Hard News:

R: Grateful to be here at this time

T: on Tuesday, 147th anniversary of June teenth day - the day slaves got their freedom

We came here to finish the mission

R: Moving from 3D to 5D; the 4th D has collapsed - he keeps getting told this is an amusement park and the safety protocols are off!

- People at the point where 9/11 is being brought up
- Mike Patentonio. Ed Schultz spoke of it - Mr X was also on - told the story of being appointed to go to Crawford Ranch in 2002: he is Jordanian and very black, & the airline kept him off considering he was a terrorist. They had to let him on as Pres Bush was upset! Mr X sued the airline and won!

R: this is a witchhunt - Obama did not by-pass Congress - maybe it was an end run around the Do Nothing congress

- they are billionaires, millionaires & Issa is richest in Congress - does not care about anything!
- This all goes back to 9/11
- Before Fast and Furious, there was Wide Receiver - goes back to the Energy Meetings that Cheney chaired: they discussed how to carve up all the countries in the Middle East - these folks have an energy without love:

T: Executive Privilege- Clinton used it 16 times; Bush Jr 4 X

- there are people in Mexico that have documentary evidence against the Bush Administration for the crimes of 9/11
- Fast and Furious was part of the 9/11 agenda, so they want to bypass the crimes of that time, and any information that would prove their complicity

Question: why are Cheney, Bush, Rove still walking around?

Randi Rhodes: brought up Judy Wood and all to do with the cover-up
now main stream media are beginning to pick up the theme

T: when Issa called for the documents & heard of Obama's Exec privilege - said that was not good enough and continued going ahead

R: still demanded evidence from Eric Holder who told them he gave them he had already given 9000 pages

T: Nancy Pelosi had a chance to arrest Karl Rove for contempt of Congress - it was treason - he outed Valerie Plame - Mr X said Valerie and Joe Wilson are working hard to pull their case together

- Thom Hartmann's callers said there is no way anyone should get a pass on treasonous

R: 16 banks were down graded by Moody's - this is the beginning of the end

Citi Group and Bank of America - 2 notches avoug junk

Morgan Stanley

Cathy: Reads **The Arrest of The Cabal**

[SEE BELOW]

T: after the bomb was dropped on Hiroshima, Nagasaki there were people who came onto the planet came as the living dead

R: Brings up Aristide who is high priest of Voodoo and used the ability to bring in the different kingdoms

- Speaks of cases of bodies that were clinically dead yet using 4th dimensional energy - it's like a ghost coming back - separating mind from heart, soul from body

T: Iran uses nuclear fission to create space craft; rather than holding ourselves accountable and finding

out what is happening, we blame

- Duty is something you cannot get around - need to go through the heart

R: our cells are calling us to active duty

MR: someone asked her about seeing a person who looked vacant, seeing that the soul was not connected: did the person allow this to happen?

R: the lights are on but no one is home: there is a silver, gold, platinum cord

T: Once R almost lost his entire connection to just about all 3 cords - Ashtar pulled him onto the ship and re-integrated all his bodies

T: autism is about trauma in past life time: being burned in a fire in the past is one cause: they are born in this life, but do not realize they are alive

Cathy: there will be much trauma in all those families - we will need the healing machines and all the ho o pono pono we can get to help those of the families who are left

R: let's build the light cities and so on

- Dylan Rattigan on today's program began to talk about being open and honest, down and dirty with those you know - it brings up issues which are uncomfortable and people get ill from such a discussion. Sharing at a deep level brings people together
- There are many folks behind the scenes not being discussed

T: Mr X representing Faction 3 was on the radio with Ed Schulz who is representing Faction 2

• Mike Papantonio said he has seen people die; he is ready to shoot his mouth off and bring in Altea America and . . .

• What is Altea America? St. Germain's unfinished book - The New Atlantis

• the US of Altea America is the new Atlantis - we are finishing the book.

• So Mr X said about Drake [who does not invoke the Office of the Christ] - as a disabled vet, he is part of the Pentagon, and even though 98% are behind Obama, they do not have the energy that Obama has - so they don't like Obama.

• Mr X says Joe the Plumber & others don't like us because "You are too woo - woo!"

Caller: he is so blessed to be in this time and space and witness this!

- About the various operations around the world, the mass arrests, the cabal: someone is talking about **Operation Stardust 2**, an advanced technology called nano tech -
- they can spray the nano particle into the body of a Cabal member; if the individual tries to do anything, he or she be removed from the earth

R: will ask about it; does not know about it

T: sounds like a benevolent way for them to bring them into line

Caller: talk about other family members who are not involved, yet did not participate though part of the blood line - what is the healing for them ?

- The Pleiadian fleet is working at it now!
- The energy levels are strong today; caller finds himself congested - and so are many

R: ascension symptoms are so intense, people are questioning - raising our frequencies to such levels as Earth is rising - brings out all that is not supported by the new energies

T: R was on air with Mr X who said "I am not perfect and I act out every day": he was telling Rama

- R told him he was not really human, but pure spirit choosing to experience as humanity ..
- On the air, Mr X said "You are right, I am sorry, please forgive me, thank you, I love you"
- Mike P was in awe, as this conversation was being broadcast to the public - means they have broken down the media!!!

R: has watched so many movies, and there is a series of events and you will watch the Today show and then there will a sudden shift . . .

- Mike P: said this all began in 9/11 when the Reformation was supposed to be announced!

Cathy: a wonder that someone did not say "off with his head!"

T: 9/11 is right back in our face - the Executive privilege that Obama took -
including Darryl Issa being a criminal in it

- Obama invoked Exec Privilege to give a little more time to Valerie Plame and Joe Wilson so they can complete the paper work they are working on regarding Rove and Co

T: we got today full circle what has been nixed for all these years

- The remaining Jersey girl was on Randi Rhodes; one was killed on a plane because she had gone to Barck Obama
- She asked Randi why won't you talk about 9/11 and the cabal dropping 2 nukes on NYC?

R: to this day, won't bring up the issue of radiation in NYC

T: Randi said there is no definitive evidence; the Jersey girl said oh yes there is - Judy Wood's website, and the work of the physics prof from Brigham Young

R: to this day, Jesse Ventura is discredited - why is this?

- Mike P asked the question - no one will go there. But Jesse is still in the mindset of the libertarian, though he has said definitively, he will not run with Ron Paul

- He speaks truth to power - he has liver cancer, is in Mexico getting the treatment he needs

T: Mike P said he was tired of pussy footing around - with apologies to Mother and the other Cats around!

T: now discussion about 9/11 has started, it won't stop

R: next big step - the precariousness of financial setup on the planet

T: since yesterday, in Rio de Janiero 2012 - it had hardly started before it was declared a failure

R: Little Grandmother has said the earth will make it and the people, but stuff will come up

- 4th dimension has collapsed into the 3rd - as we are having to face the greatest challenges we have ever faced - the galactics, the silent partners are showing up; Mother will show up

T: she has already shown up in the form of Mike P saying this

R: next huge shoe: the miraculous things coming out in the news: synchronicities, idiosyncrasies

T: Julian Assange for 3rd night has taken refuge in Equadorian embassy

- The MPs in London can go ahead and arrest him because he has broken one of the terms of his restraining order, which was to be in the same place between midnight and 8 am every night

- He released 250,000 pages on Hillary

- only reason to put him away is that he will out the Bush gang and the tin soldiers Obama has surrounded himself with [Obama knew they were tin soldiers when he appointed them]

- Holder is an insider from Wall Street -

- the arch criminals are on Wall street and they are funding citizens United -

- Shelly Edelson is wanted in Singapore for sexual abuse in his hotel

T: Mubarak is now in a regular hospital - the people are catching on about the lies told about his condition.

- Big fight between Morsi who is head of the Muslim Brotherhood and Shavick who is part of the old order

- The people are furious and are back in Tahrir Square and won't leave until they get a citizens council - the people are waking up!

T: the IMF has been stocked with some money - source? Don't know - it's just fiat money

- Mr X said D Strauss Kahn will get arrested again

- Christine Lagard guilty of embezzlement - she is a reptilian shape shifting as a human - a "skin walker"

R: Rainbird knows because Walking Bear spoke of it
The nagass people

- There is a Satonian inner earth as well as the other; here power of magic used incorrectly; they eat children . . .

Caller: Jesse Ventura - was on CNN just recently; has said MSNBC won't let him on - why?

T: because he goes past the limits of the TV station; this is why Keith O left too

R: Jesse was on Stephanie Miller show - to have an interview with Forbes Magazine who cancelled at the last minute: "won't talk to that loser" is what they said! Ben Fulford is part of this

Caller: Jesse said on CNN - there should be no party system - [T: this is part of Nesara]

T: a test of nuclear weapons was done over Armenia, visible in Syria - Ashtar made a show of it and made it spin like it is not possible to do - a reminder that ICBMs are off limits

- Incident was out on the intel wires immediately!

Caller: what about Russian ships with the helicopters?

T: Obama was with Putin at the G 20 - they talked for 2 hours; 20 minutes after the interview was done, the insurance co in London pulled the insurance for the ship, and it turned and went back to Russia

Caller: what is Putin's relationship with the US?

T: Obama is fine with Putin; everyone on planet is sick of this Congress;

- Putin does not like the Bush Clinton crime family: \$32 Billion of his own money was stolen during the Leo Wanta fiasco an
- Putin is no angel: just signed a law today that goes against free assembly - \$9000 charge for one offence

Cathy: this is confusing!

T: everyone in the G20 is at war with everyone else in G20;

- Hillary is at work on the ground and he is not going to take anything any more - millions, millions, millions of Russia are dead with starvation and so on
- A grandson of Stalin is Chris Dodd and is in Congress. Stalin's daughter was dying of grief because of Swami Purna being in Stalin's jail; Purna manifested himself in front of Stalin who had 2 guards at both pairs of locked doors - freaked out Stalin! Ordered Purna released as no jail could hold him anyhow! The daughter grew up to be the mother of Chris Dodd - the Dodd Frank bill is part of his work

Cathy: the dark ones are being looked at by the galactics in terms of who is worth saving!

- Will be lots of shock and awe! Won't know who will survive due to all the inter connections.

T: Mr X said there is no fault, there are no negative emotions, it is maya.

- Polarity is done, the play is over; we are in the process of helping people rub sleep from your eyes - love and fear cannot exist in the same place.

Caller: why was Rodney King taken out?

T: because he knew a lot more about what the LAPD did - so he was killed.

Rainbird: brings up "archons"

T: we call them ankle biters so as not to give them so much energy

R: the A word refers to the old ones, the nephilim - the not nice ones - some of the beings that Lucifer

took with him (1/3) when he decided to rebel

Caller: they interfered with planet earth, and created the situation we are now in, such that we cannot get out of it without the help of the galactics - they are "Luciferian angels"

Caller: has just sent out info on that subject

- the A ones were created before the world was created - they are the opposite of the AEONS
- in the Pistis Sophia, archons hated Sophia for wanting to go higher
- they are in all the planets, the -ve part - they cannot stand light
- by wanting light and wanting peace, we won - they want control and fear

Angelsu: as we use the law of One so frequently, we are creating a change in what has always been

- we are re-defining all beings and this is helping enormously

Caller: these are the things that blank their energies

- Now they are exposed and as we know about them, they are losing their energies
- so many more suicides by teenagers: archons on one side, love on the other - kids need to know it's OK to love, and that every thought you get is not necessarily yours.

Rainbird: there is a novel called The Skinwalkers which gives more info on these ones in an easier way

Cathy: talking about sons, and Gerry Sandusky's adopted son was willing to testify against him!

R: both Mike P and Randi Rhodes spoke of this:

- so much of middle America regards such people as heroes and to find out they can screw up so much will be a shock; Sandusky's salary is in the millions
- Randi - the global elites set these people up for a fall - when someone is in such a situation, there is much we don't know about the background [like "who" and "why"]
- A writer of *The Nation* talks of global elite sending scouts around the universities to find the "gladiators" for the pleasure of the elite and the common folks
 - the head injuries of football players are not discussed and that they are off balance - we have taken our children and turned them into gladiators
- If you have seen the movie "Rollerball", you will understand - movies takes the idea of gladiators to the end - showed the intensity of how the global elite who can take life at a whim, especially if you say too much

T: something on Thom Hartmann's show as she speaks: UK and US considering amnesty to Al Assaud of Syria

- Julian Assange: his embassy gambit is about pointing out the rendition policy of US - Assange, Bradley Manning are innocent, and the **cover-up is HUGE**

Mother:

In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

T: thank you for granting us the opportunity to dance the dance of this grand liela away!

Greetings, Children of Ra

As you take your place as the 33rd members of the galactic Federation of Worlds, these are .. times

- Nibiru here, time to wake up. About the story that goes to greatest depths - about the waters, the

gods, the ancient ones who were here before the gods were here: the Aeons as well as the ankle biters;

- the Aeons were Elohigh and never fell from grace! The archons followed Luciferia -
- now it has come full circle - the story about the Santa Claus theory between Republicans and Democrats - when Repubs come in, they spend like drunken sailors and blame it on Democrats - all fake
- all of it is in the present moment: we said we could heal it knowing full well how deep the story goes, and the traumatized living spirit transformed into living bone -
- the energy of All That Is, and we are happy to say you are it! Welcome, you co-creator gods and you take the mantle of understanding .
- The ancient ones know this: now we are the hunters, they are the hunted - the hammer of Thor will come down
 - this is the energy which is transforming the planet to a star and all of us;
 - the energy of the hammer is the collective energies of the goddess Venus saying we will shatter and consume all that is not of the Office of the Christ
 - We are watching these ones at each others' throats - it would be in best interest of the Sargent at Arms to get the holding cell ready in the Congress building:
- While she is speaking in a metaphor, it is no metaphor about the crimes carried out against the people and the planet - it is Red Alert at the moment!
- How this is done with the greatest amount of love, and least amount of violence.
 - There are many working with us to bring forth a place that we can understand the miraculous events which are unfolding in the midst of the challenges that are before us which have to do with fall of Citizens United,
 - the tentacles connected to the Dark Lord are being cauterized and consumed in the light of the Great Central Sun, Alcyone - this energy is bringing in the frequency that is disrupting the ankle biters / archons - they are a rag tag bunch and we will mop the floor with them
 - it is already has begun
- the speaker has said it is a witch hunt and it has them upset: it has to do with what they have done since 9/11 - nothing being done at these meetings because Citizens United hold the purse strings
 - until they don't, nothing will happen - the so-called 9 administrators [judges on Supreme Court]
- He is the 9th member of the Sirian Council of Nine in conjunction with the Pleiadian councils - the ankle biter are screwed, not us

Mo: the so-called hit list of the Sirian Commander - have to bring up the issue up of the drones which killed

T: Israel has been using drones against Palestine

Mo: we are aware of it. The hammer comes down now - this frequency of this solstice - up to this point of June 21st, as we go past it, be prepared for miraculous events any time any where, no matter what the hour.

- Now the instructions are coming in at the speed of super light into the cells -
 - we are going to get an education in the hyper dimensional physics of this temple [body]
 - it is more than just a physical thing: we have the ability to interact with this reality -
 - trust yourselves and the voice which is screaming and is deafening with the frequencies which are saying "get off your knees, humanity - do it, and do it now! Jump and you will fly!" There is no fear - what there might be is the remnants
- How do we step out of the hall of mirrors? Simply step into your heart spaces - if you hear the frequencies, you are being called to active duty -

- Dave the Plumber and Homer Simpson are waking up; the time of the lone wolf is over.
- Yet how do we bring that wisdom to those with that mindset? there will be ships counsellors - they walk beside us every single day! The V mask comes off and here we are!

Caller: asking about the fires in the west: is it transmutation?

Mo: has to do with the frequencies coming in, in conjunction with the solar flares, and the intensity since the Venus transit;

- Sol is shifting his ability to interact with humanity; as we are being raised in frequency, the sun is being raised as well. Flora, fauna, atmosphere itself being affected
- as we approach the Lion's Gate in August, has to do with that frequency

T: CMEs are at highest they have ever been, also the winds

MO: the energy from the CMEs are mutating our cells in an evolutionary way

T: Do they need to burn the place up?!?

Mo: will speak to Sol and see what can be done -

- it is affecting the physicality of the planet, moving up an octave to a higher frequency -
- soon we will be in contact with the Solar Brotherhoods who live in the sun - the sun looks hot, etc but it is cold fusion - there are many civilizations living there
- this understanding of the nature of life as you know it will change rapidly as we interact with other cultures - some swim, some fly, some live in a petri dish;
- first we will meet those who look human; as we move more and more into the higher harmonics, our bodies will interact with the sun - we will not be affected as much by the solar flares and the frequencies coming in
- the energies coming in now are moving us up in frequency

T: a Syrian fighter jet landed in Jordan; pilot asked for amnesty - I will not kill for Assad any more

Mo: we will see more of this

T: what about the kids in the military?

Mo: has to be the full disclosure of the Khazarians -

when they are cut off and no longer have support, there will be no more arms, wars, etc

T: the Israeli people have had it drummed into their heads that the blood of one Israeli is = to the blood of 1000 Palestinians

T: there is no Palestine etc - only Africa

Mo: the one issue standing between us and you, how we can interact - **race**

T: the **white skin was a mutation, an experiment**

Mo: it was our wayward children trying to create the master android race & still trying but have failed because of love [inability to love]

- As we have already understood, slavery is over - take your consciousness out of the slavery mindset and know that we are sons and daughters of the Most High - we have the desire to care for each other.
- The mean-spiritedness of those in the Congress is due to the colour of the man in the White House - if you are white, you get to be President; if you are black, get back to the wood shed!

Cathy: Asks what is exciting to Mother:

Mo: seeing us wake up faster and faster, and take our power back.

Caller: don't we kind of have the slave mentality because of living under the current monetary system?

Mo: the system has already begun to change

T: 15 banks in US have already been downgraded

Mo: "vaginas brought you into the world; vaginas will take you out!"

T: Eve Ensler is from Santa Fe; she got up with the State Rep from Michigan who read "The Vagina Monologues" on the steps of the State House and Vagina was mentioned ?? x

Mo: excited because you are taking your power back

Closing: Cathy

BY GLR MICHAEL (MICAHA) THE PLEADIAN, Guardian of the Divine Plan
Commissioned by PRIME CREATOR

Dear ones, in regards to the arrest of the cabal and your sovereignty it seems you have a dilemma and we have noticed the following statement keeps popping up for you: "...what remains is to issue the legal warrants for their (THE CABAL) detainment."

If you surrender wholly and completely and change your hearts today, June 20, 2012, the people of EARTH and it's loving and powerful watchers will have mercy on you and allow you to be a part of NEW EARTH!

If you do not stop today, by tomorrow you will be extracted from this plane, returned to PRIME CREATOR, your being will be dismantled, distinguished from existence, and then reassembled into light!

We are the Sovereign Sentient beings of planet EARTH with all natural rights intact ,and this VIBRATIONAL ORDER goes out to beings of light on Earth and to all galaxies surrounding it! Furthermore it is decreed that on June 21, 2012, the darkness both physical and non-physical that has controlled this planet and its people meets its final demise! Now true justice is executed!

Glory, Glory to all those who live upon the EARTH! Peace and goodwill to all! Hallelujah for the Kingdoms of this world have come to an END!

The end of the age is at hand even as summer is nigh! In the great year of 2012 and in the winter, time shall be no more!
