Hard News:

R: stories have the entire galaxy riveted on this planet - trillions and trillions of star ships + quintillions of life forms -

- As Obama said this morning: Don't muck it up, Mr Boehner!

R: Thom Hartman show: Spoke to Bernie Sanders

- What is story of Iran?
- There is not going to be a war with Iran; the Joint Chiefs of staff have said no
- And the people that I can't talk about it and whom you know are doing what they do
- A warrant has been issued for Netanyahu's arrest for international war crimes

Randi Rhodes: John Nichols was on

- Jan Brewer will be recalled as Gov; she may be sitting behind bars for a long time
- All the news has to do with what Obama said this am at the fire station in Arlington
 - There was more in the message than meets the eye about 9/11 and the missile that hit the Pentagon with no flame being seen
- Many pieces fit in with what is going on in Middle East - heard a disparaging report from Saudi Arabia

Audio: Obama's speech at the Fire Station in Arlington, VA

- On 9/11, the firemen in this station were first to answer the Pentagon need
- Today's vets have earned a place in our hearts and history
- Our nation needs to do some building in America
 - In Jan added another 250,000 jobs; unemployment rate came down
- Economy is growing stronger; recovery is speeding up
 - Most important thing congress has to do: renew the extension of payroll tax cut and the employment ??
 - Restore manufacturing jobs
 - Reduce dependency on foreign oil
 - Double down on green energy & jobs
 - Invest in education so people are educated to take those jobs
 - Make sure the troops have a job when they get home
- War in Iraq is over; war in Afghanistan is transitioning
 - As the vets come home, they bring great skills

- They are highly trained, highly educated, skilled - should be hired by companies
- have helped vets go back to college
- there are online tools to match vets and job openings
- 135,000 jobs for vets and families - Michelle & Jill Biden talking to private sector
- 2 new tax credits for companies that hire vets
- Want communities to hire vets to be policemen, firemen - but not always easy as budgets are tight - jobs which protect our communities should not be first to be cut!
 - Those communities that hire vets will be on the priority list for gov't assistance
 - Have vets to help rebuild the infrastructure in and around parks
 - More cops on the beat; more rangers in the part; more firemen
 - Entrepreneurial training to be offered to the vets, too.
- We need to learn from them too - they work together; act as a team, finish the job
 - A steel beam from WTC and ?? reminds us of what we can do as a nation, working together

Join us February 3rd. Our Day of Action is here. Destroy them by ignoring them.

Audio: **Anonymous:**

T: has never seen so much focus on making us accountable; we are actually witnessing this and knowing what the truth is and connecting so instaneously

- The foreclosure thing will soon be stopped: Betty Rubble and Flintstone went to the State House and watched "Thrive" on their laptops

Music: Find the cost of freedom buried in the ground
 Mother Earth will swallow you; lay your body down

Callers: • Interested in what has been happening for the last 2 years
 • Live in mountains back of San Diego

"Never look down on anyone unless you are helping them up" - something he lives by

Another Caller: that Obama has put some \$ for job creation for

- On Christian radio, a 14% unemployment rate for vets and he may get pushback from the Republicans who want to cut budgets

T: since not spending money for war, can spend half on debt and half on infrastructure

- He is making America as the example
- He was talking about doing it together in family, in community

T: Saudi agreements with the ties to the Bush family - the million Satanists are in the undead state - at the time of the Davos Economic Forum, St Germain walked through the entire building so he would be seen, and then walked out through a wall

- the largest number of people ever were present
- the intent is from planetary to galactic to cosmic
- the Mayan Calenar is ended - The Planet of Shan is what we were called; Mother Earth volunteered to carry us as a planet, as a star, and to evolve herself

Caller: solar flores are huge; lots of activity and changes in the magnetism; part of what the world is going through: can feel headache-y; dehydrated; either more sleep or less sleep; pay attention of what your needs are

T: the phone has had to be re-adjusted several times during the last 2-3 weeks

Caller: it's a tremendous transitional time

Caller: reference to a story from Steve Beckow site: about a ship taking people for a ride

T & R: it's about caution: going elsewhere before the galactic criminals are out of the way, could result in people being in locations from which they cannot return home
Also, about cleaning stuff up here on this planet first

Caller: about Brezinski on MSNBC [was on Chris Matthews]

Meditation: The Second Initiatory Gateway of Light through the 6th ray

- esoterically referred to as "The Baptism"
- Children of the Sun
