Erdowan went ballistic and withdrew his ambassador from Germany – and this will affect the \$4 Billion he received from Germany for him to take back refugees
 - Greg Palast put out a report with Dennis Bernstein: those who live in California and are not a registered Democrat, Hillary and the DNC [Gerry Brown went for HRC – naughty] - those who are not registered will get PROVISIONAL ballots and those ballots will GO IN THE GARBAGE! It's illegal but they are doing it!
 - **THAT IS A CRIME AND HILLARY AND WASSERMAN SCHULTZ ARE INVOLVED** – in 2012, **close to 10 million votes** went into the garbage because they were provisional ballots – and Obama still won by 5 million votes! The Force pushed him over the edge!
 - the story about Mr 19.5* is tied into the return of Lord Maitraya, the Cosmic Christ – all this ends in this cycle. In the Middle East, Maitraya, also known as the Mahdi.
 - The California vote happens on June 7th, the day Ramadan begins. The Saudis have said they will block the path of Iranian Muslims who want to go to Mecca – very, very naughty!
 - The galactics will do something now . . .
 - From the **Leslie Marshall show**: guest was Brad Friedman of Bradlog:
 - He brought up Trump's insane statements: Trump got some money from the issue around 9/11 and he never paid back the money to the people of NYC –
 - this is now coming back to bite him – that plus all the lawsuits facing him
 - We are the space that as Mahala says: he is a fraud, as is his university; this has to do with the drug running, child trafficking, human trafficking, weapons dealing, murder, ecocide, genocide – this life form needs so much love – he is an archon, one of the very ancient beings that were part of the Archangelic realm, represent the fire element,
 - When Luciferia fell 450 Billion years ago, they took 1/3 of the angels fell with Luciferia and this brings in the mischievous elementals and lifeforms from the tiniest beings to Lucifer, the Adu Jihand/the lords of Chaos, and other various beings that have inhabited the lower astral regions where the 4th dimension is merged with the 3rd
 - Rick Scott, Gov of Florida, is an archon, too
 - Even though Hillary is not an archon, she is a 50' dragon – not human, has been killed and cloned various times; there is no drop of human DNA left in her – we are watching programmed clones doing the bidding of these “higher” life forms
 - Hillary has been a pawn of Queen Elizabeth 2nd since she killed her lover Vince Foster in 2003; it is interesting and useful how Trump disclosed this, even though the media has been denying the story

Reading: 2016-05-30 The Clinton Crime Family. “Hillary is the Most Dangerous Presidential Aspirant in US History” **[SEE BELOW]**

- Hillary is the most dangerous presidential aspirant ever – 100% true!
- Remember that Putin is an immortal and is being directed by the Andromedans!
- What HRC is saying about Putin are statements that really describe her!

T: the White Knights have stated categorically that neither Hillary nor Trump will become President.

Monday: Rama decided to go visit the Tibetan Centre because he watched a movie called *7 Years in Tibet* with Brad Pitt.

- He wanted to go and see what he could see – went to the store to the place where he had looked at the rugs that last time. A little Tibetan girl showed up and the llama said she

would take him to where he had been before. They went through a tunnel to get there, then used a rowboat to go down the stream and got out where a 10 storey Buddha sits.

- Then she told him "You must go and talk with the golden child" and the golden child is in the golden rose universe which is parallel to ours.
- There is a super galactic centre where the 27 galaxies come together; it's the location of the Hunab Ku of the Mayans talk about.
 - Hunab Ku – a being that is of infinite measure: the lord of movement and measure: the great mystery - could be equal to Kalki Maitraya who is the 10th incarnation and initiation of the Cosmic Christ on the planet –

- **Rama** asks "is this the time of the return of the Maitrya?" "Yes"
- this golden child is coming to earth right now as Kalki Maitraya, the 10th incarnation and initiation of the Cosmic Christ
- **R:** is this the return of the Maitraya for the purpose of ushering in Sat Yuga? "Yes"
- Then Saraswati transformed back into the little girl.
- The little girl said: "Any more questions, Lord Rama?"
"No, you've answered all my questions!"

- The little girl said: "It is time for all of us to recognize ourselves collectively as God, Goddess, All That Is, thus co-creating the 144,000 vibration x 10 hundred thousand x 10 hundred thousand, physically manifest, physically manifest on this earth."
 - This kicks in the morphogenic field, and kicks it into high gear, meaning all of our combined morphogenic fields resonate to the 12th dimensional vibrations of our original true divine blueprint as we were created by Mother 450 billion years ago" -
 - this was before the fortunate fall when 1/3 of us fell from grace: which means we all did as we are all one. That means both/and which means we are all responsible for this, and equal to it.

R: what was shown to me to day is how the frequencies can change in the twinkling of an eye.

- R didn't expect the little girl turn into a 10' tall being called Saraswati! His mouth was on the floor!
- She was there with the llama in the Tibetan store so, obviously, the llama was expecting Rama and it was all prepared for him!
- there is an opening underneath the Tibetan Centre; the entrance is in the room with the rugs. Once you go down the steps, you are in another dimension – can feel the change in vibration and sense the vibration on your skin –
- Saraswati said the frequencies are so high on the planet and continuing to get higher that beings like her are showing up all over the planet; Rama's experience is not isolated – multiples of these events are happening all the time and the MSM [main stream media] is not reporting it. It's a major distraction about keeping the masses in a state of depression, the never ending spiral of samsara!
- The little girl said goodbye; the llama said "Have a good day, Lord Rama" and Rama came home looking like he'd been in another dimension!

Monday: he talked to Tom the Cat, Larry of Larry, Curly and Mo –

- the names of the 3 Stooges are code names for galactic beings who serve on The New Jerusalem as Bridge Officers, also Secret Space Command officers: not born on earth
- Larry is an engineering officer
- Curly is a science officer
- Mo is a weapons specialist and tactical - all on the New Jerusalem
- They serve with Lord Ashtar and other officers concerning how we can shift our consciousness from one of what we have heard so much: these beings are from Alpha Centari, the Plieaides, Nibiru – they also serve on Mother's ship, the Nibiru. •
- They look human but are galactic humans and are helping Obama to get the story out;

they also visit Barack in the White House. Sometimes Michelle and the girls come too – Asthar, Sananda, St Germain are sitting there – all the folks from the ship in council

- Rama has talked a couple of times with the girls and when he asks too many questions, the girls have the full answer!!!

E-Mail from Commander Randy: We have to have exposure before disclosure

R: Yes, before disclosure: what is going on is on a massive scale:

- for instance, this was on the news of Santa Fe's local college radio – Radio Cafe with Mary Charlotte: had on a writer whose new book is about Operation Paper clip – the story of spiriting the top nazi officers & others to the US after the Nuremberg War Time Tribunals
- they formed the basis of the OSS, FBI, CIA, the NSA, the DIA and all kinds of ABC agencies right up to the secret space command where ET Corey is.
- as shared this morning, she said so many of the nazi officers are directly tied in with the mystical Thule Society, The Vrill Society, Nicholas Tesla, vortex suppression technology – they were bringing these kinds of words on local radio!
- also brought up Carol Rosin and Verner Van braun who started the V1, V2 rockets for Hitler, later joining with Howard Hughes and the Johnson Space Administration and the whole circle of Hollywood people which has to do with Operation Paper Clip and Majick as Dr Greer talks about; talk of how we've been visited from the time of Hitler and not all the cultures or races are of the Office of the Christ
- the timelines have shifted and earth and the surrounding planets are saying no more war
- whistleblowers keep coming forward with mountains of paper, exposures of so many different facets of this: – back to JFK – some stories go back as far as Lemuria, the land of Pan
- in the meantime, Trump met with Karl Rove & Paul Ryan has endorsed Trump
- right now, Madeleine Albright is being interviewed by Laurence O'Donnell on The Last Word – she is a major lizard too!

- **Monday, Larry, Curly and Mo** said: Bernie and Hillary are neck and neck in CA; Bikers biked into DC for Memorial Day and Trump is trying to buy off the bikers to be his Secret Service forces, meaning Nazi forces
 - Iraqi vets, Afghani vets, Viet Nam vets – saying we cannot be bought by Trump!
 - **L, C & M** went on to say – we saw the leader of Chad today from the 80s convicted of killing up to 40,000 his own people, courtesy of the US empire – ie, the US backed him – the criminals of US Black Ops are still free.
 - This was done through Bush Sr as he had Reagan murdered and cloned 2 months after he got in: March 30th after he was inaugurated: so Bush Sr has it all. The leader of Chad was trying to get away from the officers and get out of it, but they just kept leaving him out
 - **L, C, M and Tom** said: soon the rest of 13 families and their minions will be getting the same sentence or executed: they will be removed from this dimension and returned to the Void – meaning they will go to Second Death. They have already met Mother and refused to accept love – SO all of their energy including their soul will be dissolved back to the Void to create new universes – meaning the law of Karma is dissolved with that energy and that many of the original 1/3 of the angels have decided to come back to love or not to [come back to love]: if not, go back to the Void at the same time as those left on the ground!

HOURLY TWO

R: met Tara as 11:11 was coming into play – summer of '91; they met at a channeling; there were 2 people channeling – one was D'Yanna

[Report on D'Yanna's health: she was supposed to have her shoulder put back into its socket; it's been out since 1991 – dr said the actual socket has deteriorated beyond the ability to hold the shoulder; it is very painful. Her opportunity is for the new technologies and the higher vibrations to rebuild the cartilage - these

technologies which do that and more: WE CAN ALL REVERSE OUR AGING PROCESSES]

- The channelers were D'Yanna and Rama's sister Crea, who is Asthar's daughter: AA Michael, St Germain, Asthar, Lord Sananda came through
 - At that channelling, he was kitty corner to Tara, and the room was full! Ashtar came through and outted T & R [told everyone who they were, why they were there] and told everyone there that the mission had begun s in earnest. You are all going to lead everyone into the 5th Dimension Fully.
 - then Tara and Rama went to live with Shield and Sherula, in their High Selves are from Telos;
 - This lifetime, Sherula since 1795, has been in the same body she is in now! – she is 221 years old
- MR:** can confirm that Sherula looks good! It's a true story! M and Robert went to Mt Shasta in 1990 and at the conference.

T: she's been in a reclusive state for some time now; Shield works & Rama gets to talk to him now & then

- this Divine Leila which is 450 Billion years old is ending and so is karma: circle is closing
- NESARA is the 2nd constitution, the 1st one being the one of the Iroquois Nation
- Go to www.2013rainbowroundtable.ning.com, then the NESARA tab – a good piece there, plus info in the Bruton Vault.
 - Become a member of the website and help sustain the work being done.
- The woman who wrote the article on the Bruton Vault is an incarnation of Lilith
 - And if you think that, via the astrology, she's up there in the stars, WE ARE ALL STAR PEOPLE, now meeting in this life time.
- After living with Sheild and Sherula, they went to live with a friend who was Lancelot in a previous life time: Rama was Merlin at the time, and Tara was Arthur
 - yes, we have all been both male and female in previous lifetimes
 - there was no single being that were these beings: millions of souls would body hop into these embodiments to get the vibration, the energy of that particular being: the modern word for that experience is "shaktipat" - getting the complete vibration & energy of these beings as a download.
 - T experienced ascending in that life time – as did others of the millions who embraced that vibration of Arthur - because Arthur ascended in a single incarnation pattern at the time. It is important that we know this – in the beginning we might be excited to think we were this one or that one, but as we get a little farther along the path, the more we realize that is not exactly so.
 - As we are all One, and the more we vibrate to teaching that vibration in this lifetime, the more of a Master we become and take responsibility for that idea
- the Time of Arthur is returning now: sometimes called Camelot – it was a high vibration – many were still vibrating to the 5th dimension consciously at that time, and could see the angels, the hobbits, the menahunies and have daily conversations with them
 - R says the movie *Malificent*: Angleline Joli plays an arch angelic elvish lords who takes care of a part of the Isles of Britain: gives us a visual idea of what was happening
 - Brittany is one of the ancient names even before Arthur or the Romans got there – has to do with the various inter dimensional portals and stargates which are as natural to every planet as breathing.
 - Humanity is becoming aware of it now; this is the first time that millions are becoming aware & quite quickly
- Merlin was overlitghted by St Germain, meaning Rama merged with the energy of Ascended Master St Germain and that [the learning from, the experience of] never goes away, and nor does that responsibilty, either. El Morya overlitghted Arthur, so Tara got that Shaktiput!

- In this life time, Rama is a direct descendent of the physical incarnation of St Germain as Count Raczoy at the time of France. Traceable in Rama's DNA
 - St Germain goes all the way back to Queen Elizabeth 1st – in other words, Sir Francis Bacon did not die. But this is not taught as the FBI infiltrated the Theosophical Society and many things in there are not going to be talked about
 - The ascension vibration stays with them, even though the physicality may be missing teeth, having surgeries, etc
 - D'Yanna at the time of Sir Francis Bacon was Queen Elizabeth 1st who was black and an Aboriginal Moabite, as was her mother who married Henry 8th
 - So Sir Francis Bacon's grandfather was Henry 8th – who is now Henry Kissenger.
 - And St Germain is in physical existence: has 2 offices in Virginia and one in DC
 - All his various incarnational patterns are simultaneously here with him, and are being experienced simultaneously by humanity, as we are pursuing higher forms of prayer, meditation, good vibrations, on the planet
- so the Oneness is covering so much ground right now
 - We are world servers with group ascension going on: does not mean we leave the planet or our bodies : we can reverse the aging process and stay in our bodies and bring heaven into it on earth
 - NESARA facilitates this more – which is why the focus on NESARA
 - So don't be distracted: NESARA covers a period of time from when the Photon Belt started coming in: back to 1987/the Harmonic Convergence when the Age of the 6th Sun started and the Age of the 5th sun was completed: lots of people don't know this, and a lot of the teachings don't say it: it is just a graduation period for when that student is ready to hear
- The threesome at the time of Camelot re-connected in this lifetime:
 - Lancelot was overlit by AA Michael; Arthur by El Morya & Guinevere by Khutumi got together in the physical at the time and did some hanky panky
 - we are clearing up those vibrations to take them higher
- they moved in with Maureen: their work was called Mama Mo's Mortuary for Walk -ins:
 - people would come for readings, each about 3-4 hours – and sometimes it took 3-4 visits, and they read the akashic records and when they were complete, would take the visitor to another room in the house
 - Maureen was an acupuncturist who used Marcel Vogel crystals, direct from Marcel Vogel, as well as Rama's crystals; Mother would be in Rama's body and spinning Rama's crystals at the person's head; Tara would be holding the ankles as a conduit; Maureen would lay the crystals where mother said to lay them and then they walked around the body
 - the soul of that person would walk out and a new soul would walk in! They watched it happen
- This was their work: they were being directed by AA Michael, El Morya, Kutumi to enable soul walkins: this went on in millions and millions of places all around the planet
 - the walk-ins were started intentionally because the Ascended Masters saw the need was great & they could not intervene in the civilization's development any more than they were
 - the bodies were not going to make it and that is why this happened: the souls of the original bodies wanted to leave as they were in despair, so much so that they were willing to leave and there were souls who wanted to be here – this was a soul agreement.
 - Millions and millions of new soul walk-ins have happened since 1990 – a dispensation that Ashtar said was necessary in order for us to carry on & accomplish this mission of transition – ie, T & R were not the only ones

- Rama had many lifetimes in Tibet and India, as did Tara -
 - Mother said T was once the acting Maitraya of that period of time and anchored that Maitraya energy for 100s of years
 - Rama had many lifetimes as a llama; he was incarnated along with Sanat Kumara as an incarnation of the Maitraya
 - So they had similar experiences in various time periods, not necessarily at same time
 - Mother said that, in Tibet, Tara embodied the Green Tara on the planet - ?? another name for Maitraya – so her father as the Green Tara was Maitraya!
About the Green Tara: represent helping people become aware of what the 6th, 7th, 8th, 9th dimensions are about
- R: another lifetime clearly remembered: coming in here just before the time of Pangea: interdimensional beings with bodies as clear as glass: could travel inter-dimensionally through the earth, mountains, other places – remembers the vibration as so high and looking at trees and various areas of nature and seeing it go from summertime into fall, watching the changes and the yugas shift.
- And seeing the dimensions fall ever so slowly into matter; as we took on form and things became not so pretty on the planet; folks were getting trapped in bodies – the inter dimensional beings could shape shift and jump into each other's bodies which got us into trouble. T was a 5th dimensional water sprite at the time.
 - R was another version of Merlin at the time - the White Wizard/ Light Wizard who decided to have a fight with the dark Lizard/wizard – Luciferia; R changed himself into an amethyst crystal & got trapped there: spent 3,000 linear years in an amethyst crystal – from the time of Pangea, through end of Lemuria/beginning of Atlantis: 3000 years is a long time. [Rtions *The Trueman Story* with Jim Carey]
- T was the Queen of the Schools of Disciplines and Patterns in ancient Lemuria

MR: were they aware of each other in those lifetimes?

T & R: YES – they worked along side each other, though they had separate things to do – pretty involved in the time of Atlantis, Lemuria and Avalon: the 5th dimension totally immersed them – yes, you are self-aware of those higher vibrations through the whole thing

- She had another lifetime in Atlantis while Rama was stuck in the crystal: the School of Colour, Sound and Vibration; set up a healing centre with Kuthumi at the time –
- beings from Lemuria had violated cosmic law by copulating across species and they ended up where their mouths were maybe had a beak, where hands were, maybe paws or claws. At the same time, Rama had a healing centre engagement with whales and dolphins where they used lasers – where a beak was, it was cut off and the mouth returned or cut off a tail and human buttocks came back. Still had to be re-integrated in terms of healing, so after the operation, that person was sent to the School of Colour, Sound and Vibration where Tara and Kuthumi and others worked with them.

Question: how did Rama get out of the crystal?

- He figured out how to merge with the consciousness of the lattice structure of the crystals and slid out of one of the facets and back into the physical realm; he actually did the healing so he was ready to go out
- He lasted a little while and then had another bright idea: his relationship with Ruth a dragon - R called her one of his partners in crime - they could see the downfall of Atlantis coming within days, hours, so they thought they'd help the people they could and evacuate them, then Ruth breathed fire from her mouth and destroyed some of the main temples temples in the centre of Atlantis; then they got beamed up and watched the sinking of Atlantis from one of the motherships in orbit around the planet.

T: we all beamed out of there; we didn't die

R: he and Ruth were tried in front of the Solar Tribunal for violating cosmic law & taking some lives

- The outcome of the trial was that, to make recompense, he helped to re-build in Egypt in the later civilizations to bring those souls back into loving balance & healing for what they had done.
- they shared that lifetime where he was Akhnaton and Tara was the first born daughter of Akhnaton and Nephertiti who were half brother and half sister
- Note: it was not just R and T inhabiting those bodies: millions of souls helped create the story of Akhnaton & Nephertiti - we need to get past the idea that there was only one soul in that body
 - The vibration of Akunatun was a collaborative, energetic effort; Tara was the first born of 7 daughters and Tut was never a son of Akhnaton as Akhnaton had only daughters though some will say that: it's not true:
 - the book called **Secret Places of the Lion: Alien Influences on Earth's Destiny** by George Hunt Williamson – it was an interventive moment when many many galactic beings incarnated at the time of Egypt because the fallen angels were there too, as they were in Atlantis; Egypt was “the darkest period” in history
 - the ones who are the reptiles here are the same ones who were in Egypt, in Atlantis, and before that, the Orion War for 5,000 years – a 5th dimensional war & killing: in the war in Atlantis, the 1/3 of the angels who are in these reptilians and the minions who were not invited to be here: they invaded & occupied this planet in the galactic sense because they had their 5th dimensional consciousness and abilities, and still do, with the responsibility for mis using those abilities and killing 2 BILLION of us in the last 200 years!
 - Yet we are all equal to that ability and this is another reason why Ashtar said help was needed, because giving up on ourselves and believing what we can do is not in the script! Hence the intervention.

MR: there is so much information in this last segment, plus the additional information in the first segment of the news: the historical background to current events; we can continue later after people have had time to absorb this round of information

T: maybe people could send questions to MR at stargatemarietta@gmail.com that T & R can use in another session.

Closing Notes:

- Isis and Osiris & Horus, who have never left, have important wisdom that they brought with them: they were the royals of Atlantis before the Orion war lords threw them out.
 - They went on to Egypt, and the same war lords followed & created messes there. The issues that existed then were never worked out & are all here now.
- **this time we are in is the culmination of a good 13,000 years and a whole ½ yuga of this takeover by these reptilian invaders**
 - we must **send love as they are still us:** even as they are going to the dissolution stage, we still send forgiveness and we remain neutral as we are them and they are us.
- **YUGA:** on physical, 3rd Dimensional time – 5,125 years;
 - in galactic time scale, a yuga is 26,826 years – that is the difference in the timing and the consciousness; this 26, 826 in numerology adds up to **8 8 8 Lions Gate!**
 - Every time that Lions Gate comes around, it has to do with the Maitraya which is 8 X 3 [8 8 8] which equals 24 which is a 6 – which brings in the Divine Feminine of LM Nada who is on the 6th ray which is the **pink Ray.**
 - Rama was told by Saraswati that he had to meet the golden child of the pink universe, the golden ray galaxy. The Golden Child is Maitraya – so we are back to the 8 x 3 = 24 which is 6. So Lady Master Nada and Lord Maitraya have a lot to do with all of us and that has to do with the Cosmic Christ energies.

- We always say “In the Office of the Christ and only in the Office of the Christ”, yet we are graduating collectively, now, into the Office of the Cosmic Christ: we become the Maitraya together.
 - **About the next yuga:** all these things are going on simultaneously in galactic time. People will say – oh, the next yuga of 2000 years: I don't know if I'm gonna be here!
 - **HOWEVER: this is the first time in 450 BILLION YEARS we get to have a body in which we can completely reverse the aging process and which we can inhabit for as long as we wish** until we decide we are going to do something different: WITHOUT DEATH.
 - **this is real** – that is what the 60,000 technologies have to embrace for all of us – that is how high the vibrations are at this moment! Don't give up!
- MR:** grateful to listeners; all is archived on BBS radio; it is also on 2013Rainbow Roundtable – if you need help, give MR a call.

2016-05-30 The Clinton Crime Family. "Hillary is the Most Dangerous Presidential Aspirant in US History"

Hillary Vulnerable to Indictment on Federal Racketeering Charges

The Bill and Hillary crime family long ago should have been held accountable for high crimes against peace and numerous others.

Hillary is the most recklessly dangerous presidential aspirant in US history, supporting endless imperial wars and state terror, once saying "(w)hat do we have NATO for if not to defend our way of life."

She endorses first-strike nuclear weapons use, calling them peacekeeping deterrents, mindless of their power to destroy life on earth.

She's militantly anti-Russia, earlier compared the nation to Nazi Germany, Putin to Hitler, claiming "he doesn't have a soul," has revanchist aims, wanting Russian greatness restored – all of the above a perversion of truth, not to mention a pretext to wage war on Russia.

The so-called Clinton Foundation is a suspected criminal enterprise, masquerading as a charitable NGO.

It promotes Big Lies about "improving global health, increasing opportunity for women and girls, reducing childhood obesity and preventable diseases, (as well as) creating economic opportunity and growth..."

Film producer [Frank Huguenard](#) believes Hillary Clinton faces impending federal racketeering charges under the 1970 Racketeering Influence and Corrupt Organizations Act (RICO).

Enacted to fight organized and white collar crime, racketeering is defined to include fraud, bribery, money laundering, embezzlement, drugs trafficking, murder, and various other offenses under the Federal criminal code (Title 18), even acts of terrorism.

According to Huguenard, Obama-appointed FBI chief James Comey will recommend Attorney General Loretta Lynch treat "the Clinton Foundation (as) an ongoing criminal enterprise engaged

in money laundering and soliciting bribes in exchange for political, policy and legislative favors to individuals, corporations and even governments both foreign and domestic.”

Strong stuff if only partly true! Huguenard cites credible evidence, indicating the Clinton Foundation is largely a money laundering, influence peddling racket.

Less than 10% of “tens of millions of dollars donated” went for charitable purposes, the rest for self-enrichment.

“There is ample evidence already in the public record that the Clinton Foundation qualifies as a criminal enterprise and there’s no doubt that the FBI is privy to significantly more evidence than has already been made public,” said Huguenard.

If Comey recommends Attorney General Lynch indict Hillary Clinton, it’s unlikely she’ll prosecute a woman she’s had close ties to for years. Bill Clinton appointed her US Attorney for the Eastern District of New York – serving from 1999 – 2001.

From 2003 – 2005, she was a Wall Street controlled New York Federal Reserve Bank of New York board member – the mother bank most complicit with its member bank crooks.

From 2002 – 2010, she was a Washington-headquartered Hogan & Hartson (H & H) law firm partner. Its New York-based partner Howard Topaz filed income tax returns for Bill and Hillary Clinton, beginning in 2004.

In May 2004, H & H filed patent trademark documents for Denver-based MX Logic Inc., the computer software firm responsible for developing email encryption technology used to manage Hillary’s private email server, beginning in July 2013.

According to Judicial Watch president Tom Fitton, if H & H (now Hogan Lovells following a 2010 merger) “represented the Clintons on tax matters,” Lynch is responsible for disclosing any involvement she may have had, direct or indirect.

In April 2008 during Hillary’s first presidential campaign, The American Lawyer called H & H one of her largest legal industry supporters.

Partner Christine Varney was chief counsel to the Clinton/Gore 1992 campaign. The ties between H & H, Lynch and the Clintons are longstanding.

In November 2014, Obama announced her appointment as attorney general, succeeding Eric Holder, effective April 27, 2015 after Senate confirmation.

It’s hard imagining her biting a hand contributing greatly to her career advancement. Key for Clinton is how much more of her dark side becomes public knowledge besides what’s already known.

If enough despite Lynch declining to indict and supportive media scoundrels downplaying or whitewashing her offenses, the Democratic (sic) National Committee (DNC) might be forced to jettison her as damaged goods.

She’d be red meat for Trump to take full advantage of in the fall campaign. Would Bernie Sanders party bosses don’t want become Democrat standard bearer in July?

Or will Joe Biden or another high-profile party member perhaps be chosen as a late-stage

establishment nominee, a brokered convention manipulating things?

America's political system is too debauched to fix. Duopoly power eliminates governance of, by and for everyone equitably.

Republicans and Democrats are two sides of the same coin – special interests served exclusively, ordinary people betrayed, the same outcome every electoral cycle.

Whoever succeeds Obama, likely worse than ever governance will follow. The greatest concern is preventing possible WW III.

Clinton's rage for endless wars, along with her Sino/Russian hostility makes the unthinkable possible.
