

-  **Eric Morgan**
Hey, hey everybody.
-  **Theresa Kauffmann**
Hi Eric!
-  **Malte Christopher Brand**
Mr Morgan! :-)
-  **Tina Kavanagh**

-  **Hanna Forstner**
Hey Eric! :) Great to see you
-  **Eric Morgan**
We're getting all set up over here, so go harrass your friends and get them on here, too.
- Talk in a few.
- E.
-  **Malte Christopher Brand**
See him? It is a video chat then! :-D
-  **Hanna Forstner**
duh :P
- well at least he's on the picture
-  **Me**
Not a video chat
- lol
- He is naked
-  **Malte Christopher Brand**
So am I.
-  **Theresa Kauffmann**
lol
-  **Me**
hot
-  **Eric Morgan**
how did you know?
-  **Malte Christopher Brand**
That i was naked?
- Well, I took my clothes off.
-  **Me**
Eric I had your women set up a web cam

-  **Me**
Ok we are going to start early
- Early bird gets Eric worm
-  **Hanna Forstner**
I'm in my pajamas and glad no one can see lol
-  **Tina Kavanagh**
:)
-  **Me**
Hanna, hello kitty PJ's?
-  **Hanna Forstner**
Of course! Only Hello Kitty for me
-  **Tina Kavanagh**
hello kitty is awesome
-  **Eric Morgan**
Malte: To answer your question about what we tune to, it is C#...standard tuning, just starting in C# so it'll be C#, F#, B, E, etcetera. Hope that helps.
-  **Hanna Forstner**
spongebob for special days
-  **Theresa Kauffmann**
Eric, What was your favorite album/band growing up and why?
-  **Malte Christopher Brand**
That does help a lot! Thanks!
-  **Eric Morgan**
Tina: My favorite music themed movie/documentary is Spinal Tap.
- Apparently someone already knew I'd say that. :)
-  **Malte Christopher Brand**
Sorry... :-D
-  **Tina Kavanagh**
oh so malte was right!
-  **Dario Mischke**
Hey Eric :)
-  **Malte Christopher Brand**
Sorry again, Tina. ;-)
-  **Tina Kavanagh**
no problem
- :)

-  **Eric Morgan**
Malte: Of course I loved the paintings...I wouldn't lie to you.
-  **Dario Mischke**
Are you then also gonna write a nice theme called"lick my love pump?"?
-  **Me**
Ok keep firing questions
-  **Eric Morgan**
Those things blew my mind.
-  **Hanna Forstner**
Eric, are you guys already planning to come back to Germany soon?
-  **Malte Christopher Brand**
Was only jokin, Eric. Didn't think you'd lie to me.
-  **Dale Sutherland**
Does APHND have any Canadian dates for the future or talks about it Eric?
-  **Lars Vogel**
Hey Eric. I have a question for ya. Was it hard to find a bass guitar that was actually not bigger than you are?
-  **Dario Mischke**
Lars!!!
- :D
-  **Malte Christopher Brand**
Hey Lars, he looks bigger on the Internet. But Eric knows that.
-  **Lars Vogel**
Yeah... broadband adds two feet
-  **Eric Morgan**
Dale: Hey, Dale. We would love to come to Canada, but we can only go where there is demand and the like. As a "new" band anything you can do to get us more radio play in Canada and a bump in sales will help facilitate a tour of Canada. We know there is a lot of support for us there. Thanks!
-  **Eric Morgan**
Lars: SHUT UP! ;)
-  **Dale Sutherland**
Ya in London,Ontario they play APHND on FM96 because of me :)
-  **Me**
Nice Dale
-  **Tina Kavanagh**
Eric: If you had to switch with another APHND member for the day, who would you pick?
-  **Hanna Forstner**

Eric, you used to do some industrial and hardcore. How come you wanted to do Metal?

-  **Eric Morgan**
Malte & Lars: Yeah, that 17" screen makes me a giant!
-  **Malte Christopher Brand**
So you told me in Hamburg... ;-)
-  **Lars Vogel**
20" Eric... but hey, size doesn't matter... or does it?
-  **Malte Christopher Brand**
Hi Matt!
-  **Dale Sutherland**
What kind of bass & strings & amp do you use Eric?
-  **Me**
Hi Matt
- Matt feel free to jump in
-  **Theresa Kauffmann**
Hi Matt!
-  **Me**
We were going to do one of these for you in the coming weeks
-  **Me**
Yes Chase
- feel free
-  **Eric Morgan**
Tina: That's a LOADED question...hmmmm. I don't think I'd switch out anyone. We are all dialed in and play REALLY well together so I wouldn't mess with the formula AT ALL. We have great chemistry.
-  **Lars Vogel**
/me feels obligated to acknowledge Matt Brown's presence.
-  **Matt Brown**
is this thing on?
-  **Charlene Ratliff**
No
-  **Tina Kavanagh**
Eric: i mean who would you trade places with for the day
-  **Me**
Matt it is
- Keep the questions coming....
-  **Lars Vogel**
ok...

-  **Me**
Nice one's Lars ;)
-  **Dale Sutherland**
Matt Brown how are ya?
-  **Matt Brown**
great
-  **Eric Morgan**
Hanna: Hey, Hanna. I dog all types of music...doesn;t metter what it is. If it's well done and genuine, I'm dwn. which is the case with APHND. I really love the songs and that's what makes me want to do it...that and the fact that it's a great time with the guys.
-  **Lars Vogel**
Eric, what's your favorite colour unicorn?
-  **Me**
Matt, what date do you want to do your chat?
-  **Dario Mischke**
Matt's in da house
-  **Hanna Forstner**
Thanks for your answer, Eric :)
-  **Tina Kavanagh**
lars, thats an excellent question!
-  **Matt Brown**
you know I never know when i'm free
-  **Charlene Ratliff**
Eric and Matt, what got you interested in music?
-  **Matt Brown**
i figured I'd hang here before I have to make dinner
-  **Charlene Ratliff**
(hope that wasn't already asked...I'm late)
-  **Malte Christopher Brand**
Eric, Matt – how many times have you tried to talk Sal out of actually having an orange "Orange" amp on stage? ;-)
-  **Hanna Forstner**
(wasn't)
-  **Charlene Ratliff**
(:D)
-  **Malte Christopher Brand**
Matt, what's for dinner? ;-)

-  **Matt Brown**
my parents were into all the classic stuff
-  **Dario Mischke**
Do you play different instruments though?
-  **Matt Brown**
chicken cutlets!
-  **Charlene Ratliff**
Mmmm
- dinner at Matt's place!
-  **Matt Brown**
sal likes orange
-  **Lars Vogel**
What's wrong with an orange "Orange" amp?
-  **Matt Brown**
they make a black orange amp
- hmm
-  **Charlene Ratliff**
I thought that amp was pink *snicker*
-  **Tina Kavanagh**
:)
-  **Hanna Forstner**
lol a black orange amp...
-  **Matt Brown**
eric, what makes you so active on stage?
-  **Malte Christopher Brand**
That's why I asked. The orange looks a bit out of place... ;-)
-  **Eric Morgan**
Dale: I dig Warwick basses, DR strings and Mesa amps. My current bass rig is actually a Sansamp RPM with a Crown poweamp into to 4x12 cabs. I feel in love with the Mesa M6 Carbine on the Winter tour and will most likely be switching to Mesa gear soon.
-  **Lars Vogel**
There's also "Green Amps" (look it up). I think i know why Sal decided not to go with the green.
-  **Me**
Eric, have you been privy to any of the new songs?
-  **Matt Brown**
eric, how do you get your hair that stiff? I have a hunch..

-  **Malte Christopher Brand**
Lars, I guess you're quite right there...
-  **Me**
Matt...manchowder
-  **Charlene Ratliff**
LOL
-  **Lars Vogel**
There's something about Mary reference
-  **Matt Brown**
really??!!
-  **Theresa Kauffmann**
lol
-  **Me**
Yes...I should know
- Questions?
-  **Eric Morgan**
Hey, Derek. I have heard snippets of new stuff Sal has been demo'ing and I really liked it. He was working on stuff on the road that was cool, too. Everything I heard I liked, so you all should be pleasantly surprised!
-  **Charlene Ratliff**
What's the airspeed velocity of an unladen swallow?
-  **Matt Brown**
eric, top 3 new bands you listen to right now?
-  **Lars Vogel**
yes eric... your top 3 new bands
- *cough*
-  **Eric Morgan**
Matt: My hair hasn't been as stiff since the tour is over...no man hive.
-  **Lars Vogel**
plug me
-  **Matt Brown**
hahaha!!
-  **Hanna Forstner**
How about you, Matt? Your top 3 bands of all time and "new" bands?
-  **Me**
STOP BEING SHY PEOPLE! ;) What do you want to know?
-  **Malte Christopher Brand**

- **Hanna Forstner**

Eric, which country was the one you've always wanted to travel before you were able to tour with a band?

- **Dale Sutherland**

Was Kenny Hickey ever considered to replace Bobby Eric?

- **Matt Brown**

no

- **Eric Morgan**

Charlene & Theresa: My favorite track off the record to play live is Pillhead. I LOVE that song. I dig playing them all, but Pillhead REALLY does it for me.

-  **Johnny Caputo**
hey matt is here too Hello mat didnt see ya there
-  **Matt Brown**

-  **Lars Vogel**
Matt, are you on iPad?
-  **Matt Brown**
nope.. good ol' mbp
-  **Eric Morgan**
Hanna: Yeah, I had never been there. LOVED it. The crowds were great and cool as Hell to hang with afterwards, too. C'mon...shots being brought to us on stage...THAT'S hospitality!
-  **Me**
Dario any q's?
-  **Malte Christopher Brand**
The Warsaw gig was so so great to watch...

-  **Dario Mischke**
I do have: Eric, what's your favorite part of Spinal Tap?
-  **Chase Robinson**
^ what Lars said lol Love Die Alone
-  **Eric Morgan**
Charlene: Strangest thing that happened on tour was this clown in Antwerp who was trying to get on the bus and was messing with the wipers, the bus's power and all that. Some street kid who wanted on the bus. Weird.
-  **Charlene Ratliff**
that IS weird
-  **Lars Vogel**
Ah that's Belgians for ya
-  **Tina Kavanagh**
eric: what about top 3 tour moments?
-  **Eric Morgan**
Lars: I'm sure there will be sludgy, heavy, slow stuff. That's what we all enjoy...it turns us on, so yeah...expect more Thickened Primary Sludge!
-  **Lars Vogel**
noice
- I love sludge
-  **Charlene Ratliff**
maybe that's what made his hair stiff
-  **Theresa Kauffmann**
Eric, it seems from the live stream of Poland that the show was a lot of fun. Is there a big difference in playing in Europe then America? Which do you prefer?
-  **Eric Morgan**
That's IT!
-  **Malte Christopher Brand**
Eric, I assume your favourite key is D minor? ;-)
-  **Charlene Ratliff**

-  **Me**
Urszula, questions?
- **Sax..wake up ;)**
-  **Eric Morgan**
Johnny: It's a tough call...I really enjoyed Warsaw & Dublin. That's not a dig on the other countries we hit and had a blast, but those two shows were REALLY off the hook. London was awesome, too.
-  **Matt Brown**
that's enough of that one..
-  **Lars Vogel**
ohhh saxifraga is close to where I am :P
-  **Charlene Ratliff**
Poke em

-  **Hanna Forstner**
What's it like to be home again after such a long time on the road?
-  **Eric Morgan**

-  **Me**
Eric, if you could tour the US with one band, who do you think makes the most sense?

-  **Theresa Kauffmann**
Matt that would be a good show!

-  **Eric Morgan**
Charlene: There is talk of a US tour. There a few things up in the air, but nothing that can be discussed at this time.
-  **Me**
Matt, you are a master chef
-  **Malte Christopher Brand**
Seems like it, Derek. ;-)
-  **Hanna Forstner**
nothing like a fresh meal
-  **Me**
Matt is like the Swedish Chef from the Muppet
-  **Matt Brown**
nah, I can cook a few things really well..
-  **Eric Morgan**
Lars: I STOLE a towel in Cologne.
-  **Tina Kavanagh**
did you steal anything else while on tour?
-  **Malte Christopher Brand**
Anyway, I'd come to any APHND tour – but especially if Lars Vogel does the support or warm up. :-D
-  **Hanna Forstner**

-  **Lars Vogel**
Hahah thanks Malte
-  **Tina Kavanagh**

Eric stole my heart with this stimulating chat
-  **Malte Christopher Brand**
It's wireless, Matt.
- :-)
-  **Matt Brown**

-  **Tina Kavanagh**

-  **Malte Christopher Brand**
No, it was given to him by the elders of the internet...
-  **Charlene Ratliff**

-  **Eric Morgan**
It is my cheap ploy to take over the world...I am actually stealing all the world wide web bandwidth by hacking everyone signed into this chat!
-  **Me**

- 
Charlene Ratliff

-  **Charlene Ratliff**
thankfully APHND doesn't have the same issues with drummers that Spinal Tap does
-  **Me**
Then Eric is going to look at his peep in the mirror
-  **Lars Vogel**
Eric, you do realise that if those are the only 3 things you could take with you into outer space, you would all die without food.
-  **Charlene Ratliff**
Eric, Boxers or Briefs?
-  **Tina Kavanagh**
hopefully the spacecraft would be stocked..
-  **Eric Morgan**
