Contributed by Eva Nell Hunter, LifeWay Church Library Ministry Specialist and library team leader for Central Baptist Church, Decatur, Alabama. Sue Berthelot, a LifeWay Church Library Ministry Specialist also contributed to this list.

This mediagraphy features suggested titles for church libraries. The titles are alphabetized by authors' last names. Mediagraphies are presented as an aide to librarians. All titles should be evaluated against your church's selection policy to determine if it is appropriate for your individual collection.

Most titles may be purchased via LifeWay Christian Stores. Many if not most of these titles are also available as ebooks.
