Dear Parents and Carers

Since our decision not to appoint a new Headteacher you will no doubt be aware that the Government intends that all schools will become Academies and that smaller schools will be expected to become members of Multi Academy Trusts.

In order to make the best use of this opportunity the Governing Body has decided to adopt an innovative staffing structure and has appointed an Executive Head to lead the Schools strategic development plan.

You will be delighted to hear that Andrew Bloom has accepted this role and he will be supported by John Axtell as Head of School.

In practice this means that day to day operations are the responsibility of John Axtell whilst Andrew Bloom will work with the Governing Body to develop and implement the Schools Partnership plan. This structure allows the school to maintain its excellent quality of education and move forward to achieve our shared goals.

Yours sincerely

Mr A Smith
Chair of Governors
