Dues are \$65.00 per year* and include membership in the Missouri Appraisers Advisory Council (MAAC). Dues provide members with quarterly meetings; professional level educational programs, seminars and courses with discounted fees for members; representation on the MAR Board of Directors; MAAC membership and education courses. MAAC membership allows the MAR Appraisal Section to have representation at each MAAC meeting, provides a bi-annual directory of all Missouri's licensed appraisers for each individual member, and funds a lobbyist who represents the interests of its members on issues and legislation pertinent to the appraisal business. At Missouri Housing Industry Alliance, it allows the MAR Appraisal Section to have representation at each MHIA meeting.
