To listen to the podcast:

MR: having technical difficulties

COR: From The Collective: Rainbird's words encapsulated TC's thoughts: don't get disheartened; don't see what's in the news as meaning all is lost; TC says they cannot break up what Obama has done: he put such a powerful energetic stamp on Washington, on human consciousness, on the White House, on the Congress: some very awakened people in DC

- when she sees people of her age and older holding up placards and telling their reps that they work for us, the people – very empowering! The powerful energies are coming in - we will not roll back to 8 years ago – the dark hats cannot push us back: **we are rolling forward at an incredible pace.**

HARD NEWS

T: 3rd the motion of what Rainbird and COR said – has been taking notes on the people moving in to talk with their representatives, and they don't mean maybe!

R: the stories pouring out from the people's hearts: we are not going back – too much love

T: the **Osceti camp/ Standing Rock:** they did such not so nice things: the weather is warming up very quickly, already can see the flooding waters: this usually happens in late April/May

- they were very brutal: over 40 people arrested – lots are cameramen and journalists and they want to put them in prison for 5 – 10 years. Keep speaking truth to power – help out those being threatened
- This game has a larger canopy: the Elders of Zion / Khazarian Mafia planned 3 wars about 150 years ago: the idea was that the 3rd war would remove most folks and their reptilian friends would come and take over earth – a little too late for that!

R: from the various kingdoms, he hears now is the time as we approach the eclipse

- went to visit Tony Blacklocks, one of the dwarves of the 9 realms; lives in a white church in Santa Fe, is 82 – has been here longer than R knows -
 - took R to his basement and under his house, and right into the mountains that go to the ski basin;
 - he is part of the dwarf kingdom; dwarves are part of the builders of form: hold the balance of the earth together with their stone halls: they use the blacksmith method to forge their swords and shields – his shirt of chain mail is made of little ringlets of off-planet silver – very heavy - it can ward off a blast from a bazooka!
- Dwarves are part of the ancient stories of the kingdoms that surround the Great Tree of Is-Ra-el in Norse mythology
 - ties in with the stories of how they all take care of keeping earth in balance – the pixies, the menahunies; dwarves work with fire, stone, gold all the elements
- he chops wood every single day, has no cell phone, tv; has an outhouse, cooks on a wood burning stove – lives like 19th century people – can dance rings around Rama!
 - made R a cup of moo tea – he's a vegetarian
- He shared that the various kingdoms are coming forth & sharing stories about how we are united as one people on the planet, whether we are!
 - this is a phase earth is going through; we will see these ones fade away as flickering flames as they represent an old energy that they cannot maintain – as the ancient technologies are brought to life again, these ones will leave the planet
- Colms of Hannity and Colms was the only liberal on Fox News: -
 - Ed Shultz nearly in tears today over his passing
 - Leslie Marshall in tears talking about Mr Colms: considered the liberal half of Hannity and Colms after being there for 12 years
 - story is he passed at age of 66 after a brief battle with lymphoma

- asked KOS about his passing: the answer was it is too soon to talk about it – that answer means it usually is what R thinks; Leslie Marshall said the same thing
 - the take is that he knew more than was OK in the minds
- Colms was a friend of Dan Akroyd, Bill Murray from **Ghost Busters**, Saturday Night Live –
 - Allen was involved in a project with Dan A, putting together an expedition to take a Russian trawler to Antarctica – Colms and others put in their share of the money
 - Dan Ackroyd got a visit from the MIB: if you go down there, you won't be coming back –
 - Buzz A saw the darkness down there: came out with a face as white as a ghost!
 - What we are watching is such a great transformation!
- Not being talked of in the news, yet this was in the UK Daily news: the blue avians, the paschat people – a ship appeared to go through the portal of the sun: IT DID AND IT CAME OUT the other side, and NASA and Soho cut that section out - to cover this up
 - the ship showed up near the corona of the sun; it's the size of Jupiter -
 - **KOS said** it re-charged its warp field drive with plasma energy from the sun, and there are others of the same size are coming in closer, and the moves are being made to intervene
- this is no longer a polarity issue; we are **now in the unity phase** of consciousness: duality is passing: **the energies of love are so much more powerful**, and the experiences that are **not shown** on TV are what is fueling this love more: people helping people behind the scenes is what is going on more and more, and getting stronger for this.
- Talk of succession of California again: Trump is threatening to cut off support because they did not vote for him – CA's contributions are what keeps the US going: US actually a 3rd world country because the wealth people think the US has, has been stolen by a tiny few in treasonous ways – has to be levelled – no more chest thumping!

•Disclosure of the colonization of earth being taken over by reptilians is about to be right out in the open!

BW: understands that Mr Trump has a secret meeting set up for Monday with Mr Putin via phone?

T: TELL US THE SOURCE of this information; 99% OF STORIES are NOT TRUE

BW: From MSNBC: that Trump will be calling Putin – about contesting certain things about the election

T: they know **Putin had nothing to do with interfering with elections**

- Trump has been doing less than honorable deals under the table with the oligarchs in Russia, part of the underworld, the mobsters of that country, as well as with the same kind of people in the US
- has read that Trump Tower is full of over-priced apartments in which russian mobstser oligarchs hide their ill-gotten gains.
- The rules around real estate are really shady

BW: Trump is involved in ?? - voice is breaking up

T: no actual charge has been made around this; his buddy has been in prison; this story was covered by Chris Hayes for ½ hour – whoever is in power is protected – like the rape cases of the young girls is still on the table

- Rama learned from Larry and Curly – and a huge dossier of crimes that Putin has against Trump when he was in Russia, a drinking buddy with Boris Yeltsin, play with ladies of the night, all kinds of sleazy deals
 - the positive side is that the pot has been stirred, and the wicked witch of the west has been outdone by the witch of the north!
- Important to accentuate the positive right now

Randy: only about 70 left in camp who will remain; in keeping with native tradition, burnt all to the ground before they left so there is nothing left – took their sacred items with – a tradition of many hundreds of years standing

Question: different people saying all kinds of UFOs found in the ice in Antarctica

R: yes, there is some truth to that: back in 80s and 90s, Russia did an expedition down there and what they found is still being examined – only now being revealed

T: lots of lawsuits against these ones as they cannot take the people off their land as part of the 4th Laramie Treaty – every spring, the Native people vacate because of the flooding from the snow cover – 10' of water; and the earth is warming up very early –

- rat poison is in the soil; something has to be done – they are going to do it by litigation

Randy: they have teams of lawyers ready to work

T: all stones unturned now need to be turned about the truth of stealing native American land by the gov't of the US for

Ra: the wise council of elders comes in to guide this process, and not crazy judges who answer to Opus Dei

T: another large story behind this: current congress, etc are super biased against trans gender people: took away their right to go to the bathroom of their chosen gender

- during WW2, Hitler & co did gruesome experiments on twins across the planet, messed with their DNA
- There is now an extreme explosion of this transgender because of the DNA experiment
- Mengele and Hitler got help from an off world being: the stories of how Hitler created his twisted super science with quantum physics with the help of some Pleiadians pretending to be good ones: they weren't!
- This goes in combination with wanting to have more white babies which is why in Indiana putting women in jail if they have an abortion
- wanted to reduce the population of people of colour by creating gays, transgenders which was a huge change: the galactics frown on this hugely!!!

R: the power is in the melanin, the gold dust in our blood

• and white people have melanin in their brain which makes us intelligent & reduced the love quotient which is what they wanted so they could make decisions efficient decisions based on their prejudices

- We are here to understand that this happens due to lack of self-love and as we comprehend how to love ourselves, we need to more than ever find self-love and teach it also

MR: by e-mail: a lecture from David Wilcock on Ascension who was quoting from The Law of One

- he is compromised: he's not Edgar Cayce – he is taking money from the white dragons as Fulford does, so he is not as clear
- he wants to make it huge in Hollywood: have to extricate Hollywood from the CIA as they have been in control since time of JFK – remember the golden age of Hollywood and the movies they made that were pushing ideas of control, spies, etc
- this has been a collaboration of the Vatican, the Khazarian Mafia, the soulless ones – due to DNA manipulation - who want a super race

R: Looking at Mike Pence can see the soullessness; R has learned that he participates in C Street; has misused little girls, little boys for a long long time!

T: The concept of Judeo Christianity is now being picked apart: the Khazarians set up a story that that Jesus is boiling in oil for eternity as he was not their prophet; the Christians are saying Jesus **was** their prophet – and these are now combined somehow in the teachings that you cannot go to heaven on your own because you are not a good person and need to go through Jesus to intervene for you is A FALSE PROPHECY

- WE ARE ALL EQUAL TO MOTHER/FATHER GOD

Swami Purna said this mantra all the time:

This is whole; that is whole

Take away whole from whole - meaning Maya and illusionary dogmas

Whole yet and still remains whole - meaning that we are all whole, yet the collective unconscious is being buried in mind control and false information appearing real so the different relationship we have to our wholeness is related to how much we buy into that idea of wholeness for ourselves and all others.

- Talks of James Twyman working with children whose bodies are completely torqued in many ways, yet their souls are shining and pure, absolute Masters
- Over 55% of children in US are being born autistic, especially boys - the experimentation of bright beings who wanted to keep the planet to themselves & not wanting to play by the rules - so many ways to live and teach with love!

R: just walking into Tony's world: he lives in a 19th century world and says don't worry about Trump - he will pass like the wind

T: the gift is we are waking up like never before - the whole planet - and learning how to do this

- in AZ, a law has been passed that if anyone does anything violent in a demonstration, everyone taking part in the demonstration can have all their assets seized - which means that a planted person - as in Berkely - can cause a great deal of destruction!
- This playing of a law from the past is scaring people
- think they can stop people from have demonstrations
- Yet the word T & R are getting is that those people will not stopped: **if not now, when?**

R: heard from **Lady Di, Dodi from Wesak Valley** - City of Light being supported by Keshe Technology; there are 15,000-17,000 people now, refugees from all over Europe, Middle East

- and the return of the Christ is at hand; be that! Don't let anything deter you from that

R: John McCain may be linked to death of Vitaly , Russian ambassador of Russia to the United Nations

- the very underhanded dealings of US congress people with Russian mobster Oligarchs
- all the stories are coming out now; John McCain is a reptilian; had chemo and how long will he be on the planet even if he is a clone? Send him more love
- had throat cancer; one side of his face is misshapen: handler is Kissenger
- was captured by North Viet Nam, tortured because he was murdering their people from the air; has always denounced Jane Fonda for going to Hanoi to help prisoners get free,
- yet he is being used in very wicked ways
- he is another author of the Bengazi situation, ISIL people, and the gas poisoning of Syrian men and women, children
- and now US troops fighting against ISIL in Mosul now: no one declared war on Iraq, which was arranged by McCain, Lindsay Graham

Guest: Michael Ryce Why is This Happening to Me again?

Taken from the website:

dr. michael ryce is the founder and director of HeartLand, a self-healing center in the Ozark mountains. He is a world renowned lecturer and teacher on health and healing, with doctorates in Naturopathic Medicine and in Holistic Philosophy. The focus of his studies has combined bodymind principles, physics and ancient Aramaic studies into a unique body of

pioneering work in the fields of self-healing, healing through relationships, anger and grief resolution, world peace and the inner process of [Forgiveness](#).

His unique syntheses of information and tools is acclaimed, "a powerful blend of spiritual principles and intellectual clarity, guided by the heart!" His workshops explain, with profound simplicity, how the mind/body/emotion interaction affects health, every event in life, and impacts our relationships. In each self-contained workshop, effective tools are presented to assist in creating high-level wellness and eliminating upset, lack and conflict. His book, **Why Is This Happening To Me . . . Again?!**, is an international best seller.

In 2001 dr. ryce was appointed director of the Khabouris Manuscript foundation and is currently editing translation work from the Manuscript and writing a new book based on the Khabouris, **The End Of Suffering, Resurrecting The Original Aramaic Y'Shua**.

His teaching is centred around the theme "Why is this happening to me again"; lectures all around; has studied the Aramaic bible and is working on a book about the bible

- to talk about the greatest atrocity that has ever been done to Humankind:
 - we have had hidden from us the fact that, by nature, we are creators: we bought into the denial of ourselves as creators and we moved from the area of conscious creation to unconscious creation which means we create out of resistance and therefore create what we do not want!
- From his study of the 1st century Kaboris manuscript – there was a solution to the unconscious creative process; it was forgiveness: the Greeks turned this Aramaic teaching backwards and kept the unconscious creation lie going
- His name was Jeshua, not jesus: you must live from the depth of your heart the wrongs of your brother
 - original intention of the word "heart": the original idea of the word is take care of your unconscious
 - the unconscious takes its own internal dynamics – don't get it that what we are hinking is going into other peoples' minds and the situation then seems to come from them
 - when we forgive what happened, it collapses the picture of what we think was done by someone else -
- People think it's not really about why this is happening to me again but about why are they doing that **to me** again? This is do to the unconscious creation process that needs to be reversed to what was originally intended, as per the Khabouris Manuscript, the Aramaic version of the Bible.
- The following two links were recommended by michael as an introduction to his work, should we be interested in getting an larger overview of what he has been telling us.
 - To find more links, go to www.whyyagain.org; look on the right hand side of the page, and go down to the icons of various social media: facebook, vimeo, etc – the bottom link takes you to all of michael's You Tube presentations.
