## Hard News

- T:** Some background material of theirs that has been validated by Vatic Notes.blogspot.com has put out genetic background on Angela Merkel **[SEE BELOW]**
- Hitler's sperm was implanted into Eva Braun's sister, Gretl – Artificial Insemination was **totally new at the time** – she was an experiment! Having this information out there at this time is not being covered by the main street media!
  - Fidel Castro, brother Raoul, are assets of CIA since the Cold War
    - when they used to play Abby Martin's "Breaking the Set" and Obama removed the embargo on Cuba, she went down there and saw the difference
    - RT TV is being labelled the worst dog in the pack because they are telling the truth.
      - Putin knows how to play his chess game very well; the story is about the Khazar Bolshivic Khazarian empire ending; at the moment, we are watching them try to hold the matrix together and they cannot
  - **Richard Wolfe** said today: Keynesian economics only helps the filthy rich; not those in factories or fast food places
    - WW 2 was never ended: the 3<sup>rd</sup> Reich bled into the 4<sup>th</sup> in the '40s and in 1945, Ashtar Command & galactics anchored themselves in the US Government in the ACIO
  - Castro came in in 1959 and did some really good things
    - universal free education – Jeremy Corbin in the UK, Bernie Sanders
    - has better doctors than in US, best in the world - \$35 / mo was doctors' salary, and prescriptions for pennies - not at all like the US
    - people are not starving to death either
      - not like the unbelievable prices for medicine, food as in US
  - R hasn't talked to his people today: it's quiet, but not quiet because
    - Orange Hitler is violating the Constitution, setting up his tin pot dictatorship with all the neocons who've been waiting for this
    - all of this is for naught! Cannot go from running a game show to running the White House
  - Richard Wolffe and Mark Ruffalo of Making Contact – another show
    - mark ruffalo plays incredible hulk in Avengers movie – he was saying that
      - when people are standing in sheets of ice after being sprayed by the police, and not getting violent, we are witnessing spiritual transfiguration right before our eyes! the young people are sacrificing themselves for the planet y
    - MSM not talking about this but about the gold doors and Trump [see below for the image he is referring to] and lies
    - goddess is calling us to active duty – no water, no live
    - the chances of getting clean water in the US is almost impossible: mercury, and all kinds of stuff in rivers, lakes, streams
    - the pipelines – inevitable that they will break and pollute the water:
      - pipelines and fossil fuels ARE NOT FOR THIS PLANET
      - there was no need for either: it was known that this kind of stuff was not needed
      - Tesla had already registered as inventions his free energy devices and he had a radio show for 5 or so years – he talked of the lightning talking to him
  - much to be said for wiser historians: this will come out when everything does
    - the Castro Bros as assets of the CIA since the beginning
    - in 1962, the CIA staged the Russia and the nukes story – **THE TRUTH IS that the CIA took a nuke** from the US to Cuba and then launched it towards Los Angeles: the Ashtar Command made sure it went away from the trajectory and detonated it in a containment field beyond earth's atmosphere – not being talked about

- so the current debate about nukes is just a distraction – **nukes will not be allowed.**

**Back to Angelca Merkel: goes over the article and comments**

**[SEE BELOW]**

**PLEASE LISTEN TO COMMENTS OF T & R AS YOU READ THE ARTICLE**

- this is from Project Vatican information [vaticanote]
- the actual Project Vatican website cannot be found at the moment; IF ANYONE FINDS IT, COPY AND SEND TO T & R
- Kate Middleton has Khazarian blood in her background, via her mother's mother
- **BloombergNews** – look up Feb 6, 2013 about the markets going down

T surmises that they would only have a limited amount of time to get away with murder.

**Lyn:** to let us know

- *Gasland 1* and *Gasland 2* – documentaries to watch
- there are 590 chemicals used in the fracking process
- Amy Shroud who was shot in the back: her report is about a leak being found every other day in a pipeline – over 3000 miles of pipeline

**T:** there is no discussion about this: it is inevitable this should be about ending fossil fuels, about ending fracking, and

- this is why they have been clamping down on the technologies for the last 50 years, even 100 years, as Tesla had the answers for a long, long timeline

**T:** talks of her own awareness in the 60s and 70s: gullible and innocent – going to Selma;

R went to see Sai Baba and Mother Theresa: both of them had lots to learn at the time!

- What a lie: the military-industrial-biomedical-administrative complex
- that is why there are so many here from all parts of the galaxy: love is the order of the day
- the Water Protectors are showing us: the answer is love!
  - This [what they are doing] brings the rainbow bridge to the planet, in the physical!

**T:** went back to the news of the market crash: this explains why Angela Merkel is being pushed forward, plus the changes in the sun and plus our rising in the light on an individual basis

- also we need to meditate at least twice a day to keep calm and to add love

**Northern Israel** is burning to the ground

- Netanyahu says arson; also has to do with the dryness there
- could also be started by his own people
- this empire has a very short moment in the history of the universe! Keeping his words high!

• Dr Karl Blauberg IS Dr Karl Kuber – discussed in the article

- a member of Thule society
- connected to the Adru Jihad – the 7 lords of chaos
- he wanted to bring these ones to the planet to help Hitler; the Lords of Light shut it down!
- He was more than a death doctor – played with occultism, at the same level as Alistair Crowley who did the Obscene rite: has been going on for 13,000 years at least.
  - The Luxor Temple in Egypt has instructions about how to make clones – which has been going on for at least 3,000 years

• Hitler was 65 when his sperm fathered a daughter!

- They always consult the occult before they do anything for nefarious reasons – explained

in the Vatic Note

- We know that Hitler did not die, as Schorzene gave his papers to his daughter's boyfriend, a Miami journalist; the protocols of zion were in there, too
  - which said he killed a clone of Hitler at the time – cloning has been going on for a very, very long time!
  - Hitler is alive and held in a 5<sup>th</sup> dimensional brig: this is galactic damage going on
    - he was up to a lot; his daughter is also doing things in the occult realm
- Nov 22, 1963 - JFK was killed
- Ap 20, 2005 on the 116<sup>th</sup> birthday of Hitler, Ratzinger became pope
- Nov 22, 2005 - Merkel was elected chancellor to take Hitler's position
- August 29, 2005 - Hurricane Katrina
- **August 31** – clones of Lady Di, Dodi, Andre Paul, the driver, were killed; clones
- Angleca Merkel became chancellor when Charles Darwin's **origin of the species**, an anti christ document, was published denying the creator of the universe [Nov 24, 1859, according to other sites]

- so they want to use Angleca to ignite WW 3
- Yes, Barack is in the 13 family lineage big time:

***With every choice I make,  
My Spirit and Soul are there,  
Ultimately I am deciding,  
To evolve or stay right here.***

Decide who you want to be and then be that. That really is all there is to be said and these are the perfect aspects for that decision to be made NOW! Regardless of what happens, what others say, etc. when you are coming from your core that is the truth of the matter and the universe will step up to support you in that. And if that involves clearing up some old karma then so be it..... just do it and move on. In most cases from my experience, it has more to do with self forgiveness of the past and getting up the guts to put yourself out there again haha!

New Moon in Sag next week will coincide with a new phase of Venus/Pluto and new phase of Mercury/Saturn, and with Mars in Aquarius it signals a great opportunity to expand having broken free from the bonds of the past and ready to charge into a new future. Have a good time (and don't worry too much about the "world situation," it always has been and will continue to be lol!)

**RI** still having trouble with phone: some kind of energetic download going on – he's now on his landline! RI's connection is from California to Georgia which could have an effect on transmissions!!!

- Main point: lots of action going on

### **Reading: Carl Boudreau**

**RI:** Neptune went direct

- we're moving into a new astrological investigation! Ri and audience have been having Sat pm astrology talks for 9 years, since 2008. in the early days, he talked about affinities, signs etc – Astrology 101.
  - Went to a new thinking and doing Astrology 202: using Dane Rudyard, the tarot cards. The 360\* astrological mandala – on Thursday, Mercury Conjunct Saturn and was hit with a thought:

**the symbols:** **An Astrological Mandala** – has 360 symbolic phases

**17\* Sag:** an easter sunrise service with a large crowd! That's a really sweet omen!

**9\* Pisces:** the keynote is where south node is: intense mobilization of energy and skill in the drive for success in any social performance affected by the competitive spirit –

**9\* Virgo:** where north node is: last half of Virgo is education; first half character building. Sign post is the urge to express one's individualized sense of values regardless of tradition. [building new values here!] At this stage the individual is seen reacting against stereotyped standards and

- a statement uncompromising self reliance which may even imply a kind of defiance and a challenge to society. The mind – Mercury in Saturn - is seeking to discover the basis of individual self-hood, the tone of individual being in the process; however, what is expressed is usually the reflection of a deep catharsis with emotionally charged and often tragic overtones. [this describes the aftermath of the election – the people in the streets are looking for the foundation of their individual selfhood, which shows up as a kind of

defiance to society ]

- this kind of material operates at several levels; the individual, the individual's family; the social conditions, the community conditions, the tribal conditions and also at the abstract spiritual level inner conflict and over selfconscious attempt at "being oneself"

## CONFERENCE CALL

**RI:** Describes content of Dane Rudyard's book

**Ross:** a grade school kid found out about the presidential lineages

**RI:** the same reaction at an individual level: a whole lot feeling good because donald got elected, and 8 years ago, they were bummed out when Obama got elected. A ring pass not is a limitation, a check on forward movement – has to do with the law of polarity

- Back and forth between false choices! This is the matrix . . .

**T:** challenging society and being in defiance . . .

**Ri's Book Report** Intent: to get us to buy the book for personal study

**The Cosmic Doctrine** – written by [Dion Fortune](#) 1976 edition – Dec 1990 Ri  
ISBN #085030 194 7 [UK]; 0 87728 455 5 [USA]

ch 2: the forces of negative [evil]

ch 3: the 12 rays and the 7 cosmic planes –

Ch 4: beginings of a solar system; evolution of great entities;

Ch 5: the creation of a universe [a star creates a local area universe]

. . . Ch 20 the manifested universe Page 92 – reads some about creation of the solar system

**His latest approach: Astrology 303:** talking of the 7<sup>th</sup> plane, the densest one – we descended into matter – will be looking at our earth signs from the point of view of the sun, which is the local logos, local area godhead:

- Tara is an Aquarian from now on – he's looking at the neighbourhood from the position of the sun; Richard was born in Scorpio opposite is Taurus
- Venus is planet of abstract emotions; Saturn is the planet of concrete mind – the plane where we master initiations & the formative influence; Mercury is the planet of abstract mind: closer to sun and with higher vibrations so Jupiter is the planet of the concrete spiritual.
  - Sun is symbol of logos on 7<sup>th</sup> plane: the sun is our symbol of creator god, logos
  - RI has saturn in the first house – Libra – balance, equilibrium, justice
- Each planet is the archetype of its plane and is radiating out its influence on that plane – each evolution is developing the corresponding factor within the nature of that place

**Published on 3 Nov 2014**

The renowned mycologist and genius discoverer of immunological and bioremedial properties of mushrooms Paul Stamets unveils his latest breakthrough research. Since our emergence from Africa, mushrooms have represented a thread of knowledge – critical for human survival as medicine, fire portability and the regeneration of forests. His latest epiphany is MycoHoney, made by bees that sip mycelium droplets, which prolongs worker bee longevity, detoxifies the hive, and could prevent colony collapse disorder, as well as our own. Fasten your seat belt.

This speech was given at the 2014 Bioneers Annual Conference.

**T:** they were inspired to replay this program again because Vanaic who has been working with them and their problems related to the lungs: he recommended some of the mushrooms combinations that are discussed in the video! And it is working!

T: reads what Putin has said about Fidel Castro and the quality of man he was, and about France always speaking out against the American embargo against Cuba.

**Reading: When God was a Woman** – Ch 6: If the king did not weep – p 129 to p 132.

About the divine right of kings – originally bestowed by the goddess by right of matrilineal descent. "The juxtaposition of these two roles, that of high priestess and that of queen, is repeatedly attested to in early historic times in tablets and texts of the Near East." [p 129]

". . . evidence suggests that it was the other way around; that the highest and most sacred attendant of the female deity in the very earliest times was probably the origin of the concept of royalty." [p 130]

***Goddess of Harmony***

The Goddess of Harmony represents the living light of Harmony, a valuable key to our progress on the Path of Becoming. She comes to assist us in becoming Divine Instruments of Harmony, Peace and Calm within the chaotic circumstances of the outer world. Call to this great Goddess to enfold you in her Sacred Fire Harmony, to stand strong and to have the resolve to accomplish anything that you so desire in your life. Call upon Harmony to assist in the lives of your family, your community, nation and the world. We may embody these living flames of harmony to help transmute outer world destruction and discordant energy upon the planet.

[Day 3, Beloved Goddess of Harmony](#)

Beloved Goddess of Harmony

[Image Source](#)

My Beloved Great I AM Presence, Great Ascended Host, Beloved Goddess of Harmony, I call upon you to free me from all limitations and to fulfill the purpose of my lifetime on Earth. Bring me into closer alignment and association with you and the Ascended Host so that I may receive the gifts that you offer to me.

Pour down through my lifestream the Sacred Fire of your Sacred, Harmonizing, Purifying and Strengthening Presence into my life, the lives of all of my loved ones and their loved ones and make of me a living instrument that you might do through me what my family, my loved ones, our cities, our nations and the world, and the Earth and its Elements most require to stop the destruction, to stop the discord and to stop the hate.

I call forth your Sacred Fire of Love's Eternal Harmony; I call forth your Sacred Fire of Life's Eternal Healing and Strength within me to do only that which God can do in, through and around me, to correct every condition that is limiting my life, so that I have the opportunity in this lifetime to live my higher purpose and to fulfill the Divine Plan of my life.

Beloved Goddess of Harmony, I call upon you to pour forth your Sacred Fire Love's Eternal Harmony, your Sacred Fire Harmonizing Healing Presence into my mind, into my body, into the very cells of my body, into my feeling side of life to correct everything that is wrong, to correct everything that is creating a limitation in my life and the fulfillment of the Divine Plan of my life.

I Call upon your Sacred Fire Power, to take out of me anything within myself in which I am accepting that healing and harmony is not available now; any part of me that is accepting that time and space is required for your Cosmic Powers to correct conditions within me. I ask for that area of acceptance to be taken out of me. I ask that any belief systems, perceptions, concepts that could limit the scope of your releasing the full power of your Sacred Fire Love be taken out of me, anything within me that could be an obstacle to your Sacred Fire Healing Love, now taking place in my life, that these be removed first by your Sacred Fire Love in a safe and protected manner that flows in grace and ease until I am ready for your greater Light.

I am so very grateful that I am an instrument for the Goddess of Harmony and the Ascended Host. I am Love's Eternal Harmonizing Presence, and this is what I pour to the world around me, a thousand feet, a thousand yards, a thousand miles and more, this day and every day to bring forth the highest outcome for the highest good of all. So be it and so it is!

## 2013-12-22 Angela Merkel is Hitler's Daughter and a Rothschild

**Vatic Note:** We did a blog proving Hitler was the illegitimate Grandson of Solomon Rothschild of Vienna, Austria. Now, that means Angela Merkel is a Rothschild as well and the "beat" goes on, huh? Both Angela and Hitler were born on April 20th which is the beginning of the fertility festival of beltrane, an occult major holiday. It runs from April 19 to May 6. Kate's grandmother was a Goldsmith, and thus has khazarian roots and we covered that as well in a separate blog. Their son will be the first Khazar king of England.

Now with this info below, it explains so much that did not make any sense. First of all The German gov under Merkel has doled out billions of dollars in reparations to the zionist khazars, and has allowed massive structures to dot the German landscape that are zionist related facilities. We also discovered that Angela made some seriously disparaging comments about America and its stazi Nazi police state which we published before this one.

So, given her connections to the Rothschild family, why is she disparaging the US and comparing it to nazi Germany where her own father, if that is what you want to call Hitler's sperm, was villified for doing all kinds of bad things, under command of the Rothschild international bankers. Angela is a result of the bankers' dream to take control of reproductive rights and raise children by the state, and she made it to the top because she was a good student of those same bankers.

Given that the USA is doing Rothschild bidding in the middle east and elsewhere, like the NSA spying, then why are they using her in particular to set the USA up for WW III ? We know the game plan and have no intentions of going along with it. No matter what, everyone knows who is behind the curtain and no amount of false flagging is going to make us get bad [mad?] at someone other than the bankers and their puppets, the Khazar International Zionist bankers, and that is the only people we will do WW III against. So, they wasted Angela, since the game is afoot and we know all the players now. What a waste.

### Angela Merkel: Hitler's Daughter

**THE FOURTH REICH**

Angela Merkel was born in the D.D.R., the Communist portion of Germany in 1954. Her biography says she was born on July 17, 1954, and that she is the daughter of a Lutheran minister from an East German-controlled church. Recently, however, Soviet KJB archive files reveal an entirely different story. Stasi GDR files indicate that she was born on April 20th, 1954, **(VN: wasn't that Hitler's Birthday April 20?)** and details of her birth were included in the records of the **German Dr. Karl Klauberg**, who was one of the Nazi "death doctors" convicted by Soviet courts and imprisoned. When he later was recognized as a brilliant scientist, he was released after seven years and was recognized as the **father of artificial insemination**.

The Soviets were even more intrigued when they discovered Dr. Klauberg had preserved frozen samples of the sperm of Adolf Hitler. The forces of darkness in high places decided to try to produce a child from Hitler's sperm, obviously for occult and illuministic purposes. Dr. Klauberg then brought the youngest sister of Eva Braun (Hitler's wife), whose name was Gretl, to Eastern Germany, and the result of the experiment produced not a biological son of Hitler, but rather a daughter.

Amazingly, Adolf Hitler was born on April 20th, 1889, and Angela Merkel was born on April 20th, 1954. **(April 20th is 11 days before the witches' high sabat of Beltaine.)** Angela became a custodian of the Catholic Church through its connections with the East German Lutheran Church. Once a German Pope would take the Roman throne, Angela Merkel was to also take her biological father's position as German Chancellor. (VN: The holiest days for the occult are from April 19 to May 6; remember, the gulf blow out occurred on April 19. Those days are some sort of

On **April 20th, 2005**, the Nazi Joseph Ratzinger became Pope Benedict XVI, (16th), precisely on the 116th birthday of Adolf Hitler. Then on November 22nd, 2005, Hitler's biological daughter, Angela Merkel was elected Chancellor of Germany. The day of that election, November 22nd, was the anniversary of the publication of Charles Darwin's Origin of the Species, which is an antichrist publication denying the Creator of the universe.

If the Soviet record is true, and the evidence is strong, it opens up some amazing possibilities. The undeniable fact is that **Angela Merkel came from obscurity to triumviral power** as German Chancellor, President of the European Union, and head of the powerful G-8 economic cartel. **(VN: Sounds like the rise of Obama here in the US. Wonder if he is also a Rothschild?)** When I began to do further research on this, I discovered that Hitler's father, who took the name Hitler, was the **illegitimate son of a Rothschild mistress** whose last name was Schicklgruber.

The etymology of the name Hitler reveals that the name means a shepherd who lives in a hut. The name Adolf from Old High German means noble wolf. Thus, his combined name indicates that he was the **Shepherd Wolf, or false shepherd**. Strangely enough, **Pope Ratzinger**, or Benedict XVI, also has the title of **Shepherd of the Church**, and since he took office, the Roman Catholic

Church has had a German shepherd. Incidentally, that breed of dog resembles a wolf.

We also know that Adolf Hitler nicknamed himself Herr Wolf. His East Prussian headquarters was called Wolfsschanze; his headquarters in France was called Wolfsschlucht, and his headquarters in the Ukraine was called Werwolf. Will the powerful European Union become the New World Order and Fourth Reich? Only God knows. **(VN: Fascism was the Zionist bankers' goal even during WW II but did not happen, so they did project paperclip in order to develop the technology that could counter the sheer advantage of numbers by the filthy masses of cattle, as they like to call us.)**

One more interesting point is that Chancellor Angela Merkel has an unusual obsession with the works of the occult composer Richard Wagner, who was a **Satanist**. She made her obsession known in an interview with the newspaper Frankfurter Allgemeine Zeitung in July 2005. Wagner wrote the infamous composition called Parsifal, which is purely occult and demonic. Parsifal was a favorite of Adolf Hitler as well, and Hitler stated that the music of Wagner occupied his mind.

Angela Merkel, like Adolf Hitler, is deeply fascinated with Wagner's Ride of the Valkyries. The Valkyries were minor female deities that would ride through every battle to gather the most valiant of the slain and carry them off to a place called Valhalla where they would wait to join the army of Odin in the last battle at the end of the world.

Is this woman, Angela Merkel, being used of Satan to marshal the forces for the last battle called Armageddon? It is also interesting to note that Chancellor Merkel has exactly the same eyes as Chancellor Hitler, and she bears a striking resemblance to him except for the little moustache, of course.

2013-11-29 **American Presidential Bloodlines**

Did you know all 44 U.S. presidents have carried European royal bloodlines into office? 34 have been genetic descendants from just one person, Charlemagne, the brutal eighth century King of the Franks. 19 of them directly descended from King Edward III of England. In fact, the presidential candidate with the most royal genes has won every single American election.

*"This information comes from Burke's Peerage, which is the Bible of aristocratic genealogy, based in London. Every presidential election in America, since and including George Washington in 1789 to Bill Clinton, has been won by the candidate with the most British and French royal genes. Of the 42 presidents to Clinton, 33 have been related to two people: Alfred the Great, King of England, and Charlemagne, the most famous monarch of France. So it goes on: 19 of them are related to England's Edward III, who has 2000 blood connections to Prince Charles. The same goes with the banking families in America. George Bush and Barbara Bush are from the same bloodline - the Pierce bloodline, which changed its name from Percy,*

*when it crossed the Atlantic. Percy is one of the aristocratic families of Britain, to this day. They were involved in the Gunpowder Plot to blow up Parliament at the time of Guy Fawkes" -* Researcher/Author David Icke, **Alice in Wonderland and the World Trade Center**

If America declared its Independence from the European monarchies in 1776, how is it possible that every single president has descended from European monarchs? If presidents are democratically elected as we are told, what are the odds that we would always choose members of British and French royal bloodlines to lead us?

*"The Americas have always been owned and governed by the same royal families of Britain and Europe that conventional history states as being among those defeated during the wars of so-called 'Independence.'"* -Michael Tsarion, **Astrotheology and Sidereal Mythology**

*"If it really is the Land of the Free and if, as is claimed, anyone really can become the president, you would fairly expect that the 43 presidents from George Washington to George W. Bush would express that genetic diversity. You're having a laugh. The presidents of the United States are as much a royal dynasty as anything in Europe, from whence their bloodlines came."* - David Icke, **Tales from the Time Loop**

Bush is closely related to the king of Albania and has kinship with every member of the British royal family and the House of Windsor. He is related to 20 British Dukes, the 13th cousin of Britain's Queen Mother, and of her daughter Queen Elizabeth. He is 13th cousin once removed from Prince Charles and has direct descent from King Henry III, Charles II, and Edward I of England. Through the House of Windsor and King Henry III, the Bush's and Bill Clinton are genetically related as well.

*"According to Burke's Peerage, even according to the official genealogy, Bill Clinton is genetically related to the House of Windsor, the present royal family in Britain; to every Scottish monarch; to King Henry III of England; and to Robert I of France."* -David Icke, **Alice in Wonderland and the World Trade Center**

In 2004 George W. Bush ran as a "Republican" against "Democrat" John Forbes Kerry – his 16th cousin. These cousins, related to the same British and French monarchs, are also secret society brothers in the infamous Skull and Bones fraternity. John Kerry descends from King Henry II of England and Richard the Lionheart, leader of the third Christian crusade in 1189. He also has links to royalty in Albania, Sweden, Norway, Denmark, Russia, Persia, and France, but still not enough royal genes to top George Bush. Earlier in 2000 we see the same story - George W. Bush ran neck and neck with Al Gore; another supposed democrat and cousin of the Bush family.

*"Al Gore is a descendant of Edward I, Roman Emperors Louis I, II, and Charles II and is direct descendant of Charlemagne which makes him a distant cousin of Richard Nixon and George W. Bush. So the top "democratic" candidates against Bush in 2000 and 2004 were actually his cousins!"* -Michael Tsarion, **Where History Ends DVD**

*"Never in the history of the United States have two presidential candidates been as well endowed with royal alliances. There has always been a significant "royal factor," in those who aspired to the White House, with Presidents George Washington, Thomas Jefferson, Theodore Roosevelt, Franklin Roosevelt and Ronald Reagan, among others, all boasting blue blood links. Al Gore...a descendant of Edward I, he is also a cousin of former U.S. President Richard Nixon, who resigned from the White House in 1974 for his part in the Watergate scandal. However, Al Gore does have direct links to the Holy Roman Empire. He is descendant of Roman Emperors Louis II, Charles II, and Louis I and is therefore also a direct descendant of Charlemagne, the eighth-century Emperor. The problem is that Gore's Charlemagne links also make him a cousin of George W. Bush."* - Harold Brooks-Baker, Burke's Peerage Publishing Director from p. 7, **NEXUS** magazine, Vol. 8, No 1, January-February edition

By placing bloodline members on both sides of America's faux political dichotomy, the old monarchs have guaranteed their right to throne under the guise of democratic elections. Back in 1996 we see the same tactic as "Democrat" Bill Clinton defeated "Republican" Bob Dole, his cousin.

*"Even Bill Clinton and Bob Dole, who 'opposed' each other at the 1996 election, are distant cousins. They can trace their ancestry to England's King Henry III, who reigned from 1227 to 1273, and US Presidents William Henry and Benjamin Harrison ...Clinton has far more royal blood than Dole and is directly descended from the same bloodline as the House of Windsor, every Scottish monarch, and King Robert I of France. This is why he was the Brotherhood's choice."* -David Icke, **The Biggest Secret** (191-192)

The Windsor-Bush bloodline reaches from the American presidents, back to British/European royalty, and it doesn't stop there. It continues back through Roman emperors, all the way to Babylonian Kings and Egyptian Pharaohs near the beginning of recorded history.

From Marie Antoinette and King Louis XVI, the French line continues back through Louis XV-I, Charles XI-I, Henry IV-I, Philip V-I, Robert II and many other French monarchs. It passes the de Medici family, specifically Queen Catherine de Medici of France, who supported Columbus' expedition to the "New World" along with bloodline Queen Isabella of Castile, King Ferdinand of Spain, and the House of Lorraine. It was also Queen Isabella and King Ferdinand who started the 350 year Spanish Inquisition, which ordered the murder of millions who refused to convert to Christianity. And from the House of Lorraine, Duke Godfroi de Bouillon became the first Crusader King of Jerusalem.

*"Father George and wife Barbara [Bush] are both descendants of Godfroi de Bouillon who, in 1099, led European noblemen in the successful Crusade to recapture Jerusalem from the Islamic faith and moved into the King's palace at Temple Mount ... Godfroi de Bouillon was the first king of Jerusalem and the Duke of Lower Lorraine, a major region for the Illuminati bloodline ...So when George W.*

*Bush, a descendant of the de Bouillon through his mother and father, talked of a "Crusade" against "Islamic" terrorism...this was no slip of the tongue...as was reported" - David Icke **Alice In Wonderland and the World Trade Center Disaster***

The British line goes back from Prince William and Harry, through Prince Charles and Princess Diana, to Queen Elizabeth II, King George VI and V, King Edward VII, Queen Victoria, King Edward III, II, I, and King George III, II, I. Then it passes through King James I who ordered and financed the now most-widely read version of the

Bible. Before James came Mary Stuart, King Henry III, II, I, King John (signer of the Magna Carta) and back to the Plantagenet and Habsburg dynasties under the Roman Empire. Other branches carried the bloodline to Scotland, Austria, Germany, Spain, Sweden and even Mexico:

*"This same bloodline also includes key Scottish families like the Lords of Galloway and the Comyns; Marie-Louise of Austria, who married Napoleon Bonaparte; Kaiser Wilhelm II, the king of Germany at the time of the First World War; and Maximilian, the Habsburg emperor of Mexico, who died in 1867. On and on it goes into country after country. This bloodline connects into every surviving royal family in Europe, including King Juan Carlos of Spain and the Dutch, Swedish, and Danish royal lines."* -David Icke, **The Windsor-Bush Bloodline**

Before the Habsburgs, the House of Lorraine and Charlemagne were the Merovingians (Meroveus/Merovee) who originally brought the bloodline to France and Northwest Europe. Back in 4th century Rome the bloodline passed through Emperor Constantine, the first professed Christian emperor who initiated the Roman Empire's transition into a Christian State and presided over the first Council of Nicaea. He was preceded by the Roman Piso family whom will be discussed at length later. Before them came Herod the Great of Biblical fame and Ptolemy XIV, son of the most well-known Roman emperor Julius Caesar. Caesar actually married into the bloodline through Cleopatra, the most well-known Egyptian Queen. A little further down this very same bloodline brings us to Alexander the Great:

*"One common link in this bloodline is Philip of Macedonia (382-336BC), who married Olympias, and their son was Alexander the Great (356-323BC), a tyrant who plundered that key region of Greece, Persia, Syria, Phoenicia, Egypt, Babylon, the former lands of Sumer, and across into India before dying in Babylon at the age of 33. During his rule of Egypt he founded the city of Alexandria, one the greatest centers for esoteric knowledge in the ancient world. Alexander was taught by the Greek philosopher, Aristotle, who in turn was taught by Plato and he by Socrates. The bloodline and the hidden advanced knowledge have always gone together."* -David Icke, **"The Windsor-Bush Bloodline"**

Back the bloodline goes past Alexander, past Nebuchadnezzar IV, III and other Kings of Babylon, all the way to ancient African Kings and Pharaohs of Egypt - Ramesis II, I, Tuthmosis IV, III, II, I, Amenhotep III, II, I and many more. For millennia these Kings, Queens, Pharaohs, and Emperors have obsessively interbred with themselves to preserve and spread their bloodline. They have ruled over us since the beginning of recorded history, claiming they were given divine right to the throne by God or gods.

*"This 'Divine right' is simply the right to rule by DNA. We have a head of state in Britain to this day who is only there because of her DNA and the whole freeloading hierarchy of the royal family is structured according to a person's DNA relationship to the king or queen ... what is royal rule by DNA if not outrageous racial and genetic elitism? This 'Divine' right to rule has nothing to do with the 'Divine' and everything to do with the real origin of these bloodlines. They claim to descend from the 'gods' of the ancient world and who or what these 'gods' were and are, I will explain in detail later. The 'royal' families have interbred incessantly with each other since ancient times because they are seeking to retain the DNA corruption that can apparently be quickly diluted by breeding outside of itself. How interesting that the families of the Illuminati and the power elite do the same to this day. Why? They are the same bloodlines. The royal 'Divine' bloodlines of ancient Sumer and*

*Babylon (now Iraq), Egypt, the Indus Valley and elsewhere expanded into Europe to become the royal and aristocratic families that ruled that continent and most of the world through the British Empire and those of France, Belgium, the Netherlands, Germany and so on. As the people began to challenge and reject the open dictatorship of royal rule the bloodlines began to move 'underground' by operating among the population in all the areas that control modern society ...You will find a similar story all over the world. Credo Mutwa, the official historian of the Zulu nation, told me how so many black African leaders that were placed in power after the colonial masters gave the continent 'independence', came from the bloodlines of African kings and queens who claimed to descend from the same 'gods' as their white counterparts."* - David Icke, **Tales from the Time Loop**

## **Confusion with a Chance of Chaos**

But rather than offer yet another postmortem of the election, or predict the consequences of this election result, I would like to continue examining the underlying astrological influences. December's charts are promising to help us rebuild, but only if we can avoid falling into old traps.

### **Recap**

For the past several months or more we have been discussing the gradual break up of an astrological formation in effect since the 1970s, what I referred to as [the oligarchic alignment](#). Basically, from the early 1970s until recently, the most powerful planets in the Zodiac were all in signs associated with the 1%, massively empowering the 1%.

Accordingly, this alignment (or misalignment) led to a tremendous imbalance of global economic and political power in favor of the 1%. In other words; it led to global oligarchy.

The oligarchic alignment is now breaking up, all too slowly for most of us, in gradual, overlapping phases.

This break up is leaving in its wake a tsunami of unanswered questions, unmet challenges and untried ideas.

Conditions have effectively blocked action on any currently existing ideas for rebuilding and reform. So, to an extent, the quality or advisability of these ideas hasn't mattered. Nobody could act on them anyway.

These defective ideas are now headed willy-nilly into December's energies and these energies are highly supportive of manifestation. All of a sudden, the quality of these ideas matter a great deal.

## **The Breakup of the Oligarchic Alignment**

### ***The Great Testing***

November 2008 ~ Pluto enters Capricorn

Pluto's Capricorn ingress in 2008 was the last major planetary shift to occur before the oligarchic alignment began breaking up. In Capricorn, Pluto severely tested economic systems put in place during the oligarchic alignment, i.e., during the last forty odd years.

Pluto's testing brought us within a hair's breadth of a catastrophic global economic collapse. In other words, the structures left behind by the oligarchic alignment failed Pluto's test. Miserably so.

### ***The Transition Begins (in the Nick of Time)***

In 2011, Uranus left Pisces, and the oligarchic alignment, to enter Aries. The Uranus Aries ingress took the power to implement change unilaterally out of the hands of the 1%. The power to make change re-emerged quickly among the 99% as a wholesome and hearty inclination to protest, rebel and otherwise revolt against the oligarchic order.

The scale of the imbalance that so favored the 1% was reduced by the Uranus Aries ingress. The 1% would now have to negotiate with the now increasingly testy 99%.

Protest, demands for reform and resistance to government and corporate - i.e., oligarchic - initiatives were vigorous and commonplace. The power of the global oligarchy, while still strong, began to erode.

In Aries, Uranus established a square to Pluto. That square would be exact 7 times over a period of three years.

This square severely tested global political systems. They, too, were found wanting. And badly so.

### ***Soul Cleansing and Release***

February 2011 ~ Chiron enters Pisces

February 2012 ~ Neptune enters Pisces

February 2015 ~ Nessus enters Pisces

During the next several years, the planets set the stage for an intense, prolonged period of psychospiritual cleansing, release and healing.

With Chiron involved, long buried blocks and trauma surged back into awareness, sometimes rather forcefully. Nessus is still one of the new asteroids on the block and we don't hear much about it. However, based on my own work, I can say that it would be difficult to underestimate its power to expose, activate and resolve karma.

Neptune in Pisces would dramatically augment the power of Chiron and Nessus in Pisces. These simultaneous transits of Pisces added new layers of psychospiritual turmoil to the political and economic turmoil done by Pluto and Uranus, damage we had only begun to work through.

Neptune's return to Pisces, its home sign, was especially important. It marked the onset of a new, 165 year Neptune cycle. This new Neptune cycle, would bring a prolonged testing and renewal of our worldviews - individual and collective, mundane and spiritual.

Pluto in Capricorn took a wrecking ball to the economic status quo. Neptune in Pisces took a wrecking ball to our beliefs.

Our worldview didn't do any better against Neptune in Pisces than our economic institutions did against Pluto in Capricorn, or our political institutions did against the Uranus/Pluto square.

The combined effects of Neptune, Chiron and Nessus in Pisces were impressive. Together, they cleared the emotional sludge in which many elements of our existing worldview were so stubbornly rooted.

### ***Rooting out Error: The Mutable T-Square***

August 2015 ~ Jupiter enters Virgo

September 2015 ~ [Saturn enters Sagittarius](#)

November 2015 ~ The North Node enters Virgo.

In the final months of 2015, the Jupiter, Saturn and North Node ingresses would make the group in Pisces part of a potent T-square in mutable signs. Do not want to underestimate either the power or the importance of this mutable T-square.

Virgo governs meticulous, fact-based, analysis. Sagittarius governs philosophy, including moral and ethical philosophy. Pisces governs religious, theological and metaphysical thinking.

During the T-square, people began trying to apply each of these three modes of thought and appropriately and strike a proper balance between. Since the advent of this T-square, the media, too, became more critical and self-critical. They're still working on it.

### ***The Virgo/Pisces Dichotomy***

The North Node in Virgo instructs us to attend to the details, to the concrete specifics of the case. South Node in Pisces instructs us to downplay fuzzy, expansive, otherworldly thinking in favor of Virgoan modes of thought.

Under the potent but unbalanced influence of the Moon's nodes, the Virgo/Pisces polarity would destabilize our thinking. The seductive South Node would tempt us into overly idealistic, overly expansive, illusory, and self-serving thought, i.e., Piscean thought at its worst. The sober, dignified authority of the North Node would compel us instead to think logically, meticulously, concretely and selflessly, i.e., Virgo at its best.

The square from Saturn in Sagittarius would ground the Virgo/Pisces energy, rendered volatile and unstable by the powerful tensions of the Moon's Nodes. Sober, systematic Saturn in Sagittarius would bring balance, uplift, rigor, and system. Over time, Saturn's square from Sagittarius would instill order, balance, fairness and a taste for factual accuracy .

### ***Rebuilding Energies Emerge***

September 2016 - Jupiter enters Libra

By the fall of 2016, as Jupiter entered Libra restorative, reconstructive impulses began to stir more forcefully and enthusiastically.

Jupiter's Libra ingress significantly reduced the level of impairment under which it had been laboring for some years. We could now depend on Jupiter's supportive and generous energies in the arduous work of restoring order and stability in our lives.

### ***Piecing it All Back Together***

November 2016 - Mars enters Aquarius

The energies of Aquarius motivate us to fine tune society. The Mars transit of Aquarius will energize and facilitate such efforts. The effects of Mars in Aquarius will be all the more intense because Mars in Aquarius and Uranus in Aries are in mutual reception.

### ***Aquarius and the Asteroids***

Not enough is known about the asteroids to assign them a home in the Zodiac. However, when we consider the asteroids in terms of the values they represent, we see a clear functional link between the asteroids and Aquarius.

Consider the example of the asteroid Pallas. [Pallas, or Pallas Athena](#), was discovered in 1802. To the ancient Greeks, Pallas Athena represented virtues essential to civilized life, in wartime and peacetime. They named their proud capital city after her.

On a general, archetypal level, Pallas Athena represents virtues to which all Greeks should aspire. If practiced by everyone, these virtues would bring peace, justice, prosperity and stability for all - i.e., they would bring all the benefits of an ideal society.

Pallas has this function in common with Aquarius. Aquarius urges us to create an ideal society by creating ideal social relationships. The same kind of thing appears to be true of the three other asteroids discovered in the those years, Ceres, Juno and Vesta.

The same thing also appears true of the many recently discovered asteroids. Among which are Chiron (1977), Pholus (1992), Nessus (1993), Chariklo (1997), Varuna (2000), Ixion (2001), Quaoar (2002), Sedna (2003), Orcus (2004), Eris (2005).

The mythology associated with the figures for whom these more recently discovered asteroids are named suggests that they, too, are related to work of fine tuning society. That is, they appear to be functionally related to Aquarius.

Consider Chariklo, discovered in 1997: The mythology surrounding [Chariklo](#) suggests that she supports respect for subtle mental, emotional and physical boundaries. "She works to improve all your relationships by clarifying what is and what is not acceptable to your spirit."

Chariklo, for example, would have been associated with political correctness, the quest for "safe spaces," and attention to "triggers" and so-called "microaggressions." Chariklo checks the often unconscious intentions behind our words and actions.

The discovery of asteroids like Chariklo suggests that these concerns are underwritten by archetypal energies and they are rooted in and slowly permeating collective consciousness. They are not going away. Indications are that they will only grow stronger.

As Mars transits and stimulates Aquarius, issues related to the asteroids do seem to coming into the foreground. They have become noticeably more intense.

Mars in Aquarius is trining Jupiter in Libra. Appropriately, alliances are also forming around

concerns governed by the asteroids. This is yet another indication that these concerns are not going away. Rather they are becoming better established in collective awareness.

## **December's Charts**

### ***Be Careful What You Wish***

Each of the phases in the weakening of the oligarchic alignment described above generated a plethora of unanswered questions, conflicting ideas, and challenges. Up to now, answering the questions, resolving the conflicts and addressing the challenges has proven impossible. But December's energies strongly suggest that that is no longer the case.

Given what I know to be the incredible complexity of the energetics of December I have pretty much abandoned the idea of doing an aspect, by aspect, technical analysis. Instead I will use a somewhat impressionistic approach, focusing on facets of these charts that draw my attention. Specifically, December's New and Full Moon charts present two characteristics of a dynamic, highly charged field. This field strongly supports manifestation. With an important twist.

### ***More Than you Bargained for***

December 14, UT, Full Moon Chart (December 13, EST)

December's Full Moon chart is dominated by a formation made up of sextiles and trines. This formation is two sextiles short of a Grand Sextile.

Such structures strongly support manifestation, indeed, rapid and intense manifestation. They give us what we desire. At the same time, though, they hold up a mirror to our hidden motives and mistaken thinking and 'reward' us accordingly.

In the early going, we appear to be getting exactly what we wished for. As matters proceed, though, events begin to reflect our flawed motivation and the errors in our thinking, if any there be.

The dispositor chart for December's Full Moon reinforces the message of the main chart. With the exception of Mars and Neptune, all the planets in the chart are subordinate to Uranus. Uranus is in mutual reception with Mars. This harmonious relation between Mars and Uranus underlines the impression of a very high energy chart that reacts rapidly to our desires and intentions, for better or for worse.

Neptune is also strongly placed in the Full Moon dispositor chart. It's strong influence will soften boundaries. This in turn will support compromise and accommodation, facilitating the emergence of a shared vision, and progress.

## **The Dispositor Chart for the December New Moon**

### ***Neptune vs. the North Node***

December 29 UT - New Moon Chart

The North and South Nodes set the grain of a chart, the intended, preferred direction of all thought and effort. Following the North Node's imperative can be challenging because it represents new things, with which

we might not be familiar. But you will be rewarded with positive synchronicities.

Following the South Node, though, is comparatively easy. It draws us to the familiar. It pulls us onto the path of least resistance. However, following the South Node path will bring negative synchronicities.

The soul loves the North Node path and will assist you in any way that it can when you commit to it. Conversely, the soul doesn't enjoy the South Node path and will withhold its assistance if you choose comfortable and familiar South Node options. In fact, the soul will resist you aggressively if you choose the South Node path.

The North Node is currently in Virgo. North Node in Virgo is all about supporting well-thought out, workmanlike, down-to-earth solutions, solutions with selfless service as a core value - i.e., Virgoan solutions. Under North Node influence, our current life experience will school us in the ways of Virgo.

Neptune in Pisces, conjunct the South Node, however, works strongly against the purposes of the Virgo North Node. Neptune will lend its powers of deception and seduction. It will reinforce the illusory appeal of the South Node, strengthening the allure of self-defeating South Node options.

Neptune's support of the South Node will also intensify the naturally strong tensions between the North and South Nodes. It will, thus, increase the inner conflict and confusion of those struggling to decide between their North and South Node options and inclinations. On the level of public debate, it will exacerbate the disruptive, counterproductive conflict and confusion already plaguing public discourse.

### ***Bad Timing and Mixed Messages.***

None of this could have happened at a worse time. Collective consciousness is inundated with unanswered questions, conflicting ideas, and intersecting, overlapping, challenges and, overall, plagued with often acrimonious disagreements.

The North Node is telling us to search for a Virgoan method. The South Node is telling us to embrace an outdated and inappropriate Piscean solution. Neptune conjunct the South Node in Pisces is pouring kerosene on the flames.

Meanwhile December's charts present us with highly energized and responsive field of manifestation. It will give life to our intentions, however poorly formed, however mixed the messages we are putting out to the universe.

### **Where to from Here**

So this is happening in December. But how long will it go on?

The December New Moon chart occurs within 48 hours of midnight on New Year's Eve. The dispositor chart for midnight on New Year's eve is very similar. These are two very good indications that events in December charts are a preview of things to come.

We could be looking at no-holds-barred, free-style public brawling accompanied by ill-conceived and ill-advised manifesting through 2017.

<http://www.dailykos.com/story/2016/11/23/1603464/-Roland-Martin-just-ended-white-supremacist-Richard-Spencer-s-15-minutes-of-fame>

**Here are facts of the matter for you to work with**

Roland Martin had "White Nationalist" Richard Spencer on his *NewsOne Now* program for a little debate and discussion. Spencer's Nazi-friendly revisionist narrative is that America has a white European culture and that white Europeans made this country great and can do great things without people of color. Spencer's family-friendly angle is that slavery was a terrible mistake both morally and culturally, so you see, he's not a racist. Except, he's a racist and his ideas are dumb and based on a racist and factually incorrect reading of the history of our country.

The interview begins with them discussing the ['Hail' Hitler Trump gestures seen during Spencer's speech in D.C. a few days ago](#). From there Spencer and Martin talk about Christianity and the politics of Christianity. It's early in the discussion and things are a bit over-talking and messy, but you begin to see very clearly that Spencer has a few rhetorical asides that probably work on children and Trump supporters, but don't really pass muster with someone who knows exactly what they are talking about.

Martin and Spencer move onto how the alt-right isn't white supremacist because they are separatists who don't want to rule over anybody, they just don't want to be around anybody.

Martin decides to do away with the formality of letting Spencer bullshit anymore by destroying Spencer's conceit that America was built by white Europeans. He takes Spencer to task by asking him about the cheap labor of slavery and the free labor that blacks in America provided after slavery. Spencer tries to goose step around this but Martin is relentless.

That's when it gets good as Martin and Spencer segue into the classic racist's chant of "affirmative action" being the root of all evils. Unfortunately for Spencer, Martin knows the history of affirmative action in our country, things like the Homestead Act and the G.I. Bill, and the fact that white women seem to have been able to benefit the most from [Affirmative Action policies int he past couple of decades—compared to other groups.](#)

Roland Martin goes head to head with White Nationalist Richard Spencer and it's worth watching for sure!

By [Susan Grigsby](#)

It all started with a Constitution that allowed slavery to continue unmolested in the Southern states, only limiting the importation of additional slaves after 1808. In addition to requiring the return of escaped slaves to the slave labor camps, it required them to be included in the census as three-fifths of a free person for taxation and representation.

Because seats in the House of Representatives are based on population, not on the number of registered voters or even on the number people eligible to vote, but of total population—including people held in slavery, even if each was only considered three-fifths of a man—the South received more than their fair share. And it was not just extra House seats that their slave population provided, but also additional muscle in the Electoral College that selects the president. According to Edward E. Baptist in [The Half Has Never Been Told: Slavery and the Making of American Capitalism](#):

One result was the South's dominance of the presidency over the next seventy years. Four of the first five presidents would be Virginia slaveholders. Eight of the first dozen owned people.

Oh, but you say, we fought a Civil War and ended all of that nonsense when we freed the slaves. Slavery ended 150 years ago, it is time to move on. To get past it. Get over it.

I wish that we could but, if you follow me below the fold, I will trace for you the reasons it never ended and continues today.

### **Reconstruction 1865-1877**

After the end of the Civil War, U.S. Army troops were sent into the rebellious states to ensure the civil rights of the newly freed people. This period only lasted for a dozen years, but during that time, African Americans were granted suffrage. The rebels of the Southern states, who never truly surrendered, joined together under the banner of the terrorist organization, the Ku Klux Klan, to intimidate black and white voters who attempted to participate in civic life and supported Reconstruction. This resulted in federal intervention under the [Enforcement Acts of 1870 and 1871](#).

A political cartoon by Joseph Keppler depicts Roscoe Conkling as a character

Mephistopheles (the devil) while Rutherford B. Hayes strolls off with the prize of the "Solid South" depicted as a woman.

### *Compromise of 1877*

By 1877, through means of voter suppression, intimidation, and fraud, the Democrats had managed to achieve a majority in the House of Representatives. In 1877, the Southern racists, nominally Democrats, agreed to stop the Senate filibuster and support Republican presidential candidate Rutherford B. Hayes in exchange for the removal of U.S. Army troops from South Carolina, Florida, and Louisiana, and a return to self-rule for the states.

The South vowed to protect the rights of African Americans.

This is a simplified, bare-bones version of a quite complicated negotiation, but the nuance it deserves would require an entire volume on the Compromise of 1877. Fortunately, C. Vann Woodward has already written one. From his work, [\*Reunion and Reaction: The Compromise of 1877 and the End of Reconstruction\*](#), comes this example of Southern legislative tactics that should sound familiar to those who follow current events:

At a Democratic caucus on February 19, 1877, a majority of the members voted for a resolution to write into the army appropriations bill, then still pending, a clause forbidding the use of troops to support the claims of any state government in the South until it should be recognized by Congress. A bill containing such a clause was passed by the House and a penalty of hard labor and imprisonment provided for anyone found guilty of violating the act. When the Republican Senate refused to accept the clause the House stood its ground and adjourned without making any appropriations for the army whatever.

Leaving President Hayes with an angry, unpaid army. Note that government shutdown by Southern racists, unable to get what they want through the legislative process, is not a new tactic.

### **Jim Crow**

Right after promising to protect the rights of all citizens, Georgia passed a poll tax in 1877 that effectively shut out freed slaves. Other Southern states followed, adding complicated registration requirements, literacy tests, poll taxes, and grandfather clauses that allowed poor whites to vote because they were, or were descended from those, who were able to vote prior to 1860.

The impact: In Louisiana, in 1896 there were 130,334 registered black voters. Two years later, after restrictions had been introduced, there were 5,320 registered black voters. By 1910, there were only 730 in the entire state. This in a state where half the population was African American.

Voter turnout dropped drastically throughout the South as a result of such measures.

It is important to remember that although African Americans are a national minority, they were the majority in the Southern states after the Civil War. In [\*Democracy, Anti-Democracy, and the Canon\*](#), Richard H. Pildes, New York University School of Law, writes that they were entitled to:

... equal access to whatever schools happened to be available. They were also entitled to decide that educational spending would be 5x instead of x. African Americans were entitled to nondiscriminatory law enforcement and also to the power to decide that, for example, breaking an agricultural contract - a crime invented to keep the freed slaves

under the control of the white minority - would not be a crime at all. They could even determine that civil rights violations or fraud against agricultural employees would be punished severely. Under the electoral system contemplated by the Constitution, the African American majority would have shaped educational policy, economic and criminal justice policy, and other aspects of state government in the South. ...

While in control in the 1860s and 1870s, they implemented policies designed to lead to economic and social advancement: education and protection against discrimination from private actors. If the Constitution had been obeyed and those policies left in place and strengthened, the social advancement that occurred in the twentieth century might well have occurred in the nineteenth, and African Americans might now enjoy the same economic and social status enjoyed by other ethnic groups taking their place in the American community.

Not only were they deprived of their right to vote, their numbers guaranteed that the Southern representation in the House would grow, since they now were counted as whole free persons for purposes of representation and taxation. And that is what "adding insult to injury" means.

The [Jim Crow laws](#) were more than laws restricting the franchise, they codified a way of life that kept African Americans in virtual slavery, subject to punishments as brutal as what were endured before 600,000 Americans lost their lives deciding the issue of slavery in the South.

**The Great Migration**

Beginning in 1915, Southern blacks began moving north and west in search of greater opportunities and a life free from Jim Crow. Some 6 million people migrated out of the South over six decades in spite of the barriers placed in their path by the Southern states.

However, the North was no panacea for those leaving the codified racism of the South. From [\*The Warmth of Other Suns: The Epic Story of America's Great Migration\*](#):

Most colored migrants were funneled into the lowest-paying, least wanted jobs in the harshest industries— iron and steel foundries and slaughtering and meatpacking. They “only did the dirty work,” a colored steelworker said of his early days in Milwaukee , “jobs that even Poles didn’t want.”

They faced the same hardships that all other immigrant people had faced, *even though they were American citizens*. Although they were American citizens, they were not allowed to assimilate into the mainstream culture as other groups had, but were restricted instead to low-paying jobs and housed in neighborhoods circumscribed by covenants, banks, and insurance companies.

In spite of the racism, the discrimination, the segregation, and the outright antipathy they faced, the Southern blacks who moved north and west did not live under Jim Crow laws and were allowed the vote. It was not good, but it was better. While the non-Southern states did little to stop the racism or protect the blacks, they did not codify white supremacy into law.

## The New Deal

**Top right:** President Roosevelt was responsible for initiatives and programs of the New Deal.

**Bottom:** A public mural from one of the artists employed by the New Deal.

Franklin Roosevelt is often held responsible for denying African Americans the benefits of New Deal legislation. And he was the president, and the buck did stop on his desk, but some of the credit must go to the Southern racists who fought tooth and nail for the doctrine of white supremacy, placing it above country or party.

As late as 1938, only 4 percent of the African Americans in the South could vote. There was only one party in the South, so most Southern politicians ran unopposed and were re-elected repeatedly, gaining them seniority in the majority party and the committee chairmanships that that entailed. They were still benefiting from the black population that they did not allow to vote.

According to Ira Katznelson, author of **Fear Itself: The New Deal and the Origins of Our Time**, there were not enough liberal or northern Democrats to achieve a majority without gaining the votes of the racist Southerners. And the price of their cooperation was the inviolability of the Jim Crow laws.

It meant that the only way that most New Deal legislation, from the NRA to the Social Security Act, could pass the Congress was if the legislation excluded from coverage agricultural and domestic workers. Which were, of course, the only occupations that blacks were allowed to hold in the South. ("In South Carolina, colored people had to apply for a permit to do any work other than agriculture after Reconstruction," wrote Isabel Wilkerson in *Warmth of Other Suns*.)

It was the racist Southern Democrats who voted with the Republicans to override President Truman's veto of the Taft-Hartley Act, which made it much more difficult for Southern blacks to organize. Katznelson maintains that John Rankin of Mississippi, the most unabashed racist in the House, wrote the House version of the GI Bill that "sharply disadvantaged southern black veterans."

### **The Civil Rights Act of 1964 and the Voting Rights Act of 1965**

The passage of the [Civil Rights Act](#) and the [Voting Rights Act](#) cost the Democratic Party the South for far more than the generation predicted by President Johnson when he signed the former.

But the Jim Crow era was finally over. The signs came down from over drinking fountains and restrooms. The right of African Americans to vote would be enforced by the Justice Department.

However, it only took three years for the South to rise again.

### **Nixon's Southern Strategy of 1968**

Although Barry Goldwater appears to be the first Republican to appeal to the Southern voter since Reconstruction, it was Richard Nixon who developed the Southern strategy of going after the Democratic vote in the South under the dog-whistle banner of "law-and-order" and "states' rights." From an excerpt of his book, *Dog Whistle Politics*, [published at Salon.com](#), Ian Haney Lopez wrote about George McGovern's summary of the Southern strategy:

Defeated by the Southern strategy, McGovern neatly summed it up: "What is the Southern Strategy? It is this. It says to the South: Let the poor stay poor, let your

economy trail the nation, forget about decent homes and medical care for all your people, choose officials who will oppose every effort to benefit the many at the expense of the few—and in return, we will try to overlook the rights of the black man, appoint a few southerners to high office, and lift your spirits by attacking the 'eastern establishment' whose bank accounts we are filling with your labor and your industry."

And it is still working today.

Part of the Southern strategy was to use dog whistles to appeal to the racists in the North as well as the South. It was cloaked in an appeal to the blue collar worker of the northern cities, but the dog whistles worked as well there as anywhere else where racism and fear flourished. In 1980, Ronald Reagan reaped the benefits of the Southern strategy. His advisor [Lee Atwater, in a 1981 interview:](#)

You start out in 1954 by saying, "Nigger, nigger, nigger." By 1968 you can't say "nigger" — that hurts you. Backfires. So you say stuff like forced busing, states' rights and all that stuff. You're getting so abstract now [that] you're talking about cutting taxes, and all these things you're talking about are totally economic things and a byproduct of them is [that] blacks get hurt worse than whites. And subconsciously maybe that is part of it. I'm not saying that. But I'm saying that if it is getting that abstract, and that coded, that we are doing away with the racial problem one way or the other. You follow me — because obviously sitting around saying, "We want to cut this," is much more abstract than even the busing thing, and a hell of a lot more abstract than "Nigger, nigger."

The Southern racist has voted as a Republican ever since.

### **The War on Drugs 1980 to present**

The law-and-order campaigns of Richard Nixon and Ronald Reagan led directly to the War on Drugs, which began in 1982, at a time when illegal drug usage was in a decline. In 1985, the Reagan administration hired PR staff to publicize the "scourge" of crack cocaine. They were very effective. The War on Drugs has seen our prison population explode over the past 30 years, from 300,000 to over 2 million, the majority being due to drug-related offenses.

Michelle Alexander calls this **The New Jim Crow** in her book of the same name. The War on Drugs, which was started under Ronald Reagan, enhanced under Bill Clinton and continued under every president since, has resulted in "an enormous population of predominately black and brown

people who, because of the drug war, are denied basic rights and privileges of American citizenship and are permanently relegated to an inferior status."

Today a criminal freed from prison has scarcely more rights, and arguably less respect, than a freed slave or a black person living "free" in Mississippi at the height of Jim Crow. Those released from prison on parole can be stopped and searched by the police for any reason— or no reason at all— and returned to prison for the most minor of infractions, such as failing to attend a meeting with a parole officer. Even when released from the system's formal control, the stigma of criminality lingers. Police supervision, monitoring, and harassment are facts of life not only for all those labeled criminals, but for all those who "look like" criminals. Lynch mobs may be long gone, but the threat of police violence is ever present. A wrong move or sudden gesture could mean massive retaliation by the police. A wallet could be mistaken for a gun. The "whites only" signs may be gone, but new signs have gone up—notices placed in job applications, rental agreements, loan applications, forms for welfare benefits, school applications, and petitions for licenses, informing the general public that "felons" are not wanted here. A criminal record today authorizes precisely the forms of discrimination we supposedly left behind—discrimination in employment, housing, education, public benefits, and jury service. Those labeled criminals can even be denied the right to vote.

### The Election of Barack Obama

This was the final straw for the Southern racist. A black man in the White House. Well, he may have been voted into office, but they were there to make sure that he could do absolutely nothing and so they conspired to vote against every policy he proposed.

The most recent example was [Ted Cruz's bizarre tweet](#) about Net Neutrality, an issue with true bipartisan support. That didn't matter; if Obama was for it, the Southern racists were against it.

And he is one of them. He is also an idiot.

The current crop of Southern racists have shared their knowledge and experience with like-minded politicians in other areas of the nation. No longer is their behavior a function only of the South, as they have joined with conservatives from gerrymandered states like Ohio, Michigan and Wisconsin to use the tools of white supremacy to also advance the causes of the wealthy 1 percent that pay for their elections.

Among the tools that have worked in the past and are working today:

- Filibusters of President Obama's legislative agenda and nominations.
- Intimidation of voters: Today they use organizations like True the Vote instead of the Klan, perhaps because bedsheets draw too much attention in an era of cellphone cameras.
- Complicated voter registration requirements and voter ID laws that impose a new poll tax to fight a crime that doesn't exist while creating crimes out of poverty and drug use to disenfranchise people of color.
- In the past it was lynching that intimidated blacks. Today the parallels between police brutality and lynching have been illustrated by [Shaun King](#).
- If they can't achieve their legislative goals they simply shut down the government.
- But mostly, they retain their hold on power by [using the same strategy](#) that worked against George McGovern:

Let the poor stay poor, let your economy trail the nation, forget about decent homes and medical care for all your people, choose officials who will oppose every effort to benefit the many at the expense of the few—and in return, we will try to overlook the rights of the black man, appoint a few southerners to high office, and lift your spirits by attacking the 'eastern establishment' whose bank accounts we are filling with your labor and your industry.

It doesn't matter whether they call themselves Democrats or Republicans or tea partiers, they are the same people who have been putting white supremacy ahead of country or party for over 200 years. And today they are using their power to fill those bank accounts of the "eastern establishment" with the wealth earned by the American workers of all races.
