HARD NEWS

R: talked to so many people he can't keep track!

- Mr Hair violated the Logan Act; therefore, he is guilty of high treason
 - he did this by encouraging an enemy of the state to do something for him - "send out the e-mails and let's go get Miss Hillary"
- now he is trying to blow this off as a sarcastic remark

- Listened to **Normand Gormand**, legal analyst who came from NYC to the Hollywood Hills
 - on for 3 hours today with Mark Lavine, Barney Frank's Intern – they talked about what is unfolding here, as things are lining up for the dragon queen to receive her crown
 - Keith Olberman has a gun to both sides of his head: has to support Hillary too
 - he's tweeting like a mad fool: "Support Hillary" – threatened as are the others!

T: Barack was near tears for the last half of his speech last night – he developed a good loving relationship with her yet T sensed that he was saying good bye: her fate is sealed!

R: How to talk about this: it is so huge: Bernie won fair and square in the primaries – it has been rigged since the beginning – the best democracy money can buy: it is very much in the galactics' hands

- things are popping now, and it's getting more and more interesting on the planet: the frequencies are going up, the lunatics getting more and more outspoken as they come from a place of hate

- Amy was clear: even Paul Kruger, economic analyst for Hillary, said the VP choice is a problem
 - Tim Kaine is a jesuit and he's bought and paid for by the banksters
 - he's been pushin TPP – Barack is doing the same thing, **as a double agent**
 - this VP Tim Kaine is different – he got himself into the courts
 - he's been promoting the de-regulation of all bank rule for a long time
 - and for
- the double agency of Barack is to give them enough rope to hang themselves – Michelle Obama, E Warren, and Bernie are doing the same thing

• **Michelle tweeted Rama** How did you like my speech, Lord Rama?

R: it was great except for the fact that you were supporting Hillary

- Michelle said
 - she was referring to galactic intervention

T: HRC will lose her nomination because Assange has another download – she will get her

• **No dates:** yet it is very much in the order of things right now

- the Galactics cannot violate free will choice: when Rama asks when, they tell him if we told you, we'd have to kill you -
- they cannot change the timelines: every single one of us has to go into our hearts

R: called Mark Lavine: said he'd drop a name on them: have you asked Hillary about Sherman Skolnick?

- he was killed by HRC because she used her law firm to steal money from the Keatings Savings and loans fund to support their 2nd election; Sherman knew about it and said so
- the media would be dead if they spoke of it

T: on the 12th July Ashtar call, R told the story of talking to Sweet Angelique, a calico Paschat who serves on Mother's ship [she was in Copenhagen when they talked on the 12th]

- she intervened and called Mark Lavine on that day and talked about that event [Keatings Savings and Loan fund] – they have been playing with trillions of dollars

Sweet Angelique Mark:

- Bill and Hillary are responsible for the deaths of the people at Waco, TX
 - they are connected to the planning funding and execution of John Jr, his pregnant wife and her sister
 - they are responsible for the murder of the clone of Chandra Levy who discovered they were responsible for the
 - they are responsible for the planning, funding and murder of 20 admirals and 20 generals on their way to DC to arrest them and for setting up Timothy Mc Veigh to be the fall guy
- last night, all these things came to mind: the actress introduced the survivors of the Charleston SC killings at the church: the point is that Hillary is responsible for those murders too
 - she set up the mind control of the young man who did the killing and the day before, she visited Charleston to make sure everything was in order for the following day

R: spoke to Ray McGovern and Sam Seder:

- the entire story is rigged; all coming up to be transformed and healed
 - HRC will have to face her own demons
 - she is in the Rothschilds **inner sanctum:** presidents are not elected, they are selected!
 - the story about the **800 metric tonnes of gold** has not gone away: Ghaddafi had this money in the central bank of Libya: she and her friends tried to spirit it away & it got halfway across the Atlantic and now St Germain has it - beamed it from the airplane
 - Debbie Wasserman Schultz got \$2 million from Netanyahu to make sure Hillary got elected
 - T suspects DWS will be eliminated because she knows too much
 - the 2 men said the truth will come out about the circumstances surrounding this election
 - concerning Bernie, Hillary and Trump – the energies are so radically out there: Pluto has gone retrograde today and Uranus is doing some stuff: Everyone's hair is standing on end – which is why Trump says the outrageous things he does
 - Putin is like Mr Spock – does not play games like Trump does:
 - put Trump in the Circle of Support – R sends love to the whole situations

T: Benjamin Fulford: said DWS is not long for this world: she got caught and Hillary and friends will take her out!

- **B Fulford IS NOT ON THE SIDE OF THE LIGHT;** he refers to the White Dragon society and they are neither white nor dragons nor working for the light
 - he also mentioned the Planetary Liberation Army Command: this is a **dark version** of the secret space command in China – the secret space command in which ET Corey is involved is not clean either -
 - they completely shut down the entire global economy and all of the games and currency go with it.
- The astrology is also saying this is the test of our lives: we cannot give up now, or despair!!
 - the energy is here for us to go higher – up to the 7th dimension!!! which is mastery.

- At the same time, there are all kinds of opportunity for everyone to go higher –
- Lions Gate is the opening of the 7th dimension which is mastery
Began on July 22nd and goes until August 8th
- Israel is in chaos, wanting to get rid of all Palestinians
- Julian Assange made it very clear that the e-mail hacking of HRC's campaign was an HRC distraction to say that the Russian hackers brought the Wikileaks troves to the public – it was not his people who did this! The 20,000 he put out there are intact!!!
- It's ugly now and will get much uglier in August, Sept, October

Reading: begins material from Celia Fenn

[SEE BELOW]

Caller: asks about Chelsea Clinton – is she head of the Clinton foundation?

T: Chelsea is 100% compromised: she was set up with a huge hedge fund which failed, and they are funneling money to their foundation: all kinds of money which is not recorded.

- she is doing the preliminary speech before Hillary takes the stage – will just be personal

R: the load that Chelsea has to carry for her parents is huge: this is about the karma that she asked to come into at the soul level: she can make a choice about how to change it.

Caller: asks about the status of Saudi Arabia: when will people find out about SA's role in 911?

T: it's in the 29 pages; yet this is still not the whole story which has yet to be done/told

- the congress is gone until sept 11

R: Ray McGovern said they found **3 more 9' cryogenic chambers with bearded men in them in Saudi Arabia** - they are not dead, just sleeping.

T: The **Hammer of Thor** has also been uncovered in 2014; the rune symbolism is significant

- These items are huge stuff because the higher frequencies are going up – if they want to go to war, Thor comes in with his hammer and ends it all.

R went to visit Sister Rosa: She is one of the galactics & was expecting him when he showed up at her door

- took him to the kitchen and they went down the ladder under the floor
- she flipped on a switch in the tunnel which went due north to Los Alamos, and they walked for a block down a torch-lit tunnel to the room on the side
- The room had a huge stone ring with stone chairs; there was a holographic sphere of the earth –
- Sister Rosa put her hands on the Pacific Rim of Fire – she said it is activated; when we raise our vibrations to the 7th dimension we move into mastery: it only takes a small group of us – and it will change the world – it is a way for us, the ground crew to intervene, and this means we can pull in the galactics

Caller: what is the status of Sonny Seto [one of the scientists on the space ship that crashed in 1947]

- she is in retreat at this time : she was one of the 4th or 5th scientists on the ship that crashed in Roswell in 1947. This play has to play out right now and the entire dark side has to come forward to the front: the strength of our spirit will carry us through

R: talked to **Katrina vanden Heuval**, her husband Stephen Cohen, professor emeritus in History and Natasha spoke to him on Tuesday July 26th

- we are watching the entire fiasco as the moment is being gently ushered in but is going to get stronger and stronger
- it is only Tuesday and we have yet to see what the stars will bring in the next few days
- off the record they said: your friends and ours will decloak and everything will unfold in an orderly manner
 - All the instruments of war will be disabled.

- people will hear **the music of the spheres**
- Rama could hear Stephen chuckling in the background: in this now moment, Lord Rama
 - Michelle was also referring to this

COR: messages from **The Collective** over the last few weeks

- there is a burst of energy coming in that is completely ego-based
- yet there is no need to think the light is losing its grip; yes the dark is pouring it on with the illusions of weapons and economic stuff yet **the light is getting exponentially more powerful** –
- What the dark ones are creating is all illusion, nothing will work, the intent is to make people panic
- this approach will not work any more: with every black op, there is more compassion: eg, support for LGBT or the French or whoever is being attacked
- all the new ideas are coming for the higher realms & our galactic friends and family;
- they are increasing their intervention because our consciousness is getting higher
- heart palpitations are just part of the ascension process: everything is under constant shift right now
 - to calm ourselves down: play music, concentrate on breathing; do yoga; exercise
 - this is not about panic – this has nothing to do with panic - we will be celebrating before long!
 - don't buy into the ridiculous comments about how wonderful she is and all the other things

her **question to T & R:**

- a facebook friend says she feels that Hillary is a drone, not a clone, and can be sort of taken over by a dark entity; brings up the video clip in which HRC's eyes are going black – shows the people around her looking scared

T: there are many clones of her; her original DNA is that of a full-blooded reptilian

- when her eyes dilate and become slits, she is out of control and shape shifting back to reptilian form
- they are making fresh clones – like the one on Saturday: you can tell it's a new one as she looked younger; it's taking less & less time for her to wear out each succeeding clone and they re-program her and information gets dropped

R: brings up the movie *Bladerunner* – where Harrison Ford had to deal with the replicans

T: yes, you could call Hillary a replican

- For the sake of the whole, please send more love – don't get captivated by the negative at the moment – this is a hard time, as Barack has been saying.

T: Can see El Morya fully embodied in Barack

- Last night, when Leon Panetta was speaking, you could hear people saying “no more wars! No more wars” - they would not stop: he was very consternated when he heard that

COR: the old structure is fast disappearing – every reason to feel joy - and even our bodies are having to deal with this too

and Hillary is making her speeches and Bernie supporters are feeling a bit down

T: Bernie Sanders HAS NOT CONCEDED; THIS IS SUPER SIGNIFICANT

- He is putting the light on her & she'll expose herself; and the people will realize who they are
- Michelle will most likely be the next president of the United States by divine plan –
- Oprah Winfrey, Elizabeth Warren, Bernie Sanders, Randi Rhodes – have been meeting for the last 8 years to discuss and plan for this event at Oprah's home in Costa Rica
 - KOS and the White Knights are working with this too
- it is for us to tap into this divine plan and help make the plan work: make

COR: to say you want human sovereignty, have to do more than just talk about it

- she does understand the “when” question, but we need to get past that

R: what we're watching

T: brings up the article about the Deutsche Bank: as the D bank sneezes, europe will fall

- meaning the pensions from the US have been taken and put into the Euro zone

R: listened to Mary Lynn Leblanc, program called *Moonwise* – all the investors are very skittish

- market went down 79 points today
- everything is teetering on every thing else

- and Barack is right about this: this is the richest country on the planet: the wealth of this country is in St Germain's hands

MR: upcoming guests: Craig Campobosso; Omena; some others in the offing

- received some texts: they want to go listen to the rest of the speech

NESARA NOW; BLESSINGS TO EVERYONE!!!

HOOR 2: GUEST: Kathy Scogna

The presentation by Kathy Scogna was very detailed as well as interesting: these notes do not begin to capture the quantity of what she said. Instead, what is included is

- (1) the link to the article she referenced about Subtle energies, specifically the diagram
- (2) information from the Life Energy Research website, specifically the names of the books discussed in this presentation, and the accompanying information about the books.

Should you wish to purchase a book, call her first and let her know where you heard about the books – she may or may not have or be continuing her discount for Stargate Roundtable members.

Also note: there is a free catalogue about the books available – go to the website or call KS.

KS: will talk about energy, with specific reference to 3 of Joe's books

- Found it refreshing to hear the comments of the previous speakers about keeping things positive!!!!

- Marietta went to a Psychotronics event a couple of weeks ago, and assured kathy that everyone on this call is aware of the subtle energies!

KS began her presentation by talking about the newsletter of the Psychotronics organization, especially the article and the diagram that was there, showing all the bodies that surround our physical bodies.

This is the article Kathy is referring to - Daniel Taylor: Subtle Anatomy in Radionics

It is in the Psychotronics newsletter: <http://www.psychotronics.org/media/newsletter-2016-04.pdf>

To supplement or not? Amino acids are the building blocks of protein, which the human body needs. Vegetarian diets, weight lifting, decreased liver functioning and chronic exposure to toxins can cause deficiencies of amino acids. Low protein diets in particular can result in lowered levels of arginine, glutamine, glycine, taurine and others. Naturopaths have reported that supplements of alanine, glutamic acid and glycine have controlled the symptoms of an enlarged prostate gland in men. To relieve depression, practitioners have used tryptophan to raise the serotonin levels in the brain. The view of allergy as demonstrated by SAF procedures is one of logical mathematical progression. Certain pains and sensations beget unconsciousness and the death of specific cellular life forms within the body, which in turn allows what we call a "Z Reaction" to take place. The Z Reaction can be explained simply as energies that are in high stimulation. An allergy is an overload; there is too much of a particular vibration entering our field.

Scogna writes: "The universe, that is, particularly the energies of the environment, is composed of sound vibrations. These sound vibrations ultimately conglomerate to create masses that are visible. It is hard to believe that the energies we have grown to know and love in our surroundings are actually composed of vibrating, scintillating sounds." [Learn More](#)

INFORMATION RELATED TO THE NOTES

2016-07-22 The Lion's Gate 2016 and the "Master" Cycle that Commences : The Opening of the Seventh Dimension on Earth

Archangel Michael through Celia Fenn

Beloved Family of Light, when you began this year of 2016, we did say to you, with much love, that 2016 would be a challenging year, and that you would need to embody your Mastery in a powerful way. As the Lion's Gate of 2016 approaches, you now prepare yourself for a New Beginning and to initiate your first major cycle of creation as an embodied Master and Alchemist.

What does this mean? It means that you will take what is of low frequency and you will transform it and turn it into Golden Light! Even though you may be surrounded by people who are filled with fear and anger and other low frequency emotions and who are making choices based on these emotions, you will make your choices from Love and Compassion and you will be the Diamond Light that shines clearly and magnificently.

Beloved Ones, now is not the time to give up or to step back. Now is the time to fully embrace who you are, who you have become, and to step forward into the Emerald Light as a fully embodied Master, a Creator and Alchemist of Light. In this time of chaos and challenge as the old falls away and the new is still to manifest, it is you who are here to hold the energy of the New, to be the New Earth, and to embody the Power and Empowerment of the New Earth Soul.

The Lion's Gate and the Planetary New Year : A New Cycle of Time and Creation

On the 26th of July, you will enter into the Planetary New Year. This is the Time celebrated by the Ancient Egyptians and the Mayans, as the moment when the Planet begins a New Spiral of Galactic evolution in alignment with the Great Central Sun and the Divine Cosmic Heart. It marks the opening of the Lion's Gate Star Portal, which allows for a powerful influx of Light Codes that will shape the form of experience in the coming year. These Light Codes will lift you into another level of evolution and experience if you allow this process, but if you are not aligned or you are in a low frequency of anxiety and fear, you will simply continue to create at this same level again.

Beloved Ones, be open to this grand influx of powerful Light and Blessings that is coming to you as this Star Portal begins to open on the 26th July, and culminates on the 8th of August on the 8/8, and then closes on the 12th of August. Here is a "window" of Light and Opportunity for each one of

you to step up and into a new level and phase of your personal evolution on Earth..

There will be many distractions in the outer world. Many disasters and conflicts will occur that will ask for your attention and will ask you to align your energy with theirs. Beloved Ones, it is enough to be aware of what is happening, but to focus your energy and attention rather on your inner processes and on the need to initiate a New Cycle of personal Creation that will express a higher level of your Soul and your Soul Essence on the Earth.

Decide for yourself who you are and what you will create in your life and on the Earth, and then focus on that. Do not be drawn by the energies of anything that is not in alignment with what you wish to create.

Time Cycles and the New Cycle

Beloved Ones, in your Earth space of the Fifth Dimension in transition, you have experienced two creative cycles of 8 to 9 years, and you are beginning another now.

From 1999 to 2008 you created together as the first wave of awakened souls on Earth, together with the Indigo and Crystal children. This period included the 9/11 event and the economic collapse of 2008. Both events were aimed at distracting attention from the creation of the New, and keeping people on Earth focused on the same old creations of fear and lack that allows them to be manipulated and controlled. Then, from 2008 to the end of 2016, you have been in the second cycle, where there has been a continuation of low frequency fear based "events" that are aimed at keeping humanity at a low frequency and preventing them from progressing to freedom and empowerment.

Beloved Ones, if you are awake and aware, you will see how these events always occur at times when a great shift is possible, so that fear and anxiety will prevent many from shifting as they are trapped in their own fears. Do not let this happen to you! Now, as you begin the process for the creation of the 2016/7 to 2026 cycle, focus on Higher Consciousness, Higher Wisdom, and what you desire to create for yourself and for the Earth as you assist in the manifestation process for the New Earth.

The Master that You Are and the Power that Flows through as the Seventh Dimension opens

You have everything that you need within you. Over the past two cycles of evolution and growth, you have activated the Personal Power and Creativity that you need. You have activated your Light Body and the 13 Chakra Energy system that you need to allow you to receive and integrate the incoming Light Codes. You have opened your Hearts to receive the Golden Light of the Christ Consciousness with its Love and Compassion at the center of your existence.

Then, you have received the Diamond Codes that allowed you to reconnect with your Galactic heritage, and the Emerald Codes that allowed you to reconnect with Nature and the Green Heart of the Earth.

More recently, you have begun the rewiring of your energy meridians that allows you to reconnect with the powerful flows of creative and intuitive energy of the Right Brain and to balance these and integrate them with the Left Brain's ability to organize and create narratives.

Beloved Ones, this powerful energy that is flowing into the Planet right now is a torrent of blessings and creative abundance, but unless it is received in balance and integrated into your

Light Body system, it has the potential to destabilize your energy field. This Energy flow must then be received by the Pineal Gland Gateway, and then transmitted by the Right Brain and the Left Brain and then into to the Heart. From there it must be grounded into the Earth through Manifestation and connection with the Earth Star and the Earth Heart centers.

Those who are not grounding this energy will feel this energy running "wild" in their system, and they will become aggressive, fearful, explosive and angry. Those who have no connection with their Soul and Higher Self will feel lost, confused, anxious and unable to find their place in the world.

The whole purpose of your evolution in thee last two cycles has been to reconnect Spirit and Body, Heaven and Earth, so that your Body and Soul are One.

It is your Soul that will provide the center of your Being and your Life right now. You are the Master, your Soul connects to your Heart Center in Love and Peace. You manifest from Soul and Spirit into Matter, following the laws of Divine Creative Power and Balance. You create a Garden of Peace and Creativity within your Heart and Soul that manifests around you.

Beloved Ones, do not seek for Peace and Harmony in the outside world, or in others, right now. You are the ones who are here to demonstrate Mastery and to open the Gateway of the Seventh Dimension. Those around you in the world are still struggling to understand the Fifth Dimensions, and the Magic of the Sixth Dimension, so they cannot at this moment be in that place of expansion where you stand now ready to move forward.

The Seventh Dimension is the frequency of the Master and is the focus and end point of the Ascension process. For you, Beloved Ones, it means to be here on the Earth, in the midst of the turmoil and chaos, and to be in that place of Inner Stillness and Peace. It means to be connected to the powerful Flow of Divine Creative Intelligence and to be able to direct this Flow into Magical Manifestation through Intention and Focus. It means to live without fear, without expectations and attachments, but simply in the Flow of Love, Creativity and Divine Manifestation.

To live as a "Master" does not mean to be "perfect". It means to be who you are as a Soul in a Body, and to express your Soul in alignment with Spirit, in everything that you experience and manifest on Earth.

Beloved Ones, as these Gateways are opening, you are all most welcome to step across the threshold and claim your place in the Higher Dimensions of Light as they open to Earth. These intense Frequencies of brilliant light and Luminosity will illuminate all that you do at this time.

And, as you do this, you will know and trust that you will always be safe and cared for. Your Soul will protect you and Spirit will guide you, as you weave and create with the Divine Creative Intelligence as an Embodied Master of Light.

The Magical Gateway Opens

So, Beloved Family of Light, at this powerful New Year and Lion's Gate, there will also be a powerful opening to the Seventh Dimension of Ascended Mastership available to you if you so desire to move forward in this way.

You will know that you are ready. You will feel that you have mastered the Fifth Dimension of Oneness and released the hold of Duality and the Shadow on your Life. You will be ready to

embrace the Love, Creativity and Magic of the Sixth Dimension and to flow with the powerful Light Codes and currents without Fear. You will be ready to balance yourself between Heaven and Earth, and to step forward as a Master of these Energies on Earth.

You will be ready, when the Gateways open, to express your Soul fully on the Material Plane as a New Human of the New Earth.
