

At the end of your interview, you will be reminded to send a Skype video message to your interviewer. Please follow these next steps:

Step 1. Find these icons on Skype.

Step 2. Begin the recording with the following information:

- Your name
- Where you are from

Step 3. Immediately thereafter read the following text out loud, clearly and at a medium pace:

Please call Stella. Ask her to bring these things with her from the store: six spoons of fresh snow peas, five thick slabs of blue cheese, a liter of clear apple juice, some pure olive oil and maybe a book for her brother Bob. We also need a small plastic snake and a big toy frog for the kids. She can scoop these things into three red bags, and we will go look for her on Wednesday outside the train station.

Please also let her know that her secretary called to confirm the comments about her colleagues.
