About WEZ

The World Evangelical Zionist Department

Helping the millions of Believers around the world that love Israel and the Jewish people to take an active roll in securing the future of the State of The Jews.

Through Frontline Israel

The World Evangelical Zionist Dept. has the ability to bring straight forward Biblically based information directly from Israel to its growing membership.

Inside the World Likud

As an organization within the World Likud, and as members of the Board of Governors - WEZ's existence creates positive pressure on the formal Likud party and the Israeli Government to return to Biblical Zionism.

Propelling Believers

We are sounding the shofar to Biblical Zionists around the world to become a true voice in Zion and from Zion.

Connecting the 10 from every nation and tongue; Zechariah 8:23

"Do not urge me to leave you or turn back from following you; for where you go, I will go, and where you lodge, I will lodge. Your people shall be my people and your G-d, my G-d."
Ruth 1:15

Partnerships in Israel

Working together with the World Likud to raise financial support for projects that bring hope and a secure future to the families in Israel. Our partnerships are with every Bible believing Zionist around the world that wants to play an active roll in the Kingdom of G-d.

Build Leadership

Frontline Israel appoints leaders that represent Evangelical Zionists worldwide to the World Likud Board of Governors. Appointed Board of Governors are among 120 international World Likud governors that have the ability to influence policy in Israel.

Action Alert System

Information feed through email, telephone and media to notify and equip members with the tools to accomplish our goals.

World Likud Evangelical Zionist Conference in Jerusalem

The annual WEZ conference in Jerusalem meets with the entire World Likud Board of Governors and members of the Knesset to bring forth the accomplishments of Believers holding to Biblical Zionism.

Commission WEZ Ambassadors Worldwide

Build chapters in every country, state and city. These are the 10 out of every nation and tongue. Zechariah 8:23. The WEZ Ambassadors of their country organize annual conferences for the World Likud and Frontline's Israel's representatives to bring information and build participation in the Kingdom of G-d.

Providing a Media Outlet

Frontline Israel networks and syndicates programs internationally to educate and communicate the Biblical importance of Israel and the Jewish people. It is our responsibility to show the impact of Biblical activism here on the ground.
