

REDLANDS CREATIVE ALLIANCE - Artmail Number 4

We now have 333 members in the Alliance. Isn't that great. It would also be great to have more of you more involved. To make this group work effectively we need to get together every so often. I asked for suggestions some while ago as to how we may achieve this - this time can I please have some response with heaps of suggestions. A place to meet etc etc. Remember though we have no funds so would have to contribute to any event costing money. Reply to May Sheppard, Chair at redlands.creative.alliance@gmail.com
