Andrew Paolo Napolitano, the former New Jersey Superior Court judge a.k.a Judge Napolitano, has been a regular on Fox News Radio and Fox News TV since 2006. He has hosted the libertarian talk show, Freedom Watch, since 2009.

Napolitano has long said he believes that the 9/11 incidents, including the subsequent collapse of the three World Trade Centre buildings in New York City, did not take place

as the US Government has publicly communicated.

This is his interview from earlier this month with Michael Scheuer, former Head of the CIA Bin Laden Unit, who spilled the beans regarding staged terror events.

By the end of last week, Judge Napolitano and Freedom Watch were axed and off the air, supposedly as part of a Fox News revamp. You be the judge...

2012, Feb 17 **Italian police seize \$6 trillion of fake U.S. bonds**

17/02/2012 1:29:58 PM

Elisa Forte and Gavin Jones

POTENZA, Italy (Reuters) - Italian police said on Friday they had seized about \$6 trillion worth of fake U.S. Treasury bonds and other securities in Switzerland, and arrested eight Italians accused of international fraud and other financial crimes.

The operation, co-ordinated by prosecutors from the southern Italian city of Potenza, was carried out by Italian, Swiss and U.S. authorities after a year-long investigation, an Italian police source said.

It began as a investigation into mafia loan-sharking, but gradually expanded as prosecutors used telephone and computer intercepts to unearth evidence of illegal activity surrounding Treasury bonds.

The fake securities, worth more than a third of U.S. national debt, were seized in January from a Swiss trust company where they were held in three large trunks.

The U.S. Embassy in Rome thanked the Italian authorities and said the forgeries were "an attempt to defraud several Swiss banks." It said U.S. experts had helped to identify the bonds as fakes.

Potenza's prosecutor Giovanni Colangelo said an international network "in many countries" was behind the forgeries.

Italian daily Corriere della Sera said on its website that the criminal network was believed to be interested in acquiring plutonium, citing sources at the prosecutors' office.

Police videos showed images of the trunks, with "Federal Reserve System, Treaty of Versailles" stamped on the side in large, golden letters.

Bond certificates marked "Chicago, Illinois, Federal Reserve Bank" and other securities, some for one billion dollars, were also shown.

U.S. bond traders took a light-hearted view of the news.

"If there's that much less supply now, Treasuries should be rallying," joked Kevin Flanagan, fixed-income strategist at Morgan Stanley.

A trader at Citigroup said he had swapped jokes with colleagues about the seizure, which would not move markets.

"It's kind of like fake inflation I guess, if you take it to the max, but I don't think it means that much."

Prosecutors said the forgers had hoped to use the fake bonds as collateral to secure loans.

The eight men arrested are accused of counterfeiting bonds, credit card forgery, and loan-sharking in the Italian regions of Lombardy, Piedmont, Lazio and Basilicata, police said.

The Swiss Federal Prosecutor's office said Zurich state prosecutors had worked on the investigation at the request of the Italian prosecutor. The Swiss handed over their findings in July last year.

In 2009, Italian financial police seized \$742 billion of fake U.S. bearer bonds in the of Chiasso, on the Swiss-Italian border.

2012, Feb 16 Ex-Olympus Executives Arrested in \$1.7B Scandal

Seven men arrested in connection with \$1.7 billion Olympus Corp fraud including former Chairman, Tsuyoshi Kikukawa (pictured).

February 16, 2012 — Updated 0514 GMT (1314 HKT)

By Kevin Voigt, CNN

<http://tinyurl.com/7fk9e8j>

(CNN) — Japanese prosecutors arrested seven men, including former Olympus Corp. Chairman Tsuyoshi Kikukawa, for their alleged involvement in a massive \$1.7 billion accounting fraud at the Japanese camera and medical equipment maker.

Other former executives arrested Thursday include ex-Executive Vice President Hisashi Mori and former Auditor Hideo Yamada, according to the Tokyo District Public Prosecutors Office. Four others arrested were financial advisers who allegedly assisted Olympus executives in the coverup.

“We are deeply concerned about the seriousness of this situation,” the Olympus Corp said in a statement. “In order to find the full facts, we will continue to fully cooperate with law enforcement authorities in the investigation.”

Allegations at Olympus came to light after the October dismissal of former President Michael Woodford who was fired when he questioned Kikukawa, Mori and Yamada about dubious transactions at the center of the case.

A special audit of Olympus in December, led by a former Japanese Supreme Court judge, detailed \$1.7 billion of hidden losses from failed investments in the 1990s by the company. The report blasted the culture of the company that allowed the losses to be disguised in dubious fees and overvalued payments for companies, as well as the tight control of Kikukawa. “The management was rotten to the core, and infected those around it,” the panel’s report said.

” The scandal has been an embarrassment to Japan Inc. and came at the end of a difficult year punctuated by a strong yen, which has eroded profits of Japanese multinational companies, and the March 11 earthquake, tsunami and nuclear disaster.

“I actually see this as a turning point for corporate Japan. Up until now, this would have been glossed over or swept under the rug. People would have ignored this,” said William Saito, a member of the Japan Prime Minister’s special commission on National Strategy and Policy.

“That this is such a commotion now, I think a lot of businesses understand that in order to get global respect, one needs to address this issue,” Saito said. “They’re on notice and will have to change because of that.”

Kikukawa, Mori and Yamada resigned in the wake of the allegations. The allegations have sparked investigations in Tokyo, London and New York. The former Olympus executives were charged with allegedly filing false financial reports in 2007 and 2008.

The Olympus saga started with a five-page expose in Japanese magazine FACTA — a small circulation magazine that has only nine people on staff — on July 20 that raised questions over advisory fees of \$687 million paid in 2008 for the purchase of Gyrus, a UK medical instruments firm. The article also questioned the \$773 million paid for three small Japanese companies — a face cream maker, a plastic container maker and a recycling business, each with fewer than 50 employees.

Others charged include banker Akio Nakagawa, who advised Olympus on the Gyrus transaction.

Olympus lost more than 75% of its share value in the weeks following the October 14 firing of former CEO Woodford, the first foreigner to lead the company, after Woodford went public with his claims.

Woodford, a British executive who spent 30 years with Olympus before he was named the first foreign president last April, led a public campaign to fire the existing Olympus board and return to company management. He gave up that fight in January, saying he didn't have the backing of Japanese institutional investors in the company.

The current Olympus board, led by President Shuichi Takayama, are expected to step down at an extraordinary shareholders meeting on April 20, when the new company management is expected to be named.

WHEN ADAM, EVE AND CAIN WERE KICKED OUT OF THE GARDEN OF EDEN, WHERE DID THEY GO?

27 June 2009

WHEN EUROPE WAS PART OF HYPERBOREA

(See Map Link below)

<http://www.darkstar1.co.uk/gregjenner14.html>

At the dawn of life, all of our original ancestors lived in Hyperborea; this is one of those BEST KEPT SECRETS humanity is not supposed to know about. Most of humanity today is taught about the hybrid migrational pattern of the human race that is associated with Africa and the primate Lucy ONLY. That evolutionary race takes us to a dark period in human history shrouded in mystery that involves the cloning of a human beings with primates where the so called MISSING LINK IS STILL MISSING. (I do not think the missing link is missing anymore I think these intelligent designers are evil and are what we wrongly call aliens today).

So I am going to take you on a short trip back in time to a much earlier race that is associated with Hyperborea and places like Central Asia where the race of Adams and Eves came from. Hyperborea was a landmass that can be found today at the North Pole. These original human beings who were living in Hyperborea were living in an area of the world that was at one time a tropical paradise before the earth flipped on it's side placing the lands which once sat close to the equator to the location they are in today which is at the north and south pole. Ancient records refer to this tropical area as the "Garden." History, geology, archeology etc., records more than one of these geographical earth flips in the past.

The original human beings, living in Hyperborea split up into two separate groups before they migrated out the "Garden". When these two groups left Hyperborea they took different paths into a world. The world was a very different world from the one we live in today. The first bloodline group to leave Hyperborea was a hybrid race. This hybrid people group was forced out from inside the earth where they had mingled with the gods. It is obvious once you DO YOUR HOMEWORK that these gods were the various entities we wrongly refer to today as "Aliens" today. I refer to them as the Nordic Aryan Alien "Fallen Elohim Watchers." The Bible refers to this hybrid group as Cain's bloodline. The Old Testament states that Adam and Eve were forced up out of the Garden, which also seems to associate them with Agharta, a land inside our earth, which has an opening in Hyperborea, Central Asia, the South Pole and at various other locations through out the world.

The "Tribe of Cain" kept their bloodline separate originally however as time passed these tribes inner bred or married and became known in history as the Turkish, Levites, Semites, Pharisees, Scribes, etc., people who settled in southern Russia where they bred with the Scandinavian populations, long before Jesus (Yashua) was born. The "Tribe of Cain" was one of the first hybrid bloodlines that were forced to leave Hyperborea.

The second people group to leave Hyperborea were a Scandinavian race. They were actually a pure bloodline or people group who left due to climate change at the coming of the last ice age. The Nazarene tribe Jesus (Yashua) was born into was part of that people group who had migrated into

northern Israel. They apparently carried the PURE Rh Negative bloodline factor. Science today describes the Indian and Turkish people groups, who inhabit various parts of the known world, as THE ADAMS. Science describes the hybrid or cloned race of mankind that developed out of Africa as the “EVES.”

MAP – CENTRAL ASIA

http://www.centralasiatravel.com/central_asia_map.html

If we read the Koran what we find is that a people group (race) known as Adam, were flown out of Agharta (a land inside the earth) from the Steppes Mountainous regions where the Himalaya Mountain's exist today in Central Asia. They traveled all over the world in flying machines, which appear to be what we call UFO's today. They were eventually flown back to Jiddah Saudi Arabia where they started their tribal migrations into Israel. This is essentially what the Koran account state.

The Koran tells us that Adam (the Turkish word for Mankind), after being cast out of Eden (in the Siberian Steppes) flew to Ceylon or Serindip,” landing on what is now Adam's Peak. The name Serindip derived from the Sanskrit Ceren-dvipa. Eventually this people group known as Adam went to Ceylon on some kind of flying ship. From there, he traveled around the world. Finally, he returned to Central Asia, reuniting his group with Eves people group who had stayed behind in Jiddah, Arabia.”

In the map below you will find Jiddah Saudi Arabia on the coast of the Red Sea. Jiddah Saudi Arabia is along the center point of the Red Sea across from the word Sudan.

<http://mapsof.net/Jiddah/>

The group of Adams that then began to migrate into Israel from Steppes in Central Asia became known as the Turkish race. In Egypt this dark hair dark-eyed people may have been called the Apiru peoples according to Egyptian records. The Apiru people were migrant shepherders who came from Central Asia who actually had no country. They worked along side of the Scandinavian blue-eyed blonde people group known then as the Shosu, in Egypt, during drought periods in Israel. The Egyptian slaves were often called the Hebrews and were a mixed racial group of (Shosu and Apiru). The blue-eyed blonds would come down to Egypt from Northern Israel where they lived below Mt. Carmel between the Sea of Galilee and the Mediterranean Sea to work. This is the exact location where the Nazarene tribe Jesus (Yashua) was born into was located. Below is a link to a picture of Egyptian Hieroglyphics where blonde workers are pictured next to a dark hair dark-eyed race of temple builders, during the time frame written about in Bible history.

<http://www.britam.org/HebrewTypes.html#Hebrew>

All though Cain's bloodline is said to have remained pure, they did inbreed. Cain's bloodline migrated into the British Isles, France and Spain by way of the Mediterranean Sea with the aid of the “Sea People” also known as the Phoenicians who were originally associated with Atlantis and Thule. Atlantis was the name for parts of the known continents that survived after the last ice age. The route they took was called the “Sea Route.” Most people believe the “Sea People” to be the descendents of the first race of people who were forced to leave Hyperborea and migrate into Atlantis, which can be found in the Americas the Middle East and Africa. The Phoenicians had apparently survived the sinking of Atlantis and the destruction of Thule and moved into Eurasia by that time operating some type of shipping and trading industry as their livelihood.

The Phoenicians (“Sea People”) transported Cains “Serpent Bloodline into Spain and France through the “Gulf of Lion” into the Languedoc- Roussillon region.

Below is a link to the map of Languedoc Spain:

CAIN'S BLOODLINE HAD RED HAIR

The link below will take you to a picture of a Neanderthal with red hair and a man who might look very much like the image we have in the Bible of Cain and Cain’s bloodline group. Notice the features:

www.crystalinks.com/neanderthal.html

One of the solved mysteries science has discovered is that red hair did not originate with human beings it came from the Neanderthal. Cain was said to be red and hair as was Esau etc. We now know that Cain’s bloodline was a hybrid line and that one of the secret ways to track Cains bloodline is by following the tribes who had red hair. Below is an article regarding the old belief systems and practices associated with red heads. The color red and people with red hair have always been associated with Satan and satanic rituals.

EVIL CONNOTATIONS ASSOCIATED WITH RED HAIR

The article below is from:

http://en.wikipedia.org/wiki/File:Red_Headed_Young_Man.jpg

“In spite of its rarity red hair is a physical trait that appears in many places around the world. It is most prevalent in Scotland where approximately 13% of the population have red hair, followed by Ireland with 10%. Although it is most associated with Britain and Europe, it also appears sporadically throughout Africa, Asia and the Middle East. Throughout history there have been many strange beliefs and ideas about red hair. In ancient Egypt red haired animals and people were associated with the god Set. The Egyptians also had many red haired pharaohs. However the Egyptians also regarded the colour red as unlucky and according to Claudie de Lys many red haired maidens were burnt to death to wipe out the tint. There are also stories of the Egyptians burying redheads alive! The ancient Greeks also had myths about red hair, including the belief that redheads would turn into vampires following their death. Unflatteringly the Greek philosopher Aristotle described redheads as being emotionally un-housebroken.

Another mention of red hair came from the famed historian Herodotus who described a red haired and blue/grey eyed tribe in his histories called the Budini. The Romans also had something to say about redheads. The writer Tacitus mentioned the 'red hair and large limbs' of the ancient British tribes and the historian Dio Cassius described British warrior-queen Boudicca, as being 'tall and terrifying in appearance' and as having a 'great mass of red hair.' Incidentally the ancient Romans also paid a premium for red haired slaves.

Red hair also gets a mention in the bible. The word Adam is supposedly the Hebrew word for 'red' or

'ruddy', and king David also apparently had red hair. Also Judas and Mary Magdalene are often portrayed as being redheaded. Some people even believe the 'mark of Cain' to actually be red hair.

As well as the bible there are also many myths about red hair in European history. In the Middle Ages, for example, red was seen as the colour of the Devil, and it was thought that a child born with red hair was conceived during menstruation. There have also been many kings and leaders throughout European history that have had red hair. In fact there is a British legend that states that king Arthur had red hair and that in times of trouble a red haired leader would come to lead the country. Winston Churchill and Queen Elizabeth I (both redheads) are said to be fulfilments of this legend. The Merovingians of ancient Gaul also had red hair, and this was thought to imbue them with magical powers.

In Eastern Europe, however, things were much worse for redheads. According to Montague Summers red hair and green eyes were said to be the sign of a witch, werewolf or vampire. There are also tales of red haired children being killed at birth due to similar thinking. Red hair has also had an up and down relationship with art throughout the ages. Both Botticelli and Titian are noted for painting red haired women, as are the pre-raphaelite painters of the 19th Century. However red hair has often been used in art to symbolise evil and aggression. For example English author Charles Dickens would often portray the less trustworthy characters in his novels as being pale and freckly. Dickens also once famously complained about a pre-raphaelite piece of artwork, by the painter John Everett Millais, which depicted the child Jesus with red hair. He described the child in the painting as a 'wry-necked, blubbering, redheaded boy, in a bed-gown.'

This association of red hair and untrustworthiness or ugliness somehow prevails to this day. In fact the Nazis discussed whether or not two red haired persons should be allowed to wed for fear of degenerate offspring. Even in today's era red haired people are often portrayed in less than flattering ways in movies and on TV shows. However this attitude towards redheads has never stopped them from making an important contribution to the human endeavour. Famous redheads from history include:

Malcolm X
Isabella of Spain
Thomas Jefferson
Richard the Lionheart
Oliver Cromwell
Galileo
Ramesses II
Vivaldi
Christopher Columbus”

CAINS CELTIC BLOODLINE MIGRATION PATTERN

Cain's bloodline was a hybrid bloodline. The Old Testament tells us that Cains bloodline were red heads with green eyes. Esau was also a red head and hairy. “Jacob answered his mother Rebekah, "Behold, Esau my brother is a hairy man and I am a smooth man.” Genesis 27:11.

As I mentioned above, science tells us that the red hair gene came from the Neanderthals. Human beings did not have the red hair gene originally; it was apparently bred into the bloodline of Cain, which is how we can identify his bloodline as it traveled through history into the British Isles, France

and Spain.

The links below will take you to maps showing the Celtic bloodline migration pattern of Cain that migrated into Europe through Spain, France and the British Isles.

The word Adam is supposedly the Hebrew word for 'red' or 'ruddy.' King David also apparently had red hair. Some people even believe the 'mark of Cain' to actually be red hair. Approximately 1% to 2% of the human population has red hair. It occurs more frequently (between 2% and 6% of the population) in northern and western Europeans.

ANOTHER SEGMENT OF CAIN'S BLOODLINE (WHO WOULD LATER BECOME KNOWN AS THE PHARISEES, SCRIBES, LEVITES ETC) MIGRATED TO RUSSIA AS WELL TO A PLACE KNOWN IN OLD TESTAMENT TIMES AS THE PERSIAN EMPIRE. TODAY WE CALL THIS AREA THE LAND OF THE KHAZARS.

CAIN'S NAZI MOVEMENT

Map of Khazaria <http://www.biblebelievers.org.au/images/khazaria.gif>

From Israel and the Middle East, the "Tribe of Cain aka Dan," also migrated into Georgia, which is the former Russian Republic and Khazaria where they bred with the Scandinavians. That inbreeding gave the world the Ashkenazim Jews.

What is so critical about this bloodline that came into Europe via Khazaria is that it is this migration that brought the world Hitler and the Nazi movement. These European Jews, White Jews, German Jews etc., migrated up into Europe through Germany. Today they rule the world as the global Elite who are bring us into a new version of Nazism known as the New World Order.

Nazarene Bloodline 7777

THE BLOODLINE OF CAIN AND THE NAZARENE MIGRATIONS INTO EUROPE?

The bloodline of Cain, later known as the “Tribe of Dan,” eventually became the “Blue Bloods” of Europe. The “Tribe of Cain” apparently has Rh Negative blood, with Neanderthal and Reptilian E.T. Junk DNA in it. Some call this blood system the copper based reptilian blood factor system, “Serpent Blood,” or the “Serpent Bloodline” This blood turns blue under certain lights. The Kings and Queens of Europe, who carried this blood factor, were known as the “Blue Bloods” of Europe for many reasons. One of the reasons is because their blood turned blue under certain lights. Another is because these hybrid women were not able to carry their hybrid fetus to term if one of the parents was an Rh Positive. The babies would die, be born stillborn or blue because they had trouble breathing.

Those with reptilian blood represent approximately 5-8 % of those who have the Pure Rh Negative blood factor. These evil demonic entities we wrongly call aliens today appear to be primarily abducting the Reptilian and Nordic Aryan Alien “Fallen Watcher” human hybrids both in the past and today.

The Scandinavian blue-eyed blondes appear to have migrated into Scandinavia from two different areas. The first group appears to have migrated south from the Hyperborean region. They were the second people group to leave Hyperborea around the last ice age. It would be my guess that the Nazarene’s who lived next to the Mediterranean Sea under Mt. Carmel, traveled into Scandinavia from the Caucasus Mountain Range, which is how Scandinavians came to be called Caucasians.

The Nazarene Tribes Jesus (Yashua) was born into appear to be those with the Pure RH Negative blood factor. The Pure Rh Negative blood factor does not have Rhesus Monkey DNA protein in it. Those who have the Pure Rh Negative Blood factor total approximately 15% of the global population today.

Map associated with Aryan Race Migration

<http://z.about.com/d/goeasteurope/1/0/w/-/-/-/revised-eastern-europe-map.jpg>

The Aryan hybrid races appear to have migrated into Europe through the land mass area associated with Albania. They are associated with the Sephardic Jewish tribes, the Vikings, Celtic peoples, the Scythians etc. They are a blended race of different people groups. The hair color ranges from dark to blonde. They were obviously a sea fairing people group who were probably aided by the Phoenicians aka the “Sea People.”

Picture of the Blended Aryan Races

Because the Aryan tribes were a blended bloodline, Aryans carried different blood types and blood factors. Some carried the Pure Rh Negative blood factor, some carried the Reptilian E.T. Serpent blood factor and some of these people had what is called “Gentile Blood,” which is Rh Positive. Rh Positive blood has Rhesus Monkey Protein in it. Aliens bred our prehistoric ancestors with monkeys and as a result 85% of the global populations have Rh Positive blood today.

WHAT DOES SCIENCE SAY ABOUT THE ADAMS AND EVES

Many Scientists and Archeological records do seem to agree with the Koran and ancient beliefs and legends regarding the origins for Adam and Eve on the Current 7 continents we live on today. According to science the Adams were the global Polynesian, Asian and Indian populations.

In time these evil gods we wrongly refer to aliens today bred human beings with monkeys. This is why 85% of the human population has the Rhesus Monkey protein factor in their blood. We know this blood factor as Rh Positive because it is positive for Rhesus Monkey protein. This blood is also known as ‘Monkey Blood’ and in some cases ‘Gentile Blood.’

Other scientists would have you believe that human beings all came from monkeys and that the African monkey known as Lucy was our original mother.

Buyer Beware. DO YOUR HOMEWORK. Do not believe these scientists. These scientists make their prognostications but do not seem to know what the ‘Missing Link’ was.

The ‘Missing Link’ is the agent that fused mankind with the monkey. This creative force is known as ‘Intelligent Design.’ The Intelligent Designers are these evil demonic entities that raped and cloned original man with monkeys to create the African Eves, They were also the ‘Intelligent designers’ for the Indian Adams as well as the African Eves.

If we follow the scientists who tell us that the Adams were Indians and the Eves were associated with Africa we will see that both of these groups were the result of cloning. We will see that ALL OF OUR ORIGINAL ANCESTORS WERE SCANDINAVIAN. We will see that our original Scandinavian ancestors were used to breed all of these hybrid races all over the earth. Today Scandinavian blue-eyed blondes are still being abducted and used as incubators by these evil demonic entities who claim they created us, what they don’t tell their abductees is that they created human hybrids through cloning. These evil demonic entities abduct these women and implant (or fuse) alien hybrids in the female uterus. These hybrid fetuses are usually taken from these women at about 3 months and then put in alien incubators for the remaining of the gestational periods. Today woman are giving birth to human hybrids called ‘Star Children.’

These ‘Star Children’ are being featured as ‘Children from the Stars.’ They are being promoted as highly evolved human children when they are actually human demon hybrids. The area in the world that this breeding took place originally according to legends was in Hyperborea and in Agharta. Hyperborea was located in the North Pole region before these hybrids were flown or tossed out of Hyperborea to settle all over the world. These migrations settled in the Americas, the Middle East and Africa. We also know that Hyperborea is associated with the Antarctic region, which has a Nordic Aryan Alien ‘Fallen Watcher’ base just inside the hole in the South Pole. Hitler is said to have traveled even escaped into this base in the Antarctic.

IN CONCLUSION

If we actually DO OUR HOMEWORK, we will find that all though their seem like many different versions or idea’s of who Adam and Eve were, they may all be right to some degree. Once we understand that evil entities were involved in using the DNA or ALL OF OUR ORIGINAL SCANDINAVIAN ANCESTORS, to clone these human hybrid races we have on earth today it all makes perfect sense.

That Adam and Eve in Genesis Chapter 2 were cloned by Yahweh Ildabaoth the Demiurge aka Jehovah, using red mud aka blood DNA. The location for this was in the Garden of Eden, which most ancient people believed was inside the earth in Agharta. Ancient maps and legends give us the description of that garden and the rivers in that garden, which are identical to the garden area in Agharta. The Koran tells us that the people group known as the “Adams” were flown out from inside the earth to populate the world and became the Indian populations.

Science agrees with this and further explains that the Eves who also came out from inside the earth became the African and black people of the world who entered the surface in Central Asia and are also associated with Jiddah, Arabia. Indian and African legends tell us that their ancient ancestors came from inside the earth as well.

Once you DO YOUR HOMEWORK regarding the hybrid bloodlines of the kings and queens of the earth, which began in ancient Sumer Babylon Iraq, and then follow these “Serpent Bloodlines” hybrids to Egypt, Rome, Europe and America you will see that evil entities seeded the royal bloodlines of the rich and powerful “Blue Blood” Elite of the world also. What you will also notice that the mummies of these kings and queens were blondes primarily. This would seem to indicate that in order to create these royal human hybrid bloodlines they had to inseminate Scandinavian women. Legends tell us that these hybrid bloodlines stole the RIGHT TO RULE THE WORLD FROM OUR PREHISTORIC SCANDINAVIAN ANCESTORS AND NOW CLAIM THEY HAVE THE DIVINE RIGHT TO RULE THE WORLD THROUGH THE “NEW WORLD ORDER.”

Have a great day and DO YOUR HOMEWORK.
