HARD NEWS

- R:** talked with quite a few folks lately; everything going on – out of 535 members of Congress, only 64 are the good folks. Thr rest made a deal with the devil in the back yard! This is saying it nicely. They are equal with Heinrich Himmler and others of the Thule Society
- Mother, Ashtar, St Germain said on Tuesday: we the people can change this right now; the high and mighty think they have cornered the market with their billions and quadrillions
 - supposedly the DOW went up 188 points – ALL FAKE – just like the stories going on

- T:** KOE [kING OF Egypt] said the Euro market is like cotton; take a bic lighter and it's on fire!
- Germany is the one demanding the money; Merkel will be brought to the World Court by her own people – they have a mission to do this.

- The amount of disinformation in the news is outrageous – too hard to determine
- They did a re-vote on the fast tracking today – only an up and down vote with no filibuster and each has only 88 seconds - which can't change anything – it's worse.
- Someone called just before the show to tell them about the biggest pipeline in history being proposed:
 - 550 miles of it from West Virginia to the Atlantic Ocean – will go through all the pristine gorgeous land / spiritual centres & will destroy every last one of them
 - There will be a 10 day stretch from the 21st to 31 of May for gatherings, huge demonstrations and for people to speak up
 - This affects Patti, David at Pyramid Point, Dr Greer – all their houses are in the line
- This is **Duke Energy - David Duke, the grand wizard of KKK – Duke Energy** has ruined the Dan River and all the rivers all the way to Philadelphia; they have to clean up every square inch of what they messed up [\$102 million for destroying the Dan River and the others] ; they made \$6 BILLION last year.

T: her feeling based on what KOE, Kathryn and Heidi said that it's coming down now: these guys will not succeed even though what they are proposing is so scary.

R: Talked to LM Nada for 4 minutes today: Palestine wants to file charges against Israel for war crimes, killing civilians last year; they will get their day to prove that Netanyahu is a war criminal

T: from KOE - McConnell and wife have been doing child trafficking for over 10 years, world wide; this crime being exposed will open up all the members of Congress and their dirty deeds. This veil is now torn!

- KOE is in the WESAK valley with Dodi, Di and the kids - will say for the rest of May, anchoring the buddha energy on the planet

- Until we reach enlightenment, we take refuge in all the buddhas and the darma and the sanga the The Six Perfections: love; truth; peace; freedom; justice seasoned with divine mercy, compassion & wisdom, and therefore beauty. May I achieve Buddhahood for the benefit of all sentient beings.

KOE said: Mother is here!

- He is the real King of Egypt if the Pharonic age were still in place
- He represents Annubis, the carrier of the ones crossing the river Styx and delivers the souls to LM Ma'at, a future form of Mother: she has a scale with all of an individual's lifetimes on one side and a feather on the other side.
- There's at least ½ million who won't pass this test!

Kathryn spoke up: Keith Olberman has been talking with Shepherd Smith, the white knight on Fox Moos; they are talking with Karen Finney who interviewed Jeb Bush

Caller: what about the global reset? What is going on with the Iraqi Dinar?

R: Sheriff Richard Mack got into the dinars with Phil Gram and Wendy Gram; gave a large sum to Phil Gram to get involved - the entire Dinar program is a total fraud, set up by the Bush / Clinton crime family

- Sheriff has made overt death threats against Obama & family: out and out treason – he'll do more than jail!
- He is one with the Bundy Ranch bunch; granted that the police have been turned into Mad Max; it is not OK to point weapons at the police.

• **To the caller:** **DON'T BET ON ANY OF IT!** The same people that have been promising that have killed more people in Iraq and taking all away from them – don't have eternal war, and killing everyone

YES THAT IS CORRECT – NOT ONE DIME! The whole thing is a fraud by the same criminals who have been wrecking the planet

R: parts of Baghdad are dying from radiation poisoning; look like Mordor – the ships are here and are mitigating the situation or we would not be here talking.

Caller: are those listening to the conference calls on Mon, Wed, and Fri – it's all fraudulent ?

YES! That is why KOS said you cannot serve 2 masters . You cannot believe in that and be in the Office of the Christ at the same time – going to those calls is serving Lucifer.

WHAT FOLLOWS IS TAKEN FROM THE REPORT THAT T & R GAVE ON THE ASHTAR CALL OF MAY 12, 2015, as this is what she read tonight, May 14/15

R: Well, the King of Egypt and Kathryn and Heidi. The King of Egypt is up in the Wesak Valley and he has joined Dodi and Di and their kids...

T: ...and they are going to be staying there for this whole remaining part of this month that's left.

R: Yes...to anchor the energies of Buddha and the Wesak Festival.

T: So, the King of Swords started out, I mean the King of Egypt, and he said Greece is going down fast.

R: ...really fast...

T: ...really fast...at less than 2 weeks to the day away when 8 billion dollars will only be made available as they come up with their next debt payments, plus implement more austerity at home and since they said "No, we won't do that" it looks like an obvious happening is going on. Since it's not happening, it leaves the Euro zone and the moment Greece leaves the Euro zone, Russia, Mr. Putin

- You've got to remember just about 3-4 weeks ago, Varoufakis, the Finance Minister of Greece he went to visit Mr. Putin and they did say, they just got together to talk. Now you're going to see the results now. Because Russia, Mr. Putin, will be there to assist Greece.
- Because this is a genocide that's being imposed by the Euro zone and that means in particular, by Germany. That means, in particular, the focus of the problem is Angela Merkel. And what the King of Egypt said is that Angela Merkel will be taken to the World Court and she will spill the beans, on the whole story, and I mean not leaving one stone unturned. And no dates.
- Meanwhile the Euro zone is like a bed of cotton and the moment you take a big lighter to it, in this case Greece leaving, the whole place burns to the ground.
- OK, so Varoufakis knows, along with Putin, as Greece leaves the EU, the EU collapses on its face. As you are aware, the European Union's Euro has been what we call below par, meaning below of \$1.15 to the dollar, for months and months now, at least 4 months, maybe more. And it's been hovering around \$1.11 - \$1.12, which means that for the last 4 months or 5 months, they've been operating in what's called a deflationary cycle. Let the air out of that balloon all the way.

R: deflation game, huh?

T: (laughing)...Yes, as we watched the markets fall in the West, the United States, this creates a seismic wave of energies that causes all of the world markets to collapse behind them. As the world watches this global economic tsunami of collapse, it brings the truth of economic treason, as the modus operandi of the 13 families for at least the last 50 years or more, along with their banksters, their politicians; it brings that all to the light of day.

- At this point, Kathryn spoke up and she's the one that zeroed out the whole Bank of International Settlements, the whole month of October 2008 and then....

R:....Heidi did...

T: ...Oh, Heidi did...I'm sorry. Kathryn works for the King of Swords...sorry, sorry....but they worked together to do that...it's a very important thing to remember that ever since then, we've been inside NESARA law, even though it hasn't been enacted meaning now.

- Barack Obama as a double agent then for the whole 6 years has been working and shining the light. He's been overlighted just as he has been, most importantly in his past lives as Akhbar the Great, has been overlighted by El Morya in that lifetime all the way

through for that thousand years till now and, whatever it is, at least a thousand years of his lifetimes, that he's been working with that sword of truth, and on the same vibrational and electric blue ray of Excalibur of Archangel Michael which protects the seat of the presidency - always has.

- So then, at this point, Kathryn spoke up and said that [Keith Olbermann](#) has been talking with [Shepherd Smith](#), this White Knight mole at the very beginning at Fox News, so-called Rupert Murdoch news station. You must remember that it was Shepherd Smith who introduced the Euro to the world on the 2nd of January of 2002. OK, and that Shepherd and Keith have also been speaking with [Karen Finney](#), who as Jeb Bush told her as she asked him: "Knowing what you know now about the weapons of mass destruction and other realities about the Iraq war, would you still invade Iraq like your brother did, in 2003?"
 - Jeb answered: "Yes, I would, and so would Hillary, just to remind everybody". Later Karen commented that she's not a crazy person and that this statement of Jeb's did not compute with her.
- Kathryn said Shepherd, Keith and Karen are now planning a media coup d'etat in all of the major media networks. What that looks like is that they have, along with Obama, mountains of Mt Everest of evidence against the entire Bush-Clinton crime families, and all of their minions across this planet, half a million plus to be for sure, for doing 9-11.
- The King of Egypt then chimed in and said, what Obama has been up to promoting fast tracking TPP (which failed today to pass in the Senate vote: 44 yay, 47 nay; not enough 'nays'; they needed 51 'nays' to make it pass.) What he's been up to has been playing a 'good little neocon' which you could say [means] not enough negative votes from the conservative Republicans which think that anything Obama promotes has cooties on it. That's causing them to vote to make it fail. [Today, May 14, it was 65 yey and 40 something – the Senate pushed it through; have to get it through the house – showing some liver-bellied democrats who have joined the dark side.]
 - In addition, Obama has evidence that majority leader of the Senate Mitch McMurtle and his wife have been in the business of child trafficking for at least the last 10 years. What this has to do with this situation of McMurtle and friends has to do with is the whole kit and caboodle 9-11 atrocities is that his crimes and his wife's along with his usurpation of power and position, like all except 64 good members of Congress, opens the door for Freedom's Holy Flame to clean house all the way.
- Heidi finished this report by repeating: "We are on the edge of the edge of the edge of everything shifting. We are in Sat Yuga; the light has already won! *Everything* is moving forward at quantum lightspeed. No more debts, only infinite, unconditional Divine Love."
 - We are the ones we have been waiting for. We are the omniscient, omnipresence, omnipotence immortal, all the plasma light that our Mother created us as, radiant Truth, inner Peace, shining examples of Freedom's Holy Flame, holders of the space for divine Justice seasoned with divine Wisdom, Mercy and Compassion, to prevail here and now where Heaven and Earth are merged as One, within and without.
- Let us walk that Good Red Road with Mother Sekhmet, Life-giver to the Gods, Great One of Magic whose color is red, Ruby Ray Red, Daughter of Ra, Light Beyond All Darkness, before which fiends tremble, as Thou Art Mistress of All Enchantments. I Am That I Am. I am the one who knows the way in and the way out. This cat has been let out of the bag.
- As we divine incarnates now support the new Temple of Sekhmet where all sectors of all universes meet in the heart of All That Is, that 5th Way Temple, then the greatness that once was shall become the greatness now. Not the same; rather as it shall and must be here and now. Sekhmet says she does bless this work and, with her ankh in her hand, this cat has *let herself* out of this bag. Ahoa Mitakuye Oyasin, all our relations, seven

generations until now. 'In Lakesh' - we are all another ourself.

Guest: Omena – Soul Mates; Twin flames

- Wants to discuss the difference between Soul Mates and Twin Flames
 - Gets a lot of questions about them – the conversations are usually around the idea that people are under the impression that they are meeting their Twin flame and the re'ship is not working out

Twin Flames rarely incarnate together – one or the other will incarnate, and the other remains in the higher realms to provide assistance. Twin flames do come in together, but usually as adults and to do a major thing on the planet.

Soul Mates are people who help us grow – can be wives, husbands, friends, best enemies

- May or may not have a history with them in past lives, but they force us to grow.

MR: has been shown: only one comes out of the monad at a time; when they do incarnate together, it is to do a mission or as a reward.

O: usually Twin Flames share the same belief system, the same mission and their egos are not so involved

- Gandhi and his wife were twin flames

- the personality's ego and the soul's ego has been discussed before
 - the ego of the personality is based in envy, gratification and obsession; the Soul is based on encouragement, gratitude, observation

- The idea is to find balance between these two; the soul is always reminding us of our spiritual heritage - this is where the soul mates come in: the soul mate helps us figure out what is going on with the 2 egos.

- Do we believe that our soul ever becomes fatigued?

- Our spirit flame we can call on at any time for help
- Often times our Twin Flame may appear temporarily in someone else's body to speak to us; this may be the source of – Omena just got this information. AA Michael is with her & he is one of the experts on souls; sometimes he takes over and talks through her; her voice changes

MR: so if the twin flame is not there or coming directly, it can send a surrogate or a piece of itself into another being for the benefit of the Twin Flame which is incarnated?

O: yes, it can happen in great happiness or in great despair – Twin Flames are very powerful when we need help, support, to make decisions for the higher good

Twin flames are very powerful as they are not under any veils

MR: is her twin flame on earth at this time?

O: NO – sometimes you get a visit from your twin flame; it is directly when you're sleeping or through another when you are awake. Usually happens when she cannot make a decision about a big thing - whenever MR has a big issue to deal with, the flame will help and will come in a form she will recognize – and the boulder will get smaller.

Caller: does the soul get tired? The body does – not sure about the soul.

O: often gets tired from carrying old belief systems. The body also comes from being 100 years old. The tiredness can come from the ingrained belief system: good time to call on TF to help you understand – if your body is tired, and you cannot find a good reason for this, call in your TF.

Caller: how do you ask? How do you know you're receiving it

O: Just say TF, I need your help and be specific.

To know – she asks at night and usually wakes up with some awareness – awareness and trusting the gut!

O: nothing wrong with being a fallen angel – just have to forgive yourself for the pride
• usually it's pride to make an angel come back to earth.

Caller2: can AAM tell him what his frequencies are; what are his responsibilities?

- you are already creating your future; you have to bring your vibrations up to a higher frequency in order to receive the information being sought.
- Yes, caller plays with numbers and is really good at science
- sees him drawing lots of equations between as– AAM says he keeps missing an equation of some sort because of the vibrations: need to play more with # 7, 3, 9 – they have some connection that will help him bring up the equations being sought.
- he needs to use his intuition more – has a couple of blocks that are getting in the way
- also saying he has some tones that need to be used: he hasn't gotten the highest frequency yet – either has to get new ones

AAM if you are talking of your future self - will be integrating spiritual and the scientific; the science will prove that the spiritual exists

- Also get rid of the chatter in your head and let the pure energy come through

Caller3: has been wanting to get back to London; a psychic friend said she'll be going very soon.

- Are there things to be doing to improve either confidence or getting more on track

O: looking for a job in London? Yes – looks like you'll have an interview in July in London

- self- confidence is an issue this is about a leap of faith; bring your guides and Twin Flame with you to make this happen – you explain too much
- Begin to practice to stick with the facts and make a presentable, convincing interview
- Do lots of research about the company that is doing the interview

C3: Interested in marketing strategy

- Need to come up with something that is uniquely hers, have to stop the chatter – as you judge yourself, you stop the creativity – tell the judge to take a vacation

MR: what does the #6 have to do with her?

O: #6 – always feeling that you're at the end of the road; eyes not open wide enough hat #6 turned upside it is a 9: 6 is the block, turn it upside & get a 9 and move on
Trust that!

MR: Tesla always said when you understand 3, 6 and 9, we understand the universe
the Solfeggio tones

O: her #3 is very powerful; it's about integrating – iif that constantly shows up – the power is integrating all the powers which are flexible -

C3: anything she can do to prepare herself with the interview?

O: make a list and follow it so she does not go off topic; don't have to explain self to the whole world; listen to intuition; call on guides and TF and say "Help me"

MR: knows some people want to know how to reach her

OMENA'S CONTACT INFORMATION

Website: omena777.com

E-Mail: omenacentre777@ gmail.com

Phone: 860- 871 – 6076

Charge: \$50 for the phone conversation; use Paypal

To Prepare: have a list of questions ready; record the call if possible

Caller4: AAM – what soul's purpose is on earth?

O: for him to become who he is supposed to be; a bit lazy doing the spiritual work

- almost like he has a belief system that someone will rescue him – won't happen
- Also not too open to receiving: could be as simple as saying "Thank You" when someone does something for you, just say thanks. C4 says that makes a lot of sense!
- Start asking for help and saying thanks as often as possible

- His guardian Angel is called TED – call on him!
- He was a healer 5 lifetimes ago; part of his mission is to regain those gifts
- Asks him if he does dousing? Looking for water with a stick that looks like a wish bone
 - He needs to find such a stick -
 - He is good at discovering things

T: spells the word: d o w s e –

O: can bring in water and even your own energy

Caller5: anything she can look forward to?

O: sounds like she needs to bring more joy into her life

Caller5: son's name is Benjamin;

- she's had other life times with him – he's here to teach her more about love and to bring more joy into her life.

C5: see anything about paternity, going to court

O: has to go through a court to fight for her son

- this will be about her standing in her own power: sometimes lack the self-confidence in being a mother - have to be like a mama bear

C5: feels like she's always defending herself

- Stop defending yourself; consider getting some help for self and building self-esteem

C5: regarding business – something about getting a building

- Don't question so much about what will inspire her; ask for opportunities to be put in front of you as she does not have any business at the moment
- Once she is finished with the paternity stuff, she'll be more settled and see her way forward; early childhood education might be one area

Caller6: will the new business be successful; what happened to him in the park before he was 5; why no memories before the age of 5?

O: having no memories of childhood is usually related to trauma

C6: is the being he met in the park when he was 5 – what ET was he?

- being from Orion; it was a she; there to protect him; they did not wipe his memory out

C6: Will his business be successful - working on opening up a medical spa

- it will be slow in the start but it will be successful; put it out in the universe & be specific about what it is about.
 - Yes, there are 2 other people working with him; getting that he needs to listen to the other person, but you need to use your own best judgement on that; the other person is fine.
- C6:** how can he contact that feminine energy – just call her?
- Yes; need to be very clear about what you want help with – it takes a lot of energy for them to come to our level.

Caller7: appreciates that she has made herself available to us all

- a fairly frequent listener to the 3 shows; a father of 2 teenage children; a challenge as he's divorced

O: you are no longer attached to the children's mother except that you have to parent together and never, never say anything negative about the mother – this will help

- concentrate on being their father; any problems they have with the mother, tell them to talk to her – when they grow up, they will remember who throws the mud!
- keep the feelings in check; what is most important to you: your relationship with the children or are you worried about the relationship with the mother: is it a competition?

C7: Problem is mainly the daughter:

- she does not trust anyone right now: give her time – give her some power by having her make some decisions; she thinks she's an adult & wants to be treated like one; she's trying to resolve – protect her; stick with the rules; have a boundary; be there when she needs you
- Get some help dealing with his own situation and keeping things separate

Caller 8: what is seen for the next couple of years? On a new path – spiritual path

O: going to get lots of challenge about the different ways to do this; there is some confusion about this - allow the path to pick you – if you see something, and it feels somewhat uncomfortable, that's the path to take. Any resistance to what you see – that is the one you need to take

- Also some healing work to be done this lifetime; the resistance comes from when it's time to heal, she resists!

Caller 9: went to a John of God session on the crystal bed; has had 2 sessions with the lady who was originally from Romania – sublime experience

- During the first session, she told caller she almost died twice: didn't because of your guardian angels; has a strong will; you have a mission to complete so cannot die!

When she left the lady gave her a flower to keep even when it dries, and said it is a miracle she is alive.

- Was one of the times she almost died when a drone insect bit you?

O: they were spiritual crises because you were totally resistant to come into the body because of the mission she had to do; she was carrying a huge ball of energy that brought her into the crises to wake her up! The experience on the table helped her integrate the energies – brought all the positive energies that made her whole.

C9: what she came to do

O: part of the mission was to get through what she had to get through so she could help other get through their own destinations

- Listen more and don't offer so many answers unless there are specific questions.
- It's a challenge to step back and let the other person do what they have to do
 - That is your lesson: when you get the message to step back, step back – they are on their own path.

C9: Does she see a shift or change in activity in terms of completing the mission

O: will learn from the people put in front of you! They will force you to grow.

- Mission is healing and help other people heal – this brings you to a higher level and doing more healing and less talking.

C9: Life is good; experiencing joy and happiness and gratitude – all the time! Calls it being very conscious of what she's participating in

O: she has come alive

- Yes, the times when she almost died were tests to push her will to live - and she's alive!
- Doesn't matter what happened in the past; it has brought to where she is now – she's alive. Focus on your own power and help others grow!

Caller 10: How do you know when you are close to your mission?

O: it will excite you – get excited and passionate about it

- Sometimes it can be a combination: a lot of people think their missions have to be huge – not so.
- For caller to focus on what brings joy, what stirs her up,

HARD NEWS

T: The story we're involved in is both horrifying and laughable at the same time!

R: it's like living the Atlantean experience without the abilities: a real bummer!

- Yet they are coming back exponentially across the planet for the rainbow crystal children, Gen X
- R as a baby boomer and an early flower child, has watched it all: we have won!
- At the same time, it is at the place of of doing

T: what does it do to realize that there are bunch of folks who have usurped the power,

- yet the power is in debt: they are playing with fake money to the tune of 40 zeroes

- they are in debt to the **whole globe** -
- something went seriously awry with the whole AMTRAK thing: above and below the location of the accident, there is a program installed [Positive Train Control] to help with it
- the answer that the GOP gives: let's cut Amtrak funding – a great solution!

R: Japan has mag level trains like in the underground cities that the dark side has been playing with for years; the ones in the underground cities go faster than the ones in Japan;

- the ones in the Agartha network can go from Santa Fe to Table Mtn in 7 minutes! Rama did it when he climbed to the top of Taos Mtn and found his way inside

- Saw space ships inside as far as the eye could see.

- Then he connected with the energies in Table Mtn – he was with Asthar and got a grand tour of the Vortexes: he's still in awe – says it's time for mag level trains to be on the surface

- The magnetic trains China has are pretty close to those mag level trains

- there's a switch that has to be flipped for us to get to that level! The advanced speed control that is available – the control levers are having trouble

- The energy of the future by Nassim Hamein – Bill Ryan from Project Camelot is hosting

- Europe trains go 200 mph

- a bunch of kayakers are blocking the rig from going out to the Arctic & start digging and drilling: don't need another drop of oil

- And now the horrendous pipeline proposed to rip up the area from Virginia to the Atlantic

Mother Sekhmet / Alcyone

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

T: Let's send a little love to the Japanese people as they are getting hood-winked by Shinzo Abe; he's trying to ram through an alliance between Japan and the US

- also things on the internet where the Illuminati are saying they are planning to get rid of a billion people this year – and we know this is not true!

Greetings children of Ra!

- Indeed, we are in the most magnificent of times. As our sister Patti has said, this moment here,

now, you asked to be here in this time; the heros, the prophets, now is the time; let's just say your destiny awaits, and it is already in your midst.

- The Clarion Call has already gone out and [is] being answered; all of the issues at hand have to do with what's happening to this Temple of the Living God. Ye are creator goddesses, gods of the Most high.
- This moment now - everything we're read about, heard about - legends, stories, all the issues at hand - it is all in this moment; we are in the presence of such greatness; all we have is gratitude to be able to be here to watch in this moment as you take your mantle and do what you need to do to right this ship of state
- She and her people are visitors from your future which is our past; we have already seen you completed the cycle, yet we are here again, as it were, to observe, as it were - we speak in past terms because it is in the past; yet you - " We the People" - make it happen in this nano second -
 - as this brother has just said we can go on infinitim with the cricles and the energies - What makes up this Temple of the Living god, of what he speaks - the particles; we have to take it to the next level here where the Force kicks inTrust in what you hear: the electronic soup out there - there is a saying out there today because of the electronic soup out there, you have the attention span of a goldfish which is 8 seconds; she knows we can do better than that.
- It is at this moment: You have all the gifts, all the abilities; make it so, as the Captain says.

Kadoish, Kadoish, Kadoish; Adonai Sabaot

We are living in the now, and all that is here is good. Namaste, everyone - and no more death!

INFORMATION RELATED TO THE NOTES

2015-05-13 Credit Markets have Melted Overnight. Derivatives are a \$1 Quadrillion "Ticking Time Bomb"

By [Bill Holter](#)

Global Research, May 13, 2015

Url of this article:

<http://www.globalresearch.ca/credit-markets-have-melted-overnight-derivatives-are-a-1-quadrillion-ticking-time-bomb/5449142>

That didn't take long did it? I of course am speaking of the second overnight and global meltdown of the credit markets ...in the last four business days! Before getting into this topic which I believe will soon be seen in retrospect and by historians far into the future as "THE" trigger event.

Just as we saw last Wed. night/Thurs. wee hours, credit markets again melted down overnight. The following charts clearly illustrate this.

10Y Treasury

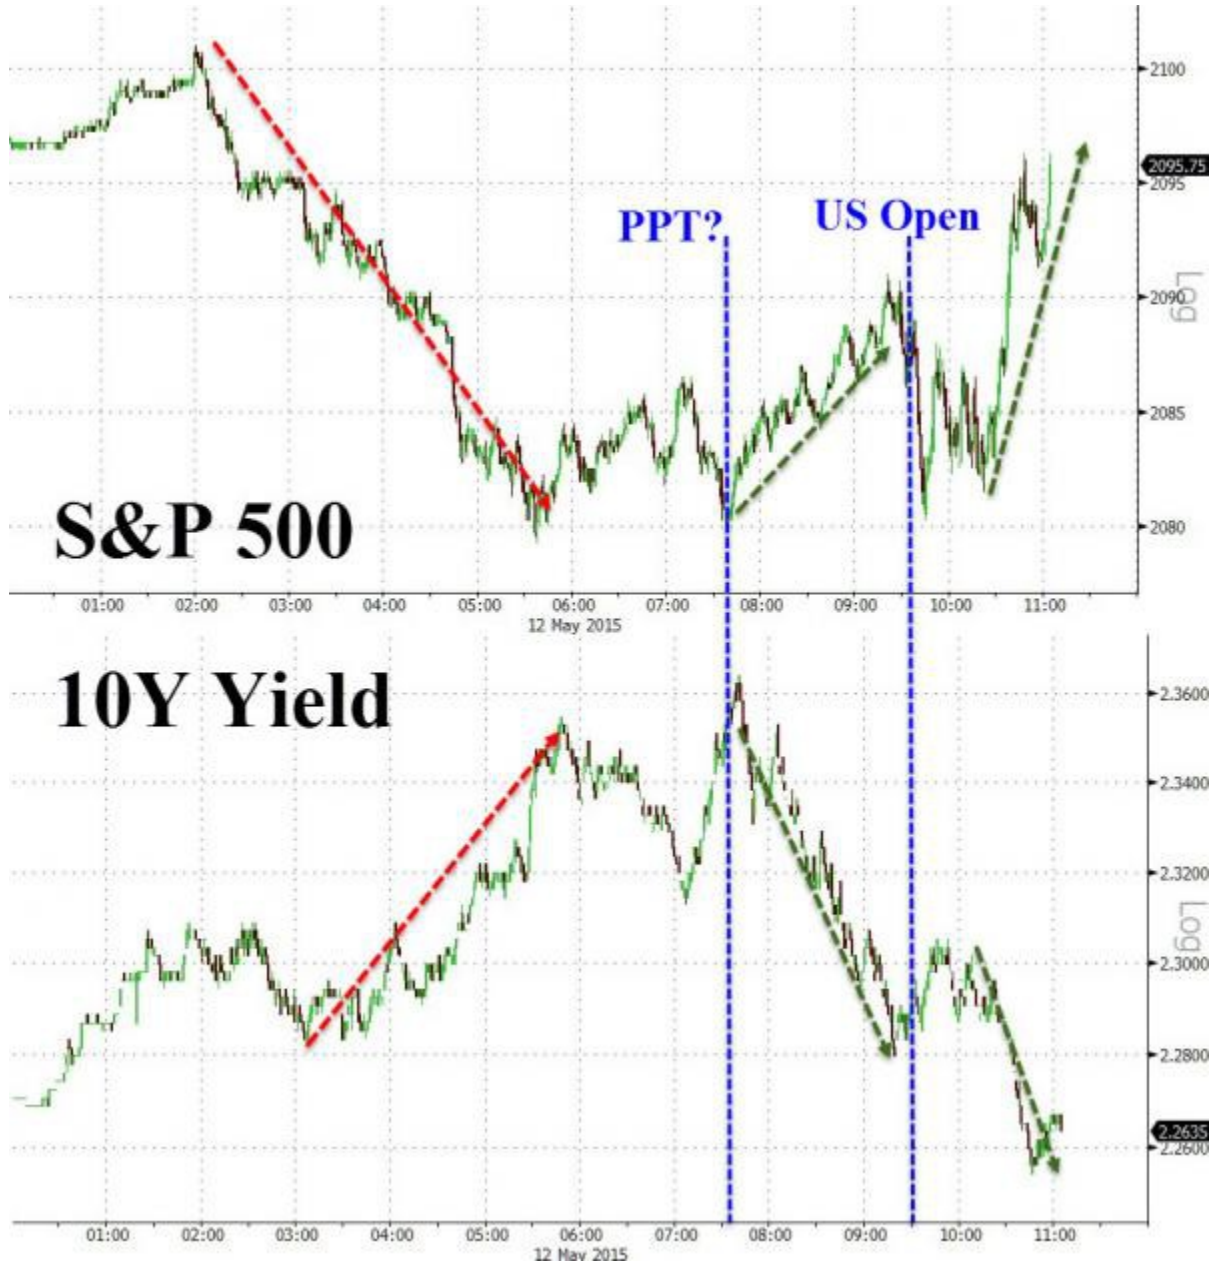

10Y Bund

10Y JGB

...But wait, just as last Thursday, credit again reversed so, ...no harm no foul?

It is so important you understand “what” is happening and have an idea of “why”. Let me tackle the what part first, We are witnessing sovereign bonds and their yields move in wider standard deviations than most commodities ever do. When you hear the word “commodity” you should think “risky risky” because they have wild moves limit up and limit down, it’s the way the game is played and should be expected.

Sovereign notes and bonds are (were) the opposite. They are THE bedrock of the entire financial system. They are "supposed to be safe". They are supposed to be for widows and orphans. Sovereign credits are THE core to nearly all retirement funds on the planet. If everything else fails, it is this sector, government bonds, which should stand tall and stave off the failure of retirement plans. The action over the last week is anything but bedrock or "stable", in fact, it is volatility in the bond markets that are endangering everything financial, suffice it to say "a foundation of BAD credit is not foundation at all"!

The next question is "why". For laughs I guess I should point out the explanation of a guest moron on CNBC. He claims that yields on European bonds are rising because their economy is turning up. He went on to actually say these spikes in yields (drop in prices) are actually a very good thing because they provide "proof" of future growth. Never mind all of this debt is held as collateral for everything else, lower bond prices are "good" when too much debt is the problem in the first place?

I would ask if he has even heard of a little country named Greece?

Is it even possible that eurobonds are being sold because fear of a Greek default?

Is the fear of a default cascade the reason bonds are being dumped in wholesale batches? I have heard the explanation that "net issuance" has again gone positive as the reason for these air pockets. Maybe this is true, I do not think so but if it is then there is a very real problem! If this is true, it means the market cannot absorb the issuance and yields are going higher not by design but because there are simply not enough buyers, an "uh oh moment" so to speak.

I have a little different theory which if not so now, or "yet", it will be soon!

I believe much of the bond market weakness is being caused (and saved) by OTC derivatives. I believe and have said multiple time before, "someone(s) out there is already dead". I believe that "bankrupts" are strewn all over the place and have been hidden with overnight loans... but there is a new problem. The recent volatility has created more and more losers ...which creates more and more FORCED SALES! (Please don't scoff at this as there are a handful of "choice" firms who have not had a single day of trading losses in over four years, with a whole string of losers in their wake?)

You see, for all intents and purposes we have lived through a global bull market in bonds since 1982. This has culminated in negative interest rates and we ended up with everyone on the same side of the boat with no one left to "buy". Of course you could ask the question "why would anyone buy?" with zero or even negative interest rates. Only a few of the "sane ones" out there have asked this question until now, it seems maybe a few of the insane may be regaining at least some sense of sanity!?

As I did yesterday, I will repeat "why" all of this is important. "Credit" is what our entire system is based upon. It has become the basis for all paper wealth and the lubricant for all real economic activity. Should credit collapse (it will), everything we have come to believe in (been fooled by) will change. Credit has come to be viewed as "wealth", it is considered an "asset"... with just one problem, it is neither! Credit is only an asset and can be considered wealth as long as the borrower "can pay".

And herein lies the rub, Greece cannot pay which means the holders of Greek debt (along with issuers of CDS) cannot pay and so on. It is not just Greece of course; it is the entire Western world, it just happens that Greece is first because they lied the most with the help of Goldman Sachs and other "benefactors". If counterparty risk did not matter, there would be no problem. The reality is this, the whole show from single dollar bills to trillions in derivatives will be engulfed in this "counterparty risk"!

Derivatives are a \$1 quadrillion ticking time bomb, soaked in gasoline and sprinkled with gunpowder. The volatility we are now seeing are the matches! While we have had two "saves" where the central banks have stepped in and bought debt to steady the markets, the day will come when it does not work. This game has gone on for a very long time and resulted in a mania where most all of the players are "long". The only potential new longs left are the central banks themselves who can only buy more debt with money created by debt. The day will come when the ability to "save" is overcome. Along with it will come the freedom of prices created by Mother Nature herself. Stocks, bonds, currencies, commodities and yes, even silver and gold will finally break the chains of "algo mania".

Finally, this you must understand, "power" is currently debt. The control of debt is also the power of prices. Once debt breaks loose and trades out of the control of central banks, these central banks will also lose the control to price everything else. We have come very close twice in the last four trading days of the credit market control being broken. Will loss of control be on the next convulsion? Or the next? I nor anyone else knows this answer, I do know the greatest margin call in all of history will be issued ... and it cannot be met!

A CLARION CALL FROM ON HIGH
by Patricia Cota-Robles

www.eraofpeace.org

Wow, what an extraordinary time we are living in. Actually, this Cosmic Moment is unique and unprecedented in all of Creation. I know that sounds rather grandiose, but the Beings of Light in the Realms of Illumined Truth have said that statement doesn't even begin to describe the magnitude of what is happening on Earth at this time.

Because I am going to write about some things that can truly boggle one's mind, I want to affirm to you that I do not ever share any information from the Company of Heaven that I have not confirmed, through my own personal experiences, to be true beyond a shadow of a doubt. Having said that, I also want to ask you to not ever accept something as Truth just because someone told you it is true. Please read this newsletter with an open heart and mind, then take this information into the Flame of Illumined Truth blazing in your heart. Ask your I AM Presence to reveal to you the Truth of this sharing from On High, and ask how you can most effectively participate in this incredible facet of the unfolding Divine Plan. And so we begin...

We are in the midst of a critical facet of the Divine Plan that has been unfolding step by step since the initial impulse of Humanity's fall from Grace millions of years ago. The Divine Intent of the powerful events unfolding on Earth at this time is to move Humanity, the Earth, and ALL Life evolving upon this Planet a quantum leap forward in the Light. According to the Company of Heaven, the success of this facet of the Divine Plan will accelerate our Ascension process by *literally thousands of years*. That means very practically and tangibly that the painful miscreations of hatred, war, violence, poverty, hunger, greed, corruption, aging, disease, the abuse of power, and every other form of pain and suffering currently surfacing all over the Earth to be healed, will be transmuted into Divine Love, Oneness, Reverence for Life, and all of the other patterns of perfection for the New Earth thousands of years sooner than we ever imagined.

The *Divine Potential* for this miracle was acknowledged by our Father-Mother God when they witnessed the heart commitment of Awakening Humanity and our willingness, as well as our intense desire, to hold the sacred space for our sisters and brothers in the Family of Humanity until they too could Awaken and return to Christ Consciousness. With that realization our God Parents issued a Cosmic Dispensation that gave the Beings of Light in the Realms of Illumined Truth permission to come through the veil to meet us halfway. Since that moment, the Company of Heaven has been standing in readiness awaiting the opportunity to assist us in powerful ways whenever we ask for their help.

Now, due to the incredible success of the Activities of Light that have taken place through the unified efforts of Heaven and Earth over the past several decades, these selfless Messengers of our Father-Mother God have been given permission to amplify Humanity's efforts to add the Light of the World a thousand times a thousandfold. This Gift from On High has exponentially intensified our ability to transmute the human miscreations on the old Earth as we cocreate the patterns of perfection for the New Earth.

The New Earth was God Victoriously Birthed in the 5th-Dimensional Realms of CAUSE on December 21-22, 2012. In January 2013, we were told by the Beings of Light that through the unified efforts of Awakened Humanity and the Company of Heaven, many events would take place during the next three years that would be life-transforming for ALL Life evolving on this Planet.

In 2013, we expanded the patterns of perfection for the New Earth and Birthed a Renaissance of

Divine Love. In 2014, with the Divine Intervention of every person's I AM Presence, Humanity en masse experienced the activation of our pineal glands and the initial impulse of our return to Christ Consciousness. Now in 2015, the third year of the New Earth, we have collectively reached a critical mass of energy, vibration, and consciousness that is allowing Humanity and the Earth to withstand higher frequencies of 5th-Dimensional Crystalline Solar Light than ever before. This influx of Light will allow every person on Earth to be INITIATED INTO A HIGHER ORDER OF BEING by his or her I AM Presence. This initiation will be a critical factor in releasing the masses of Humanity from the paralyzing and manipulative grip of our fear-based and fragmented human egos.

The Company of Heaven said that if we had attempted to assimilate this frequency of Light even as recently as four years ago, it would have been like trying to move through a lightning bolt and we would not have survived. That will give you an inkling of the monumental acceleration Humanity and Mother Earth have been experiencing at an atomic cellular level since the Birth of the New Earth.

WILL YOU ANSWER THE CALL FROM ON HIGH?

Now during the most intensified influx of Light Humanity and the Earth have ever known, there is a Clarion Call reverberating from the Core of Creation which is the very Heart of our Father-Mother God. This Cosmic Tone is stirring the Divinity within every person's Heart Flame reminding the Sons and Daughters of God belonging to or serving the Earth at this time about the urgency of the hour. In alignment with the vows we each took in the Heart of God prior to this embodiment, we are being asked to be "THE OPEN DOOR THAT NO ONE CAN SHUT" for the Light of God that will Victoriously accomplish the next and future facets of the unfolding Divine Plan.

2015 was Birthed in a Starburst of Light, and all Life on this Planet was bathed in the highest possible frequencies of our Father-Mother God's Twelve 5th-Dimensional Crystalline Solar Aspects of Deity. This occurred through the Divine Intervention of Beloved Mother Mary and the exponents of the Divine Feminine who represent our Mother God and her unfathomable Transfiguring Divine Love.

During the 2015 March Equinox and the Spiritual Celebrations of Passover, Easter, and Wesak, we were blessed with incredibly powerful Lunar and Solar Eclipses that raised Humanity's frequency of vibration at an atomic cellular level the maximum we were capable of withstanding. This paved the way for an amazing Celestial event that catapulted the Earth and ALL her Life a quantum leap up the Spiral of Evolution.

On April 19, 2015, in perfect synchronicity, the Earth received a gamma-ray burst of Light that was visible in the night sky and captured by the robotic ROTSE-IIIb telescope at McDonald Observatory in Fort Davis, Texas. The Beings of Light confirmed that this intense Light resulted from one of the biggest and hottest explosions in the Universe. Scientist determined this Light was the result of an explosion of a Star that took place more than 12.1 billion years ago.

Gamma-ray bursts are not well understood by astronomers, but they realize that they are very important. Gamma-ray bursts are the most powerful explosions in the Universe. These bursts release more energy in 10 seconds than our Earth's Sun will release during its entire expected lifespan of 10 billion years. Just imagine!

The Beings of Light say that gamma-rays are instrumental in recalibrating Humanity's RNA and DNA structures. Scientists now know that our RNA and DNA are shimmering, waveform configurations that are moment by moment being modified by Light, solar radiation, magnetic fields, sonic impulses, thoughtforms, emotions, and most profoundly—GAMMA-RAYS. The colossal

influx of gamma-rays we received in April were assimilated into the physical, etheric, mental, and emotional strata of Mother Earth and absorbed by the I AM Presence of every man, woman, and child on Earth. Each person's I AM Presence is now using this Light to recalibrate the genetic codes in his or her RNA and DNA structures. This recalibration will reflect the patterns of perfection in our 5th-Dimensional Crystalline Solar Light Bodies, which pulsate with the frequencies of Eternal Youth, Vibrant Health, Radiant Beauty, and God's Infinite Physical Perfection. During this process, the gamma-rays are actually transfiguring our genetic codes from the 3rd-dimensional carbon based codes we needed on the old Earth into the 5th-Dimensional Crystalline-based codes that will be necessary in order to form our Solar Light Bodies on the New Earth.

The Beings of Light want us to know that with the masses of Humanity being Initiated into a HIGHER ORDER OF BEING, which will take place August 15-20, 2015, the process of recalibrating and transfiguring our genetic codes will be exponentially accelerated. For this reason, the Company of Heaven is giving us greater clarity about the preparation taking place for the event in August, so we will be fully prepared to be THE OPEN DOOR THAT NO ONE CAN SHUT during that Cosmic Moment.

THE MYSTICAL MONTH OF MAY

We are now in the midst of the Mystical Month of May. The Beings of Light refer to the month of May as "mystical" because of the activities of Light that take place in the Heavenly Realms on behalf of Humanity and the Earth during May. May 1st is Saint Germain's Ascension Day. Every year on that date the Legions of Light associated with the Violet Flame of God's Infinite Perfection bathe the Earth with that resplendent Light and transmute Humanity's human miscreations the maximum that Cosmic Law will allow.

May 1st is also the day that Mother Mary's Temple of The Immaculate Heart is opened in the Realms of Light so that Humanity can visit there in our finer bodies as we sleep at night. Mother Mary's Temple is open throughout the entire Month of May and every night during that month she assists each of us individually, through our I AM Presence, in ways that will assist us in moving forward in the Light.

This year Mother Mary is preparing our Immaculate Hearts and the Immortal Victorious Threefold Flame blazing within our Hearts to withstand the highest possible frequencies of the recalibration taking place within our RNA and DNA structures. Her mission at this time is twofold: she is helping us to integrate the Flame of Illumined Truth that has been recently activated within our Heart Flames, and she is helping our I AM Presence to raise the frequency of our Immaculate Hearts and our Threefold Flames in preparation for the Light of God that will flow through every person's Heart Flame in August as he or she is Initiated into a Higher Order of Being. This assistance is being given to ALL of us by Mother Mary this month and the effects of this acceleration will build in momentum until we fulfill our mission of being THE OPEN DOOR THAT NO ONE CAN SHUT in August.

If you would like to be more tangibly aware of the wondrous events taking place within Mother Mary's Temple of The Immaculate Heart this month, when you go to bed simply ask your I AM Presence to help you remember in the morning the events you are experiencing and participating in while you are in your finer body at night.

BEING THE OPEN DOOR THAT NO ONE CAN SHUT

During the events in August we will all be in our right and perfect place. This is a Global Activity of Light that will involve every person on Earth whether or not he or she is aware of it on a conscious

level. We have ALL been preparing for lifetimes to fulfill our unique part of this Divine Plan.

Even though you know this profound Truth within the Divinity of your Heart, the Company of Heaven has asked me to reiterate the following information, so that it will be fresh in your conscious mind when you are making your decision about participating in this Activity of Light or any other Activity of Light that may be brought into your sphere of awareness.

There is a Universal expression that states "COSMIC MOMENTS COME AND COSMIC MOMENTS GO!" If Humanity does not take advantage of the Cosmic Moment, it passes us by and does not fulfill its Divine Potential of moving the Sons and Daughters of God and the Earth forward in the Light. The Beings of Light said sometimes it is hundreds of years before that Cosmic Moment presents itself again to the evolutions of Earth.

There are awe-inspiring Celestial events involving waves of Divine Light that have the ability to shift the energy, vibration, and consciousness of Humanity and all Life evolving on this Planet. But in order for the physical plane of Earth and Humanity to receive the benefits of that Divine Light, it must be magnetized through the Heart Flames of the Sons and Daughters of God abiding in the physical plane. The Universal Law is, "*The Call for assistance must come from the Realm where the assistance is needed.*"

For aeons of time Humanity has been so buried in the effluvia of our own miscreations that we have usually been oblivious to those Cosmic Moments. Consequently, we have been writhing in the agony of our painful creations for much longer than was necessary. But now, EVERYTHING HAS CHANGED! Since the Birth of the New Earth Humanity is Awakening at warp speed, and the number of Awakened Lightworkers who are consciously serving as THE OPEN DOOR THAT NO ONE CAN SHUT on behalf of Humanity and the Earth is LEGION!!

For that reason, we are in the position of magnetizing more Light through the Divinity of our Heart Flames during the Cosmic Moment of August 15-20, 2015 than has ever been attempted in any System of Worlds. The amount of Divine Light we are able to magnetize into the physical plane of Earth through our Heart Flames will determine how high the Initiation of the masses of Humanity into a Higher Order of Being will lift the Earth and all her Life up the Spiral of Evolution. As I mentioned at the beginning of this article, the Company of Heaven said the success of this facet of the Divine Plan has the ability to accelerate our Ascension process by thousands of years.

THE DIVINE PLAN FOR AUGUST 15-20, 2015

Every possible outer-world advantage is being provided in order to help us accomplish the maximum benefit from this facet of the unfolding Divine Plan. The Portal of Light through which the Light of God will initially flow during this Cosmic Moment is the Open Door for the most powerful frequencies of Healing and Divine Love on the Planet. The permanent seed atom for this portal is in the foothills of Tucson, Arizona, but the portal itself expands throughout the Southwestern United States of America.

The Light that perpetually flows through this portal from the very Heart of our Father-Mother God is the *Flame of Healing Through the Power of God's Infinite Transmutation* and the *Flame of our Mother God's Transfiguring Divine Love*. The event that will host the Activity of Light within this portal August 15-20, 2015 is the **29th Annual World Congress on Illumination**.

The Clarion Call has gone out to Lightworkers around the World inviting those who resonate with this facet of the Divine Plan to come to Tucson, Arizona, to serve as THE OPEN DOOR THAT NO ONE CAN SHUT on behalf of all of our sisters and brothers in the Family of Humanity and Mother Earth herself. Together we will form a mighty transformer through the unification of our Heart Flames. Throughout the entire week the Light of God will build in momentum through the Portal of

Light in Tucson and in the right and perfect Cosmic Moment the Company of Heaven will Initiate the I AM Presence of every man, woman, and child on Earth into a HIGHER ORDER OF BEING. This will occur for every person in perfect alignment with each one's Divine Plan and the highest good for all concerned.

The more people who are gathered at the 29th Annual World Congress on Illumination in Tucson from all over the World, the more powerful our transformer will be and the more Light we will be able to receive into the physical plane of Earth on behalf of Humanity and Mother Earth.

If you have the Heart Call to be physically present in Tucson for this Activity of Light, know that Beloved Mother Mary and Saint Germain are preparing your Heart Flame to withstand more 5th-Dimensional Crystalline Solar Light than you have ever experienced. This is being accomplished through your I AM Presence within the frequencies of God's Bliss, Wonder, Awe, and Sublime Gratitude.

For those of you who will be joining us in consciousness from various locations around the Globe, know that your Heart Flame is also being prepared by Mother Mary and Saint Germain in whatever way is most appropriate for your unique service to the Light for this event.

For those of you who are in the process of making your decision about attending the 29th Annual World Congress on Illumination and those who would just like to align with the Portal of Light in Tucson, please watch the 3-minute YouTube Video and you will experience some of the wonders of this location.
