## Mother Sekhmet's Thursday Night Call

**Opening Meditation:** Angelsu

**Solfeggio Frequencies:** MariettaRobert

Important to have our frequencies balanced: one way is to use the Solfeggio tones which were used in the past and kept the monks balanced & healthy; eliminated fear, guilt, etc - eventually suppressed by church

Ute - 396 Hz - #9 vibration - helps liberate us from guilt, fear, grief, past hurts

Re [ray] - 417 Hz - #3 vibration - facilitates change; letting go of old baggage; helps to clean chakras; reminds us we are worthy, a holy child of god

Mi [me] - 528 Hz - #6 vibration - DNA repair; clears vibrations which are not in harmony with our being  
Transformation and miracles

Fa [fah] - 639 Hz - #9 vibration - connecting, relationships, family; supporting us as a co-creator;  
calls in the heart

Sol [soul] - 741Hz - #3 vibration - awakening intuition; helps us solve problems; balances right and left  
brain

La [lah] - 863 Hz - #6 vibration - helps us return to spiritual order; cleans the chakras - it reverses  
movement, restores order; clearing, returning to spiritual order

for 7<sup>th</sup> chakra, do all 6 together -

angel frequency - very high - 4686 Hz

earth - 136.1 Hz - finishes with this one to bring us back to the earth we live on

D'yanna also read a paragraph from Summer Meditations by Vaclav Havel, Former president of  
Czechoslovakia [recently transitioned] - discussion of democracy as a spiritual discipline

**Caller:** when arrests take place, will AZ governor Jan Brewer be on the list?

**T,R:** Yes. It all happened because he told her that her version of what happened at the White House 3 years ago, in her recent book, was inaccurate.

**R:** Ed Schulz had a professor of psychology on his radio show; said JB felt threatened by the President; this brings up the undertones of "ethnicity" [race]

**T:** Newt G a while ago said he wanted to take out Spanish and all Spanish was used for; called it "a ghetto language"; it's on record

**R:** as he shared on Ashtar on Tuesday; he got a call from Arianna Huffington and BA Master St Germain - at Davos together

**T:** they lost a sister Yum Na just recently; has been a faithful part of the family; due to "c" word had great knowledge & wisdom of Moorish history, etc - her roots are in this -

- Light will be shining from the other side - as is Robert of "MariettaRobert"

**R:** has been watching the fallout since the Sirian Commander's speech - like the coronal mass ejections!

- more and more stories coming out about the Paschats, Lion People & Cat people from Sirius
- that, as the US is dragging its feet, Russia, Japan, China and other countries are ready to speak at a second's notice!
- Every day, stories in China: ships - large ships! - are showing up in areas of greater population so more and more see them

**T:** The lady who died - a soul makes decision about the destiny of the person; she went through the experience in peace; she knew she was in the 5<sup>th</sup> dimension and the body was in 3<sup>rd</sup> dimension;

- When people pass & do so in full consciousness, they give us tremendous allies on the other side; the veil now is super, super, super thin now!

**R:** there are trillions on the planet from so many different cultures and species who are aware of the energies coming in; what is going on is amusing and frustrating and so ridiculous - the clowny clone-circus, the fake characters and their fake politics, and the party that dislikes the Pres because of skin colour - represents everything we have NOT been told about our star brothers and sisters

**T:** we saw how the AZ gov displayed the jitteriness around Obama; there are many who have this in common with her - rest of Republicans

- No longer the conservative party of Eisenhower; he was a real conservative who warned the people of the bio medical - military - industrial - congressional complex; they would not allow him to have that word in there [congressional]
- Barack Obama's role has been ordained for a long time; he was from Siria & has travelled intergalactically
- This was ordained from the Ashtar Command ; he has been from Andromeda and, before that, he was with us on the 5<sup>th</sup> planet [Alcyone] from the sun Alcyone in the Aurora Sun System in anti matter.
- He was also on that 5<sup>th</sup> planet called Maldek in our own solar system; Maldek was **obliterated with their own thoughts of fear** - as love and fear cannot exist at the same time, the natural result of that in a polar universe is that **they are the ones who represent terrified fear**

**Caller:** State of the Union - struck by the looks on peoples' faces!

- Charlie Rose, Brezinski - for the first time, caller heard Brez. speak intelligently: call off the war, relax

**T:** Z. Brezinski means Morning Joe Scarborough and partner Minka Brezinski, the daughter, both looked like deer in the headlights, too. Zibignew is the Ruckerfellers - the fight is between the Rockies

and the Rothchilds [elder dragons] ;

- Bush / Schirff is an appendage to the Rockies; Bushes are really Schirff - they are the German Nazi party which show up in Congress as Republicans

**R:** Nancy Pelosi was on Ed Schulz, spoke of Newt and Romney's slush funds and the Swiss bank accounts - traceable to the Vatican - Vatican is Vicar of Satan

**T:** Vatican is centre of the Satanist groups; Nancy knows that Gingerich is of Opus Dei - when you are doing that, you are committing genocide for the Papacy - both Newt and Mitt have the same source of \$

**R:** Romney has bought votes by spending more money in FL than Newt; Newt spent \$15M  
We need to get Citizens United gone; free speech is not money.

**Cathy:** that Nancy is speaking as she is now, shows she feels a bit safer; will you share concerns she has with threats to her family

**R:** Nancy represents the Pleiadians; she works with WK & St G; she was on the planet called Alcyone, 5<sup>th</sup> from the Great Central Sun, Alcyone

- She represents gaining back that which was taken from her - Speaker of House because of the unlawful activities of the radicals on the right; the fake election of 2010 was stolen and rigged; now they are trying to rig 2012

**T:** It was rigged because of Vatican; A Merkel is a double agent from at least 1980 & Yogi Bajan knew it;

- Who paid to take out Yogi Bajan? This is what Opus Dei is about; it is the absolute opposite of the Office of the Christ
- If we want our two halves to be whole, as Mother does: every yuga she trades places with Alcyone, her Beloved, and she becomes the Great Central Sun  
Being discussed on many news sites today: men have flubbed it; it's the turn of the women

**R: Native American Calling** one of the grandmothers was on : now is the time for the goddess to take the talking stick, and she will determine how we move forward in this cycle

- the red star kachina and blue star kachina are already here - this ties in with what is going on around the planet and with the particles of sunlight & the solar flares which are adding more particles; ascension energies rising; if you can handle it, you can see through the veil
- Those who have left will be back like JFK - Chris Matthews said today on his "Let Me Finish" segment: there is a lot that has not been shared about why JFK wanted a joint mission with Russia - moving along path to get Russia and US to do a joint mission on the moon, and then by disclosure [more than Chris has ever said to date]

**T:** The whole thing has been organized by the Ashtar Command - Thom Hartmann is teaching us stuff

**Lady Acquithia:** AP News: (1) the mystery about a freaky disease: Morgellons disease

(2) divers found an unexplained item on bottom of Baltic Sea today - one diver said it looked like a UFO - all interesting stuff, happening at great rate! Yippee!!

**T:** Cameron of England was outrageous today: he hit out at Merkel;

- she is going to testify against him & he's furious
- She's going to introduce a tax - a trading tax, a small one on every trade. In the hedge funds, they have been doing more rollovers
- Cameron's economy is in the trash can; it is bad!
- in 1972, switched from gold backed money to petro dollars
- Nixon should have been charged with high treason for doing that + Kissinger; G Ford

wimped out in not taking him to court for treason

- Whistleblower was Daniel Ellsberg - Pentagon Papers - Project of a New Century has Kissinger on it- Bush Sr is the dog that has been wagged
- Julian Assange is coming out a new tv show: **rt.com**  
Russian TV - same tv as Thom Hartman's night show
- Bradley Manning deserves to be free - unconscionable
- We have volunteered to be the chosen ones: tag we are it.
  - Sarah P is the opposite of this, Kiss. is her handler & has been a hologram for a long time
  - They didn't worry about it as they [dark ones] held the reins
- Now the reins of our planet are being handed to our love - love which prevails over all
- We are coming into the Cosmic Christhood ship - we can only work together - she chose an infinity card [8 on its side]  
last week, they played 1 hour of a Lakota elder

**Caller:** something from Caspar about Bk of America - bank examiners are taking B of A apart!

- Banking fraud, theft, bribery, etc oozing from every window

**R:** B of A in a lot of trouble

**T:** good news - B of A is the bank where the gold certificates from the farm claims area sitting  
this is the fall of the whole banking system

**R:** in Wisconsin, FBI has arrested 2 of Scott Walker's people associated with the unlawful takeover of Wisconsin politics - S W falling like a rock!

**T:** all the news is what we have been waiting for

- We are the greatest and we are the least: blessed is the spirit of the poor for theirs is the king - dome which is our the crown chakra - we all came here to be together with the whole of us, and we consider and watch and correct our path together
- Seporah Miriam was challenging Tara on what is this thing on zionists?
  - There is a Zion National Park north of Flagstaff AZ
  - the same twist which is called satanic goes through all religions whereby the polarity game is played out; it has been a distraction for a long time [please distract me with your sexual innuendos, for example]
  - Thom Hartmann is a walking Thomas Jefferson - yet in the day, TJ sold slaves from Boston & Mass. exit ports to Europeans who gave the slaves a much higher life, yet many were the Moorish people from this land who were the original ones being abused;
  - There were Moorish people on this land and they were the ones Noble Drew Ali freed 1908 - 84 years ago - he said it would take up to 70 years before his people woke up and grew strong enough to take this burden that he just got poisoned for, knowing that they would get rid of him anyway;
  - same as MJK and Malcolm X - these are the energies of the souls who chose the talking stick and passed it to us and "Yes, we can" - **this is hyperdimensional. #5 - change**
- Next Thursday, Feb 2 - Groundhog Day; Candlemas; Chicchan - Red serpent - a time of change, prepare yourself, you are primarily a soul which also happens to have a body; use instinctual gifts, be open to change and transmute the energy blockages due to ego; can make change in a single thought
- Every time B O gives a speech, he connects at 9 levels: he is the Sirian 9<sup>th</sup> Commander of the Sirian Command of that Council. Amazing to watch the divine neutrality: El Moryia is at his back; AA Michael has always held the seat of power in the district around the White House - this masonic, mathematical house of the Capital and the area around it were destined to be transformed into

the Department of Peace

- We are all Jews - Sephorah Miriam [Miriam = Moses' wife who was the same as Ahknauton's wife who was Nefertiti], so now we know that that's where, in Egypt, the 5<sup>th</sup> dimension was wavering back and forth with the 3<sup>rd</sup> dimension; that was the wobble of the 27.5 degrees - the Astral Plane

**R:** the Astral Plane has been shut down - it's right here! [planet earth now]

**T:** this happened on Harmonic Conversion, August, 1987 - all the 3<sup>rd</sup> and 4<sup>th</sup> dimension merged

- it has been merging and merging and, as we look at it now, it is the opposite of love and as there is no opposite of love; that means 3<sup>rd</sup> and 4<sup>th</sup> dimensions are illusion
- We are clearing the space by knowing the circle has not been broken in the first place

**Caller:** lots of good news - a Native American Indian tribe is suing the navy for the sonar waves which kill the dolphins

**T:** have to read about Jeshu and Magdalene in the Americas

- If we got behind the rage behind Cameron's speech -
- She heard about who called for assassination of Barack Obama
- Iran called threat of sanctions to come into play on July 1 is a cowardly act
- Why is Al Asaud doing what he is doing - because Hillary has him in her web
  - Russians may take her out, as she is Mother Russia & Mother takes care of her children
- Tim Geitner was killed and cloned last week [while in China]

**T:** Ben Fulford did his part too, and got hung up on the wrong level; he told us a long time ago

**MR:** talking of Geitner - he's a clone now

**T:** Remember, he did 9/11 too;

Rachel is doing her job: she did a story about the gov of Indiana, Mitch Daniels

**R:** he's in the cross hairs; will have to face his crimes against the people; has not done nice things to the people of Indiana - wants to bust the unions

**T:** Reads some one Liners from Rachel's show

- "Bin Laden is dead, General Motors is alive" - between the lines: bin L is in a brig; this can now be told to the people.
- Spain is going down hard now - 4<sup>th</sup> largest economy in the Euro zone which was to be the next Nazi super central bank organization. Merkel is clamping down

**MR:** phone lines are now up; can now hear Mother on the regular line 213-342-3000 PIN 878787#

**T:** **Mitch Daniels was mastermind of the crash of 2008!**

- Rachel did a section about Lemony Snickers, a childrens book which was not about fun at all
- She added connections to Mitch Daniels & his response and the Lemony Snickers story of gloom: "we drift quarrelling over a niagara of death; we will all suffer" and all kinds of other grim stuff  
"we'll fall for the con job "
- Yes, those are lines taken out of context, and no he was not speaking in black and white - but the presentation gives a good idea of the tone : BE AFRAID!
- They brought up the repealing of the Taft Hartley Act which let them get away with things; unions create the infrastructure

**T:** heard that Mitt is going to chose Mitch Daniels as his VP

**R:** There is no need to replace Barack Obama; they are deathly afraid - Mother comes with the Naqual & that slice of life we quite don't understand

**MR:** when Mitch Daniels first came in, they heard that he worked with Darth Vader for 20 years; so she knew his background right from the beginning.

**Mother:**

Greetings in the light of the most radiant ones! In the office of the Christ and only in the Office of the Christ, we invoke the loving energies of St. Germain and the Violet Flame.

**T** We ask at this time for good fortune to follow us  
our rep is Arianna Huffington in Davos with St. Germain; we know big things are happening  
we are so grateful that We are One and you are here

**Mo:** We did have a little discussion with the man who has said "I will take you to the mountain top"

- MJK got his wisdom from WE De Bois - this man is the one we chose to connect in terms of the frequencies of beginning this conversation, the passing of the talking stick, of how we have a different kind of revolution which is about respect for all life - whether you look like BO or us or with fur or with claws

- all the kingdoms are in attendance of this awareness of what is occurring; it is with great respect we must say, there are so many voices being added to the conversation on how we do this thing called "love" How you occupy yourselves with the understanding that you are creator gods and have the ability as Mother does to create universes upon universes - you have never lost that ability; we are happy to say there are many folks who are here who are about to step out of the story: where, in which, "as we think it, therefore it is"

We are co-creator gods who asked to be part of this and chose to help create this universe of diversity and polarity - it has now come to full conclusion and everything is returning back to wholeness and love

as we get our abilities coming in, the particles coming in from Alcyone, from us, are affecting your thoughts, your deeds and your ability to interact with each other - as we think it, we are it - if we wish to create a universe, there it is, in all its pristine glory; it is that easy

It is another story of how we have watched you since the first time around we did this story:

- we did evolve from a spirit into a human body; the handbook of how to operate this Adam Kadmon vehicle - we left the handbook in our lockers on the ships and our memory is foggy - now the fog is clearing up.
- Now we are seeing things in crystalline pure state - what we see is what has been created with our thoughts - as we think it, therefore it is

**T:** all that is coming up has to do with the gold - Incas; the Peruvian gold

Time speeding up quite quickly - we haven't seen 1 hr 16 min go so fast with so much said

**Mo:** you are getting your upgrade and becoming part of the Stargate academy -

- you have already joined the 'hood, but are not really aware of it; things look a little funny around the edges; our neighbours look a little furry, etc
- we are already witnessing the radicalness of this story
- About Hillary - the corporality of the body, the molecules, are beginning to come apart; our children are of the scaly persuasion which is not bad - we were all one people living on Nibiru in peace -

**Mo:** we know good reptilians; Rama serves with a commander on the New Jerusalem from Nibiru - looks like a raptor - 14 feet tall, Commander Andomo, a tactical navigational officer - never fell into trap of polarity; always honoured the Office of the Christ, not involved in the wars

- Yet Commander Andomo serves on the bridge of the NJ - an example of what we are returning back to, the pristine wholeness of being able to sit with each other and express the divine

creativity - never get old or die or depressed or ideas of dis-ease: these temples of the living god are supposed to last 10,000 years! And we cannot even get past 60!

**T:** what does 10,000 years mean - in 8,000 BC things were decadent then, but could still co-create; things were not as wonky then as they are now - 8,000 years ago

**Cathy:** for those who get Sheldon Nidle reports, hear that galactic beings are having a challenge with allies on earth who can't get the job done, so say they are going to shift their attention to sacred, secret societies who have the control over the financial situation anyway - comment?

**Mo:** will only comment - there is a bit of an understanding here that the WK who are working with the folks that we lovingly call our brothers and sisters in terms of getting this done -

- behind the scenes, many things unfolding about getting the word out and sharing the wisdom that has been removed from your her/story, his/tory - **500 +years are missing from the calendar** which measures time-space- reality as you seem to see it

- There is **that missing period of time** where many of the intergalactic cultures and races that were part of seeding the neighbouring planets, star systems of this sector of Alpha quadrant has everything to do with what is occurring now

- What you are speaking of what that faction 2 group are hearing:

- there is a bit of a stymied situation of those white knights who are thinking [realizing they are between ] the devil and the deep blue sea:

- when I take off my V for Vendetta mask, I am going to have to tell my lineage and my story:

- what if my lineage goes all back to Nibiru and if I was part of the rebellion, how do I forgive myself for the trillion of souls that I helped to annihilate in the destruction of the 23 sun system of Aurora?

- The response is "I am sorry, please forgive me; thank you; I love you"; come to forgiveness within yourself. There is a simple process, yet there are some who are frozen in mid-air and they are free-falling at the speed of sound or light; they will soon have to make a decision because the ground is coming up fast!

**Cathy:** wants to take it a little deeper; feels to her like there is still a lot of fear and intimidation by the dark ones and their agenda,

**Mo:** yes, on some level, the ones who have been ordered to turn over a new leaf and talk about the Reformation act and how we are going to re-balance and re-integrate this planet so people do not need to get sick, etc

- The heart of the matter is we are becoming crystalline life forms & that is unnatural to their awareness: they do not recall coming from the spark of light that is the spark of the co-creator mind of god/Source/all that is.

- We all did this together and this is the piece that is missing and they do not want us to remember; the WK hanging on the edge needs to talk of this and full disclosure and . . .

**Cathy:** she is not the only one that wants to know: when you say they are swinging from one side to another and, at the same time, you are calling them WK - that's an oxymoron

- thought the WK were the WK and could be counted on to go onward and upward!

**T:** Faction 2 is both/and; that is the place of testing. That was at the time when we were on earlier: the big O was going on, and then Dove started to write. She was writing for . . .

- There has been a war going on; Faction 2 can be fooled and there have been fingers of darkness inside Faction 2

- That particular aspect of Faction 2 in financial terms was addressed by BO, when he asked what

are our reps doing day trading 4-7 hours per day

**Mo:** Bernie Sanders and Al Franken used to speak about this:

- they are on the floor in the morning; in the afternoon, in a rented office dialling for dollars:
  - for Congressmen: - \$10 - 15, 000 per person; \$10 -15 Million / Senate seat
- Thom Hartmann has also spoken about this

**T:** when Bush and Al Gore got up after the Florida hoopla on Jan 15<sup>th</sup> yet the gavel . .

Maxine Watters asked if there was anyone over there who would come over and put their signature here, so I can make my statement about this election

**Mo:** on Thom H today, this was spoken of:

- the State Supreme Court of Florida was threatened: if you don't make my son president, there will be blood in the streets. Gore won the election in 2000, but Bush Sr threats caused the election to be thrown; the Supreme Court said it would cause irreparable damage to Bush Jr if he were not made President
- This came about thanks to the coercion of the 13 families who threatened civil war
- So the man in the Oval Office is pulling all the stops out: now it is time to do this from a different point of view:
  - it is about we the people, the least among us, have the most to gain in this understanding that, on a dime, the indigo crystal children are the hope of the future here; they are heros, and you are the prophets, this generation
  - this is the 4<sup>th</sup> turning, a revolution called respect for all life; as this happens, we respect people no matter who or what they are or where they are from - it is all about what is reflected in the heart & the wisdom of you understanding who and what you are
  - what is happening now is all about r-a-c-e -
  - We are of the Paschat persuasion; there are other members of our family which are birds, the praying mantis, the Andromedans, reptiles; **we had better drop the race issue:** this is why we are here; no one will get past this. This is why this man, the son of Malcolm X , is here.

**T:** Scott Walker was the Director of the Office of Management during the Bush Jr presidency

**MO:** David Wilcock talks of this story; speaking of the gold stashed under Twin Towers - it represented all the gold bonds - there were gold bonds and gold bars, as well

- \$14Billion just in the bars; there are 14,000 bodies in the morgue down the road

**T:** extradition papers against Kissenger have been in place since 1973 when he arranged for assassinations of Pinochet, Allende

**Mo:** to this day, Jesse cannot talk of what he saw on 9/11 and the deeper understanding of fried cars

- Dr Judy Wood is discredited - it's about the frequencies of the electrical magnetic pulse weapons and the technologies from the stars
- They have taken Tesla's healing technologies and used them for destruction
- now this has come full circle on them; what they think is manifested [as you think it, so it is]
- Why were Cain & Abel, Adam & Eve kicked out of the Garden of Eden between the Tigres and Euphrates:
  - It had to do with our wayward children who began playing with the sons and daughters of men
  - They dumbed down the people via DNA to make people into slaves to mind the gold for us: it's all coming out now
  - Yet there is much confusion for the people of earth - how to fit the pieces together, and the pieces about the people of Kennet and Ethiopia
- Aesop fables - **Aesop means Ethiopia!** It is about Mother Zudiachus, Africa, the 500 + years missing -
  - Yet it is about our brothers and sisters of the scaly persuasion, as well as others

**T:** not supposed to cross species [against the Divine Directive]

**Mo:** no interbreeding between species

**T:** that reality is clearly merging king -domes

**Mo:** that was also a method of control, collusion when the slicing and dicing of DNA

- rape was a weapon of war
- yet the unabated issues of the fake drama will continue until they are not
- comes back to the White Knights and how the media is changed over night

**T:** all the puppet strings are being clipped

**Mo:** Julian Assange having his own show! [**T:** that means it's over - they are cooked!]

- Should be the man of the year on Time! Along with Bradley who shared the wisdom of what military did
- has to do with the healing of this; never about any form of religion or one path - we are all One
- The Rainbow Bridge is already being built into the manifestation of what you are experiencing between us and you
- as we work with the crystalline energies, we help to bridge the missing space so we can land and you can greet us on a happy note!

**T:** the American Petro Organization is threatening Obama

**Mo:** the 13 families wanted Gabby G shut up and that's why they tried to take her out

**T:** so that is why Boehner was crying - HE KNOWS!

**Mo:** Gabby G will be back to share her story!!!

**MR:** please explain more about Gabby G

**Mo:** she was getting ready to make sure we get into a place of single payer for everyone

- In the next cycle, she was going to push strongly to get a single payer system like Vermont
- the next step was to be free health care for everyone; the military- biomedical - pharmaceutical - industrial - congressional complex did not want that !

**Caller:** loves all on the call; the one called Val Valerian - is he active on the planet now?

**Mo:** yes, he is making his presence felt; has to do with keeping all of us safe so we can share the understanding about the wool which has been pulled over your eyes about what we represent

- yet you do not lack this understanding; we simply have to awaken the awareness by means of the

**I AM THAT I AM**

**Caller:** I would like to meet Commander Val Valerian some day and shake his hand!

**Mo:** and you shall! You will be meeting us

**T:** what's going on in Davos, the World Economic Forum?

**Mo:** the circles of the Illuminati - all that is illumined are the light bulbs they are using to read the books.

- Imagine all Prof. Dumbledore and the ancient wizards who have all the knowledge and kept it from you.
- The skinwalkers are sitting around in Davos, trying to figure out how to get the economy back on track **for themselves, not us**, and how to cover up the gaping wound that has been created because we have found out **their formula about leveraging**.

**Summary:** **TO BE CONTINUED** - will take this up on Saturday!!!!!!!

Enshallah! Namaste! We love you immensely.

**Closing:** Cathy
