# STORY BOARD

Draw or write the events of the story on the story board. Record them in the correct order.

The story board consists of six rectangular panels arranged in two rows of three. The panels are numbered 1 through 6, starting from the top-left and moving right across each row. The panels are currently blank, intended for drawing or writing story events. In the bottom-left corner, there is a cartoon illustration of a character wearing a cap and overalls, holding a paintbrush and a can of paint with a star on it.
